Lions, Leos, and Friends,

"Community Service - What Does It Mean and Why Does It Matter?" is the topic for this year's Student Speaker Contest. It has been a real treat listening to the students (remember that they are teenagers) talk about community service. With each speech I am left richer in my understanding of community service. One of the interesting things that I have observed is that these young people are serving us through their speeches.

Quite frequently the student speakers use Lions Clubs as an example for various aspects of community service. They remind us of the way we as Lions serve our communities and why it is so important. In addition, the concept that service begets service is part of the explanation for the value of community service. In giving their speeches, the students are living examples of that concept.

The MD-4 Student Speaker Contest is a truly exceptional program to help young people prepare for higher education. The Lions of California make this possible. We are giving students an opportunity for competitive public speaking, independent critical thinking, researching, and earning scholarships. Yet in sharing examples of community service provided by Lions, the audience - mostly Lions - is given a gift by the speakers. The gift is inspiration. We are assured that what we do is noticed and appreciated. We are inspired that what we do has value. Perhaps we are encouraged to do more.

Please plan on attending the next District Meeting on April 12. The three Region Winners of the Student Speaker Contest will give their speeches, "Community Service - What Does It Mean and Why Does It Matter?" Participate in community service as both a giver and receiver.

Until next time, follow your dream and make the world a better place.

Sheila

1ST Vice District Governor Gil Smith

April is somewhat of an eclectic month with multiple activities on the District and LCI levels. Several of these activities are noteworthy.

The recently completed **Student Speaker** competitions on the Region level were fantastic. Any one of the three Zone winners could have prevailed at the respective Region level competition. We're in for a treat at the last District meeting April 12th.

A revised new member **Orientation** should be loaded on the District website soon. Updated information and refinements have been incorporated since the current orientation was released in 2012. Take advantage of the opportunity to utilize this effective tool to attract prospective members and orient new members. In fact, some clubs are using it as an opportunity to reorient the entire club. Your District leadership team is available to facilitate an orientation. Next year, we will have two region wide orientations in each region for clubs that wish to participate.

The **Measles Initiative** challenge continues. As many of you are aware the GAVI Alliance and Lions Clubs International entered into a new partnership last July to raise \$30 million. The funds raised by the Lions will be matched by the UK's Department for International Development (DFID) and the Bill & Melinda Gates Foundation, bringing the total to \$60 million. Recently, in celebration of World Immunization Week from April 24 – 30, LCIF launched a **30-day challenge** to raise \$1 million for the One Shot, One Life Lions Measles Initiative. Donations during the month of April will be matched on a 1:1 basis by the family of Abhey and Aruna Oswal up to \$500,000. Additionally, all funds collected by LCIF will also be matched by the GAVI Alliance partnership, doubling the number of children vaccinated.

Every club can benefit by participating in the **Lions Family and Friends Month in April**. There are a number of activities suggested on the LCI web site that can help raise the community's awareness of your club while attracting potential new members. In many instances you need look no further than families of existing members. Break the "same old, same old" mold and try something new to invigorate your clubs and attract new members.

Earthquake? It's interesting how mother nature can shake us out of our complacency – just ask IPDG PJ Smith how his house and that of his neighbor fared in the recent earthquakes. If you would like an outstanding presentation, contact Steve Storbakken, Disaster Preparedness Chair for District 4-L4.

Take advantage of the resources available to you through the District and LCI. We would love to assist wherever possible. Here's to a great final quarter of Sheila's year as Governor.

2ND Vice District Governor Ken Myers

One item a Leader needs is good time management skills. I must admit the last 2 months I had lost my time management skills. I found myself over booked, out of time with the Lions, Volunteers of the Inland Empire, The Upland Downtown Assoc., and Teaching part time. But most of all I was losing time with my family. I felt I was letting all down.

So I went back to the beginning and re-set my time book. I started first talking with Denise and we went over what I was doing and may priorities. I then reviewed "Leadership Gold by John C. Maxwell". After looking back and re-setting my priorities time and schedule I know that I will be a good Leader.

We all must remember that we are Volunteers that love to serve. But we must also remember our Families and Work responsibilities. What time is left is the time we can use for our Volunteering. Now that I'm roaring to go I must say I am proud to be a Lion and work with all of you.

Coming up are the leadership classes. These courses are a good review and contain the new changes from LCI in all areas. The dates are

CABINET SECRETARY

JOAN PARKS

Happy Spring everyone. It was not a harsh winter, but the mental appreciation of Spring being here is a good one.

We have completed the Region Meeting and all three went so well. Thank you for getting your reservations in mostly on time. It helps with the food and the Region Chairmen can make plans easier. Our three Student Speakers from the three Regions are wonderful. I am looking forward to the District Contest on April 12th. Please make plans with your club member, now, to get your reservations in for the Meeting. Region Chairman Barbara Smith will really appreciate your early communications for this event.

The end of our Lions year is fast approaching. Remember as Secretaries, you must continue the reports monthly, as the new year for contests and the such will begin on April 1st. I will keep track of your reports, service hours, and such, as will the contest chairmen. Remember the Lion year begins on July 1st and our District year reports and contest from April 1st to March 31st from now on. Incoming Cabinet Secretary, Lion Marianne Allen will continue where I leave off, but you must follow through also.

Also, a **very important** report for the end of the year, is the PU101 form. It is the report to District and International of your new officers. We need these as soon as you have your new board elected. Dead line for submitting this form is May 15th!! I will send an email to each President and Secretary of each club in our district, so you can get this done ASAP.

I hope to see you all at the District Meeting in April.

CABINET TREASURER

CAROL LINEHAN

The MD4 Invoices for the second half of the year were mailed to every club over a month ago. They were sent out to all the Club Treasures via email and to the listed address that MD4 has on record. These dues are due now. Please pay this second half of your Dues to MD4 which in turn then sends a portion of the dues back to District 4 L4, to run the District.

There are still clubs in District 4 L4 that have not paid their first six months dues to MD4 they are now delinquent over 150 days in their dues.

There are many important reasons for paying your Dues to MD4 in a timely manner. Number one - the District needs it to operate on, number two - to be eligible to vote at the 4L4 Convention in May and number three which is a very important reason is our District Governor Sheila will not be eligible or considered as 100% Governor if any club is delinquent in their dues payment. If your club is having a finical problem and can't pay your dues please let the Governor or myself know.

Student Speaker Foundation

Thank you to the following Clubs who donated used Cell Phones & Ink Cartridges this month Huntington Beach Host, Laguna Niguel, La Habra Host, Ontario-Upland and Pomona Host.

To raise money for the Student Speaker foundation it was decided to hold a raffle at the three Region Student Contests. Tickets were \$2 each I had hoped to collect \$200 and award a Lion with a Harry J Aslan. The generosity of all the Lions who purchased tickets was unbelievable.

You donated \$400 so that means two (2) Harry J Aslan Fellows will be presented to the lucky winners of the drawing. They are: DG Sheila Casteel (I did not pick the tickets we had the Saddleback Region Student Speaker winner do the honors) and Lion Jeannette Jones La Habra Host Lions Club. Congratulations!

Thank you

**1975-1976
Past District
Governor
RALPH
SHANNON**

**IN MEMORY
1915-2014**

Orange resident, Ralph William Shannon, 98 died peacefully at the home of his son and daughter-in-law, Don and Nancy Shannon in Kailua, Hawaii with them by his side after a brief hospitalization.

There will be a funeral service on Tuesday, March 18, 2014 at the Shannon-Bryan Mortuary, 137 E. Maple Ave., Orange, CA. The funeral is at noon with a private graveside service to follow.

Ralph was born October 27, 1915 in Fort Dodge, Iowa to Rex and Elfrieda Shannon. Ralph and his brother Rex grew up in Garner, Iowa where his father opened a funeral home and furniture store. The family moved to Orange, California where the original Shannon mortuary was founded in 1933. Ralph attended Santa Ana College and graduated in 1935 with an AA degree; he went to Gray's Business College for law and accounting courses and also attended a mortuary college in Los Angeles.

In 1936 Ralph rode his motorcycle back to Iowa to propose marriage to his high school sweetheart, Delores Kloock, of Garner. They were married in 1937 and returned to live in Orange. Their children, Michael, Juliana and Donald were born and raised in Orange.

In the late 1930's Ralph took lessons and earned a private pilot's license at the old Eddie Martin Airport, forerunner of today's John Wayne Airport. Ralph enlisted in the Army Air Corp after Pearl Harbor and the beginning of World War II. He received his commission at Ft. Sumner, New Mexico and served as an instructor in both primary and advanced aircraft. In 1944, Lieutenant Shannon was transferred to the 27th Air Depot Group at Finchhaven, New Guinea. Following VJ Day in 1945, Ralph's Air Depot Group was transferred to Japan where he concluded his active military career. Upon returning home he served in the Air Force Reserves and retired in 1963 with the rank of Lieutenant Colonel.

Ralph and Delores purchased the Shannon Mortuary from his parents in 1946. They operated the business until 1980 when family illnesses necessitated a time away from working. Ralph and Randy Bryan formed Shannon-Bryan Mortuary which continues today in the original location in Old Towne Orange.

Ralph believed in serving his community. Some of the ways he served was President of the Walther League at Immanuel Lutheran Church in Orange and for all of Southern California, and he later became a member of St. John's Lutheran Church in Orange where he served in many capacities. Ralph was affiliated with Orange Jr. and Sr. Chamber of Commerce, Lion's Club, including serving as District Governor, Boy Scouts, Sons of American Revolution, and California Funeral Director's Association. Others include the American Legion, Veterans of Foreign Wars, Military Officers Association, and the Retired Officers Association.

Fantastic Foothill Region

By Foothill Region Chair
Barbara Smith

It was great seeing many of you at the recent Foothill Region Meeting/Student Speakers Contest! Wasn't that a fantastic contest? All the speeches were outstanding. Congratulations to Foothill Region Winner Anupriya Sivakumar from Chino Hills High School, sponsored by the Chino Valley Lions Club.

Fifty-one people attended the region meeting, and all nine clubs were represented. Thank you for coming! Thanks also to the people who helped in the many different capacities at the region meeting. It was successful because so many pitched in to set up, clean up, time, tally, support student speakers, sell and buy raffle tickets, tail twist (See photo of Vicky Sasser and Kristina Stewart), give prayers, lead the pledge, collect money, count money, bring supplies, etc.

We give a special thanks to Foothill Region Student Speakers Chair Andy Megaw for the outstanding contest, Andrea Busby for catering her famously delicious Italian food, and Ken Van and the WesternU Lion Club for the use of Banfield Hall.

As a retired English teacher, I have seen firsthand how important reading literacy is for students' success. I am delighted to see so many clubs in our region now participating in LCI's Reading Action Program, whether it be providing books to kids or reading with and tutoring elementary school children every week. Some of the literacy activities I have heard about this month are Cucamonga District Host's Reading Buddies Program in the elementary schools and its school library donation, Ontario Host's and Pomona Host's participation in Read across America Dr. Seuss Birthday Celebration, Pomona Host's Literacy Tutoring Project and its hospital pediatric library donation, and Walnut Diamond Bar's Holiday Books project.

The focus club this month is the WesternU Lions, a club near to my heart since Gil and I helped start it and served as its Guiding Lions for its first two years.

Foothill Region Focus Club: WesternU Lions Club

The WesternU Lions Club, currently with 45 members, is a remarkable group, comprised of students and faculty from multiple colleges with different disciplines at the Western University of Health Sciences. Although it is called a campus club and is part of a graduate university, it is a full-fledged Lions club with members 18 years and over.

The WesternU Lions Club was formed through the efforts of Pomona Host Lions/Western University professors Dr. Ray Maeda, Dr. Richard Sugerman and Pomona Host Lions/Guiding Lions Gil Smith and Barbara Smith. It was officially chartered on March 1, 2011.

The club began with students from the College of Optometry when College of Optometry Chief of Staff Dr. Ray Maeda sent an invitation to all optometry students for a pizza lunch, where they would discuss forming a Lions club. In subsequent years, the club has expanded into other colleges, such as dental, pharmacy, podiatry, etc.

The focus of the WesternU Lions is service to the community, especially in the fields of health sciences as represented by the professional training of its members. The club holds or participates in health screenings once or twice a month, providing services in the club members' professional specialties, e.g., vision, diabetes, blood pressure, podiatry, dental, etc. Once a year, it co-sponsors a California Lions Friends in Sight event, and its last CLFinS gave away 370 pairs of used glasses and made arrangements for 30 pairs of new glasses. The club also travels to Mexico to assist CLFinS.

The current WesternU officers are President Kenneth Van, Vice President Jean Sugimoto, Second Vice President Jason Wei, Treasurer Somang Lee, and Secretary Anet Abrahamian. Following the university's custom, the officers are elected for one year, beginning in January. WesternU meetings currently do not follow a set schedule, but are scheduled monthly around the members' classes and clinic duties.

Activities around the Foothill Region

Again, Foothill Region had 100% of its clubs send information for the Forum this month. That's why we are called FANTASTIC FOOTHILL!

Chino Valley Lions, Reported by Secretary Drew Sasser

We had our speakers contest in March and had six speakers. Our winner from that contest has won twice more now and going on to the district contest. We are having a Pieology Pizza fundraiser April 9th at the Pieology Pizza, 3908 Grand Ave, Chino CA from 12 noon until 8:30 pm. Flyers are posted on our Facebook page. We are also having a Candlelight Pavilion fundraiser on May 16th at the Candlelight Pavilion in Claremont. The show is a "Tribute to the Beatles." Tickets are \$25.00—call Drew or Vicky Sasser, 909-628-2205 or Dave Stilwell 909-260-5646. Two members attended the Ensenada Lions Visitation in March and donated money to their projects. We also donated to our Boy Scout troop. We had five people attend the region speakers contest. Our club continues to be very active with its Leos.

Cucamonga District Host, Reported by President Andy Megaw

The Cucamonga District Host Lions held their 9th Annual Sip for Sight Gourmet Wine Diner on March 8th. The club worked tirelessly on getting sponsors, raising funds, planning, and going all over town for items in the ever-popular silent auction and opportunity draw. Hundreds of items were donated and thousands of dollars were raised. We donate to LCIF, California Lions Friends in Sight, Lions Camp at Teresita Pines, Student Speaker Foundation, among other Lions supported causes. For our

own club, we raised money for our Blind Buddies Golf Challenge on April 26th, two \$1000 scholarships, and our Reading Buddies Program. Our Reading Buddies program brings Lions into classrooms to read to students. Lion Steve Lacey got us a \$1000 donation for the Alta Loma Elementary Library. The Principal, Mrs. de Visser and Mrs. Johnson, the librarian were on hand to accept the check with much thanks at our last dinner meeting. Lions serving in a most enjoyable and rewarding manner. Three of our Lions, Lion Leslie, Lion Mike and our newest recruit (soon to be inducted) Sarah participated in our City Library Foundation Trivia Contest. Competing against other service clubs, we went to battle answering all sorts of Trivia questions. Lots of fun was had, and the Lions got to support a valuable community effort. Lion Tony is doing a tremendous job organizing our Blind Buddies Golf Challenge. It is a free golf clinic for the visually impaired. Our 10th year, we help bring golf to a whole group of athletes who want to know more about golf. It is a great time pairing sighted people up with golfers who just need a little directional help. Most have a better swing and drive the ball further than our own club member, PDG Norm McKenzie.

Diamond Bar Breakfast Lion – Reported by Secretary Karen Eubanks

The Diamond Bar Breakfast Lions Club has held two Bob's Big Boy fundraisers and has collected 36 pairs of glasses for recycling. Its members, as always, are busy in many district-wide events, such as attending Cucamonga District Host's Sip for Sight, Huntington Beach's CrabFest, several visitations, and the Foothill Region Zone C Student Speakers Contest and the Foothill Region Student Speakers Contest.

The club's focus is now on the preparations for its City of Diamond Bar Birthday Celebration on April 12 and the Easter Egg Hunt co-sponsored by the Diamond Bar Breakfast Lions and the City of Diamond Bar. The club, of course, remains extremely active with its two Leo Clubs.

Ontario Host, Reported by Secretary Debi Nichols

On Thursday, March 6, the Ontario Host Lions participated in the Dr. Seuss Reading Days at Montera School. Then on Friday, March 14, the Ontario Host Lions participated in San Joaquin Valley College's Food Truck Event. The event was attended by SJVC students, their families, local area churches, the Ontario FD and PD, as well as other local Ontario Businesses. It was a wonderful evening, providing the Club with a great recruiting opportunity as well the opportunity to share the history and purpose of Lionism. Daniel, the club's Ontario Host Lions Student Speaker winner, also won the Zone Level contest and competed at the Region Level on March 24. While he didn't win the Region Level, we are all so proud of him! All club members continue to focus on the upcoming Ontario Host Lions 2014 Golf Tournament on Thursday, June 19 at Sierra Lakes Golf Course. It is our primary fundraiser for the year and, as always, a great day of Lionism. We hope all clubs will come out and support our event.

Ontario-Upland Lions, Reported by Acting President Elizabeth Warren and Acting Secretary Pat Haynes

The Ontario-Upland Lions Club spent 157 hours of service during March. The members continued their ongoing projects of knitting hats for newborn and preemie babies. They are also knitting helmet liners for the military, and they continue collecting eyeglasses. Its Bunco project was very successful, and the club is now planning for its Annual Afternoon Tea on Saturday, May 10.

Pomona Host Lions, Reported by Secretary Beverly Sugerman

The Pomona Host Lions prepared and served a special meal for the homeless on March 14 on the final day of the Pomona Armory Winter Shelter program. Club members celebrated our nation's flag by reading *The Flag We Love* to three first grade classes at Decker Elementary School and by presenting each child a small American flag mounted on a wood stand. The Lions also gave each classroom the patriotic book, which the Lions had read, and a stuffed lion with a red, white and blue scarf. The Lions hold "Flag Days" at different elementary schools throughout the year. Pomona Host members also participated in Read across America and are tutoring at a local elementary school. At its monthly PlannFest, 24 people participated, and a videographer made a recording as Chair Kris Georgeson explained the process of making sleeping mats for the homeless, and President Dr. Richard Sugerman talked about homelessness. Club members attended the Foothill Zone B and the Foothill Region Student Speakers Contests, the MD4 convention in Ontario and the LCI International Board of Directors meeting in San Diego. At the MD4 convention, Lions Kris Georgeson and Chad Dominguez made a presentation on making sleeping mats for the homeless. (See photo.) At the end of their presentation, a reporter from the *Daily Bulletin* newspaper, interviewed Kris and then published an article on it. The club is busy planning its Pomona Beautification Day project for April 6 and its booths at the Learning Expo.

Upland Host, Reported by Secretary Keith Krumwiede

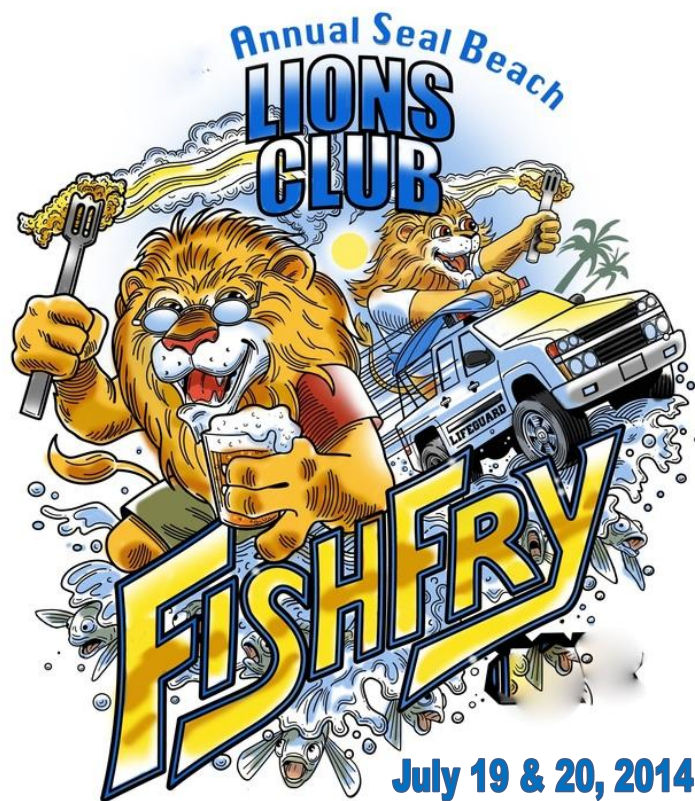

The Upland Host Lions and its branch club Atria del Rey continue to make mats and pillows for the homeless. In March the club provided ten exams and eyeglasses for Upland schoolchildren and collected 187 pairs of used eyeglasses for recycling. During March, the club donated \$650 to charity and put in 107 hours in service.

Walnut Diamond Bar Lions, Reported by Secretary Karen Hormuth

Walnut Diamond Bar Lions worked on distributing food to the needy in town. They served a total of five families this month.

WesternU Lions, Reported by President Ken Van

The WesternU Lions Club helped with the California Lions Friends in Sight Mexicali Vision Screening on March 21-23. Members will be participating in the April 5th Health Screening for the Third Annual Heroes in Shadows in South El Monte and the April 25-27 Sonora-Baja Vision Screening with Friends in Sight.

New Year's Resolution: Reduce Cancer Risk (the Easy Way)

by Nicole White

In addition to toasting, feting and feasting, another tradition of the holiday season is taking stock of the year about to end, and making plans for the one about to begin.

Often, these happen in the form of the New Year's resolution, which often begins as a lofty good intention and becomes an afterthought before the calendar flips to February – especially those promises to ourselves to exercise more and drop a few (or a few dozen) pounds. Certified Fitness Instructor Jeanette DePatie encourages people of all sizes to embrace exercise and its many benefits.

City of Hope scientists have linked exercise and healthy weight to a lower risk of diabetes and cancer, Leslie Bernstein, Ph.D., professor and director of the Division of Cancer Etiology at City of Hope, published her first paper linking physical activity to lower cancer risk nearly twenty years ago. Since then, study after study has backed up Bernstein's findings, linking increased physical activity to a reduced risk of breast, colon, uterine and advanced prostate cancer. Excess weight has been linked to an increased risk of cancer, including breast cancer, colon and rectum cancer, endometrial cancer, kidney cancer, esophageal cancer and pancreatic cancer. But where to begin?

That's where DePatie comes in. The certified fitness instructor specializes in helping people of all sizes and ability levels take their first steps toward fitness. She joined with City of Hope in a tweet chat on January 2nd with the topic: "New Year's Resolutions That Won't Make You Sick, Crazy or Dead." DePatie focused on smart tips for setting reasonable, achievable goals and constructing a plan that will lead to a healthier 2014.

A few tips to consider:

- Find your starting point. You can't ramp up until you know where you are. If you haven't exercised regularly for a long time – or ever – check with a physician.
- Create a ramp-up plan. Once you establish your starting point, gradually and safely move ahead. Don't pick advanced exercises immediately; that's the road that leads to injury – and away from your fitness goals.
- Just get up off the couch. You don't have to become a marathon runner or a triathlete. Even an hour a week – less than ten minutes a day – can increase lifespan by up to two years, according to National Institutes of Health Research.

HEARING & SPEECH ACTION NEWS

BY KEITH CAMPBELL
4-L4 Hearing & Speech Chairman

In 1978, when I was working as a hearing aid dispenser, I had a couple of clients who were Lions. Talking with them, I realized that I could do some good and help myself as well by working with them, so I joined. I think it was a good move for both the Lions Club and myself. But now that I am writing this newsletter, I get the feeling that more can be accomplished by us.

For one thing, I expected more response to the subjects I discuss and the questions I ask. While most people, including Lions, are reluctant talk or even think about hearing loss, our motto is "We Serve", right? The public, Lions included, has a right to expect our assistance and guidance in dealing with hearing problems. Regardless of age or occupation, we all, for various reasons may have to face the possibility of hearing loss. So here is an invitation and a challenge - Stop and think about yourself, your family and friends as to the possibility of needing help. Which among you may be or obviously is experiencing a problem? What can you or should you do about it? Start by reading everything you can find on the subject, then talk to people who are providing or receiving help. You will be glad you did, no matter how it turns out!

ONE SHOT ONE LIFE

Lions Measles Initiative

Dear Lion,

I have an exciting announcement to share with you: in celebration of this year's World Immunization Week from April 24-30, LCIF has launched a 30 day challenge to raise US\$1 million for the One Shot, One Life: Lions Measles Initiative!

Did you know that each year, more than one million children will not make it to their 5th birthday due to a vaccine-preventable disease? This includes measles and rubella, which can cause illness, disability, blindness and death. That is why we must act now – we can help these children through the One Shot, One Life: Lions Measles Initiative and through events like World Immunization Week.

By accepting this challenge, you are helping us provide vaccinations to children in need and also helping to raise the awareness of just how important routine vaccinations are for global health. Together, I know we can meet this challenge.

And, not only are we issuing this challenge, but we are also receiving a generous matching contribution from the family of Abhey and Past District Governor Aruna Oswal to help us reach US\$1 million for measles. When you make a donation for measles during the month of April 2014, it will be matched on a 1:1 basis by the Oswal family, for a total of up to US\$500,000! Every dollar that you donate is doubled until we meet our goal.

You can learn more about the Million Dollar Measles Challenge online, as well as Lions' and LCIF's efforts to end measles, our partnership initiatives for measles and how to make a contribution.

As a Lion, you can help save lives, spread knowledge and make the world a healthier place for children. You can make a difference.

Sincerely,
Wayne A. Madden

Proposition A:

It is proposed "that District 4-L4 enter into an agreement with District 4-L5 to host a dual Convention for the year, 2016. The convention site, the Crowne Plaza Hotel in San Diego, would be mutually agreed upon by both districts and approved by the membership of each district. The business sessions for each district would be separate and the joint sessions would be for social purposes with the exception of the top district awards presentations."

The aforementioned proposal must be approved by a majority of the accredited delegates attending the 2014 District 4-L4 Convention (Article 1, Section 5 of the By-Laws). It would also take approval of a joint contract by the Convention Committees of the respective districts with the venue and an affirmative by the members of District 4-L5 in order to go into effect. Approval of this proposal would void the election based on bids for a single district site. Failure to approve would result in a vote for approval of one of the single district bids presented for the 2016 convention.
