THE OFFICIAL PUBLICATION OF CALIFORNIA LIONS DISTRICT 4-L4

A Message from District Governor Ken Myers

The District is on the move again with our service programs. There has been 1,474 Activities with 436,244 people served. Eye glass collection this term total 47,577. Orange Region is on top with a total of 31,866. Top Zone is Orange "C" with 16,159. The top club is Seal Beach at 14,375 followed by Cucamonga District with 5,750 and Laguna Niguel with 4,718. Thanks to all the clubs in the district that collected Eye Glasses.

Yet again we had another successful Health Fair on April 02-03, 2016 at the Anaheim Convention Center. With the support from the Sight & Hearing Foundation of District 4-L4, Region Chair Tom Hollister, Lions Keith Krumwiede & James Krumwiede of Upland Host, Brenda & Don Donahue from Tustin Host, Loyce Mejias from Ontario/Upland, Lori Solomon & Maria La Cueva of Seal Beach, Morgan Huang of Chinese American Lions of Orange County. And a special thanks to the Leo's of Savanna High School, David Kianna, Amy Tran, Brandan Dang, Stephanie Morales, Brandalin Baswel, Nikita Bitra, Marques Brown, Maurice Brown and Jenny Escudero. This joint team was able to put glasses on 131 people and screened 160. The Lions were asked to assist with this health fair 4 weeks ago and the Lions came through. Where there is a need there is a Lion.

A Message from 1st Vice District Governor Bob Susaeta

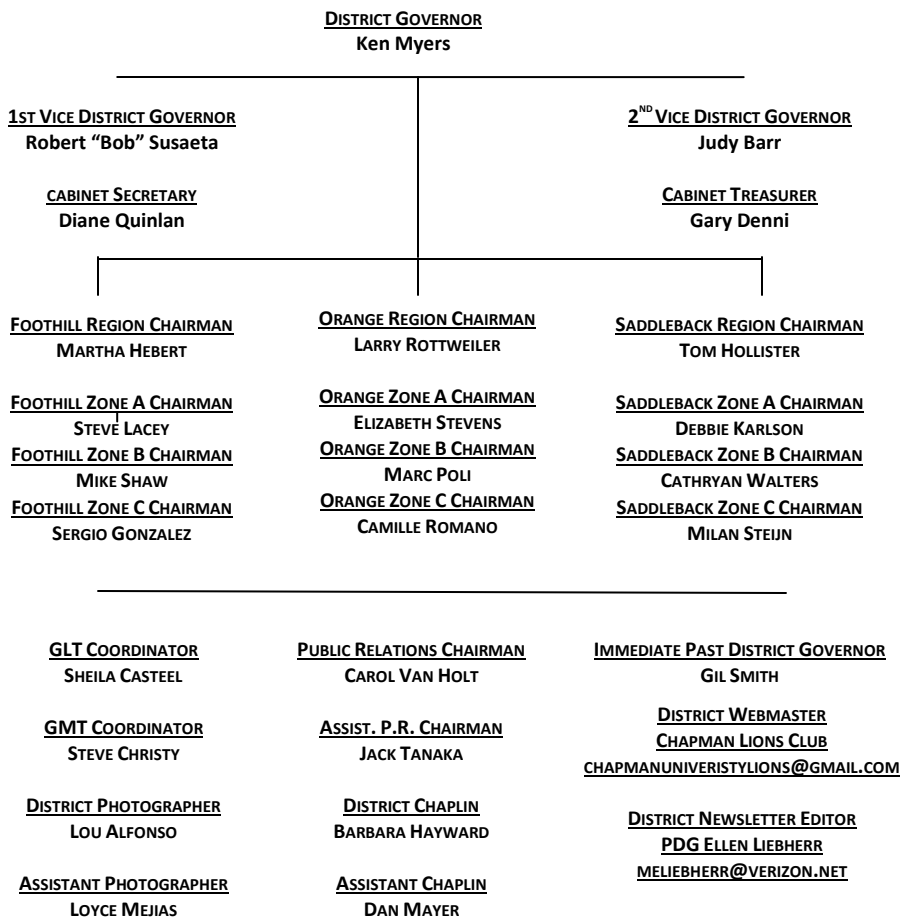

Our District Convention is just around the corner in San Diego. This will be a joint Convention with District 4-L5. This is the first time a joint convention has been held and several Districts are very interested in how this works out so they can do the same. Both committees have worked hard together to put on a fun filled and informative event for all of us. Please support your District as Lions and not get hung up on personal feelings. This Convention gives us not only the opportunity to share and learn from our other clubs but also opens up another door where we can learn and share from another District.

We will not only be voting for the three Governor positions but will also be voting for two Constitution and Bylaw amendments. I am asking for your support in voting YES on both amendments.

Our membership numbers have dropped a bit. Our total membership stands at 1300. Please keep all of your members involved in your club activities and service projects. It is much easier to keep an existing member than it is to bring in a new one.

Again, I hope to see all of you in San Diego and don't forget that you can join me in Fukuoka, Japan in June for the International Convention. "JUST KIDDING".

2015-2016 DISTRICT 4-L4 CABINET

*A Message from
2nd Vice District
Governor
Judy Barr*

Oh my, look at the calendar! April is half over. Have you and your clubs been extra busy this month? It seems like all of us are having golf tournaments, garage sales, afternoon teas, and other events! My calendar is filling up!

Please remember, though, that we have our very last District meeting under Governor Ken Myers on April 16 and before you know it, our annual convention will be here. I hope you have all placed your reservations for the first ever joint convention in May in San Diego. I love our conventions! It's a great time to renew friendships and join in the fellowship with other Lions. I always return with renewed enthusiasm and spirit.

I have been trying to visit a few clubs this past couple of months to encourage you to complete this year's Centennial projects. Many of you have finished all four and a few just have one or two more to go. I know you have heard me speak about this all year long, but it is one of my passions with the 100 year Celebration coming up soon.

Thank you to all of the clubs for your hospitality during my recent visits. I truly enjoy visiting and getting updates on your club's progress. Thank you for allowing me to speak about the upcoming elections, too. Not only will we have some important issues on the ballot, but I NEED your YES vote next to my name for First Vice District Governor so that I can continue on within the District as your leader. Your support, guidance, and encouragement during my current term has been of great value to me. Remember my phrase from last year..."Be a Star, Vote for Judy Barr!"

Here's to sharing that Lion Spirit within all of us!

Fellow Lions

Please take a look at the suggestions for different types of advertising that has been used in our District Directory.

As you may or may not know, the Directory makes up for a large part of our District Budget. It is my goal this year to help defray the cost by selling more ads than we ever have before. The money saved from selling these ads can be used for other causes in the Budget. We are selling the ads for \$50.00 for a half page and \$100.00 for a full page. Just 15 ads would pay for 50% of the Directory. Please consider taking part and help me reach my goal.

For more information contact Cabinet Secretary Diane Quinlan at mrsquinlan@hotmail.com.

Thank you

Protecting Our Environment

APRIL 22 IS EARTH DAY

Join the countdown to Earth Day's 50th anniversary. When it comes to the Earth, there is no time to waste.

- See more at: <http://www.earthday.org/#sthash.QX0XDbQA.dpuf>

The environment is a major concern for communities and people around the world. During the last century alone, the world lost more than 80 percent of its original forests, which provide a source of livelihood, protection from natural disasters and absorb carbon dioxide emissions that lead to global warming.

Protect the Environment to benefit 25 million people and be part of the Centennial Service Challenge!

During April, we invite your club to join Lions around the world to protect the environment. Help us raise awareness on the importance of protecting the environment by organizing hands-on projects throughout the month.

Resources

Use the following to plan and promote your "Protecting our Environment" Centennial Service Challenge project.

Planning Guide: Use this step-by-step approach to organize your very own "Protecting our Environment" project.

Project Ideas: Review ideas you and your club can use to participate in the Centennial Service Challenge. The opportunities are endless.

Press Release: Send a press release to local media to help publicize your "Protecting our Environment" project.

Resources available through www.lionsclubs.org Calendar April 22 Earth Day

Orange Region Chairman Larry Rottweiler

The old saying “April showers bring May Flowers” can be used by all of the clubs. We still have time to plan events and membership drives to finish out the year strong. Our work now will pay out in the future. Many times we hear that the district pushes membership too much. My opinion is we don’t push it enough. The more hands on deck the easier the work becomes. It is not just about numbers. New people create and bring new ideas to the table. Make sure that you recruit new people into your clubs to keep them strong. Unfortunately, people move, family life changes or they pass away. Make sure that you have projects that engage your members. People joined to help, make sure that you include them! We are available at the district to help you with training, ideas, or plain advice please contact anyone of us if you need help.

Camille Romano, Orange Region Zone C chair

SEAL BEACH: Once again the Seal Beach Lions were on hand on St. Patrick’s Day on Main Street in Seal Beach to give people a ride home who had “imbibed” too much. This community project is supported by the SB Police Department, the City Council, and the local merchants.

They cooked two dinners at Ronald McDonald House – one for Orange and one for Long Beach.. Lions threw a baby shower for 13 female veterans at the Long Beach VA. Each mother got a \$150 gift certificate, target gift cards and diapers purchased with \$400 donated from SB Lions’ pockets. Their LAG (Lions Against Graffiti) team removed 11 tags during March. They supported the Miss Seal Beach pageant through both a financial donation as well as manpower. Lion Rosie Ritchie is the pageant director. Other Lions used their skills to handle the photography, judging, publicity, contestant supervision and other pageant responsibilities.

The Seal Beach Lions Club declared March as Sight Month. They started promoting sight activities in mid-February and received 9 different articles covering 5 sight events: CLFIS Sight Screenings in Encinitas, Corona, and Mexicali; Dining in the Dark Fundraiser; Eyeglass Collection throughout the month. It ended with the Eyes Across California Sight rally setup at 8am and collecting eyeglasses until 3pm. They erected a 20x20 canopy by the pier and set up eyeglass sorting stations, an eyeglass collection mailbox, a static display of eyeglass prescription reading equipment and unique eyeglasses that have been collected. A prize wheel gave every donor the opportunity to win prizes with every donation. Most of the volunteers worked tirelessly throughout the day sorting a total of 7,481 eyeglasses. Others cooked food, worked the display tables, gave out prizes and collected glasses. They gave away tickets to two Lions pancake breakfasts, the Lions Fish Fry, new sunglasses, Lions cups & koozies, and candy. Lions Lee & Cassie Lindquist, Rose Marie Baker, Ray Longoria, Shani-rae Erickson spent a great deal of time collecting glasses at several other locations.

Eight new Lions attended a new member orientation conducted by Lion Scott Newton. Seven Lions served as Leo advisors at the Huntington Beach Crab Fest organizing the SB, VBA and Fountain Valley Leos who served as waiters. Seal Beach Lions supported the Police Foundation at their recent fundraiser and provided manpower at the March 10K run. They had 11 Lions participate in the Read Across America project reading to classrooms k-6 in honor of Dr. Seuss’s birthday.

GARDEN GROVE: In February Garden Grove Lions generously funded over \$2,300 for eye exams and glasses for disadvantaged children in the GG Unified School District. In the fourth quarter of 2015 local optometrists gave eye exams to 28 disadvantaged children in need of vision care. The school nurses identified the students who were in need of eye care.

Marc Poli, Orange Region Zone B Chair

OC COSTA RICAN LIONS: The CRL held their first ever health fair on March 26! It was also officially our Zone B health fair. The club had reserved the eye mobile that was manned by students from the College of Optometry of Fullerton. They had music and food for the participants (which included community organizations for the Latino population), and screened approximately 45 persons. Another one is being planned for next year, and, with better advertising they will screen more people.

ANAHEIM LIONS: Meanwhile, and on Saturday the 26th it was literally at the same time, The Anaheim Lions held their famous H.S. Baseball Tournament. 82 teams played to participate, some came from Hawaii, some from back east, and then some came from Canada! This thing has become truly international in scope, to the point that College and professional scouts also attend. Way to go Anaheim for advertizing what is sadly a well kept secret: Lions clubs!

BUENA PARK: Lions held a garage sale in support of a team sponsorship of the American Cancer Society Relay for Life held in June. They had their annual pancake breakfast for the City sponsored Eggstravenganza held the day before Easter for the children of the surrounding area.

At the Zone level, we had our contest on March 8th in Fullerton with 3 clubs represented by very capable speakers (The clubs were Anaheim, Buena Park and Orange), unfortunately the Zone winner did not win the Region level, but Kudos anyway for Tiffany Minton. Hopefully you will go further next year.

On a parting note, I wish to remind everybody of the Fullerton Host Lions club putting tournament on 04/24/16. There is a club challenge going on. Contact me at kiromark@aol.com for more information.

FOOTHILL REGION REPORT CHAIRMAN MARTHA HEBERT

ZONE A Chair Steve Lacey:

CUCAMONGA DISTRICT HOST LIONS – President Steve Lacey says the best news coming from Cucamonga District Host Lions is the impact of new members being added almost monthly. One of their most recent new member Denise just received her Proud Lions Award. Another new member Steve R. had the honor of being inducted by Gov. Ken who was visiting the club the day he was installed. Steve has already agreed to accept a director position on this coming year's Board of Directors. The club expects their 50/50 ticket sales to jump now that one of their newest and most energetic members Ronnika has taken over that responsibility. It is going to be hard to say no to this new Lion. They even have a "soon-to-be-member" who was present at their Speakers Contest and was so impressed by it that she is talking about wanting to head up that event next year. 'New blood' is certainly making an impact with CDH Lions.

ONTARIO UPLAND LIONS - Elizabeth reports the club is still active with transporting elderly individuals to doctor's appointments, shopping and activities. They have members that help monthly with collecting and distributing food at a local area church. The club also has members that help collect and sort items for recycling. The club is in the planning stages for their annual tea.

UPLAND HOST – The club reports that they were invited to help man the Sight and Hearing Van at a Health Fair that was planned for April 2nd and 3rd at the Anaheim Convention Center. Lions Gov. Ken, Keith K. and Jim K have volunteered for the two days from 8:00 am – 4:00 pm and said that other volunteers are welcome. Upland Host Lion were also asked to volunteer to participate with the Upland Parks and Recreation in providing eye exams on Saturday May 7th. This club is also active in recycling market plastic bags into Bed Mat for local homeless and continues to be active with their local Boy Scout Troop.

ZONE B Chair Mike Shaw:

ONTARIO HOST - reports that they are proud to be able to provide some funding to purchase exercise equipment for FrontSight Military Outreach in Ontario, CA to support their mission which is "Our Objective is to Provide a Christ-Centered place where Veterans and their families can find camaraderie, trust, and healing for their visible and invisible wounds".

POMONA HOST - reports that five Lions continued to work on the Little Free Libraries – restocking the books at the laundromat library, Hope Partners Food Bank, and the women's shelter. Another member continues building the libraries. Two other Lions – the administration head and the president of the teacher's union agreed to give us additional storage upstairs so we can house all the restocking books at one location. Two Lions also made separate book donations, pick-ups and delivered them to the storage area. In March PH Lions donated \$1000 to LCIF for a Melvin Jones Fellow. Other donations for the month were to, Feeding the Homeless, Pomona Beautification, Flag Days, Braille Institute and District 4-L4 Sight and Hearing Foundation. Two Lions collected 45 ink and toner cartridges, We use the money toward our club's printing and paper cost, such as book plate labels for our Lions Roar Reading, Agendas, surveys, etc. Five PH Lions ran the Westmont Park portion of the city's Easter Egg Hunt. This year, hunts were run simultaneously at multiple parks throughout the city with different organizations in charge of each park. Hunts and games were run separately for different aged children with prizes for those who found the prize eggs. The club's giant bubble making was quite popular.

As a part of the LCI RAP partnership with RIF and Macy's the PH Lions distribute free books to first graders at schools with poverty rates (federal Free and Reduced Lunch criteria) of 95% and above. The Pomona Valley Hospital Medical Center is also donating books to the club, for both the Lions Roar for Reading and our Little Free Libraries. On Monday March 14, five lions distributed free books to first graders at Lopez Elementary School, the most poverty stricken school in the Pomona Unified School District. 97.3% of the students qualify for federal poverty guidelines. Most of the students have never owned a book prior to the Lions distribution. Tuesday was our largest distribution of the year with five first graduation classes and 139 students. Even more challenging, the principal asked to finish within 40 minutes, just before the awards assembly. To accomplish this, we had nine Lions arrange books on the table, replenish the books during the distribution and help the students make choices. Gratefully we finished just before the students started arriving in the cafeteria (where the distribution was) for the assembly. We finished packing our books as the students took their seat. Eighty five students in first grade classes at Madison School also received books. PH Lions had a very large Flag Day event for five classrooms simultaneously. Professor Bob taught the students patriotic sign language. They also had one prospective lion working on the project.

ZONE C Chair Sergio Gonzalez

DIAMOND BAR BREAKFAST LIONS – reported that they held their 33rd Annual Pancake Breakfast and Easter Egg hunt at Pantera Park, serving 9000 people.

WALNUT DIAMOND BAR LIONS - report that they collected 177 pairs of used eyeglasses from the Walnut Senior Center and Walnut High School. There was one Hearing Aide collected from the Walnut Senior Center. Walnut-Diamond Bar Lions hosted their annual Easter Egg Hunt and Pancake breakfast on the morning of March 26 at Walnut Ranch Park. Approximately 90 were served breakfast (pancakes, eggs and sausage with coffee and punch) while approximately 300 children participated in the egg hunt. Plastic eggs were turned in to the group of nine Leo assistants for bags of candy or toothbrush kits. Some eggs were specially marked for a prize of a silver dollar coin donated by Lion Jerry Heffern.

Ontario Host Lions Michael Shaw, Jim Kooyman and Jim Johnson recognize support for FrontSight Military Outreach in Ontario, CA. The Club is proud to be able to provide some funding to purchase exercise equipment to support their mission which is:

"Our objective is to provide a Christ-centered place where Veterans and their families can find camaraderie, trust, and healing for their visible and invisible wounds".

Orange Region Zone Chairman Marc Poli joins the Orange County Costa Rica Lions at the March Health Fair.

The Seal Beach Lions Club manned their annual St. Patrick's Day Designated Driver booth on Main Street, Seal Beach offering rides home to people who had done too much celebrating.

GETTIN' CRABBY

By HB Lion Mark Piva

The Huntington Beach Host Lions Crabfest-2016 was an outstanding success. 400 plus attendees came from Lancaster, San Diego, Los Angeles, Downey, and the surrounding communities to eat delicious clam chowder, our special salad, and of course Crab! Held at Old World Festival Hall in Huntington Beach, attendees chatted with one another and listened to DJ Tony Brindley spin the tunes. Most all of the HBH Lions were on hand to help cut bread, warm chowder, make salad, and prepare the crab. As usual Leos from Seal Beach, the Village Bible Academy, and Fountain Valley High School did an incredible job of serving the food. Crabfest-2016 for the first time ever sold out within the first three days of March. This was the result of a Facebook Event post on the HBH Lions page which went viral – 1.9 million people saw the link with 170,000 people clicking on the link to visit the page. The HBH Lions were overwhelmed and excited to bring Crabfest to the local community, continuing the recent trend of increasing visibility in the community. It is too early to cite specific numbers, but initial estimates indicate this Crabfest will beat last year's best ever total by 15 – 25%.

ATTENTION CREATIVE LIONS!

OUR CENTENNIAL CELEBRATION IS ALMOST HERE! IN LESS THAN TWO YEARS LIONS CLUBS INTERNATIONAL WILL BE CELEBRATING OUR FOUNDING ON JUNE 7, 2017. AS YOUR FUTURE CENTENNIAL GOVERNOR, I WOULD LIKE TO ASK FOR YOUR HELP....

I WANT TO CHALLENGE EACH LEO AND LION MEMBER IN DISTRICT 4-L4 TO CREATE AND DESIGN A CENTENNIAL GOVERNOR'S PIN. AFTER ALL, THIS CENTENNIAL IS SHARED BY ALL LIONS, NOT JUST YOUR GOVERNOR. AS YOU KNOW, THE GOVERNOR PASSES OUT HIS OR HER PIN TO DISTRICT MEMBERS AND LIONS THROUGHOUT THE STATE AND THE WORLD. THESE PINS WILL BE MADE EVEN MORE SPECIAL BECAUSE OF YOUR INPUT!

I AM PROUD TO BE YOUR 2017-2018 CENTENNIAL GOVERNOR AND I WILL BE PROUD TO WEAR THE WINNING DESIGN!

Information that could be incorporated into the design....

- * Star or shooting stars (perhaps incorporating my catch phrase: "Be a Star with Judy Barr!")
- * My motto: "Walk with Purpose, Live with Passion, Serve with Pride."
(or Purpose, Passion, Pride.)
- * The 100 Year Centennial logo (found on the LCI website)
- * Colors: Possibly Blue and Yellow

Deadline is open, but I should have something developed by next January or February to submit to the pin makers. Design may be incorporated into other designs if there is no clear winner. I will treat the winner and a guest to dinner at a restaurant of your choice for your help and to show my appreciation. Please call me at 714-925-2558 or email me at lionjudy@charhorses.net for questions. THANK YOU ALL FOR YOUR HELP!
