What a great start to the new year! Our District 4-L4 clubs have been doing outstanding work in serving their communities and in increasing the number of Lions hands in service! Keep up the great job!

We've had a fast start in **membership growth** and we expect even more under the Global Membership Team (GMT) leadership of Dave Hubbard, supported by his team of PDG PJ Smith, Steve Christy, PDG Norm MacKenzie, plus the Governors and Region and Zone Chairs. Our District membership started the year at 1,233 (which included two new clubs chartered in IPDG Sheila's year) and already we have reached over 1,250 and still growing. Your Governors Team (Gil, Ken and Bob) look forward to the opportunity to participate in the induction of your new members.

Valuable **leadership opportunities** will be offered all year, under the guidance of the Global Leadership Team (GLT) Coordinator IPDG Sheila Casteel and her committee of PDG Jack Mauller plus the Governors and Region and Zone Chairs. I encourage you to participate in these trainings as they are designed to help strengthen your club, your leaders and your service.

The first **District Meeting** of the year on July 26th was a rousing success with 119 Lions plus our ten Youth Exchange Program (YEP) students from other countries in attendance.

Our day was highlighted by the contributions of Past International Director (PID) Bill Crawford. PID Bill gave a moving installation of the District Cabinet. He also provided two inspiring and valuable presentations during the leadership academy in the morning and as the keynote speaker after lunch. Both of his discussions focused on effective leadership, one of the pillars of Lionism. Over 40 Lions attended the leadership academy before the District meeting began - the dining room virtually emptied when it was announced that the academy was beginning at 8:45 a.m. The feedback from Lions in attendance was great.

PID Bill Crawford also honored Lion Scott Newton of Seal Beach with his 50-member Grand Master Key Award from LCI for bringing in 50 new members. It is reported that he has now brought in 72 new members and was challenged by PID Bill to beat him to the 75 mark - it turns out PID Bill is currently at 74 members. PDG Ellen reports that the vast majority of members Scott has brought into Seal Beach are still members.

**1ST Vice
District
Governor
Ken Myers**

I would first like to thank all of you for your help advice and support for the last year. I also look forward working with you in growing our team to carry on our service. For we need each other to Strengthen our Pride and Seize the Opportunities to Lead, Grow & Serve.

In the Last forum we talked about the Membership Satisfaction Guide, Community Assessment Needs, and Just Ask. Now I would like to review communication. As you know the one item that causes most of our problems in our clubs is lack of communication.

The platinum Rule in communication is to **treat people the way they want to be treated.** And become a good listener. When we achieve these two, we are on the way to a healthy club and one that will Lead, Grow & Serve. Characteristics of an Active Listener

- Listens for feelings as well as facts
- Paraphrases
- Attends with the entire body
- Doesn't rely on memory
- Summarizes what you've heard after a lengthy session
- Avoids autobiographical responses

Common Reasons for NOT Listening

- Preconceived notions
- Motivation and attitude
- Time
- Poor listening setting
- Planning a response during communication

On the LCI web site www.lionsclubs.org click on Member Center. Then click on Managing a club, then Lions Learning Center. At the bottoms of the page click on Communication. Here you find a good course on Effective Listening.

Please call or e-mail any question are if you want to meet and talk.

**2ND Vice
District
Governor
Bob Susaeta**

We kicked off the year with our first District Meeting, and in my opinion it was a great one.

We had an excellent guest speaker who passed on great and helpful information for all of us to improve how we encourage Lionism and Strengthen our Pride. This is useful for both new and existing members.

You heard from both the Leadership and Membership Teams about several plans and programs available through the District and LCI that you can take advantage of to help your club membership teams with growth, and your future leaders with improving their skills. The main ingredient to this whole concept is your cooperation and willingness to push yourselves and your members to participate. There is nothing to lose but a whole lot to gain. Don't you agree?

Please welcome your Zone and Region Chairs when they contact you, continue to work with them and give them a chance. Remember WE SERVE! Not only do we serve the less fortunate, but also our clubs and each other. Let's continue to grow together and be the District that the whole country looks up to.

We are all ready to receive your calls and help in any way we can.

Student Speaker Foundation

Lion Carol Linehan, District 4 L4 District Trustee 2014-15

Thank you Fullerton Host Lions Club for your donation in Governor Gil Smith name to Student Speaker Foundation is greatly appreciated. The following Clubs brought used cell phones and ink cartridges to the District Meeting which will be shipped to the Funding Factory who in turn gives credit to our District. Thank you Diamond Bar Breakfast, Fullerton Host, Harbor Mesa, Huntington Beach Host, La Habra Host, Newport Beach Hawaiian, Orange, Seal Beach Host and Tustin Host. I will collect these at the Region and District Meetings all year.

Beginning this year the 15 District Trustees are selling the 2017 - 100 Year Convention Pins with the proceeds going to the Foundation. They will be available at the Region and District Meetings. Thanks Huntington Beach Host for purchasing 100 year Convention Pins. District 4 L4 is on its way raising the necessary money for the Foundation. The Student Speaker Foundation would appreciate if your club or you as an individual would think of the foundation when making a contribution to the many worthy charities that you can give to. Our District with the other 14 in Multiple District 4 will be encouraged to raise the \$7,500 that is required to continue to provide the Foundation so they can award the \$103,500 scholarships.

Cabinet Secretary

Marianne Allen

sarahcait@sbcglobal.net
714-658-2232 Cell

As I sit here thinking about what to say to all of you, I can only say that I appreciate all that you do for service to your communities and service to our country. With that being said, I want to thank all of you for attending our First District Meeting of the year. It was a great success and I enjoyed being a part of it and enjoyed seeing all of you.

I want to encourage all of the Clubs to submit their reports in a timely manner. You know the deadlines for submission. You should all have your District directories by now. If you as a President or Secretary of your Club have not received your directory then please contact PDG PJ Smith. The directory will provide you with all of the important dates and what is going on in our District. You will also have the names and emails of whom you should send your monthly membership reports and activities reports to. Keep in mind your reports need to be sent to the following: District Governor, 1st Vice District Governor, 2nd Vice District Governor, Cabinet Secretary, your respective Region and Zone Chairpersons and to the GLT and GMT Chairs.

If you have problems submitting your reports, please contact me either by cell phone (714) 658-2232 or email me at sarahcait@sbcglobal.net. If you have not received your username or password from Lions International, please contact Lions Clubs International Headquarters at (630) 571-5466 and ask for technical support for your sign on information.

I hope that we can have a successful 1 year working together..

Cabinet Treasurer

Joanne Waltman

waltmanathome@yahoo.com

Hello to all the District 4-L4 Lions! Let me introduce myself, my name is Joanne Waltman and I am your 2014-2015 Cabinet Treasurer. Yes, I'm the money person.

I have been a Lion, or Lioness, since 1978; first as a Charter member of the Ontario Host Lioness Club and then Charter President of the Ontario-Upland Lions Club. I currently reside in Upland but during my school years I lived in Ontario. So as you can see, I truly represent both Ontario and Upland.

The only major change this year is we will not be accepting payment for the District and Region Meetings through Quick Pay or Pay Pal. We request that you either send your personal check or your clubs check for the reservations you make. This has worked well in the past and should continue to work this year. Of course we will also accept cash.

On that note, I would also like to remind you that we need your reservations to be made in a timely manner and we respectfully request that you pay for all the reservations you make. We need to let the venue know the number of people who are attending and we are responsible for the reservations that have been made. As in the past if you wait to make your reservations at the door, you will be charged an additional \$2.00. So get those reservations in early.

Your International and MD-4 dues will be due shortly. Because the District relies on these funds to function, please make sure your Treasurer gets those funds into International and MD-4 on their respective due dates.

Please do not hesitate to either email me or call me if you have any questions.

2014-15 Student Speakers Contest:

“Water Conservation – How Can We Reduce, Recycle and Reclaim?”

Now it is time to get your Clubs to sign up to receive their packets which they must do online at the MD-4 website, md4lions.org. You can also check what Clubs in your District have signed up already by going to the website, as well.

Club Contest.....on or before Wednesday, February 18, 2015

Zone Contest.....on or before Sunday, March 15, 2015

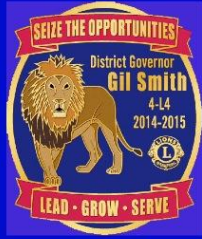

Region Contest.....on or before Sunday, April 05, 2015

District Contest.....on or before Sunday, April 26, 2015

(Note: April 17-19, 2015- high school speech and debate competitions are held in CA)

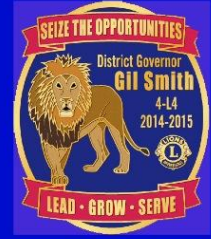

Area Contest.....on or before Sunday, May 17, 2015 (District 4-L5)

MD4 Final Contest.....on Saturday, June 6, 2015 (San Jose)

DISTRICT 4-L4 MEETING FOCUSES ON LEADERSHIP

July 26, 2014

The July 26th District 4-L4 meeting focused on "Leadership," representing the "Lead" in Governor Gil Smith's theme, "Seize the Opportunities to Lead, Grow and Serve." Subsequent district meetings this year will focus on "Grow" and "Serve." Beginning the day was the Leadership Academy, led by Past International Director Bill Crawford, a dynamic presenter, who is the Global Leadership Director for the Western United States, Alaska and Hawaii. Over forty Lions took part in the interactive presentation on the difference of leadership and management, and what works best when.

During the general session, PID Crawford was the presiding officer for a meaningful installation of our district cabinet officers, and he delivered a powerful keynote speech on the "Characteristics of Effective Leaders." Governor Gil shared how the district will try to give value to all the clubs and encouraged everyone to seize the many opportunities to grow as leaders, to increase the number of members in service and to embrace the needs in our communities.

The meeting had its light moments, jokes and pranks. Governor Gil was told to close his eyes as Convention Chair PDG Dan Mayer and Judy Barr slipped a large chicken head costume over Gil's head, and Gil good-naturedly danced with his hands in the air. Later, DG Gil and VDGs Ken Myers and Bob Susaeta donned large sombreros as they introduced themselves as the "Three Amigos."

Other highlights were the Youth Exchange students, the long line of First Timers, Seal Beach's Scott Newton receiving the LCI 50-member Grand Master Key Award, a slideshow showing activities around the district and the club announcements, which were kept to only future events so the clubs could support each other in their endeavors. An especially poignant moment was the hearty singing of the Governor's theme song, called "Lead, Grow and Serve" and sung to "The Saints Go Marching In." The song was written by Public Relations Chair Carol Van Holt before she fell seriously ill. Carol had so hoped to be well enough to attend the launching of the song, but instead, we all tried to sing loud enough for her to hear in the adjoining city! A final noteworthy recognition – the Costa Mesa Country Club outdid itself with the lunch, which included, among other items, delicious Chicken Cordon Bleu and rich chocolate mousse cake.

DISTRICT 4-L4 YOUTH EXCHANGE PROGRAM

By Diane Quinlan

Thanks to all the clubs who helped out with donations we had a 10 day adventure with our 2014 Youth Exchange Students this year and gave them wonderful memories of 4L4 Lions and Southern California.

They arrived on Wednesday July 23rd at Ontario Airport from San Francisco or Sacramento depending on where they were up North and our students from Japan arrived at LAX. We had arrivals from 12:00PM to 8:30 PM so we did not plan anything on Wednesday, but on Thursday the 24th we started our whirlwind of fun.

On Thursday our day began at the home of PJ and Georgia Smith who were hosting a student from Switzerland. We ate lunch and chatted then we were treated to a piano performance by my exchange student Anne from the Netherlands.

We departed the Smith home and set off for the Nixon Library where our Host Parent Jeannie gave us a tour (Jeannie and Georgia have served as docents at the library for many years). We toured the library and then went into the US Presidents and Baseball exhibit where we found Wii baseball set up. Orange Lions President and Host Parent George Schnitzer showed us how to play baseball on the Wii game and he was joined by host parents Georgia Smith and Diane Quinlan and Giovanni from Italy.

Next we were off for loads of fun at Farrell's Ice Cream Parlor and as you can see by the pictures had a lot of fun with singing, eating ice cream and getting to know our students. Even our own District Governor Gil and his wife Barbara joined us and had lots of fun with the students. Host Parents Lynn and Brenda Davis had Giovanni from Italy and Julius from Germany both joined the Farrell's staff and did a little dance for us and then Giovanni sang a song in Italian that he wrote.

We then departed for a few hours of shopping at the Brea Mall and then each family departed some to take their students home, some to a theater and others out to dinner.

More news on our 10 days adventure to follow next month.....

4TH ANNUAL ORANGE COUNTY STAND DOWN

September 26-28, 2014 ~Tustin CA

Harbor Mesa Lions will be "manning" the LIONS SIGHT AND HEARING VAN at the 4th Annual Orange County Veterans Stand Down on September 26th and 27th. The event will be held at the Tustin Army Reserve Center (2345 Barranca Parkway, Tustin CA - next to The District shopping center).

The Stand Down weekend is designed to assist homeless and at-risk veterans and their families. There will be many service providers available as well as warm showers, haircuts, hot meals, entertainment and fellowship.

Harbor Mesa members will be checking in the veterans and their families and staffing the van to assess their vision and hearing needs. Volunteers will be trained at the event.

The Harbor Mesa Lions welcome the assistance of members of the many clubs in the district. They are in need of volunteers to check in clients and operate the testing equipment in the van. Hours available are from 8AM to 5PM on Friday and 1PM to 5PM on Saturday (8AM to 2PM shifts have been filled on Saturday). They are also in need of optometrists for those hours to operate the "heavy machinery."

If any Lion in the district would like to participate or if you know of an optometrist who might be willing to donate their time, an hour or two or three you will make a difference.

Please let us know if you would like to join us. The security is tight at the event so we must have all first and last names for all volunteers by September 1st.

Thank you for your time.

SUPER SADDLEBACK

**Region Chairman
Carol Proctor**

Summer is rolling by at a fast clip, with lots of hot, sticky weather thrown in for good measure. The Saddleback Region Clubs have been going full steam (pun intended) as well, with service projects and fundraising efforts. Membership is up in our Region, too, which is fantastic!

I have one reminder for ALL Presidents and Secretaries in the Saddleback Region: Please attend your respective Zone meeting in August. If you cannot attend, please designate a proxy to attend for you! These meetings are important and we want to help Clubs complete their Club Profiles at the meetings as well as discuss other District areas of focus. Thank you to those Clubs that have submitted completed Profiles to date.

Zone A Chair Arlene Schafer has scheduled the Zone A meeting for Thursday, August 14, 6 pm at the Golden Dragon in Costa Mesa. Zone B Chair Cherrill Cady has set the Zone B meeting on Monday, August 11 at 5:30 pm at the Citrus Café in Tustin. As of this writing, Zone C Chair George Vardaman is still in Rwanda and has not set the date/time/location of the Zone C meeting. Stay tuned...

It is my great pleasure to tell our District about the great work in our Region, including new members, the July activities and those planned for August and beyond, as reported by the Zone Chairs:

ZONE A CHAIR ARLENE SCHAFFER

Orange Coast Breakfast Club President Walden Hughes reports that their Club and friends enjoyed the July 17th tour of Space Shuttle Endeavour at the California Science Center in Los Angeles. On July 31, Members assisted at the Second Harvest Food Bank, which is a monthly service project of the Club.

The Club is looking forward to their upcoming activities:

- August 21 – Education Center at the University of California
 - September 18 – Battleship Iowa at San Pedro; includes a box lunch (\$30)
 - October 16 – Tour of the Orange County Performing Arts Center
- Email President Walden at waldenhughes@yesterdayusa.com if you are interested!

Harbor Mesa Lions Club had the highest number of members attend the first District Meeting on July 26...that is not the first time the Club has shown their pride. Kudos! Also in July, Club Members supported the Seal Beach Fish Fry, the Youth Exchange Program BBQ in Tustin and the La Habra Corn Fest.

Members are turning their attention to the annual School Shoebox Project, putting together basic school items such as pencils, erasers, scissors, rulers, etc. in plastic boxes for 200 elementary school children at two Costa Mesa schools. Every year, children look forward to receiving their very own box, filled with items they can use during the school year...and the expressions are priceless!

A September 20 “Farewell to Summer” Aloha Luau fundraiser is in the works and the Harbor Mesa Luau Committee is hard at work on that event. The fun dinner is open to all Lions as well as friends and family members, (no children), but is limited to 60 attendees. RSVP now!

Harbor Mesa Lions has begun planning for 4th Annual Orange County Veterans Stand Down on September 26th and 27th. Lions will oversee the Lions Sight & Hearing Van. The Laguna Niguel Lions Club will be partnering with Harbor Mesa in this weekend of service. The event will be held at the Tustin Army Reserve Center (2345 Barranca Parkway, Tustin CA – next to The District shopping center). The Stand Down weekend is designed to assist homeless and at-risk veterans and their families. There will be many service providers available as well as warm showers, haircuts, hot meals, entertainment and fellowship.

Club members will be checking in the veterans and their families and staffing the van to assess their vision and hearing needs. Volunteers will be trained at the event. Members of District Lions Clubs are welcome to assist in this event.

Volunteers are needed to check in clients and operate the testing equipment in the van. Hours available are from 8AM to 5PM on Friday and 1PM to 5PM on Saturday (8AM to 2PM shifts have been filled on Saturday). Optometrists are also needed for those hours to operate the “heavy machinery.” Contact Lion Sue Seager (949) 255-576 for more info and to volunteer.

HUNTINGTON BEACH HOST LIONS have been very active during the month of July. The Club kicked off the month with their involvement in the Huntington Beach Fourth of July Parade. Then, the members cooked and fed the State Junior Lifeguards a great pancake breakfast. They followed that up with another pancake breakfast as part of the 25th Anniversary of the Ronald McDonald House in Orange. Further community support and involvement on the heels of that event was providing dinner and breakfast for the Huntington Beach Family Campout.

Club President Mark Piva announced the Club inducted four new members at their July meeting, along with a fascinating program provided by the Huntington Beach Junior Lifeguards. New Huntington Beach Host Lions are Dave Quatman, Sean Arens, Gisela Campagne, and Erma Downing—welcome new Lions and great going HB Host!

August is just as jam-packed with events and great programs at the meetings, including the induction of another new member! One of the Club’s key signature events occurred on August 2nd, involving the Huntington Beach Junior Lifeguards. Members will be feeding 1,200-1,500 supporters of the Junior Lifeguards at their major annual fundraiser.

ZONE B CHAIR CHERILL CADY

TUSTIN HOST LIONS CLUB is very pleased to announce two new Lions Members: Lion Amy Nakamoto and Lion Sharon Riley. We give a great Lions roar of “Welcome” to Lions Amy and Sharon!

On July 19, the Tustin Host Club, in conjunction with the City of Tustin, sponsored a Sight Screening Day. The Club members used

SUPER SADDLEBACK (continued).....

the Lions Sight and Hearing Van to support this successful event and provide vision screening. 34 screenings were provided to needy children and families and the Club referred 18 patients for further eye exams, paying for any exam fees and eyeglasses.

Lion Lynn Davis and his wife, Brenda, hosted two LCI Youth Exchange Students for two weeks in July. Every day was jammed-packed with activities and interaction with other host Lions and their exchange students.

ORANGE COUNTY CHINESE AMERICAN CLUB has been busy preparing for their involvement with the Asian American Senior Citizen Service Center's Moon Festival. This is the 3rd Annual Festival, and the Service Center is one of the 4-L4 District-Approved Projects. Club President Morgan Huang and his Club invites Lions in the District to attend the Moon Festival & Open House, to be held on Saturday, August 6, from 9 am-2 pm, at 850 N. Birch Street, Santa Ana. (714.560.8877)

The Moon Festival is one of the most important holidays in the Asian community. Just like Thanksgiving, it is an occasion for family and friends to reunite, but instead of pumpkin pie, the festival's traditional food is moon cakes. In the spirit of the Moon Festival, the OC Chinese-American Club welcomes all to stop by and enjoy holiday treats and friendship.

The Club Members also welcome all Lions and their families to a Pool Party, to be held on Sunday, August 24, from 2-6 pm at the Woodbury Community Association's Recreation Center in Irvine. There will be lots of water activities, volleyball and fun! For more details and to RSVP, please contact President Morgan at (562) 316-4919.

ZONE C CHAIR GEORGE VARDAMAN

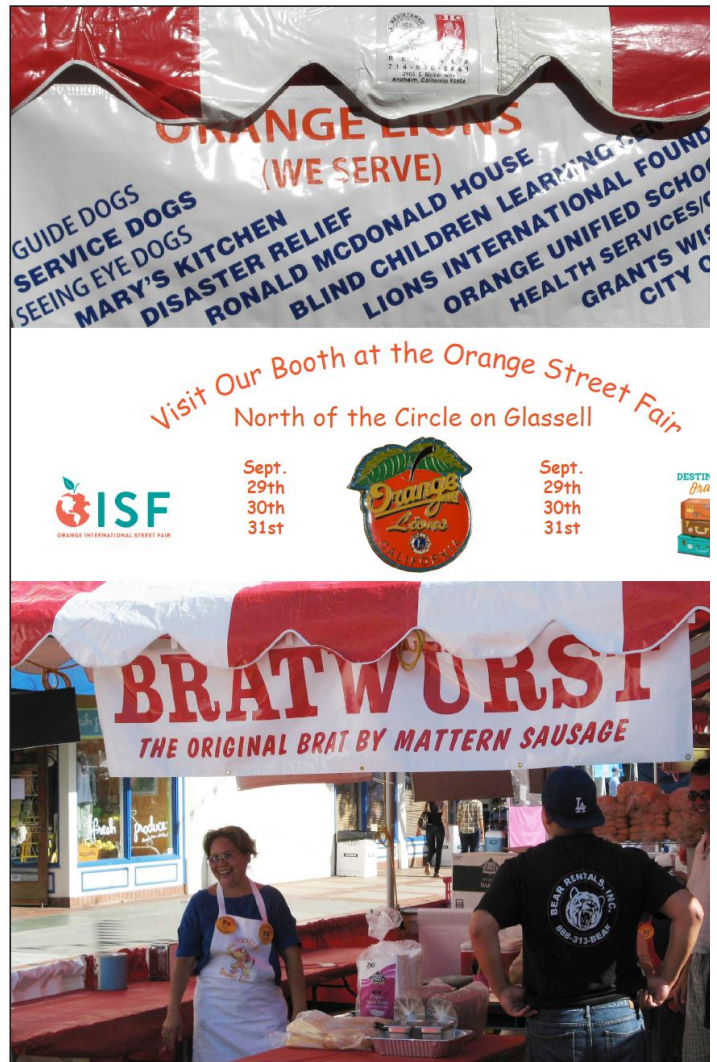

The **LAGUNA NIGUEL LIONS** is ecstatic to announce two new Lion Members: Lion Nick Clarke and Lion Jackie Emerson. Welcome, Lions Nick & Jackie!

Secretary Micky Scholte reported that the Club members collected a whopping 790 used eyeglasses and 113 used eyeglass cases in July. Kudos to the Club on their efforts.

Also, the Laguna Niguel LIONS, in cooperation with Saddleback PEACE Eye Care and Illumination Foundation, are finalizing plans for an AUGUST 9, 2014 Homeless Eye Care Screening at Lighthouse Church in Costa Mesa! Several of our eye care professionals and Club Members have volunteered their time for this event—The Club needs as many folks as possible, regardless of your experience with eye care!

What the Club needs: Folks willing to learn basic eye screening, Optometrists, Opticians, and Ophthalmologists

Folks willing to help with check-in and/or record keeping as required by the Orange County Health Department. To volunteer or find out more information, please contact Lion Mark Snider at (949) 933-9652.

SUPER SADDLEBACK (continued).....

THE NEWPORT BEACH HAWAIIAN CLUB pulled out all the stops in assisting with the Ronald McDonald House 25th Anniversary Pancake Breakfast. Club Members and members of their families enjoyed a fun morning helping flip pancakes, mixing batter, and getting picnic tables ready. The Club donated the cutlery, plates and napkins for the festive event.

The Club is also kicking off a new fundraiser. The First Annual Day at the Races is slated for Sunday, August 24th at Del Mar Race Track. All Lions are invited to be a part of this event. \$50 per person buys transportation from Fashion Island to the Track and back in a deluxe motor coach, reserved Club House seating, a boxed lunch from La Biarritz Catering, a racing program, and an exciting day at a beautiful venue where "the surf meets the turf." For more information and to RSVP (deadline is August 14), please contact Club Secretary Cindy Kleczko at (949) 640-2444. All proceeds to benefit local charities and those less fortunate.

What an event - the **HUNTINGTON BEACH HOST LIONS** served pancakes to 1,709 attendees of the 19th Annual Pancake Breakfast of the Huntington Beach Junior Lifeguards. 100% of the proceeds go directly back into their program for the purchase of new equipment for the kids. This was the largest turnout they have had by almost 400 attendees.

22 members of the Huntington Beach Host Lions, approximately 1/3 of our folks, showed up to set-up, mix batter, flip pancakes and brown sausages, and serve the tasty breakfast. We served up just under 6,000 pancakes and 5,200 sausages! Everyone's combined efforts amounted to over 100 hours of service on this day alone.

**District

Sight
&
Hearing
Van**

The first S&H van was designed and built in 1980 and over the years Lions have used it to help screen countless thousands of school children, homeless, and indigent members of our various communities. With the generous donations from many of our Lions Clubs we have been able to improve on our vision screening ability.

In the past year we have purchased and installed the following new equipment:

- **SLIT LAMP** – an upright microscope used to view structures of the eye such as the cornea, iris and lens.
- **AUTOREFRACTOR** – a device used during an eye exam to help determine visual acuity by examining how the eye processes light.
- **TONOMETER** – used to check eye pressure, especially important for patients with a diagnosis of glaucoma.
- **OPHTHALMOSCOPE** – used for the examination of the retina, retina blood vessels, optic disc and fovea depression (small cavity in the eye).

This year, thanks to 4-L4 Lions Clubs' donations, we are adding PEDIA VISION CAMERAS which will allow us to screen children and adults at a rate of 1-2 minutes each.

The van is available to all 4-L4 Lions Clubs on a first come, first reserved basis. If the driver is a Lion, our insurance covers her or him. If we have sufficient notice, we can probably provide a driver and even optometrists.

OUTSTANDING ORANGE

**Region Chairman
Gary Denni**

In July we started the new Lion Year. I would like to welcome two new clubs to the Orange Region. First, a warm welcome to **PLACENTIA LINDA LIONS**. Their President is Rudy Hernandez and the club secretary is Auora Hernandez. The club was chartered on April 7, 2014 and they meet on the 2nd and 4th Tuesday of each month at 7PM at Capriana, 460 S. La Floresta, La Brea, and Ca.

The Second club is the **CHAPMAN UNIVERSITY LIONS**. The club was chartered on June 20, 2014; you would need to contact the president Alexis Morgan or secretary Christina Cvek for meeting time and location. Once again, welcome Placentia and Chapman University Lion Clubs.

Several clubs In the region report that they have trouble with service events due to a small membership roster. One way to solve this problem would be to help with the monthly screenings of California Lion Friends in Sight. These monthly screenings are held throughout the Southern California area. I have helped at several of these events and there are Lions from numerous clubs in the district helping with the free screenings. Many people who go to these screenings receive their first pair of glasses and see their surroundings clearly for the first time (a very rewarding experience). This is a wonderful opportunity to help the people of our community with their sight impediments. Friends in Sight will be holding a free vision screening on August 10, 2014 at the City of Chino Community Building, 5443 B Street, Chino, and Ca. between 8 AM and 2 PM. They will also have a vision screening in Santa Ana in September. For more information about these events contact Mike Preston at 909-573-3600 or his email mpreston7@verizon.net.

Past & Current Events

The **FULLERTON LIONS** will be hosting a charity putting tournament at Golfer's Paradise, 1600 N Harbor Blvd, Fullerton, Ca, September 15, check in times will be 1 PM and 3:00 PM and the shotgun starts at 1:30 PM and 3:30 PM. For more information on this event you can call 714-501-5726 or email knwinc@sbcglobal.net.

Lion Lorna Badame of the **LA HABRA LIONS** is raising funds for the Annual Choc/Walk. This year's event will be held on Sunday, October 12, 2014 raising funds to support Children's Hospital of Orange County. You can contact Lion Lorna at 562-697-4343 or her email LionPete4-L4@aol.com. The La Habra Host club held their 66th La Habra Corn Festival August 1 – 3. The club raised funds through the opportunity drawing for a 1966 Ford Mustang. Congratulations La Habra Lions on a great even, it was a lot of fun.

OUTSTANDING ORANGE (continued).....

On July 27, 2014 the **ORANGE LIONS** hosted their YEP BBQ and Swim Party, their guests were the 2104 Lions Youth Exchange students. The club will be involved in the Orange International Street Fair on August 29 – September 1. It should be an enjoyable event to end the summer season.

The **SEAL BEACH HOST LIONS** held their 70th annual Fish Fry during the weekend of July 19 -20. There was an opportunity drawing for a 2014 Ford Escape. There have been rumors that the club sells fish sticks at the event, but I can report that Atlantic Cod was served . Congratulations Seal Beach on a successful Fish Fry. Lion Brian Ballard of Seal Beach has a new service project called Lion Stride Diabetes Awareness. Diabetes if untreated can lead to renal failure, blindness and loss of limbs. I have attended two of these classes and have learned important information concerning this disease. These meetings are held on the last Thursday of each month at the Mary Wilson Library in Seal Beach, at 707, Electronic Ave at 7 PM. If you want to start your own clubs Diabetes Awareness program you can contact Lion Brian at 949-231-2713 or sbliionsdiabetes@gmail.com.

A final thought; for all clubs in the Orange Region the zone chairs and myself are you resources for the district. If you have any questions concerning the district or LCIF do not hesitate to contact us, we are you resource and are happy to help. After all we are here to serve you.

**MEMBERSHIP CHAIRMAN
DAVE HUBBARD**

ON MEMBERSHIP: SEIZE THE OPPORTUNITIES

In years past, many of our club grew in membership. They developed successful fundraisers and service projects. As time went on, they grew comfortable with their membership and projects and continued with them without any growth or development of new projects or fundraisers. With time, the members grew older and they began having problems continuing their projects. When asked, "Do you have any new and younger members?" the answer was "No. We're too old and tired to get new members. They don't want to join our club." Is this your club? The solution: Ask before it's too late.

Sometimes we get complacent about membership. We question the need for District officers to continually push membership. The answer is simple. Without new membership, we cannot continue to grow and thrive. Our clubs grow old and die. All we are asking is to "Just ask before it's too late". It's a lot easier to recruit new and younger members if you continually ask rather than wait until you are too old and tired to demonstrate a strong and viable club. Younger adults have different values and ideas that many older members and can turn around a club if given the opportunity. But, if the club is too set in their ways, they don't have the ability to encourage young adults to join and the club dies.

We've been encouraged by the news of a number of clubs increasing membership in the first month of the new Lions year. Congratulations to Huntington Beach Host, Mission Viejo, Seal Beach, and Laguna Niguel. I understand that La Habra Host, Orange and Placentia-Linda have prospective new members that will be joining in the next few weeks. These are clubs that have reported new members in advance of the end of the month MMRW's. Will your club join the list?

Have you lost members in the last 2 months? Did you try to get them to fill out an exit interview? This is a valuable tool in learning why they are leaving and what you could have or can do to retain them. If it is an issue of not paying dues, you might want to let them know that they can be reinstated without penalty if they pay this year's due. Why not retain them rather than lose them? It's harder to get new members than it is to retain old ones.

If you would like assistance in membership matters, contact your Zone Chair, Region Chair, or anyone on the GMT committee. We are here to help you. We have a lot of helpful ideas that can be used to increase your membership. There are a number of things you can do to strengthen your club. You can perform a community needs assessment; complete a membership satisfaction survey; and complete the Club Excellence Profile (CEP). The answer is: Just Ask. It is as simple as that.

**LEADERSHIP CHAIRMAN
IPDG SHEILA CASTEEL**

There are numerous leadership opportunities to seize. Seize the opportunity to attend Club Excellence Process (CEP) Facilitator training on September 20 at the Garden Grove Clubhouse. We are very fortunate to have PDG Chris Ohrmund leading the training for us. If you have never been to one of her training sessions, you are in for real treat. Naturally, there will also be treats of the edible variety available for your enjoyment as well.

Seize the opportunity to visit other clubs. As Governor Gil makes his club visitations, it is a wonderful opportunity for you to visit other clubs. See how other club presidents lead their meetings. The lessons we learn from our fellow Lions are invaluable.

Seize the opportunity to attend Zone and Region meetings. Your Zone and Region Chairs are planning and advertising (or will be soon) meetings now. These small gatherings are a great opportunity to learn from one another.

Seize the opportunity to attend educational programs through www.lionsclubs.org. The offerings are vast and cost only your time.

So never lose an opportunity of urging a practical beginning, however small, for it is wonderful how often in such matters the mustard-seed germinates and roots itself.

What if you could not remember some of those key events in your life?

Do you remember what song was playing?

- When you had your first kiss
- When you went to that special dance/prom
 - When you got engaged
 - When you were married
- Special events and occasions

Think about how music has played a role in those special times of your life and how you get a smile as that song comes up on the stereo, radio, or on your phone.

Now imagine, with the onset of dementia, that you cannot remember those events/memories.

The Moon Festival (also known as the Mid-Autumn Festival) is one of the most important holidays in the Asian community. Just like Thanksgiving, this is an occasion for family and friends to reunite but instead of pumpkin pie, the festival's traditional food is moon cakes.
