THE OFFICIAL PUBLICATION OF CALIFORNIA LIONS DISTRICT 4-L4

A Message from District Governor Ken Myers

Please keep your thoughts and prayers on all our Lions who are going through a rough time. I want to thank all of you for your support and work during my absents. It is times like this that proves what a great leadership team and district we have.

On the lighter side I'm happy to report our district is growing. We inducted 9 new members last month. The new Laguna Beach Club is getting ready to charter. The Special Olympic Club is starting off slow but the GLT team is lighting the torch and things are starting to move again.

WE are still waiting to hear from the Ensanada Lions about our visit this year. I will keep you all informed as the news comes in. I do know they still need school supplies and donations. So let's keep gathering those supplies.

Until next time keep that Lion's Pride going strong and Answer the Call to Serve.

A Message from 1st Vice District Governor Bob Susaeta

We held our District Meeting without our Governor. I want to report that he is up and around. I would like to personally like to thank all of the Cabinet Members for stepping up and making the meeting work without a hitch. WHAT A TEAM!

It was great to recognize our PDG'S and give them the recognition that they very much deserve. A couple of them reminded me that at one time our District had 50 Clubs. We are now at 36 with two pending and they should charter within the next couple of months. So the question is what happened to those Lions from the lost clubs? The size of our District remains pretty much the same. How can we get some of them back along with adding new members?

Have you used the publications made available from LCI such as WHAT ARE YOUR RATINGS, BLUEPRINT FOR A STRONGER CLUB, MEMBER SATISFACTION GUIDE and many others. Has your club done a COMMUNITY ASSESMENT RECENTLY?

I encourage you to talk and work with other clubs in the District. Make Club Visitations and share ideas and learn some new ones. Make your meetings fun for everyone and lastly. "ASK ONE".

Let's all work together and make our Clubs and our District bigger and stronger.

*A Message from
2nd Vice District
Governor
Judy Barr*

This month I would like to title my article, "LET'S BUILD OUR LEGACY!" All of the Lions in our District have been doing an outstanding job completing the 2015-2016 Centennial Challenge. At least eight clubs have completed all four areas, Vision, Hunger, Youth, and Environment, and there are several clubs who have two or three projects completed and documented on the My LCI website. With about six months to go, I really hope that each club will work hard to complete the challenge and earn a centennial patch!

Now let's talk about a commitment to build a Centennial Legacy. Now is a good time to connect with your community by planning a lasting project. Legacy projects are visible gifts to your community that commemorate our Lions centennial and create a lasting legacy of your service contributions.

I know you are asking yourselves, "what project could we possibly do?" I have one suggestion, and I guarantee that you could probably think of many more. I'd like to suggest to you a living memorial of an Elm tree. This hardy elm is delivered as a six foot tall American Liberty Elm, ready for planting. It includes a bronze plaque secured in a 75 pound block of granite. It would state in your words your dedication and commitment to our world. It also includes the Lions logo and your clubs name.

This unique memorial will grow nearly 100 feet tall and lives about 100 years. What better way to celebrate our 100 year centennial? This is also great PR for your club. Once planted, hold a dedication ceremony and invite the media, city council, residents, and club members from the district. Next report the legacy project to the LCI Activity report. You will earn a special banner patch and certain select projects will be featured on the LCI website and magazine.

I have all of the details on how to start this project. Best of all, the cost is minimal. For less than \$500, your club will be the proud sponsor of a living memorial. Huntington Beach Host planted a tree last June at Fountain Valley High School. Tustin Host is planting one on February 27 at the Blind Children's Learning Center. You could choose a park or school or another prominent location in your city. Check out Lions.100.org or www.libertytreesociety.org for additional details. Or please feel free to contact me anytime to discuss.

Have a great month, and I'll see you all after MD4 Convention!

Cabinet Secretary Diane Quinlan

For many Lions and Lions Clubs they do not want to be recognized for what they do. Most members and volunteers do this because they Love to Give Back to their Community. They feel it is not important or that big of a deal to report what they do. Well, let me help with this perception. Your reporting isn't so we can give you the accolades that you deserve (yes we do like recognizing you for what you do) but, we do it for Lions Clubs International (LCI) who tracks all our volunteer hours and service hours.

Lions Clubs International is the largest service club organization in the world. Its 1.35 million members in more than 46,000 clubs are serving communities in more than 200 countries and geographical areas around the globe. For nearly 100 years, Lions have served their communities with dedication and contributed to the development and well-being of millions of people around the world.

LCI has many partners to help them achieve some of their larger projects and to keep the grants they receive from these partners they have to show we are active. The only way LCI can show them this is to have your reports filed online. So we encourage all of you do please complete your online reports monthly so LCI can continue to help out with those in need.

As always if you need assistance please reach out to me.

P.S. Remember to bring PJ' four our PJ Party, Used Ink Cartridges & Cell Phones for our Student Speaker and Pull Tabs for Ronald McDonald House to our Region meetings.

FROM A LEO'S PERSPECTIVE

Sadaf Esteaneh
Troy Leo President

I have been active in Leo Club since 2013. The Lions Club International gives young people the opportunity to make a positive impact in their community through volunteer work. In 2014, I was admitted as a general board member and was responsible for organizing and leading events. For example, I collected eyeglasses so that they could be recycled for those in need in developing countries. I also assisted disadvantaged hospital patients by volunteering in the Ronald McDonald House. I recall my favorite moment was baking food and preparing goods with other volunteers for the patients; it gave me a great profound respect for organizations, like Ronald McDonald and Leo Club, which work together to benefit members of the community.

Later, I advocated members to attend Special Need Dances in order to raise awareness of those with disabilities. I love dancing with special needs children, because their spirits are uplifted and there is so much positive energy during this event. I also helped raise publicity of Leo Club by selling cotton candy at a fair. During the holiday season, I volunteered at the We Give Thanks event, where volunteers and I prepared Thanksgiving meals for the homeless people of our community.

Furthermore, in 2015, I became President of Leo Club and earned a position as Activities Coordinator for the Leo Club District of Fullerton. As Leo Club president, I have a major role in the decision making process for our club's goals and events. Holding this position, has made me much more responsible; it has been important to me, for I realized the components that make up a strong leader. I was very proud when Leo Club volunteers worked helping students learn the craft of origami was recognized and applauded in our school newspaper. I enjoy assisting children at Beatty Elementary School; during Christmas, I helped students create holiday crafts that reflected what they were appreciative of. As activities coordinator, I am in charge of creating new events for the whole district of Fullerton. This year, for example, I helped set up an event for Veterans Days, where delivered appreciation cards to the brave men and women that served for our country. It was so touching to be able to speak to these veterans and hear their incredible stories. I also collaborated with my team in establishing an ice-skating social for the Leos; I plan to present more fundraising ideas to the district so that our clubs can raise more revenue. The Boba Sale I planned at Troy, for example, was highly successful. In a matter of minutes we sold 150 Boba and raised a great amount of funds for our club.

The Leo Club has taught me how to effectively publicize events, establish connections with other organizations, and hold fundraisers for donation purposes. These experiences have greatly helped me in maintaining a healthy balance between both my academic and social life. I am honored to be a Leo Club member and excited to offer my skills to volunteer organizations at USC as well.

Subject: Call for Nominations

Dear Club Presidents,

This is the Official Call for Nominations/Notification of Election of Officers. The following is an outline for the qualifications for Second Vice District Governor as noted in Article III, Section 2 of the Bylaws of Lions Clubs District 4-L4, Lions Clubs International.

"Section 2. VICE DISTRICT GOVERNORS. A candidate for the office of 1st and 2nd vice district governors shall:

(a) Be an active member in good standing in a chartered Lions Club in good standing in the district.

(b) Secure the endorsement of his/her club as a majority of the clubs in the district. Announcement of candidacy shall be by letter signed by his/her club President and sent to all members of the Nominations, Credentials and Elections Committee and to each club in the district prior to March 15. In the event of endorsement by a majority of the clubs in the district, the cabinet secretary/treasurer (or, if appointed by the district governor, the cabinet secretary) will forward such information to each member of the Nominations Credentials and Elections Committee and to each club in the district.

(c) Have served as president of a Lions Club for a full term or major portion thereof and a member of the Board of Directors of a Lions Club for no less than two (2) additional years; and as zone Chairman or region Chairman or cabinet secretary and/or treasurer for a full term or major portion thereof. None of the above may be accomplished concurrently.

(d) Only in the event there is no candidate for the offices of vice district governors at the time of the district Convention, any club member who fulfills all requirements of this section may stand for election.

(e) Candidates for the offices of both vice district governors may not begin active campaigning prior to February 1 for the year his/her candidacy is announced."

Sincerely,
Jack Tanaka
Jack Tanaka, Chairman
Nominations, Credentials & Elections Committee

A Lion mother teaches and protects her cubs for up to a year. She teaches the cubs how to fend for themselves, training them how to interact with other lions, how to grow as adults, and how to protect themselves in the jungle. Our Lions clubs should be no different.

During our travels with the governor, we encounter clubs and individuals that have concerns about not being properly trained. Your club should take advantage of the numerous ways in which the district has different training sessions. From time to time they conduct new member orientation, officer training and leadership academies. We have the proud lion award that includes 6 items new member must obtain to earn. It is with the help of the sponsor for him or her to earn it. If you need help with any training needs please reach out to a member of the cabinet. Please take time to mentor new members, train your incoming officers and see what you can do to train better lions, better clubs and a better district.

District 4L4 is going full steam ahead to be "Visionary Leaders" through participate with "Lions Eyes Across California". This action project is March 19, 2016 and is a state wide eyeglass collection campaign. I'd like to invite your club to participate. Let's get started!

1. Develop a action plan and communicate your plan to me ASAP. Each participating club will receive a outreach banner at no cost to your club for advertising purposes

2. Start engaging your club and community now. Collect your glasses now. Work your campaign on Saturday, March 19. Continue to collect donations and plan on delivering your donation to the April 16, 2016 District meeting Ontario Airport Hotel.

Thanks for permitting me to share this strategy model developed by Lion Susie of Tustin Host .

Our donation site has just been approved. We will be collecting used eyeglasses from the public from 9 to 5 on Saturday, March 19th at the following location:

The Tustin Library Courtyard
345 E. Main Street, Tustin CA 92780

We will have our big Tustin Host Lions Club tent and tables set up close to the curb for those who wish to drive up and donate their glasses. Our tent will be manned by 2 to 3 Beckman Leos along with 1 to 2 Tustin Lions.

Thanks Tustin Host. Facebookers, please click on, like the Eyes Across California page link <https://www.facebook.com/Lions-Eyes-Across-California-262262287307418/> and invite your fellow Lions and friends to help maximize our outreach efforts.

Thank you for your kind consideration and please contact me with any questions or comments, let's collaborate!! Thanks Again!

THE SEAL BEACH LIONS are gearing up for another busy year. We started the New Year off on January 1 with the second annual Polar Plunge. Yes, 30 Lions crawled out of bed that morning (with some Lions having slight headaches) to be at the beach at 10:00 am to either witness or “plunge” in the Pacific Ocean. The SB Lifeguards, Police department, and the Coast Guard were also there. SB Chief of Police, and Lion, Joe Stilinovich was out there, in his uniform no less, and took the plunge! A portion of the money raised for this event is donated to the SB Police Foundation. PDG Ellen Liebherr was there early as well and cooked and prepared hamburger lunches for a crowd of over 80 people. It was a beautiful day for such a fun event.

Our Lion of the Year, Adriana Ziegenbusch is a candidate for Queen of Hearts with the Los Alamitos Education Foundation (LAEF). Adriana has been working very hard with local restaurants who agreed to donate a certain percentage of a particular day's sales in her name to LAEF. A wine tasting party was also hosted for Adriana with the proceeds going to LAEF.

Our first annual Pinewood Derby and Chili Cook-off took place this month as well. What is a pinewood derby you ask? It is a model car derby wherein members were given a block of pinewood, fashioned a racecar out of it, and raced it on a track. There were 25 cars, and needless to say our members were quite creative with their cars! And there were 15 chili entries that were judged as well. On the last weekend of the month 15 club members went on our annual Tijuana, Mexico trip with CLFIS to work an eye clinic. This three day project is extremely rewarding with over 600 people receiving eye exams, treatments, and glasses. The Ensenada Lions also join in to work the clinic. There is a full lunch and dinner served to everyone, and our Lions all come home remarking how welcome and kindly they were treated, and what an extreme pleasure it is working with the Ensenada lions every year.

Marc Poli Orange Region Zone C Chair

Kudos to the **ORANGE, BUENA PARK AND COSTA RICAN** clubs for good membership numbers and report filing.

I attended an induction ceremony led by Governor Myers of 6 new members for the **ORANGE COUNTY COSTA RICA LIONS**. That is half of their current membership! The club donated \$2,000 to a cancer patient Janet Huerta on January 13, 2016 for a new medical treatment. They are planning to assist a young child by funding corneal transplant surgery for both of his eyes.

BUENA PARK also gained a new member. Last month they mourned the passing of longtime member and Treasurer Marge. January was a month focused (bad pun) on eyesight: they collected over 550 pair of eyeglasses, supporting Melvin Jones by reserving a table for 10 during the Award dinner, providing optometric care for 8 underserved community members.

Chapman University worked the Rose float decorations and had a Bolsa Chica beach cleanup in December. In January, they participated in the “Relay for Life” at the University, and will be assisting in the “Friends in sight” clinics. They are also collecting used eyeglasses.

ANAHEIM is planning their annual Baseball Tournament, which grows in importance among the high school circuit every year. The theme for the upcoming month is obviously the “Student speaker contest”. This year, we have Anaheim, Buena Park and Orange Lions presenting speakers. The winners of each club will meet at the Zone level on March 8th, 2016.

Protecting Our Environment

APRIL 22 IS EARTH DAY

Join the countdown to Earth Day's 50th anniversary. When it comes to the Earth, there is no time to waste.

The environment is a major concern for communities and people around the world. During the last century alone, the world lost more than 80 percent of its original forests, which provide a source of livelihood, protection from natural disasters and absorb carbon dioxide emissions that lead to global warming.

Protect the Environment to benefit 25 million people and be part of the Centennial Service Challenge!

During April, we invite your club to join Lions around the world to protect the environment. Help us raise awareness on the importance of protecting the environment by organizing hands-on projects throughout the month.

Resources

Use the following to plan and promote your “Protecting our Environment” Centennial Service Challenge project.

Planning Guide: Use this step-by-step approach to organize your very own “Protecting our Environment” project.

Project Ideas: Review ideas you and your club can use to participate in the Centennial Service Challenge. The opportunities are endless.

Press Release: Send a press release to local media to help publicize your “Protecting our Environment” project.

ONTARIO UPLAND LIONS members were busy collecting clothes for the homeless at Tent City in Ontario, socks and underwear at New Hope, and shopping for our adopted family in hope of making their holiday a little brighter. Two members kept their fingers busy in December and January knitting liners for the military helmets and baby hats for the newborns in the hospital.

There was a member who volunteered in the snack bar at the local Grove Theater in Upland. The Grove introduced the youth to the art of acting, by giving several musicals throughout the year. Some of our members shopped and designed centerpieces for International President reception in Rosemead before the Rose Parade in Pasadena. A few of our Lions took time out of their day to visit the shut-ins, volunteer at their local churches, collect donations in their community for the Leukemia and Lung Foundations. Two members gave time at the Montclair Community Center for the Food Distributions to 236 low income residents of Montclair. On December 9, 2015 and January 27, 2016 a lion was at the Montclair Senior Center helping decorate the tables for 200 guest at the monthly Birthday Celebration, and selling lunch tickets for the next month's party. The club's Student Speaker's Competition was held on January 27, 2016, so members were busy with schools and students in preparation for the competition. Excellent speakers. Plastic bags, cans, pull tabs, and papers were collected and sorted for recycling. The bags are made into plastic yarn (plam) which is used to crochet mats for the homeless.

UPLAND HOST LIONS have scheduled their Student Speaker Competition on February 15, 2016 at the CAF building at the entrance to Cable Airport. The contest starts promptly at 6:30 pm so attendees should arrive no later than 6:15 pm. Lion Martha Hebert, Foothill Region Chair attended the board meeting on January 4, 2016 and presented congratulatory letters and Chevrons from International President commending two members for their length of service. Congratulations Lion Bert for 20 years of membership and Lion Mike for 10 years of membership and for your longevity service to Lions and your club. Another guest, Lion Jerry McJunkin, requested assistance in putting together packets of toiletries. Those volunteering to help will meet at 6:00 pm, January 5th at Magnolia Park. Lion Madeleine volunteered to bring 2 suitcases of toiletries to donate.

Mike Shaw Foothill Region Zone B Chairman

ONTARIO HOST LIONS have their Student Speaker Competition scheduled for Tuesday, February 2, 2016. It will be held at San Joaquin Valley College at 12 noon.

POMONA HOST LIONS had two club members drive to La Habra to pick up discarded books and transported them home. Another lion help clean and sort the book determining which to keep and which to toss. The good books will be placed in the Little Free Library around the community. Two members delivered boxes of books in a truck and a car to the storage area provided by the teachers union. The number of people served is being divided among the various multi-day steps of the project so they are not counted twice. As part of the LCI RAP partnership with Macy's, the Pomona Host Lions distribute free books to first graders at schools with poverty rates (Federal Free and Reduced Lunch criteria of 95% and above. Thursday night and Friday morning, three Lions reviewed the book catalog and then ordered 500 books. Another Lion transported 40 additional stored books and helped with the planning. On January 1, 2016, Pomona Host continued its winter focus on feeding the homeless men and women of Pomona. Five Lions prepared and served dinner to 100 homeless at the Pomona Armory. Again on January 25, twenty PH Lions bought food supplies, prepared and served dinner to 125 homeless people in the winter shelter at the Pomona Armory.

Sergio Gonzalez Foothill Region Zone C Chairman

Chino Valley Lions welcomed a new member to their club, Allyson Agee. Congratulations! The club purchased 5 pairs of glasses for school children whose parents could not afford to purchase them. One member along with 11 Boy Scouts from Troop 220 helped with roadside cleanup. They picked up 5 bags in 2 hours. Great job. Twice a week one member picks up excess food from a supermarket and takes it to the local food bank where they give it out to the hungry.

Diamond Bar Breakfast Lions started out the new year by having eighteen members participating in the Snow Fest in the City of Diamond Bar. One lion volunteered at Our Lady of the Assumption Church of Claremont. One lion volunteered at the Boys and Girls Club of Pomona Valley. For the month of January Diamond Bar Breakfast served 233 people by volunteering 202 hours.

WALNUT DIAMOND BAR LIONS collected 9 pairs of glasses from a donation received at Walnut High School.

Saddleback Region Report Chairman Tom Hollister

HARBOR MESA LIONS are hard at work on the February 27 performance of their second Mystery Dinner. You are all invited. They are also working on a great Fashion Show on June 11. They have already held the Club Contest for Student Speaker and are looking forward to the Zone Level.

HUNTINGTON BEACH LIONS are preparing for their 19th annual CrabFest on March 20. They will also have a Pancake Breakfast for the H.B. City Council on March 7.

ORANGE COAST BREAKFAST LIONS continue with their support of 2nd Harvest Food Banks. They also continue to make monthly museum trips. Costa Mesa Newport Harbor Lions are deep in their preparations for their annual Fish Fry.

LAGUNA NIGUEL LIONS helped the Chinese American Lions celebrate Tet. Happy New Year! They are planning for the Student Speaker Contest. They are pleased to announce a Leo club at Aliso Niguel High school has been established. On December 14 at the installation ceremony, Lions club President John Ulrich and 1st Vice President Patty Collision presented Leo pins to 38 charter member Leo club students. Jerry McCloskey, former Mayor and current city council member honored the ANHS Leo club with a resolution from the city in recognition for past community service and commitment to the future. Currently Leo club membership at ANHS stands at 61 members. The excitement and energy by these Leos is obvious as the Laguna Niguel Lions look forward to our partnership and future community service activities."

FEBRUARY 2016 SADDLEBACK REGION ZONE B CLUB NEWS

It's Student Speaker Contest time again! The theme this year is "Liberty And Justice for All – What Does It Mean To You?" All clubs are encouraged to hold their Student Speaker Contests by the 2/22/16 deadline. The Zone A and Zone B Student Speaker Contests are set for 6PM on March 2nd at the NMUSD Offices. The Saddleback Region Student Speaker Contest will be held on March 28th at the Garden Grove Lions Clubhouse. The District Level Contest will be held at the 4th District Meeting of the year on April 16th. And don't forget to start making plans to attend the Joint District 4L4-4L5 Convention being held at the San Diego Crowne Plaza Hotel May 12-15th. The next level of Student Speaker Contest, the Area Contest, will be held on that Sunday May 15th at the hotel.

THE CHINESE AMERICAN LIONS OF ORANGE COUNTY rang in the New Year at their celebration of the 25th Anniversary of the Asian American Senior Citizen Service Center. The event was held at the Irvine Marriott Hotel on December 31st. This fundraiser raised \$55,000 which was well over their target. All of the funds raised will go to the AASCSC. As you can see by the photos below, there was plenty of excellent entertainment including various cultural dances and songs performed by local artists and members of the organization as well as good food and lots of camaraderie. A good time was had by all!

The Chinese American Lions had a general membership meeting on Tuesday, January 19th at the Lotus Chinese Eatery where they raised funds by selling gift cards to the 99 Ranch Market.

Lion President Morgan and Lion Secretary Eddie both attended the 3rd District Meeting in La Habra where they donated used eyeglasses and ink cartridges to help raise funds for the Student Speaker Foundation. At the meeting they got to meet and visit with visiting District Governor Macy Chan and her husband Michael from District 4C4. After the meeting, Lion President Morgan took District Governor Chan and her husband to visit the Taiwanese Economic and Cultural Offices (TECO) in Santa Ana where he introduced them to the center's director, Ms. Linda Yang. The Republic of China (ROC known to the Taiwanese) does not have an embassy in the United States. Instead the TECO acts as a consulate for the government of the ROC. After the enjoyable visit Lion President Morgan gave them a Lion send off back to the bay area at the OC John Wayne Airport.

The Chinese American Lions of OC are now looking forward to celebrating the Chinese Lunar New Year of the Monkey with fellow Lions on February 9th where they will enjoy the delicious ten course banquet at the China Palace in Tustin. After the amazing meal they will have dice games, bingo and raffle drawings

The **Tustin Host Lions** attended the Melvin Jones Fellowships Celebration on January 9th at The Knott's Berry Farm Resort. PDG Gil Smith and Tustin Host Lion 2nd VDG Judy Barr were the co-hosts. The highlight of the evening for the club was the last fellowship which was awarded to Tustin Host Lion Glenn Riley. Lion Glenn was unable to attend but 2nd VDG Judy informed the audience about his amazing length of service devoted to the Tustin Host Lions as well as his proud service to our country through his military career which included fighting in World War II, helping save thousands of ground troops in Korea and flying for the CIA and Air America during the Vietnam War. He was even a stunt pilot for the 2001 film "Pearl Harbor." He has sponsored many members into the club including his daughters Patty and Sharon.

Tustin Host is sponsoring local student Eliza Bubienka who will be competing in the 2016 Miss Tustin Scholarship Program. Several members helped deliver the eyeglasses that were created for some of the participants at their CLFIS Vision Screening in December. And several members attended the District Meeting where Lions Lynn and Brenda Davis were acknowledged with a World of Thanks Award for their extraordinary service to the Youth Exchange Program. One member attended the Leadership Conference in Ontario.

Tustin Host Lions tried something new in January. They added an evening meeting on the fourth Tuesday of each month for those that would like to be a part of the club but cannot make the noon meetings.

Several members attended a Comedy Night "just for laughs." Their Beckman Leos attended the District Leos Ice Skating Social.

They are looking forward to their Student Speaker Contest on February 2nd and the MD4 Convention in Modesto. They also will be planting a Liberty Elm Tree at the Blind

Children's Learning Center as part of their Legacy Project for 2016. The tree will be dedicated with a ceremony and memorial plaque on Saturday February 27th at 11AM. Please see the flyer for more details. On March 19th they will hold a used eyeglass collection at a local library as part of Lions Eyes Across California. See flyer for more details.

Finally and sadly, they had to bid farewell to longtime Tustin Host Lion Dr. George Vandruff. Per President Susie, "Lion Vandruff was a dedicated member of our club since 1962. He was so full of energy and life. He kept our club smiling and on task. We will really miss this member of our Tustin Host Lion Ohana!" A memorial service is planned for February 27th at noon at Tustin Presbyterian Church 225 West Main Street in Tustin.

District 4-L4 & 4-L5 Convention Golf Tournament Dear Golfers

As you can see, I'm excited and ready for our golf tournament during the upcoming 2016 Lions Convention.

The question is "Are You Ready?"

This year, we will be joining District 4-L5 in a joint tournament at the Riverwalk Golf Club in San Diego on Thursday, May 12, 2016.

In addition to prizes passed out immediately following the joint tournament, I will be giving the below listed items to District 4-L4 golfers only at our business session:

3 foot Perpetual Golf Trophy

Longest Drive for Men & Women

Closest to the Pin for Men & Women

There will also be three additional raffle prizes for all 4-L4 golf participants at no additional charge.

All participating District 4-L4 & 4-L5 golfers will receive a commemorative "Fireball" shot glass and toast on the first tee.

Throughout the years, Tustin Host Lions Club has collected used eyeglasses and delivered them to Lions Eyeglass Recycling Centers. Volunteers clean, sort by prescription strength and package the glasses. The recycled glasses are then distributed to people in need locally and afar, where they will have the greatest impact.
