District 4-L4 has always been the #1 district in so many ways and I am proud to represent my Lions family in Multiple District Four. It's wonderful to be recognized by MD-4 and LCI for our phenomenal membership growth. It's not only our advancement in numbers but our continued charity that is hailed as a leading factor for 4-L4 success. Donations to LCIF, new and progressive Melvin Jones Fellowships from our district have kept us well ahead of the pack for many years.

Collectively, we are leaders in Lionism. I know from my fellow governors that we are admired for our unity and fellowship. We are a family in the best sense; cooperation among clubs for projects and fundraisers; generous service for so many worthy groups such as Ronald McDonald House, American Family Housing, City of Hope, Scleroderma Foundation and others; unity of leadership among PDGs, the District Officers, and in the clubs. This unity of ideas grows and flourishes to produce service like well planted and nurtured seeds produce beautiful flower gardens with many pleasing colors and delightful fragrances. The gardens do need care and cultivation.

Occasionally a weed needs to be pulled. Don't delay. Root out the weeds of dissent, dissatisfaction and mean spiritedness. Don't let the weeds choke the flowers. The gardens need fertilization. That's where the Global Membership Team and the Global Leadership Team come in. We will have ongoing training in both areas.

The Global Membership Team (GMT) will keep our increases in membership going with seminars in membership development, retention and orientation.

Extension will be addressed with particular emphasis.

The Global Leadership Team (GLT) will maintain the unity in leadership with a new Leadership Institute for our own district. The importance of developing and strengthening our leadership is most critical. Membership and Leadership are of equal importance for district well being. Great leadership without members is wasted effort. Vast membership without stable and effective leadership is an unguided mob without without purpose or direction. District 4-L4 has always had purpose and direction and will continue with the Governor Team, the GMT and the GLT. Join us for success.

You will see a few changes in the Directory this year. Project L.O.O.K. has been removed and replaced with Friends in Sight. Efforts towards Wilderness Camp for Deaf Children will be totally directed toward the Lions Camp at Teresita Pines. The Pajama Party appears for the first time to benefit childrens services. Disaster Preparedness and Relief enjoys its second year. The Environment Committee debuts.

Among our beneficial service projects in the district, I am placing special emphasis on the environment. PZC Joe Rodehaver of Buena Park Noon Lions is the new District Environmental chairman. Lion Joe has done award winning work since joining the #1 NGO and this will be a continuation of his great service. I intend to have regular programs on the environment at each cabinet meeting and have presentations available for club and region meetings. Tree planting is of particular importance.

## DISTRICT GOVERNOR REPORT (Continued).....

Since 1996, over 38,000 square MILES of rain forest has been lost in Brazil to developers, colonization and clear cutting for pastureland to graze cattle.

Trees are life. Trees produce the major portion of the oxygen we breathe.

You can live your entire life without eating beef. You can do almost anything without using paper; continually more construction and furniture making is done with non-wood products. You can survive weeks without food, days without water, but only scant minutes without oxygen. We can make a difference for ourselves, our families now and in the future and the entire world. Eat less beef; use less paper; plant more trees; breathe easier.

Scenery without trees is called dessert.

Join me as we "Target Service". Join the "Sherwood Forest Archery Team" as we hunt for opportunities to serve. And PLEASE, lend your hearts, hands and shovels as we plant the new "SHERWOOD FOREST".

Don't Refuse.

## 1<sup>ST</sup> VICE DISTRICT GOVERNOR REPORT

**PJ SMITH**

Hello fellow Lions - It is with excitement and enthusiasm that I start our new Lion's year as your 1<sup>st</sup> District Vice Governor. Reflecting back on this past year, I see the many, many wonderful things that our District and Lions have done and accomplished. It has been an amazing year and I'm so proud to be a part of our great organization. We truly live up to our motto "We Serve". I look forward to being your 1<sup>st</sup> VDG and continuing the excellence that we have been and are going to be.

A big thank you to all the Clubs, Presidents, Secretaries and Treasurers who attended the training secession on Saturday June 18, 2011. I know there was a lot put on your plate that day to digest but once you start putting that knowledge to work you will not be sorry you attended. The training presenters did a fantastic job in the short amount of time allotted. Thank you everyone for giving up your Saturday morning.

The Rose Float this year will be absolutely beautiful. As last year's Float merchandising sales person, I could not have reached the level of sales that I did without every Lion's help and generous purchases. This year, 2<sup>nd</sup> VDG Sheila Casteel will coordinate the sales so please give Sheila the support that you gave me. Our Rose Float is the Lion's show piece for the world to see. We need to toot our own horn so we are not the world's best keep secret. 2012 Float Merchandize, Pins, Banner Patches and Fellowships are now available.

In July, we start off with a bang. The International Convention is the first week. I and many other Lions from our district will be attending to give support to our District Governor Ken Sherwood. July 30, 2011 will be the first District Cabinet meeting. Let's show Governor Ken along with our guest PID Dr. Bill Iannaccone our support and big welcome.

Governor's visitations will be starting along with many other activities in the district. Please check the Forum for upcoming events.

Thanks for all your support this past year. I look forward to working with everyone this coming Lions year.

## 2ND VICE DISTRICT GOVERNOR REPORT

**SHEILA CASTEEL**

Happy New Lions Year! In May we celebrated our collective Lions accomplishments at our annual district convention. We had a great deal to celebrate, and celebrate we did! As we usher in our new Lion's year, we are in a splendid position for another wildly successful year. I am excited about our future. Thank you for giving me the opportunity to be a part of your District Governor Team.

District Governor Ken Sherwood's motto of "Target Service" speaks to our hearts as Lions. After all, service is what defines us as Lions. Recently, I heard this quote, "If not now, then when? If not me, then who?" Not only did it touch me profoundly, it speaks directly to our work as Lions. In my mind it is a rally cry for District Governor Ken Sherwood's "Target Service". Our communities, both local and global have incredible needs for our help. As I travel through DG Sherwood's Forest and target service, "if not now, then when? If not me, then who?" will be the recurring mantra in my ear.

There is work to be done, goals to be met, and people to serve. Here's to another great Lions year.

## HEARING & SPEECH ACTION NEWS

### GOT A PROBLEM WITH YOUR CELL PHONE?

Many of us do, and I'm not just talking about hearing loss today. Along with poor hearing, the problems with phone usage can be vision, mobility/manipulation, speech and cognition. Here's what to do:

Go to [www.betterhearing.org](http://www.betterhearing.org); search for "cell phones"; see Item 2. "Better Hearing Blog"; see list of over 70 recommended cell phones, with detailed descriptions, specifications and user reviews.

Next, go to [www.accesswireless.org](http://www.accesswireless.org); look around for whatever fits your needs, in Sections PHONES, CARRIERS & SERVICES, MANUFACTURERS, GUIDES & HOW-Tos. Be sure you have a few hours to do your research, then let me know how this works for you.

## District 4L-4 Sight and Hearing Foundation

By Lion Joan Parks, Chairman

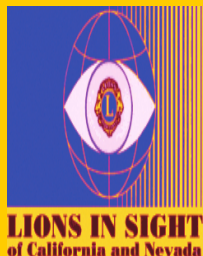

The Board of Directors wish to share with you the Sight and Hearing Van as it appears today, completely ready for use. Every club in the district is a member of the Foundation and therefore has the use of the Sight and Hearing van available to them.

We invite all clubs to use the van for Health Screenings, for small or large events. It makes sense to use the van as advertisement tool and share with your communities the Lions name. Since the van is fully back from the work that has been ongoing for the past couple of years, we are seeing a welcomed resurgence of use. We are happy to see this, as this is what it is meant for.

Contact Lion Roy Ramsland ([rramsland@cs.com/cell](mailto:rramsland@cs.com/cell) # 562-260-3750) for the application for use, and along with the refundable deposit and a cleared, responsible licensed driver your club can check out the van for use. Be sure to get your application in early to assure that you can get the date you want.

We have spent a great deal of time and money upgrading and refreshing the van. Doesn't it look great?! Everyone needs to know that in the application paperwork there is after use reports that must be turned in at the time the van is returned to the storage area in La Habra. Once the paperwork is received and the van checked out for any damage or cleaning, your deposit will be refunded. If there is damage, it will be deducted from the deposit, and likewise if the van has to be cleaned, that amount will be deducted from the deposit also.

Thank you for your support of the Sight and Hearing Foundation, the van and the Hearing Aide Bank.

# Fantastic Foothill

## Region Chairman Gil Smith

**“TARGET SERVICE,”** DG Ken Sherwood’s theme for the 2011 – 2012 year captures what Lions are about and how we grow and retain members. The immediate involvement of new members in community service, as well as continued involvement of seasoned members, is the driving engine behind our growth and the ability to serve our communities.

The New Officers Training on June 18 had an excellent turn-out from our region, as well as from the rest of the district. 42 Lions attended the Presidents/Vice Presidents session, which I led, and many others attended sessions for secretaries and treasurers. The objective of the day’s training was to give club officers vital information and suggestions to kickstart their year. Club officers also shared valuable insights and experiences with each other.

If anyone wishes digital copies from the Presidents/Vice Presidents session of the New Officers Training, I will be glad to send them to you. Topics discussed at this session were: creating a vision, creating a strategic plan, effective two-way communication, organization, membership (recruitment, activation, retention, recognition), community service, and signature projects.

Your Foothill team is here to help each club achieve its full potential. Each year, a very important first step for each club is to develop a **strategic plan**. We are prepared to assist and/or facilitate the development of your plan. This plan will help your club have an outstanding year with more members, more enthusiasm, and most importantly expanded service to your community. Let us help you strengthen your club for the next generation.

Your Foothill Region team, labeled the **“Fab Four”** by Tamara Martin, is energized to help all our clubs actively roar in a fabulous year! Please use us!

**Zone A Chair** Tamara Martin is the Immediate Past President of the Cucamonga District Host Lions. She always has been active in the communities in which she has lived and worked. Currently, she works in commissioned sales and marketing. Tamara’s professional experience also includes president of the Legal Secretaries, Inc. of Sacramento, its bulletin editor and membership chair (grew them from 23 to 200+). She also was the meeting coordinator for several sections of the Sacramento County Bar Assn. In our geographic area, she has been active in the Rancho Cucamonga Chamber of Commerce (Ambassador of the Year 2009 – 2010), Upland Chamber of Commerce and the West End Real Estate Professionals (WEREP). WEREP awarded her its inaugural Jane Penny Memorial Service Award, which is one of many examples of her commitment to community service.

Our **Zone B Chair** is **Andrea Busby**, Immediate Past President of the Ontario Host Lions. Andie’s professional career includes 30 years in a cardiology practice as a cardiac technician/ echocardiographer (still works there one day a week) and 16 years as business owner/caterer

of Andrea’s Gourmet Dining. She has three sons, two granddaughters and is married to Scott Busby. Andie has been a member of the Ontario Host Lions Club for 12 years, and not surprisingly has chaired the wine tasting and pasta dinner for 11 years. She also has been the Tail Twister, Lion Tamer, Bulletin Editor, Secretary, Director and was President for 2009-2010 and 2010-2011. Her Lions community service activities include Habitat for Humanity, Holiday Food Basket programs, the RIF program in the Ontario/Montclair school district, blood drives, as well as many volunteer projects at the Lions Camp at Teresita Pines.
