

"Answer the Call to Service"

4-L4 FORUM

**Volume 94
Number 7
January 2016**

THE OFFICIAL PUBLICATION OF CALIFORNIA LIONS DISTRICT 4-L4

A Message from District Governor Ken Myers

Ring in 2016 and the second half of my term, I could not be more thrilled with the synergy happening in our District. Your December Activity Reports reflect an increase of participation in our core projects with the youth, feeding the hungry, and adoption of families for the holidays. There was a steady increase of pajamas collected as well!

The Ronald McDonald House saw unwavering support from our clubs, as well as the emergence of new activities such as a Disability Dance. Another year under our belts of uninterrupted support of the Rose Float. It makes me so proud to see our Clubs and Members, "Answer the call to Serve!"

The District Cabinet is continuing with their dedication of support to our clubs and members in need of guidance. We are going to be persistent in "closing the back door." We are looking at a steady growth in membership and the opening of two new clubs! First, is the reemergence of the Laguna Beach club that had a rich 60+ year history of supporting the community. Second, the Special Olympics club dedicated to the support of the games. We will continue to engage our younger membership to continue our mission for the future. We will begin our Vision Screening with the use of three new screening cameras purchased by our Sight and Hearing Foundation.

I look forward to us all celebrating our great year of, "Answer the Call to Serve!" at the first joint 4-L4/4-L5 Districts Convention, May 12-15 in San Diego. What a way to close out our year!

Thank you all for your help and support. Denise and I wish all Happy Holidays and a Happy New Year.

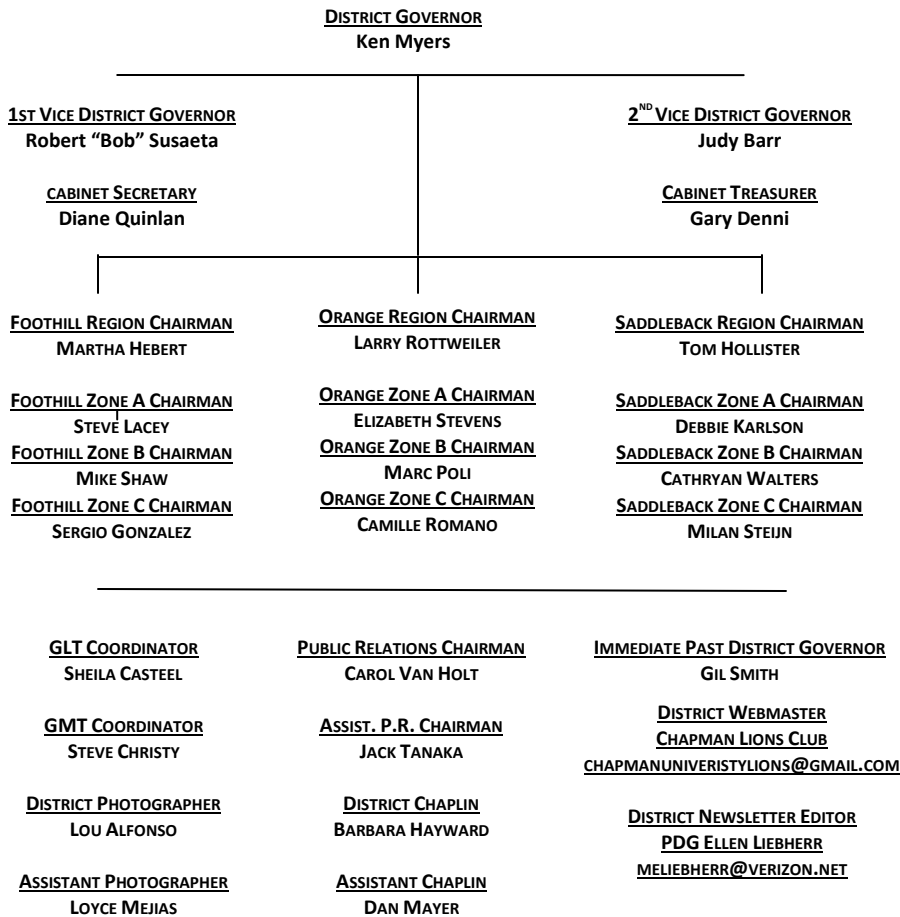

A Message from 1st Vice District Governor Bob Susaeta

After attending a whole bunch of Holiday parties and receptions with many great Lions, friends and family and gaining a few unneeded extra pounds, I am ready to get back to the grind of Lion's business. We all welcomed in 2016 and I hope you all had a wonderful New Year and that it will continue to be a great year for all of us.

I have been very busy attend DGE training sessions and trying to fill my Cabinet for the next year, you know it is just around the corner. Not only is this for me but also for all of you Club Leaders. Who is going to step up and take your place? What plans do you have in place to train them? Before you read this the Leadership Forum in Ontario will have been held and 40 to 50 people will have graduated. This and other Leadership programs are offered by MD4 and LCI and will help not only those wanted to move into the District level but also upcoming Presidents, Secretaries and other officers for your clubs. I urge you to take advantage of these opportunities. If you cannot attend any of these do your own training at your clubs but please do it.

We need to continue to work on membership. Our numbers this year show that we have added 161 new members but have lost 140. REMEMBER Leadership = New Members.

2015-2016 DISTRICT 4-L4 CABINET

***A Message from
2nd Vice District
Governor
Judy Barr***

Welcome to 2016! I hope you all had a great start to this glorious new year! My first Resolution is to lose the "freshman-15" pounds that I gained while visiting all of your clubs and enjoying great food and renewing friendships.

My next Resolution is to work with each of the clubs who want to participate in local parades. I just need your help. If your city is holding a parade sometime this year, please send me a quick email so that I can check it out. If you have members who are interested in walking in a parade to promote Lions, then let me know that as well. I'll create a list and blast it out so that we all can plan on participating. By working on Resolution number 2, I'll succeed in Resolution number 1. That's a win-win in my book!

As always, I truly appreciate your support. If there is anything that I can do for you or your club, please feel free to contact me anytime. I'm always available!

I look forward to seeing you all at the next District Meeting and I hope many of you will be attending the MD4 Convention in Modesto. It will be my first and I'm very excited to learn new things and meet new Lions.

Please Remember to keep Dignity, Harmony, and Humanity as your New Year's resolutions and ask someone to be a Lion in 2016!

FROM YOUR EDITOR

I hope you will all indulge me as I share a short personal story...

Our lives are all about change. Adjusting to such is always a challenge. For years my mother took care of me, and now I am taking care of her. Two weeks ago her health began to fail so we moved her into our house. She finally had to give in. At 94 she no longer can live alone and thankfully we are blessed to be able to offer her a comfortable bedroom, a cat to pet and 24 hour "room service".

Every night Mike and I sit in her bedroom and have family time. We discuss everything – family, politics, how I should get rid of the dust bunny in the corner. Yes, she is still my mom.

Recently we had a long talk about the future. There is a lot to talk about when you know that the end is not too far away. Durable power of attorney, selling the house, getting rid of the car. So much to go over. When finished I asked her if she had any questions and if she understood it all.

She stared at me for the longest time then responded:

"I don't give a S#*T"

I knew I learned it somewhere.

You go Mom!

RESERVE YOUR AD SPACE IN THE 2016-2017 DISTRICT DIRECTORY

We are starting to sell ads for the 2016/2017 District Directory. Half page is \$50 and full page is \$100. Please contact 1st VDG Bob or Cabinet Secretary Diane for more information.

Hello Fellow Lions.

Lions District 4L4 is going full steam ahead as "Visionary Leaders" through participation with "Eyes Across California" a state wide used eyeglass collection campaign action project Saturday March 19, 2016

Changing Lives, One Pair at a Time. In just about any dresser drawer, one can find a pair of eyeglasses that are no longer being used. That same pair of eyeglasses can change another person's life.

ONE DAY to raise Awareness

Host a collection event, a sorting party, or anything fun to collect those glasses that are no longer used.

Share this event with everyone you know! I'd like your clubs to participate so... Let's get started!

1. Develop an action plan and communicate your plan to your club members, community and me ASAP. If needed, each participating club will receive an outreach banner at no cost to your club for advertising purposes. Call your local city government and ask your City Council to present a proclamation to adopt Saturday, March 19 as "Eyes Across California" day.
2. Start engaging your club and community now, collect your eye glasses now, work your campaign on Saturday, March 19
3. Continue to collect residual eyeglass donations beyond March 19 and plan on delivering your donation to the April 16, 2016, District meeting location, time to be announced.

Thanks for permitting me to share this strategy model developed by Lion Susie of Tustin Host. Sample idea:

Our donation site has just been approved. We will be collecting used eyeglasses from the public from 9 to 5 on Saturday, March 19th at the following location: The Tustin Library Courtyard 345 E. Main Street Tustin, CA 92780

We will have our big Tustin Host Lions Club tent and tables set up close to the curb for those who wish to drive up and donate their glasses. Our tent will be manned by 2 to 3 Beckman Leos along with 1 to 2 Tustin Lions.

Thanks Tustin Host for the tip!

Facebookers, please click on, like the Eyes Across California page link <https://www.facebook.com/Lions-Eyes-Across-California-262262287307418/> and invite your fellow Lions and friends to help maximize our outreach efforts.

Thank you for your kind consideration and please contact me with any questions or comments or reply all and let's collaborate!! Thanks Again!

Lion Elizabeth Steves, District 4L4 "Eyes Across California" Chair and Orange Region Zone A, Chair

January 26, 2016

Subject: Call for Nominations

Dear Club Presidents,

This is the Official Call for Nominations/Notification of Election of Officers. The following is an outline for the qualifications for Second Vice District Governor as noted in Article III, Section 2 of the Bylaws of Lions Clubs District 4-L4, Lions Clubs International.

"Section 2. VICE DISTRICT GOVERNORS. A candidate for the office of 1st and 2nd vice district governors shall:

- (a) Be an active member in good standing in a chartered Lions Club in good standing in the district.
- (b) Secure the endorsement of his/her club or a majority of the clubs in the district. Announcement of candidacy shall be by letter signed by his/her club President and sent to all members of the Nominations, Credentials and Elections Committee and to each club in the district prior to March 15. In the event of endorsement by a majority of the clubs in the district, the cabinet secretary/treasurer (or, if appointed by the district governor, the cabinet secretary) will forward such information to each member of the Nominations Credentials and Elections Committee and to each club in the district.
- (c) Have served as president of a Lions Club for a full term or major portion thereof and a member of the Board of Directors of a Lions Club for no less than two (2) additional years; and as zone Chairman or region Chairman or cabinet secretary and/or treasurer for a full term or major portion thereof. None of the above may be accomplished concurrently.
- (d) Only in the event there is no candidate for the offices of vice district governors at the time of the district Convention, any club member who fulfills all requirements of this section may stand for election.
- (e) Candidates for the offices of both vice district governors may not begin active campaigning prior to February 1 for the year his/her candidacy is announced."

Sincerely,

Jack Tanaka

Jack Tanaka, Chairman

Nominations, Credentials & Elections Committee

Brea Lions Collect PJ's

The Brea Lions Club collected a ton of pajamas that were donated to the Crittenton Services for Children and Families Non-Profit Organization in Fullerton.

This is a "Level 12" residential treatment center with a high level of staffing operating 24 hours a day / 7 days a week providing comprehensive counseling, medical, and other support services for the clients in their care. In addition, they also have a continuum of care programming effort for clients that are in need of a holistic approach that addresses the treatment of childhood trauma in a culturally sensitive, gender-responsive, and trauma-informed care environment.

Crittenton is a fully licensed and nationally accredited agency established and incorporated in 1966, committed to provide expertise and assistance to the clients and community partners. Crittenton provides a full array of residential treatment, group home aftercare, on-site educational opportunities, parent and child education programming, substance abuse treatment, independent living services, transitional age youth programming, community based programs, in-home therapy services, wraparound family services, family preservation programming, foster care programming, mental health programming with a specialization of children's and adolescent mental health needs, and specialized treatment for commercial sexually exploited children known as Crittenton's InSight Program.

FOOTHILL REGION REPORT CHAIRMAN MARTHA HEBERT

ZONE A Chair Steve Lacey

ONTARIO UPLAND LIONS prepared hygiene packs and 123 T-shirts for the homeless men in the community. Several members, again this year, met at Lion Teresa home and decorated seventeen small Christmas Trees that were donated to Plott Nursing Home. These small trees mean so much to the patients that are in the nursing home. Again this year the club adopted a family that needed help with the Holidays. This was a family of six and the father is in the military and suffers from PTSD. The members along other family members and friends were so generous with their giving of gifts for each family member and food items.

UPLAND HOST LIONS celebrated the season with a Christmas Progressive Dinner. Three members volunteered their homes for the evening of various courses. Lion Madeleine prepared appetizers to start the evening, President Jim provided a delicious main course and Gov. Ken ended the fun evening with delicious desserts and opening of white elephant gifts. Everyone enjoyed the exciting evening.

ZONE B Chair Mike Shaw

ONTARIO HOST LIONS held their annual Christmas food give away to the needy. Families were identified with the assistance of the Ontario-Montclair School District. This year the event served 197 families with the assistance of 15 Lions, 10 Leos, several San Joaquin Valley College branch club members and numerous community volunteers donating canned goods and other food items as well as an abundant of perishable items purchased by OH Lions, which were sorted and picked up or delivered to the selective families. Each family received three large boxes of nutritious food. In addition to distributing the food, the children of these families were invited to meet Santa (Lion Jim Garbo) at which time over 200 children were able to select an unwrapped toy of their choice. It was said that this program could not be the success it has become without coordination and leadership of Dave Flatten. Dave has provided the space at his business (Inland Powder Coating) for the event and his employees manpower and equipment to assist in making this one of the most well received event in over 30 years history of OH Lions. At the Upland Parade, several LEOs dressed as elves and passed out candy to children along the parade route.

POMONA HOST's toy drive for disadvantaged children on December 3rd marked the last day of their annual toy collection for Santa Cop Party. Forty children identified as impoverished by the Pomona School District are invited to the party where they get to pick out a gift. PH Lions held a toy collection at the city's Christmas Band Concert. Community members were asked to bring toys to the concert. Assisted by Santa and other Lions took the toys to the Police Department for Santa Cops to distribute to impoverished children. The PUSD provided a list of 200 children to receive the toys. Eight PH Lions and five LEOs ran the Feeding the Homeless Project by purchasing the food, cooking and serving approximately 150 residents who sleep on cots at the Pomona Armory every night. The LEOs delivered meals to those who could not walk down the stairs to the basement and made box meals for the late comers. Magazines and decks of cards were taken to the shelter, since residents have little to do during the late afternoons and evenings hours other than sit and lie aimlessly on the cots. They are in the process of building a library of used books for them. Also, two coats were donated and they are in the process of collecting more coats. This act of kindness was repeated on 12/21/15 when more magazines and cards were taken. Donor certificates were given to those who paid \$50.00 to purchase a pair of glasses for Pomona students whose families have no insurance nor can afford to purchase them. PH Lions are committed to helping children do their best in school so they can have success in the future. Zone B Chair Mike Shaw attended a meeting to present PDG Gil Smith and Kevin Maloney with their 20-years in Lions chevron.

WESTERN U has been busy with final exams, but found time for one event. They set up and ran a vision screening section at the Pomona Community Health Action Team (PCHAT) health fair in The Village at Indian Hill. They served approximately 20 patients. Lions volunteering the time were Kim Loi Vo, Matthew Olson, Sarah Hoffer, Sabrina Cardell, and Angelica Rayo.

ZONE C Chair Sergio Gonzalez

CHINO VALLEY LIONS had two members volunteering eleven hours decorating the Lions' Float for the Tournament of Roses Parade. Twelve members raised funds for the "Toys for Tots" toy drive. Lion Carole McCleary provided knitted hats for newborn babies at Pomona Valley Hospital. The hats are given to the newborns when they are taken home. In 2015, Carole spent 1360 hours knitting 340 hats. She has been doing this service for the hospital for five year. Great job Carole McCleary, thanks for your valuable service. The CV Lions made collections from selected supermarkets for excess food and cut flowers that cannot be sold to consumers, but can be utilized by local food banks, that benefited fifty-two individuals. CV Lions provided soft serve ice cream for the City of Chino Christmas Parade and Fair, a community event. A fundraiser was held at Tahoe Joe Restaurant serving sixty-six people. The funds raised will used to further help the community. The Boy Scouts Troop spent two separate days cleaning up the highways of litter, which is a part of Adopt a Highway.

DIAMOND BAR BREAKFAST LIONS held a toy drive to collect toys for The Sparke of Love. There were three Lions to collect enough toys to serve 100 children. One Lion spent 4 hours decorating the Lions Float for the Tournament of Roses Parade that was views by more that 70,000 viewers on January 1, 2016.

Saddleback Region Report Chairman Tom Hollister

Zone A Chairman Debbie Karlson

HUNTINGTON BEACH HOST AND NEWPORT BEACH HAWAIIAN started off with a fun event at the Fountain Valley Bowl with the Orange County Special Olympics Turkey Bowl. They teamed with Special Olympians and had a great time. They provided pancakes and Santa and presents for the annual Murdy Park Christmas Celebration. They had great food and a few drinks at their holiday party where they collected toys for needy families in the community. They opened the New Year with the Pier Plaza Splash and Pancake Breakfast. Now they're planning for their 18th annual Crabbiest on March 20.

HARBOR MESA welcomed a visit from Santa Gil at the Family Christmas Party. They had a lot of help from the Leos of University and Estancia High Schools in wrapping gifts for the Boys and Girls Club. They donated gifts to Spencer's Gifts and to a local charity for needy families in Santa Ana. Lets sent Christmas cards to service personnel and also donated personal items to Orange County foster children. What a rewarding holiday! Now they at work on their Murder Mystery Dinner on Feb. 27.

COSTA MESA ORANGE COAST LIONS helped a local Heritage House with a donation to help make a wonderful Christmas for their clients. They also donated toys for needy kids and continue with their monthly visits to work at the Second Harvest Food Bank. Costa Mesa Newport Harbor Lions are planning for their Fish Fry the first weekend in June. Happy New Year and Good Luck to all the Student Speakers.

Zone C Chairman Milan Stejin

Laguna Niguel Lions participated in City Christmas Parade with nine Laguna Lions marching along with six members of the Chinese American Club and a member of the Orange County Puppy Raisers. They also contributed nearly \$7,000 to promote and support Lion projects and vision care. Donations went to Community Eye Care -\$500; Laguna Woods Vision Club-\$250; Age Well Senior Services-\$500; So County Outreach-\$500; Orange County Puppy Raisers-\$500; Blind Children's Learning Center-\$300; Guide Dogs of The Desert-\$500; Lions Camp at Teresita Pines-\$100; Lions in Sight Van-\$500; LIONS SIGHT AND HEARING-\$500; Student Speaker Foundation-\$200; Kids vision for Life-\$500; Lions Club International foundation-\$500; SEE International-\$600; Rwanda Vision Care-\$500; Masai Oven Project-\$500; Additionally, a Lion optometrist did detailed exams for three teenagers. The Club also collected 491 used eyeglasses bringing our total since July 1, 2015 to 3515 along with 331 eyeglass cases.

The **Newport Hawaiian Lions** annual Christmas Boat Parade Fundraiser was a great success! Everyone enjoyed feasting on Salmon, Prime Rib and Chicken, while listening to the sounds of Velvet Thunder and later watching the Boat Parade and dancing the night away! Mahalo to our IPP Sally for all her hard work and dedication in making the evening so special & to all the Lions and guest that came out and supported this wonderful fundraiser! Christmas Gifts were donated by members & guest who attended the event for the families of our Deployed **Military** from Camp Pendleton.

Pictured below: Newport Hawaiian Lion's Boat Parade Fundraiser and Governor's Visitation

Zone B Chairman Cathy Waters

Happy New Year, District 4L4 Lions!! Here's the latest news from Saddleback Region Zone B. We held our second meeting in November. Region Chair Tom Hollister led a discussion about having a health fair in our region. He also talked about new equipment for the Sight and Hearing Van, VSP gift certificates, the Special Olympics Turkey Trot on December 5th and the possibility of a district/region picnic. The joint Zone A and B project for youth, Ronald McDonald House Trunk or Treat, was a success. We might consider doing another joint Centennial Service Project for hunger, vision or the environment. Clubs were encouraged to hold their Student Speaker Contests by the 2/22/16 deadline. The Zone A and B Student Speaker Contests are set for March 2nd at the NMUSD Offices. 2nd VDG Judy encouraged us to support members in attending the upcoming Leadership Conference and to make sure we are paying attention to our tax obligations. She also informed us that Lion Andy Megaw is offering a deal on banners that can be used for parade participation and that the District Convention is in the planning stages and will be here before we know it.

Saddleback Region Cabinet Members and Friends celebrate the season at the Cabinet Christmas Party

CHINESE AMERICAN LIONS OF ORANGE COUNTY

The Chinese American Lions of OC joined the Laguna Niguel Lions on December 12th to walk in their annual Christmas parade.

President Morgan reports, "We were behind a dog adoption association and in front of the color guard and marching band of Tesoro High School. It was so fun to have so many dogs to play with before the parade. The weather was wonderful and it was so awesome to walk on such a big parkway with so many people from the neighborhood sitting on the sidewalk watching us walking in the parade." After the parade they went to the Golden Age Senior Club to lead a Sing-A-Long for the holidays.

We are looking forward to hearing all about their New Year's Eve Gala to celebrate the 25th Anniversary of the Asian American Senior Citizen Service Center at the Irvine Marriott Hotel which was held on December 31st. And their club is making plans to celebrate their 30th anniversary in 2016!! Congratulations on thirty great years of service, Chinese American Lions of Orange County!!!

TUSTIN HOST LIONS

The Tustin Host Lions have been busy. They had five Peace Poster Contest winners to enter in the District contest and one of them won and will continue on to the next level. Several members supported the Rose Float Inc Golf Tournament on November 2nd.

Tustin Host continued their annual Tustin Police Department Santa Cop tradition by donating toys for low income families at their November 17th meeting. The gifts are given out to the children and families at a party with Santa. This year they also donated thirty eight pairs of pajamas to the Tustin Community Foundation's Project Pajamas. And several members attended the second Zone B meeting and the second District Meeting.

Nine members cooked breakfast at Ronald McDonald House and several volunteered at the Golf Classic in support of the Blind Children's Learning Center – they encouraged the golfers and were witnesses for the 'hole in one' hole. One member attended the Cal State Fullerton Charter Night. The club held a fun membership drive – they divided into two teams and got points for bringing potential members to a meeting and for signing up actual members. The team with the most points was treated to a delicious pot luck meal provided by the “losing” team. And on November 23rd their Beckman Leo Club received its official charter from LCI. Their advisor, Lion Brenda Donahue, is looking forward to helping them plan their community charter night and future service projects. The club is also looking for a location so they can plant a Liberty Elm Tree as part of their Legacy Project.

Tustin Host Lions and friends celebrated the holidays at their Christmas Party on December 5th. Eight members volunteered to sign in over 100 guests and participate at the New Horizons Disability Dance on December 11th. Also during December they visited Huntington Beach Host and Brea Lions and watched the Newport Harbor Christmas Boat Parade with the Newport Beach Hawaiian Lions. And they helped at the Orange Region Health Fair. Four Tustin Host Lions assisted at the City of Tustin Christmas Tree Lighting. And they are also on the committee that has begun planning for the 2016 Tustin Tiller Days. Planning also has begun for the Annual District 4L4 Youth Exchange Program. Hosts are needed to provide a safe place to rest and meals at home with the family for 16-20 year old students from Europe. The YEP Team plans and raises funds for the activities. Please see the flyer for more details.

Tustin Host Lions were very proud to join with California Lions Friends in Sight to offer free vision screenings and recycled eyeglasses to lower income families on December 12th. CLFIS is a group of Lions and non-Lions based in Southern California. They serve without any financial compensation traveling around Southern California and Mexico to offer around twenty four screenings per year. Their mission is to restore vision and prevent blindness and they plan to continue until blindness is gone. The event drew a huge crowd and they are happy they could help so many members of their community. Please see President Susie's article for more highlights!

To top off the year five Tustin Host lions trekked up to Pasadena to brave the cold and help decorate our beautiful and inspiring Lions International Float. 2nd VDG Judy Barr helped out and also attended a special dinner with International President Dr. Yamada.

Pine Wood Derby a Winner

The Seal Beach Lions Club added a new element to their annual Chili Cook Off – a Pinewood Derby!

A few years ago the club donated the \$1500 track to the local Boy Scouts Troop. In turn they came and set up the equipment for a fun filled night.

Members used their imagination to create some very clever derby cars which sped down the timed track to cheers of the crowd.

Antacid was served for dessert.

Still the Happiest Place on Earth at 2 AM

The Seal Beach Lions and Leos braved the cold at Disneyland to prepare a water station at 2am in the morning for a 10K Run. They passed out more than 4,000 cups of water to the runners - many of who were dressed in Star Wars costumes.

Student Speaker Foundation

A great BIG Thank-You to Ontario-Upland Lions Club, its individual members and Lion Marilyn Sherwood for your generosity of donations to the Student Speaker Foundation in **PDG Lion Ken Sherwood's** memory. We are only half way thru the year. These donations has put 4L4 way above the yearly quota that each District is asked to contribute. The Foundation Thanks you so much. I want to think **PDG Ken** is looking down and smiling saying way to go 4L4 , the Foundation was so close to **PDG Ken's** heart.

Please remember to bring your used cell phones & ink cartridges to the January 23rd District Meeting where I will be collecting them.
