THE OFFICIAL PUBLICATION OF CALIFORNIA LIONS DISTRICT 4-L4

A Message from District Governor Bob Susaeta

I hope you all had a very happy Thanksgiving with your families and loved ones.

It's hard to believe that this year is almost over and our Lions year is half over. I want to thank each and every one of you for your support and especially your support of our District. Many of you have accepted my theme of "JOINING HANDS IN SERVICE" and have worked together to offer great community service activities and assisted each other with projects. Our District has grown in membership because of all of your efforts. We have added 199 new members since the beginning of our year. Congratulations to all of you.

Our November District Meeting was very well attended and we honored our veterans. I heard nothing but great comments about our guest speaker. The information session on Membership and Leadership presented by PDG Ken Ibarra was also well attended.

Let us all enjoy this Christmas season with our families and friends keeping in mind that there are still many that we can serve. Let's also not forget those who have passed and those away from their homes and families who are protecting us and our freedom. Together we can make the second half of our year even more successful than the first.

A Very Merry Christmas To All.

~District Governor Bob

From the Desk of 1st Vice District Governor Judy Barr

HAPPY HOLIDAYS FROM 1ST VICE DISTRICT GOVERNOR JUDY BARR!

2016 has been a fantastic year! Even though our Lions' fiscal year is only six months old, 2016 has seen many changes and great opportunities! The whole cabinet has settled into their duties with gusto and has made great progress.

The increase in membership is outstanding! Clubs are achieving their 2016-2017 Centennial Service Challenge goals, and we all are embracing our "Joining Hands In Service" projects. Things don't slow down in December either. There are parades, parties, and projects being completed every day. I'm so impressed with how all of our clubs spread Lionism throughout our communities during this time.

So now I just want to wish all of you health and happiness for the New Year! Let's make 2017 a year to remember! I look forward to seeing everyone at the next District Meeting in January and planning all of the events for the next year. Keep up the good work, Lions! You amaze me every day!

All my best for the holiday season!

~Yours in Lion Spirit, Judy Barr, 1st VDG

A Message from 2nd Vice District Governor Randy McMillan

This year is flying by quickly and the Holiday season is upon us. I would like to wish a happy, healthy and safe holiday to all. The new year shows great promise for our District as we continue to grow. We will need to train new leaders as we go forward. The perfect opportunity to gain that knowledge is to attend the MD-4 Leadership Institute at the Ontario Radisson Hotel March 4-6, 2017. Please contact me if you would like to attend.

Remember to **ASK** someone to join Lions!

HAPPY HOLIDAYS!

~I WORK FOR YOU!! 2nd VDG Randy McMillan

CABINET SECRETARY REPORT

Happy December Lions!

We had a great November with many of the clubs attending our District Meeting and Membership Seminar before the meeting. We honored our military with a presentation from Wounded Warrior Jeremiah Pauley. We were also touched by our guest DG Al Kroell from 4-A2 who spoke of his time since being injured in the service and how the Lions "saved his life."

We held our District Peace Poster and Environmental Photo Contest at our November Meeting. Our Peace Poster winner was from Laguna Niguel Middle School and was sponsored by the Laguna Niguel Lions Club. Our winning Environmental Photo was snapped by Lion Mike Shaw from the Ontario Host Lions. Both will be sent to the MD4 office for the next level of competition. Congratulations to them and good luck at the State Level.

Our next District Meeting is January 28th with a Leadership Seminar prior to that meeting. Flyers should be sent to you by your Club President and a copy is also in this issue.

Many secretaries have reached out with questions on how to see all the categories when entering an activity as some of you cannot see all the way to the bottom of the list. In the back of your secretaries training manual there are two pages with a list of all the categories. If you start typing in the name from that list it will pop up. If you need a copy of this list please contact me. Also contact me with any other questions you might have.

Another question I received - **Q:** We have an associate member that cannot be edited (the field does not show on the website.) How do we drop this member? **A:** This must be done by LCI staff so send an email request to MyLCI@lionsclubs.org.

Remember that reporting your activities is important, but so is clicking the "SHARE" button on what you enter. As members of the world's largest service club organization, Lions are in a unique position to improve their local communities while simultaneously contributing towards global challenges, such as protecting the environment and providing learning opportunities for youth. One of the best parts of being a Lion is serving our local communities as well as meeting worldwide humanitarian needs. Club secretaries are asked to report the club's service activities as they occur. Service activity reporting helps us measure the impact of our service and helps our leaders at the District, Multiple District and International levels understand the needs and interests of the local club and provides a searchable record of the year's activities. Clicking the "Share Button" helps inspire fellow Lions with our success stories that may be shared in the Lions Magazine and searched for by other clubs and districts worldwide. LCI uses the data Lions provide to track progress made towards this goal and to recognize Lions who participate. The data will also be used to demonstrate Lions' commitment and contribution to the global sustainable development agenda to partner organizations, such as the United Nations and World Health Organization and other groups that LCI obtains grants from.

Blessings for this holiday season from my home to your home. My family and I wish you all joy, health and above all love.

~Lion Diane Quinlan – District 4-L4 Cabinet Secretary

GUIDE DOGS FOR THE BLIND

Hello Lions. It was one short year ago that I received Irish, my guide dog who enables me to travel safely. Through our District support of Guide Dogs for the Blind we can ensure that people like me can continue to travel safely wherever a blind individual needs to go.

As we know this is the month of giving and I have a gift for you with my "Triple Play" special which includes two sauces and one rub for \$20. If you would like to purchase this for a gift, please send me an email and we will get the "Triple Play" deal to you. Furthermore, for \$10 you can purchase a opportunity drawing ticket for a seven night stay at the Welk resort near San Diego. This is a twin room that can sleep up to eight people. Note: there is a set date of July 22-29, 2017. However, you may change the date for a fee of \$50. The drawing will be held at the District Convention in May. Good luck to all who have purchased these tickets!

Also, please keep in mind that I am available to speak to any club or organization about Guide Dogs for the Blind and my personal experience.

I would like to thank everyone who has supported Guide Dogs in the past and I hope that everyone will continue to support this great organization. Net proceeds of the BBQ sauce/rub sales will go to the puppy raisers for guide Dogs and 100% of the opportunity drawing sales will also be distributed to the different puppy clubs.

I would like to wish all Lions happy Holidays.

Become a Founding Member of the California Lions Foundation

As previously announced the new California Lions Foundation (CLF) has been approved by the IRS and State of California authorities as a non-profit, tax-exempt, 501(c)(3) corporation for the purpose of providing assistance to California Lion clubs!

This new foundation will provide matching grants from \$500 - \$10,000 to California Lions clubs for projects that do not qualify for support from any existing Lions foundation. Please review the CLF brochure below which was sent to all clubs in November and handed out at the last District meeting.

In order to begin assisting Lions clubs, we have established an initial funding goal of \$250,000. In order to meet this goal, CLF is providing an opportunity to California Lions and California Lions clubs to become **'Founding members'** and **'Founding clubs'** of the Foundation through calendar year 2017.

Lions may become a **'Founding Member'** of CLF for a donation of \$1,000, in addition the member will be also receive recognition as a **'Kay Fukushima Fellow'**. California Lions Clubs may become a **'Founding Club'** of CLF for a donation of \$5,000. Founding member donations by individual Lions may be counted toward the **'Founding Club'** donation amount to qualify as a **'Founding Lions club'**.

If you are in the process of finalizing your 'Year-end' tax exempt donations, becoming a CLF **'Founding Member'** would be an outstanding choice! You will be helping California Lions make a difference in their communities. Again, funds donated to CLF will remain in California to assist California Lions. Tax ID # of California Lions Foundation is 81-2850129.

Checks made out to 'California Lions Foundation' may be sent to:

MISSION STATEMENT

California Lions Foundation (CLF) is a California, non-profit, tax-exempt, 501(c)(3) corporation with the sole purpose to provide matching financial grants to California Lions Clubs. CLF matching grants are provided to enable California Lions clubs to provide even greater service to their local communities.

BENEFIT STATEMENT

Matching financial grants will be available to clubs and districts to meet various needs and projects in their respective communities through a Grant Application process. Grant criteria are specified to assure that CLF does not duplicate services or grants already available from another foundation or source. The dollar range of CLF grants will be focused on projects from \$500 to \$10,000. This will eliminate any potential duplication in grants available from CLF.

FUNDING STATEMENT

Funding for the Foundation will be provided from donations from corporate sponsors, individuals, Lions Clubs and local Lions.

CLF will provide a valuable vehicle for Lions clubs to approach California corporations and individuals actively seeking partnerships with service groups as part of their "Social Mission" and our "Social Conscious" campaigns such as Lions Eyes Across California Project. These individuals and corporations can be assured that 100% of their donations will serve Californians through California Lions.

More and more California corporations are actively seeking partnerships with local foundations as part of their "Social Mission". In today's growing socially aware business world, it is not enough to generate a great product, but a company must also show how it is giving back. The Lions of California are a natural fit for these California-based companies.

FROM DISTRICT LEO CHAIR CHARDY LANG

I hope each of you had a great Thanksgiving filled with family, love, and rest. Now it is on to Christmas and then New Years. Can you believe the year is speeding by? I am writing to let you know about Leo Day at Rose Float Decorating on the Lions Float. Here is the important information:

Leo Day, December 27

~8 Leos from each club can register online--honor system, please respect this

~Advisors can sign up 8 slots for your club then turn in your student list to John Doogan, email below

~Shifts are 8am--3:30pm and 3:30--11pm.

~Need to wear closed toed shoes, no Ugg type boots.

~It is cold, so dress in layers that you don't mind getting dirty.

~Please read directions on the site for your Leos

~If slots are filled, you might want to consider working with you Lion Club

~You need to sign-up online for your Leo Club, **please do not just show up** with a group of unregistered kids because there probably won't be room for them to decorate or work in the flower barn.

~Website to register is: <http://signup.com/go/jrVZW4>

Here is a note from the directors for this event (You may contact them if you have any questions):

Please go to <http://lionsrosefloat.com/decorating.html> to review rules

Attention to all Lions and Leos. We want the best experience for all our decorators but the Phoenix Decorating Company's "Crew Chief" has the final word on the Centennial Float. This will ensure that the float is completed on time, safely and award winning. It is the crew chiefs' job to find the best decorators on the best spots of the float in the proper sequence. Work with your District coordinator to predetermine how you can help - do you feel that you are better at preparing flowers or are you great with fine detail work? Our "Lions Float Decorator Coordinators" will work very hard to get everyone in the float pavilion to do a job. For safety reasons we may not get everyone on the Lions Float due to maximum weight load, supplies on hand or maximum attendance. District coordinators please work closely with the Lions Float Decorator Coordinators to avoid issues - we will work with your group. Check the sign-up website regularly and if you have any questions or need special accommodations please contact the Lions Float Decorating Coordinators

FOOTHILL REGION CHAIR ANDY MEGAW

FOOTHILL ZONE A CHAIR TAMARA MARTIN

Here we are, fully engaged in the holiday season! The Clubs in Foothill Zone A continue "Joining Hands in Service." Cucamonga District Host, Upland Host and Ontario-Upland Lions Clubs continue to perform community service, collecting used eyeglasses and non-perishable food items, as well as kids' pajamas. We will be working more closely together in 2017 as a Zone, on projects to benefit our communities. Stay tuned. Until next month, we wish you and yours a very Merry Christmas and a happy and prosperous New Year!

FOOTHILL ZONE B CHAIR MICHAEL SHAW

The Ontario Host Lions continue to "join hands in service" with their neighboring clubs by donating books to the Pomona Host Lions Club, supporting the Ontario-Upland Lions Club with their Outback fundraiser, and working on a very special project with the Upland Host Lions Club. The Chaffey Leos, along with club members, worked alongside the Upland Host Lions in the Upland Christmas parade. Each November the club prepares for the holiday season by gathering hundreds of pounds of canned goods for the needy families throughout the month. These families will receive around sixty pounds of food and a toy to help them through the holiday season. They also call upon Santa to make a special visit to the students at Lincoln school in December. Their members will provide a wrapped present to each student at that school which will be delivered by a very happy Santa and a helpful elf. After two moving, heartwarming and inspirational military speakers, the Ontario Host Lions were honored at the 2nd District Meeting by receiving the "Club Excellence Award for 2015-2016." The club submitted a photo, taken by Michael Shaw, for the LCI Environmental photo contest. Lion Mike's photo was chosen to represent the District at the MD4 Convention in February. This photo means a lot to the club for it is what Lionism is all about - With all rainbows, you have to have rain and someone willing to help bring the light... We are looking forward to December to help our community and provide service and a hand where ever it is needed...

The Pomona Host Lions Club has again had a busy month of service. It completed a highly successful food drive at Albertson's with the food and money going to God's Pantry (part of the school district's Family Support and Resource Center). Shoppers bought 91 bags of groceries for the needy and also donated \$314 in cash. Members are also cooking turkeys and serving the homeless at Thanksgiving. Currently, the club is preparing for its series of Feeding the Homeless dinners twice a month at the Winter Homeless Shelter. The Lions' Santa Cop Toy Drive was launched and will continue through December. The toys are given to needy children at a holiday party, sponsored by the Pomona Police Department. The annual Sight for Success fundraising campaign was also kicked off. For \$50, a sponsor can purchase a pair of eyeglasses for a child who otherwise cannot afford vision care. The Lions Roar for Reading project is reviving up with all books having been selected and purchased. The club soon will be holding distributions of books to the first graders at the nine elementary schools with over 95% of their families living in poverty. For most of the children, the Lions' gift will be the first book that they actually own. The club's other major literacy project, its Little Free Libraries, continues to be very active. Thank you to the District Lions who donated books! During November, the club installed another Little Free Library at a laundromat. Finally this month, the club continues to collect eyeglasses, made a donation to Guide Dogs for the Blind, made visitations to the Harbor Mesa and Upland Host Lions, had two excellent programs (one by Lion Scott Quinlan on Guide Dogs for the Blind and the other by Lion Denny Mosier on the Do's and Don'ts of Making Presentations), supported a Boys' and Girls' Club fundraising dinner, and filled a table at the second District Meeting.

**CONGRATULATIONS TO ONTARIO HOST LION MICHAEL SHAW-FOOTHILL REGION ZONE B CHAIR-
WHO PHOTOGRAPHED THE WINNING ENTRY FOR THE DISTRICT 4-L4 ENVIRONMENTAL PHOTO CONTEST!!**

FOOTHILL ZONE C CHAIR DAVE STILWELL

The **Chino Valley Lions** purchased five pair of eyeglasses for adults from the California Friends in Sight vision screening in August. The club also sponsored Cub Scout Pack #220 in Chino and provided a donation to the Pack in the amount of \$1,000.00. In addition, the club sponsored Boy Scout Troop #220, also in Chino, with a donation of \$1,000.00. Good news, at District Governor Bob Susaeta's visitation, three new members were inducted into the Chino Valley Lions Club. They are Lion Debra Jackson, Lion Kristine Zara and Lion Mathew Sukchen. The club looks forward to helping the new members join in providing service to the community as needed. The **Chino Valley Lions Club** also are involved in a monthly roadside trash clean up with the some of the Boy Scouts from Troop #220 and they pick up food from local grocery stores that are about to reach their coded expiration dates and donate the items to the local food bank, to be given to those in need.

Diamond Bar Breakfast Lions have sponsored their fourth Leos Club, called the Diamond Bar Community Leos Club. The club held their first recruitment at Northminster Presbyterian Church on September 12th. Great work! On Sept 15th, it was City of Diamond Bar Day at the LA County Fair in Pomona and many Lions and Leos participated in the Fair Parade. Lion Debbie Avila-Matt was honored as the Diamond Bar Adult Community Hero and Leo Cyrus Hung was the Youth Community Hero. Congratulations to both individuals! Lion Sergio Gonzalez, who is the club's Eyeglasses Recycling Chair, collected 500 pair of eyeglasses and Lion Jack Tanaka collected 31 pair. Twelve members attended the second District Meeting in November. Our Lions Club hosted a "Leos Social Night." It was really nice to have so many Lions meet with the Leos from Lorbeer Middle School, Community Leos and Diamond Bar High School. Recent Leos activities include helping several elementary schools with their carnivals/fall festivals, introduction to Lions Clubs International Centennial projects and writing thank you cards and letters to our military veterans which were delivered by fourteen Diamond Bar High School Leos with the help of other Leos from the District to the veterans at the Long Beach Veterans Hospital. We supported the Pomona Valley Boys and Girls Club Gala which was a very nice affair. On November 14th, four of our members also supported the **Ontario Upland Lions'** Outback Steakhouse Restaurant fundraiser. Our Lions Club was a table sponsor and supported the Diamond Bar Community Foundation Holiday Gala on November 19th. We continue to meet to plan our future fundraiser, "Drumming for Kids" on February 12, 2017. Please see the flyer in this issue of The Forum. Lions Jack and Wanda Tanaka had 77 Diamond Bar High School Leos participate in a canned food drive for local food banks for Diamond Canyon Christian Church and Inland Valley Hope Partners held at Sycamore Canyon Park on November 23rd. They collected over 300 cans of food. Our Lions Club participated in the Lions Peace Poster Contest. It was a beautiful poster. Thank you to winning student Venice from Chaparral Middle School's Art Class. 20 Diamond Bar High School Leos participated in the Lions Young Leaders in Service Awards Program. 13 earned the Silver Seal Certificates and 7 earned the Gold Seal Certificates. We are now planning our Christmas Social for December.

Two members of the **Walnut Lions Club** made the trip to Camp Teresita Pines for their Open House on September 10th. At the event, the two members presented a \$1,000.00 donation to the camp which is the third Installment of a five year commitment as sponsorship for a cabin. On Sept 15th, six members of the club participated in the Huntington Beach Host Lions annual Oktoberfest. A great time was had by all attending the event. The **Walnut Lions Club** participated in the annual Walnut Family Festival on October 8th. Seven Lions with 25 Leo Club members helped served breakfast and a lunch of hotdogs to over 400 customers. They raised \$1,077 for breakfast and lunch and additionally raised \$202 selling Kettle Corn. They also collected 100 pair of eyeglasses from the Walnut Senior Center. And the club has officially changed its name to the **Walnut Lions Club!**

ORANGE REGION CHAIR LARRY ROTTWEILER

Merry Christmas and Happy Holidays to all. Hard to believe the year is half over. Or is it half full? There is plenty of time left to complete all the projects that we promised to complete. Time to start thinking about your New Year's resolutions. My favorite saying is "How do you eat an Elephant?"... "One bite at a time." Take a minute and it will turn into hours, hours into days. Don't get overwhelmed and you will get more accomplished. Let's see what we can complete in 2017. DG Bob has told us many times that the Lions are not a contest. All of the clubs need to help each other and see what we can accomplish together. Ask for help. Every member of the cabinet, and many of the clubs would be glad to help in projects, programs, or just basic running of a club.

ORANGE ZONE A CHAIR WALT ROUNTREE

The **Brea Host Lions** have five hefty members who dress up as Santa Claus this time of year and raise money by being a personal rent-a-Santa as well as volunteer at the city tree lighting ceremony and Brea Line. They are also active in collecting food for the needy for the BCEC. 250 eyeglasses were brought to the last District Meeting. They donate funds to Crittenton Center, Diabetic Kids, B.O. High School Cheerleaders and Western Youth. They will need help from other OC Lions clubs in publicizing the OC North-South All-Star Football Game next year. They did not sell nearly enough tickets and programs and had to draw on reserves to donate to their causes. **Brea Host Lions** plan to work at the Girl Scout Pancake breakfast in January. They will attend Lions Tribute Day at the City of Hope and in April will help clean up the city on Love Brea Day and help sponsor the Police and Fire Games. At Bonanza Day they raise funds and participate at a Father's Day Car Show. Brea will host a Student Speaker Contest.

The **Fullerton Host Lions** sponsored a conference on textbooks at the Fullerton Library November 2nd which drew 100 people. This was a lot considering game 7 of the World Series was on television. Members of the public will be able to read advance copies of the history books in order to suggest corrections to them. In May 2017 they will be approved by the state of California. We had many responses from attendees and others who wish to participate in this review. This was the second education conference we have sponsored. On November 11th, 9 Leos from Fullerton went with 2 Lions to the Long Beach VA Hospital to deliver handmade cards to the vets in gratitude for their service to the country. We also packed 30 shoeboxes with toiletries, stationery items and toys for Operation Christmas Child to bring joy to youngsters in 3rd world countries who get no presents. 27 youngsters participated in our Peace Poster contest this year. The club's winning poster was so good it should have won the International Contest, but lost the district. 500 pair of glasses were collected. President Marc Poli is planning many things for the upcoming year. Our Leo Clubs will help to decorate the Lions Rose Float and are collecting warm clothes and pajamas for the needy. Two club members helped out at the Anaheim Convention Center Health Fair this month. We will participate in the Student Speaker Contest, Airport Day, the city parade, Faces of Fullerton, and hold a Putting Tournament. Our chess program in the schools is ongoing and we will again sponsor the City Chess Tournament. Our President, Marc Poli, is attending the Centennial Lions Convention in Chicago.

The **La Habra Host Lions** report that they served breakfast to over 200 local veterans on Veterans Day and participated in a special program. They are now collecting food for the annual food drive. More than 300 funnel cakes were sold at the Tamale Festival and they collected 250 eyeglasses. Three Lions including Lorna Badame donated blood products to the City of Hope. Visitation Chair Christy Wyant set up a visitation to Seal Beach which fifteen members attended. Vice District Governor Randy McMillan and Region Chair Larry Rottweiler along with six other club members attended second District Meeting.

ORANGE ZONE B CHAIR MIKE SMITH

The **Orange County Costa Rica Lions** celebrated their 25th anniversary this month with DG Bob and 1st VDG Judy in attendance. **Orange Lions** President Allan Wasch was proud to present a Membership Key Award to District Governor/Orange Lion Bob Susaeta for bringing new members into the club. Yes, you lead by example.

ORANGE ZONE C CHAIR MARCELLA MCSORLEY

Laura Ellsworth led this annual activity where we set up the chairs and donate our sound system for the Veterans Day ceremony in Eisenhower Park. We rented 100 chairs as well. Lions helping included: Laura Ellsworth, Les Shobe, Bev Bonney, Gunny, Margie Garcia and Frank Hall.

This annual event brings many volunteers from all over the Seal Beach community to cook and serve Thanksgiving dinner to the elderly and others that do not have a place to go on Thanksgiving Day. Lions contributed as hostesses, cooks, decorators, servers, photographers, and drivers.

Several Seal Beach Lions and Leos supported the Chamber of Commerce's Tree Lighting Event on November 26th. The event included a tree lighting ceremony, snow for the kids, musical groups, food, and a visit by Santa. It was a blustery rain filled evening but that did not stop 900+ families from joining in the fun. Lions worked in many capacities including logistics, crowd control, security, Santa's helper and the Master of Ceremonies. In addition to the tree lighting, the Lions clock decorations and lights were unveiled to the delight of the public.

Centennial Blue House work and decorating in November, a total of 18 hours were expended working on the Centennial House and decorating for the holidays. This includes meeting with the city, lighting, decorating, inside house work and planning for Phase II. Lions: Scott Newton, Esther Kenyan, Mark Newton, Deb Machen. Twelve Seal Beach Lions joined Leos from Village Bible Academy in the middle of the night to set up a water station along the race route and serve water to runners while cheering them on.

The Garden Grove Host Lions participated in the LCI Peace Poster Contest on November 16th. The Club contest winner out of ten posters submitted was 13-year old Clarissa Munoz who attends the 8th grade at Ralston Intermediate School in Garden Grove.

They also celebrated the birthday of their oldest member, Walt Mahler, at the club's November 16 meeting. Walt turns 99 this month and the Club sang him a rousing Happy Birthday and enjoyed his birthday cake. Walt is a Veteran of WWII, having served in the US Army in the European Theatre of that conflict. He has been an active member of the Garden Grove Host Lions since 1975 and regularly attends our Club's weekly meetings. Walt will celebrate his birthday by going skydiving - the third year in a row he has done so!

SADDLEBACK REGION CHAIR CHRIS BARR

HAPPY HOLIDAYS FROM SUPER SADDLEBACK! We've had six super-charged months under the leadership of District Governor Bob Susaeta. Let's take time to be thankful for what we have, the time we can spend with our families, and to prepare for 2017. I look forward to visiting more clubs and zone meetings in the next couple of months. Together there is absolutely nothing that we cannot accomplish! Thank you all for what you have done. Your Lion spirit roars loudly!!

SADDLEBACK ZONE A CHAIR MARK PIVA

We had representatives from every club in our Zone attend the second Zone Meeting. It was a great event focused on club activities and the efforts each club is making to recruit new members. Harbor Mesa Lions added 3 new members YTD and Huntington Beach Host added 10. At the end of the last Lions year, Costa Mesa Newport Harbor added 11. Huntington Beach and Costa Mesa added members through the formation of two new branch clubs, OC Champions Lions and Laguna Beach Riviera Lions. Branch Clubs are a great way to develop interest in Lions by stepping outside the norm. The OC Champions Lions is a club focused solely on helping Special Olympics of OC and the Laguna Beach Riviera Lions are focused on renewing the legacy of the former Laguna Lions club.

Overall the Zone is showing an 8.51% growth in membership since the start of the Lions year. A key result of the Zone Meeting is the creation of an ad hoc committee of 2 members from each club which will look at proposed projects such as a joint fundraiser or community service project which will benefit the community and help promote the clubs in the Zone. One idea, among others, is to host a Lions Family Film Festival. If you are interested in being a part of the committee, please send me an email letting me know – mapiva01@gmail.com. Let's keep up the good work.

The Costa Mesa Newport Harbor Lions continue to donate money from the last Fish Fry to local organizations. The beneficiaries are asked to come to a club meeting to receive their donation and discuss what their group is doing. This is a change from past efforts where the club gathered all beneficiaries together for a single event to distribute the donations. Save the Date: the club will be celebrating its 90th year of service to the community, tentatively scheduled for April 27, 2017; more information will be made available soon. In terms of membership, the club is focusing on encouraging educators to join the club.

The Laguna Beach Riviera Lions have been active as well. They participated in a 5K run handing out water to runners and took part in an event for the Laguna Beach Pantry. They are looking for Lions interested in representing Lions in the annual Laguna Beach Patriots Day Parade in March. For more information, contact Lion Justin Myers, jmeventslb@gmail.com.

Costa Mesa Orange Coast Lions President Walden Hughes, at the Zone Meeting, spoke about the need to find new ways to promote Lions throughout the area, especially for clubs which may be having trouble growing. He proposed that the Zone get behind a project that all the clubs could take part in to raise funds and awareness for Lions. The attendees agreed this is a great idea and to form an ad hoc committee to make it happen (see information above). President Walden also mentioned an event being held on March 11, 2017 at the Long Beach Veterans Hospital where a presentation of the radio version of "It's a Wonderful Life" will celebrate 70 years. Admission is free.

The Harbor Mesa Lions Club's annual Fashion Show at the Costa Mesa Country Club was a great success. Normally a Springtime event, this year it was held in the Fall with a holiday themed show. 85 guests attended and the fashions were sponsored by Dress Barn. At the event, the club collected pajamas for children who are in the care of the county. Thanksgiving-themed centerpieces were made for the Sub-Acute Care Facility. 906 eyeglasses were collected and brought to the last District Meeting.

Huntington Beach Host Lions went on their sort of annual Laughlin trip. The sold-out excursion included Lions from several clubs and friends of Lions who traveled on the party bus for a weekend of relaxation and golf. A scavenger hunt was held for those who did not golf, sending participants all around Laughlin gathering items and performing tasks. Kudos to Lion Eric Halsey and his wife Sue for once again chairing this event. 847 eyeglasses and 12 hearing aids were collected this month. While November was a bit quiet, the club is gearing up for several activities in December including Breakfast with Santa at Murdy Park and a pancake breakfast for volunteers at the Autism Speaks walk-a-thon.

The **OC Champions Lions Club**, along with **HBH Lions**, volunteered as lane monitors for the Special Olympics Fall Regional Games Bowling Tournament. Over 450 bowlers participated in this tournament. The **OC Champions Lions** will be holding its first ever event on January 29, 2017. It is a Softball Clinic in Fountain Valley open to all Special Olympic athletes and intellectually disabled people interested in learning more about softball. The goal is to encourage more participation in this team event. Contact Lion President Mike Zozaya for more details and to find out how you can become involved - mazumpire@yahoo.com.

SADDLEBACK ZONE B CHAIR SUSIE MCINTOSH

Happy Holidays Lions! During this season of giving, family and friends, I am so thankful for all of you. As Lions, we are so Blessed! We have many opportunities to reach out and make a positive difference in the lives of others, and we do. Being fortunate enough to have the time, the heart and the drive to serve as Lions is the greatest gift! Take time to reflect on your Blessings, and know that you are appreciated by so many.

Our Thanksgiving Dinner and Dancing Party is a big event for the **Chinese American Lions** every year. It is co-hosted with the Chamber of Commerce, Dentists and Doctors Association and is always attended by around 400 guests. President Lydia Chang and Minnie Chu were responsible for the evening and made it a wonderful evening full of entertainment. Lions Eddie Young and Morgan Huang attended the second District Meeting in November where Morgan announced that the **Chinese American Lions** are supporting the Asian American Senior Citizen Service Center in two ways: Chick-fil-A calendar sales and the New Year's Eve Gala. Please see the flyers in this issue.

The **Tustin Lions Club** has enjoyed gatherings, visitors, celebrations and serving throughout November. They've made their annual contributions to Tustin PD in the form of dollars toward the Santa Sleigh Program and toys to the Santa Cop Program. Members enjoyed the annual Peace Poster Contest Program, where three local middle school children presented beautiful posters and received awards. 2015/16 President Susie and Secretary Linn were honored to receive the Centennial Excellence Award and a 100% Secretary Key from LCI! And to demonstrate to our community that they are happy to serve, several members volunteered to hand out food to the needy at the City Of Tustin sponsored Second Harvest Food Bank event on November 22nd.

SADDLEBACK ZONE C CHAIR JOHN ULRICH

The **Laguna Niguel Lions** finish up the month of November with great expectations for the coming month and year. Membership continues to be a focus for the club as we reach out to perspective new members. We have closed on one new member and at least one more has made a commitment for a December start date joining. Also, we may have found a member for the **Mission Viejo Lions** as we partner with our neighbor clubs. Lion Micky Scholte, the club senior member, continues to perform his exceptional efforts collecting used eye glasses. During November, Micky has collected 610 used eyeglasses and 210 cases. Since July 1st Micky has collected 3,539 glasses and 1,494 used cases with a revised upward target of 8,000 for the year. Micky continues to maintain his high level of effort almost single handedly within our area by maintaining relationships, encouraging club members to find used glasses and his lifelong Lion dedication.

Zone Chair Lion John Ulrich continues his book collection effort partnering with the Laguna Niguel Libraries, Laguna Niguel Senior Center and **Pomona Host Lions** to donate children's books to the Little Free Libraries. **Laguna Niguel Lions** look forward to assisting and partnering with **Pomona Host** in the effort to promote children literacy. John passed on six large boxes of children's books to the **Pomona Lions** at the second District Meeting. The Little Free Library nonprofit estimates that 50,000 book exchange locations have been established throughout the world with 35.5 million books being shared per year or 10 million more than are in the New York Public Library system. Thank you Pomona Host, great effort. Kids for Vision, Illumination and **Laguna Niguel Lions** will have a full agenda of vision clinics throughout the community at several elementary schools and homeless shelters. Our next Vision clinic will occur on December 3rd at the Lighthouse Church for the homeless located in Costa Mesa. Several members have signed up for this special event. All Lions are welcome to participate.

Orange County Outreach presented during our regular meeting this past month. The non-profit shared some impressive information as member's donated nonperishable food and made cash donations. We hope to expand our partnership with Orange County Outreach in the months ahead. We have taken on the sponsorship of two families with holiday meals and support. We will continue the effort with food donations during the holiday season. The club has entered into a partnership with the Laguna Niguel Botanical Preserve as we have funded our first Legacy project for the year to celebrate the Lion centennial. Lion members participated during the November planting day as we work to expand our relationship with the Preserve with several hands on projects such as Earth day, Planting Day and more. Also, we are encouraging members, family and friends to join the nonprofit in support of their efforts during the year with support from our city council and Lion member and city mayor, Laurie Davies.

The **Laguna Niguel Lions** continue to support the city's Military Support Nonprofit during the year and years past. We are now working on the collection of toys and donation of gift cards in support of the approx. 1,800 active duty service members of the 1st Battalion, 4th Marines and the USS Stockdale. The toy donation effort assists the Laguna Niguel Military Support Committee's goal to ensure each child (K-12) receives a large selection of toys or gift cards. Military Support committee members and Lions will celebrate with the Marines and Navy families as Santa passes out the toys to the excited kids. Parents are smiling as we all are. Great time during this holiday season.

Several Lions are looking forward to attending the **Newport Beach Hawaiian Lions** Annual Christmas boat Parade Party on December 14th in support of their fundraising efforts and having a wonderful time with our Newport Beach Hawaiian friends. We are also holding our own club holiday party at Aventura Yacht Club in the Dana Point harbor on December 12th. \$25.00 per attendee and all are welcome.

This past month **Mission Viejo Lion**, Cherie Steijn, (red hair) participated in a sculpting for the blind course that is offered at the Potocky World Cup Center in Mission Viejo. She also personally arranged lunch for all participants and volunteers (including former mayor Trish Kelley) for the next month. The Sculpting for the Blind class was the initiative of retired teacher Anne Sansregret, a dedicated Mission Viejo volunteer. Classes run eight weeks and are held on Thursdays from 12-2PM. Lion Cherie was inspired and touched by the enthusiasm of the volunteers and participants. This class is a refreshing social activity that pulled all participants out of their isolation!!
