THE OFFICIAL PUBLICATION OF CALIFORNIA LIONS DISTRICT 4-L4

## *A Message from District Governor Bob Susaeta*

I can't believe that September is already here! The time is going by so fast. We have had a good couple of months in our District and I am sure that things will get better each month as we journey through the year. Our District now stands at 1,271 members which is a net gain of 40 since the 1<sup>st</sup> of July. Seal Beach added 30 members and we have inducted several members at each and every one of our club visitations. Clubs, please get these new members recorded with LCI! Let's make this number official!

Several things have been scheduled for the year. We are back on track with our Ensenada visit which is March 4, 2017. We have a Guiding Lion Certification Class scheduled at Garden Grove Club House on October 22<sup>nd</sup>. It is important that we all get re-certified every three years. As of now we have only four Certified Guiding Lions in the District. Hope to see you all there.

Some other exciting news is that we will be chartering our first Centennial Lions Club on September 24<sup>th</sup>. This will be the Orange County Hana Lions Club. They will charter with at least thirty new members. On September 1<sup>st</sup> Huntington Beach Host Lions inducted fifteen new members into their new branch club, The Champions Lions Club of Orange County. It is our goal to have both the Champions and the Laguna Beach Branch Clubs chartered as Lions Clubs within the next few months.

In keeping with International President Bob Corlew's theme of "NEW MOUNTAINS TO CLIMB," we as a District have started the climb by getting on board with my theme of "JOINING HANDS IN SERVICE." Let me give you a few examples as to how this is working. The Tustin Host Lions Club received a request from the Tustin Boys and Girls Club for help distributing water for an event they were having. President Diane Quinlan put out the call for help and got responses from Ontario, Upland, Harbor Mesa and Orange Lions. All of these clubs together provided a service that just one club alone could not provide. The Tustin Boys and Girls Club was so happy with the help the Lions provided that they have invited us back and are going to put us on their fliers for eye glass collections. Chino Valley Lions took their Ice Cream Truck to the La Habra Corn Festival and I understand did quite well with sales. Per Seal Beach Lion Scott Newton, their club continues to be the "go-to group" when other organizations or the city needs support or a partner. They helped their city celebrate their Lifeguards' 51<sup>st</sup> Anniversary by cooking a free breakfast for 200 current and former lifeguards, sponsored and supported Seal Beach's Shakespeare in the Park, became the new "co-host" of their town's Rotary Club's Fishing Derby (cooking free breakfast for the 120 "fisher-kids"), supported their local police department by handing out popcorn at the annual National Night Out event, partnered with the Seal Beach Yacht Club for Sailing for the Blind and co-hosted the city's End of Summer Bash by agreeing to work the games and snack booths as well as cook a free meal for up to 240 attendees. Last week they joined California Lions Friends in Sight along with Ontario Host, Upland Host, Cucamonga Host and Ontario Upland to provide vision screenings and free eyeglasses to several hundred members of the Foothill Region community. And that's just this summer!

It is clear that when we work together not only do we serve our communities but also each other. And isn't this what Lionism is really all about? Let's keep up the great work and show the state that District 4-L4 is tops in working together to make a difference!

~District Governor Bob

### ***From the Desk of 1st Vice District Governor Judy Barr***

Greetings fellow Lions! As you prepare for the upcoming fall season, I'd like to ask you to keep Lions and Lionism in your thoughts and actions. Our clubs need to grow in order to maintain the amount of service that we provide. Do you know that we have surpassed the original goal of one hundred million acts of service in August? That's two years ahead of schedule! LCI was so proud of that accomplishment that they upped the goal to Two Hundred Million Acts of Service by 2018! That's why I would like to challenge all of the clubs in District 4-L4 to increase your membership so that we may accomplish that goal! How you ask? Great question! Let me give you a brief outline...

Each of your current members have strengths and preferences. Make the most of these by encouraging your members to take on roles in the recruiting process. Important roles include:

- 1) **Organizing:** Plan and prioritize what needs to be done.
- 2) **Promoting:** Tech savvy and creative members can create brochures or update your website.  
Have you tried Facebook lately?
- 3) **Reaching Out:** These are your Lions who like to talk, especially about your club.  
Encourage them to promote Lions to your target groups.
- 4) **Welcoming**—Lions who are trained to conduct new member orientation and coordinate mentoring will ensure your new members feel welcome. Don't have someone in your club to do this? Reach out to the Governor's team! We have several Guiding Lions anxious and just waiting to help you!

This is the first step in preparing your club to grow. Each month, I will give you a few more tips to help guide you along the path of membership. You can do it! We can help! WE SERVE! Thank you for your volunteerism and enthusiasm for Lions Clubs. Believe me, it is felt around the world!

~Yours in Lion Spirit, Judy Barr, 1<sup>st</sup> VDG

### ***A Message from 2nd Vice District Governor Randy McMillan***

Fellow Lions, my name is Randy McMillan and I am proud to be your newly elected 2nd Vice District Governor. I am a member of the La Habra Host Lions Club where I have served for twenty six years. I am excited to work for ALL of you as we go forward leading District 4-L4.

### **CABINET SECRETARY - Diane Quinlan**

Happy September Lions! I am so proud of our wonderful district and all the activities I am seeing reported. We have many YEP activities, lots of cooking pancakes, a Youth Center Golf Tournament, vision screenings, club socials, cooking Ronald McDonald House meals, cleaning up our community, recycling and helping each other. This is the LIONS SPIRIT we love.

This month we have our Region Meetings. Please be sure to RSVP by September 9<sup>th</sup> so we can have plenty of food. I hope to see you all at the Governor's Fundraiser which will be a western theme and will be lots of fun with food, fellowship and games. Our November District Meeting will be November 19<sup>th</sup> at the Diamond Bar Golf Course. Be sure to submit your club Peace Poster AND Environmental Photo winners at this meeting as the judging will take place that day. If you need details on the Peace Poster Contest please contact Marianne Allen and for the Environmental Photo Contest please contact me. Secretaries please make sure when reporting Glasses Collected that you select under Activity Type Health and Wellness and the eyeglasses collected. Please be sure to fill in the number of glasses collected and the number of people served. It would be one person for each pair. Make sure that you give DETAILS of your projects as the title is not always enough to let us know what you are doing. Also make sure to check the box sharing the Vision Campaign in the Centennial Service Challenge. And please make sure that you are doing your monthly MMR. Even if there are no changes, click no changes and submit. If your club has an active Leo Club please make sure you have submitted a Leo Advisor for your club on MYLCI. As always contact me if you have any questions on submitting your monthly reports. Also, if you want to get your club activities information out, please be sure to send me the information on your event to share with all the clubs. Thank you Secretaries for all you do to help your clubs!!

~Yours In Lionism, Diane

## CABINET TREASURER

Carol Linehan

LCI has sent the Invoice Dues Statements for July – Dec 2016. Clubs are charged based on the number of members on your roster as of the end of June. This payment is for the first part of the year. Please pay your Clubs Dues now. If you did not receive the invoice online please give Lions Club International your treasurer's email address – that is where the bills are sent.

Multiple District-4 (MD4) will be sending out their Dues Invoices for all clubs in September. Please pay that as soon as you receive it. Again, if your club treasurer did not register his/her email with MD4 your club may not receive their bill. **Does that mean you do not owe dues?** No! Every club in the District needs to pay LCI and MD4 when they receive their invoices. By paying your dues on time your club will not have any problems with being delinquent and receiving a call from me. If you do not receive your invoices by the middle of September please contact International/MD4 or myself to make sure they have the correct email address for your treasurer.

~Thank you, Lion Carol Linehan  
District 4-L4 Treasurer

## STUDENT SPEAKER FOUNDATION

Carol Linehan

**How can I help the Foundation?** Here is an easy way that doesn't cost you or your club anything. If you shop on Amazon please sign up on SMILE. Amazon.com then choose in the scroll down bar Fourth District Student Speaker Foundation, Inc. as your organization and all future purchases will be credited 5% of your purchases to the Foundation. This is an easy way for the Foundation to earn money toward the scholarships that are given out to the Students at District, Area and Final Contest levels.

## GUIDE DOGS FOR THE BLIND

Scott Quinlan

Hello Lions of District 4-L4! BBQ sauce sales are beginning to pick-up and shortly we should be able to donate another \$500 to one of the local puppy clubs, thanks to your great efforts. So please keep on consuming this great sauce and these net proceeds will continue to be distributed to these different clubs in the area. I would like to reiterate that no funds go into my pocket - everything goes to these great puppy clubs so let's continue to raise money.

Shortly, I will have tickets for a new Guide Dogs Raffle where the grand prize is a week's stay at the Welk resort in the San Diego area. These accommodations can sleep up to 8 people comfortably. Currently the week of July 22-29 is reserved, but if you would rather change the date there will be a small rebooking fee. The cost of the tickets is \$10 each and they should be available by September 15th. I would like to thank Lions Tom and Bertha Hollister for their generous donation of this great prize. The winning ticket will be selected at our District Convention in May of 2017. All money will be donated to the different Guide Dog puppy clubs.

Another exciting event will be the first annual Tee off for Dogs Casino night that will be held at the Dana Point Yacht Club on September 30th. If you are interested please visit the Tee off for Dogs website at: [www.teeoffordogs.org](http://www.teeoffordogs.org) or call Frank Fran at (714)313-4420. All proceeds to benefit Guide Dogs for the Blind.

I would also like to mention that there is a hilarious video on YouTube demonstrating "blindness etiquette." It features GDB's Outreach Manager, Jane Flowers, and Training Class Supervisor, Erin Kelly. Their presentation offers insights and laughs in equal measure. ## STUDENT SPEAKERS CONTEST

Marianne Allen

Hello to all of the Club level Student Speaker Chairpersons. Please do not forget to order your Student Speaker packet from the MD4 website. I will not be handling any of the club level packets so please order before the October 1<sup>st</sup> deadline or there will be a \$25 penalty for a late order. Remember, the topic for the 2016-2017 contest is: "Is the right to privacy a threat to our national security?"

## LCIF CAMPAIGN PDG Elizabeth Warren

LCIF has sent at least \$40,000 in grants to Districts in Northern California to help with needs caused by the disastrous fires. Money is also being sent to Louisiana for flood assistance and \$100,00 to Italy to help with the needs in the earthquake area in central Italy.

I know that our generous, thoughtful District will want to send donations to LCIF. They should be designated for the Disaster Fund, and specifically for the Louisiana Floods or the Italian Earthquake. All of these donations are Melvin Jones Fellowship eligible. When clubs or individuals send donations to LCIF, it is VERY important that the club number, and if necessary, the member number, be included with a letter. Donations MUST be sent to LCIF, Department 4547, Carol Stream IL 60122-4547 and NOT to headquarters in Oak Brook. This will allow the donations to be credited quickly and without confusion.

~Thank you, PDG Elizabeth  
LCIF 4-L4 District Coordinator

## STUDENT SPEAKERS CONTEST Scott Quinlan

Hello Lions of District 414. Listed below are the clubs that have ordered their packets for the Student Speaker competition. If a club does not order their packet by October 1, there will be a \$25 fee. As the District Chairman I will not be getting any club packets or extra packets. All clubs need to order packets on the MD4 website themselves. The packets will be stuffed October 12 and then will be shipped to the club's address that is on file with MD4. If you do not receive your packet by Nov. 1, please give me a call so we can find the packet. My number is 714-200-3964.

Clubs who have ordered packets:

Anaheim	Cucamonga District Host
Diamond Bar Breakfast	Garden Grove
Harbor Mesa	Huntington Beach Host
La Habra Host	Orange
Pomona Host	Seal Beach Host
Tustin Host	Upland Host

**\*\* If your club is not on this list that means that there is no packet on order for your club! Please order it off of the MD4 website.**

~Thanks, Lion Scott Quinlan  
District 4-L4 Student Speaker

## Holding on to hopes and dreams...

### Dear Friends,

As our country celebrated its birthday this past July, so did ten newborns staying at the Orange County Ronald McDonald House.

Of the ten newborns, eight were boys and two were girls. Although each baby was born with his or her own unique challenging condition, their parents shared something in common, they all had a comfortable and safe place to stay. For some parents, it was the quiet and private rooms that they appreciated the most. For others, it was the hot meals. And still others, it was the fellowship they have found with other families staying at the House. Each parent holding on to hopes and dreams that their child will grow and prosper, much like the hopes and dreams our forefathers had for our country years ago. Thanks for your ongoing support.

~Noel Burcelis, MSW Executive Director  
Orange County Ronald McDonald House

## ***TWO MORE ADVENTURES IN YEP!***

### **My Summer in Japan by Diego Zertuche, age 16**

Japan was so cool! When I got off of the plane, I was met by Chiaki-San and some of his students. Although, I was really tired, I was so shocked about how green everything was. We drove to the college and there I met all of the students that would be spending time with me (and really helping me) for the next 10 days. Over the course of those days, I made many friends! During the daytime I helped with the English classes and then in the evenings, I would play sports with all of the college kids. At night we would have dinner and always do different activities. One night, Chiaki-san took me to the Hyatt Regency in Tokyo for the Lions Club Meeting. It was the fanciest hotel I had ever been to! They asked me to speak for a minute and I was really nervous but actually it went fine. Although I hadn't planned a joke, they all laughed when I said I had a pet snake. I was sort of confused as to why that was funny, but I guess that the Japanese can't imagine having a pet snake. My second homestay family consisted of an adult couple, Chosei and his wife (who asked me to call her Mama). They went out of their way to make sure that I had such a special experience. After I told Chosei that I liked fishing, he took me on a fishing boat. I learned that reels in Japan are completely electric and require no cranking, which is something you don't see in the United States (at least I haven't). I caught like 20 tuna fish! Afterwards, we walked up to the captain's house and his wife prepared fresh sashimi from our catch along with grilled and fried fish. It was so amazingly delicious. We ended the night at the traditional Japanese bathhouse. I told my mom over the phone that no tourist could ever have had such an experience. I felt so lucky to actually be with a real Japanese family. There was a third family who took me for a weekend. They showed me the Tokyo tower, Animate, and I played chess with their teenage kids. They were also so nice and welcoming. I ended my Japan stay at the national Olympic youth center with other Lion's Club kids from around the world. Here I met my best friends on the trip. My friends from Italy and Germany, Lobo and Felix, spent every day with me playing cards, visiting amusement parks and learning about each other's lives. I will never forget this experience. I would like to thank the Lions Club for allowing me to go on such a great trip and helping me experience the culture of Japan. Thank you so much!

### **My Adventures in the Faroe Islands by Garrett Elms**

I've been home from the Faroe Islands for about one month, but I think about the trip every day. It was my first real experience away from home, a helpful precedent to my departure for college. I remember lying in my bed my first night, unable to sleep from the jet lag and the realization of everything suddenly fell on top of me. I'll admit I was terrified. I missed my home in California and felt very alone in a country most Americans have never even heard of. Not to mention, the time change had all my friends back home active on social media right as I was trying to fall asleep, so as I lay feeling alone and awake, I had full access to whatever activity I had 'missed out on'. Over time, however, the warmth of the Faroese culture and the magnificent landscapes dispelled all feelings of homesickness. I have never been anywhere like the Faroes. It's like an oddly beautiful mixture of rural and urban living that you'll never find anywhere else. The people are innovative and eager to learn new things about different beliefs and customs. This can be seen in the mass growth of upcoming artists and musicians I had the chance to meet and speak with. At the same time the people love their history and traditions, keeping self-sustained farming methods intact and continuing to fish and hunt with communal interest and quality-motivated reasoning. The amount of respect the Faroese people have for the environment and their land is incredible. The Faroes are like a little utopia in the middle of the Atlantic Ocean. Everyone is friendly, you can find just about anything you need on the islands and there's a strong community of open-minded and accepting people who are ardently looking for ways to make their world even greater than it already is. I'm so happy I chose the Faroes as my travel destination and I couldn't be more grateful for the hard work the Lion's Club put in for getting me there. Perhaps the greatest part of my trip, however, was having the opportunity to meet students from all over the world. It was fascinating to meet young people who, beneath our ethnic backgrounds, were really quite similar. It was a realization we all made around a week and a half into our trip. Minus the accents and food preferences, there wasn't that much about us that really separated us. We were all just human beings enjoying each other's company. It's funny how it takes a trip like this to remember something that simple. I had an amazing time with these new friends and I'm happy to say we all have kept in touch and contact each other frequently. It was one girl from Denmark's birthday yesterday and we all sent her a message letting her know we were thinking about her. It's cool being a part of something like that. My experience in the Faroe Islands was an adventure I'll never forget. While most people who travel to such locations might recall hikes or whatever their itinerary had scheduled, which, don't get me wrong, is a great way to enjoy the Islands, thanks to the Lion's Club I have something better than a story I can tell at a party to impress my fellow Americans. I have the warm memory of walking along the Torshavn harbor with friends, each representing a rich nationality and culture, forming bonds I know will last for years.

## DISTRICT LEOS UPDATE

**Chardy Lang**

Welcome to the school year of 2016-2017. That is how we measure the passage of time for most of our Leo Clubs. It is a time to gear up, start new clubs, get excited, carry on long held programs, and start off a new year!

Let me introduce myself. My name is Chardy Lang and I am the new District Leo Advisor/Chairman. I have been the Advisor of the Village Bible Academy Leos and a Seal Beach Lion officially for three years. I love working with the youth and the excitement they bring to meetings, activities and service projects. Although our club is a relatively new Leo Club, I have learned many things I would love to be able to pass on to your Leo Clubs. My associate district advisors are Cindee Quan from Lorbeer Middle School Leo Club/Diamond Bar Breakfast Lions Club, John Doogan from Fountain Valley High School Leo Club/Huntington Beach Host Lions Club and Marc Poli from Sunny Hills High School Leo Club/Fullerton Host Lions Club. They bring a host of wonderful ideas and strengths to our team.

Our goal this year for Leo Clubs is to reach out to as many clubs as we can. We want to include those clubs that have not been a part of the Leo district for meetings and activities as well as those clubs that have been very active in the past---small clubs, medium clubs, new clubs, old clubs, ALL clubs. One of my favorite things at the Leo Leadership Institute Camp is the time when the Leo advisors from all over the state get together and share their ideas and struggles and everyone can come up with ideas to help and encourage them. I also come away with some very great ideas. I would love to have this happen within our own district. Let's build up our Leo Clubs. As an advisor, you do not need to be alone. We are here to help and to support you. Together we can make our Leo Clubs great!!!

We will have some upcoming events just for advisors and for Leos as well. Please see the below activities and RSVP to me so I know who will be coming. We are working hard to try to help you in any way we can. I would love to see each of you there and to personally get to know you and put a face to a name and email address. We will be visiting each of the region Lion meetings in September to meet you and to sell opportunity raffle tickets for our Leo District admin account. The winners will win either a group of District Leos to help at a Lion Club event for up to 4 hours or Leos to help with a personal project for up to 2 hours (Think: those things around the house you would like to get done! —the Honeydew list!). Many hands make light the work!!! Even if you have a great Leo club and you don't feel you need to have the extra help, please support our District Leos as we raise money.

Next month, you will get to meet Madi Berry, our Leo District president and our reigning 4-L4 Leo of the Year. You will be in for a real treat!!!

Thank you for reading this and I can't wait to meet you personally at one of our meetings and our events!! If you have any questions, please email me at [chardylang@gmail.com](mailto:chardylang@gmail.com).

See you soon!

## FOOTHILL REGION REPORT

### FOOTHILL ZONE A CHAIR TAMARA MARTIN

Foothill Zone A is having a wonderful summer of fellowship and service to our communities. Our main focus this month is on the annual Vision Clinic spearheaded by Cucamonga District Host Lions Club which will be held September 10th at Sultana Academy in Ontario. This year they will be joined by Ontario-Upland Lions and Upland Host Lions from Zone A as well as Zone B Ontario Host Lions! We are all looking forward to "joining hands in service" because "Where there's a need, there's a Lion!"

### FOOTHILL ZONE B CHAIR MICHAEL SHAW

With our visitations over and the clubs' in Zone B back serving their communities, I wanted to concentrate this month's article on one very special Lion: PCC Ed Bordenkircher. I met Ed when he inducted me into the Ontario Host Lion Club in 2011. He not only became my mentor and my friend but helped guide me into true Lionism. Most of you have known Ed for quite some time so it will not surprise you that we feel blessed to have this man in our club. He has consistently encouraged the club to participate in all our events and often volunteered in helping with other area club's events for the 47 years he has been a Lion. Ed has served our club in all offices: president three times, 1<sup>st</sup> vice president, 2<sup>nd</sup> vice president, Lion tamer, tail twister, secretary, treasurer, Leo advisor and chairman of our membership committee. Three times Ed was chosen as the club's Lion of the Year.

Twenty-six years ago he introduced us to the "Student of the Month" program. This program is set up for our five local schools to have teachers choose a student based on academic, leadership, spirit or any other criteria deemed appropriate. The students are then recognized at an Ontario Host Lion luncheon and presented a small financial reward and framed certificate. Ed worked tirelessly on this program and has made it a complete success with accolades given to our club not only by the many parents, but by the school administration as well.

Ed has demonstrated leadership and participation at the District level in all aspects: PCC, PDG, PDDC, PZC, Convention Management Committee, Constitution and by-Laws Committee, Candidate Information Committee, Activities Committee, Standing Constitutional Committee. Lion Ed is a Melvin Jones fellow, too. He did this all while he was an assistant superintendent of schools, a school principal, a school board member and a teacher. Ed not only has served his community, club and District well, but the students in his care for many years as well. Two years ago I had the pleasure of being at our District Convention when Ed received the Lions Clubs International's highest award, "Ambassador of Goodwill," from Bob Littlefield on behalf of the international President. Last year we all watched Ed paddle the canoe down Colorado Boulevard on the Lions Club International Float at the Rose Parade.

Also last year Ed guided me into my new role as the Leo's advisor and the Student of the Month program coordinator. This summer Ed has moved up to Wrightwood with his daughter and grandchildren, selling his house in Ontario. He will be spending his time next to Teresita Pines, the camp that holds a very special meaning for him. I'm sure he will come down from the hill to visit and make sure we are all keeping up with the "Lions Code of Ethics" and when he does, I hope he will be as proud of us as we have been of him.

The **Pomona Host Lions Club** has had a month of active service in August. For its Little Free Libraries, club members collected used books, stamped, sorted and kept the libraries well-stocked. At the request of a local family, whose mother was lost recently to violence, the club is creating a memorial library. Every Thursday evening club members set up tables and the club sign at the Summer Band Concert Series and collected non-perishable food for the local food pantry as well as used eyeglasses. Also at the concert, they held a very successful book exchange as part of their literacy program. Additionally, the club had a magnetic board word scramble game at the National Night Out with personalized Pomona Host Lions pencils given to the 110 children who participated. Members also packed Back-to-School backpacks full of school supplies with the Pomona Unified School District, collected and sent 200 pairs of used eyeglasses, held an orientation for new members, collected ink and toner cartridges for recycling and planned a Corky's Night Out to raise funds for the club's Lions Roar for Reading first grade book distribution to impoverished children. The club is also actively planning its annual Bowl-a-Thon, once again dubbed the Boo-a-Thon due to its proximity to Halloween. It will feature costume and bowling competitions. Pomona Host is enjoying participating in "Joining Hands in Service" projects. This month four members worked at Upland Host's Steak, Fish and Corn Feed and five members helped at Chino Valley's California Lions Friends in Sight.

Cindy Nguyen, president of **Western University Lions** announced several activities that tie right in with our Governor's "Joining Hands in Service" theme. They volunteered with CLFIS and Chino Valley Lions Club on August 20th. Lions Club at Western U will also be participating at the LA County Health Fair on September 10th providing patient education on protecting our eyes from sunlight and educating on diabetes and glaucoma. They are also planning to work with another Lions Club at their screening event on September 10th. On November 6th they are working with UCLA's Vietnamese Community Health to provide vision services to the Vietnamese community in Westminster. And they are also planning to hold a vision screening for the homeless and to provide glasses to those in need sometime later this year. They currently have 56 members.

#### ORANGE REGION CHAIR LARRY ROTTWEILER

The "Dog Days" of summer are fast coming to an end. The kids are back in school, most vacations are a memory, so it's time to get back to work. According to our Governor Bob's motto now is the time to "Join Hands in Service." Let's see how we can help each other. Remember Lions are not a competition. Someone in your club may be good at getting and retaining new members, some may be good with programs and others with fundraising. Maybe we can "loan our members out" to help strengthen other clubs. Let's see what we can do as District 4-L4 Lions to make all of our clubs a little better. We have completed zone meetings and have more to complete. All have been very positive. All cabinet members are available to help you with any issues.

## ORANGE ZONE A CHAIR WALT ROUNTREE

I only received the activity report from one club, La Habra Host, but am aware that Fullerton Host had a vision and hearing screening with the District Sight and Hearing Van on August 30th. Thirty people were screened and four were referred for further professional exams. We now have three optometrists, two chiropractors and three registered nurses as members. The Brea Lions Club is preparing for its annual golf in September.

*Miss La Habra and Friends*

*Lion President Ofelia with two supergirls  
in a classic Continental in the Corn Festival Parade*

The big story is the big club, the La Habra Host Lions. They have a lot of fun and raise a lot of funds with their Corn Festival each August. Their 110+ members do it up right with a parade down La Habra Boulevard, a three day carnival, their raffle of a '66 Mustang and the crowning of Kristine Saucedo as Miss La Habra and her court. They are proud that some of these princesses have become Lions. The corn was sweet this year. This is a prototypical small city fair with local contests to pick babies, dogs and all. For me, the corn eating contest was amazing. Usually the football teams of the two local high schools face off in a corn eating contest. This year, Sonora had to practice so the La Habra High team faced off against the Sonora High cheerleaders. Guess what? The girls beat them. I have no word from Cal State Fullerton Lions Club, but they may have had rush last week. No word from Placentia-Linda, but I know they will participate in the Placentia Heritage Festival on October 8<sup>th</sup>. Our newest club is the Orange County Hana Lions chartering September 24<sup>th</sup>. I'm not sure if they will be in Zone A, but we will all welcome them to Lions.

## ORANGE ZONE C CHAIR MARCELLA MCSORLEY

**Seal Beach Lions:** Chairman Chardy Lang, AKA District Leo Extraordinaire, organized a day at the beach for the students visiting from abroad as part of the Youth Exchange Program. Ten international students gathered on the north side of Seal Beach Pier for a good old fashioned classic beach party hosted by ten Leos and eleven Lions. The hot dogs were a big hit and everyone enjoyed a bit of window shopping along Main Street afterward. Chair Knute Fredholm led a group of Lions and Leos at National Night Out, an evening supporting police activities, held at the Target Shopping Center. They served 250 bags of popcorn, helped other participants set up their booths and promoted Lionism.

Chair Esther Kenyon had the help of six Lions and six Leos to set up and break down for her annual Shakespeare in the Park event. This year it was Othello and about 900 attendees enjoyed a summer evening overlooking the pier and an amazing performance. The volunteers also handed out programs and collected names and email addresses for the newsletter. Chairs Marcella McSorley and Mary Hollen led 35 Lions and 10 Leos in the first annual Sailing for the Blind and Visually Impaired in collaboration with the Seal Beach Yacht Club. They took 100 guests who are blind and their sighted companions out for a sail on Alamitos Bay and served them breakfast and lunch. Council Chair David Radtke joined the Seal Beach Lions Club General Meeting on August 17 and inducted over 30 new Members. President Bruce Gormley and four Seal Beach Lions attended the 2016-2017 District 4-L4 Orange Region Zone C meeting.

Members of the **Garden Grove Host Lions Club** volunteered at the Garden Grove Historical Society for the removal of trees and general clean up in the garden at the Historical Society's Museum. The Club held its regular weekly meetings on August 3, 10, 17, 24 and 31 and its monthly Board meeting on August 3. District Governor Bob Susaeta and members of his Cabinet visited the Club at its August 10 meeting during which the Governor inducted the Club's newest member, Mark Surmanian, as a Lion. Club President Lollie Beauchamp and Club Secretary Chuck Lake attended the first 2016-2017 District 4-L4 Orange Region Zone C meeting. The Club donated \$100 for the Lions International New Years Day Rose Parade Float.

Members of the **Stanton Lions Club** volunteered to host a Concert in Central Park. The band called The Answer played and a good time was had by all. Lion Gene attended the first 2016-2017 District 4-L4 Orange Region Zone C meeting. Their club is now meeting on the 2nd and 4th Thursdays of the month rather than on Wednesdays.

### SADDLEBACK REGION CHAIR CHRIS BARR

Super Saddleback Region is on the move! I am happy to report that Zone Chairs Mark Piva, Susie McIntosh, and John Ulrich are fully engaged with their clubs. Phone contacts and emails have been flying between them and their clubs. They are totally committed to making Saddleback Region "Super!" I am also proud of the clubs in Super Saddleback. They are making great efforts to join in 4-L4 projects and in working with other clubs. As an example, this past weekend the City of Tustin and Enderle Center held its annual classic car show. Tustin Host was asked by the Tustin Boys and Girls Club to help sell water during the event. Tustin Host Lions invited and were joined by Orange Lions, Ontario Upland Lions and Harbor Mesa Lions Clubs. They certainly took to heart our Governor's motto of "Joining Hands in Service!"

Governor's visitations are in full swing as well. Don't forget to mark your calendars for the three Region meetings coming up in September. Please do your best to attend because not only do we share the Lion's spirit of harmony, we have a lot of fun and may even learn something too! Remember... Keep being Super—Saddleback!

### SADDLEBACK ZONE A CHAIR MARK PIVA

**Zone A** is held its first Zone Meeting this month. Twenty Lions from three of the four clubs in the Zone attended. The purpose of the meeting was to begin the process of building relationships and learning what other clubs are doing and what manpower needs they may have. Lion President Charlotte McNamara of **Harbor Mesa**, spoke about the club retreat they held to gauge member feelings and beliefs. Members discussed doing too many fundraisers and wanted to add in some more social activities to the many community events they do.

Lion President Walden Hughes of **Costa Mesa Orange Coast** told the attendees about the history of his club. He noted members were aging and they have focused their attentions to helping one community group, Second Harvest, because of limited manpower. President Walden noted the club goes on many cultural visits as a group throughout the year. Lion President Michael Zozaya of **Champions Lions Clubs of OC** a branch club of HBH Lions, shared the goals of this specialty club focused on Special Olympics. He emphasized a need for help on certain projects, as well as when Special Olympics of OC needs volunteers. Lion President Scott Quinlan spoke about the continuing direction of the **HBH Lions** to reestablish ties to the HB and Fountain Valley communities. The assembled were told of the manpower challenges HBH Lions face from time to time, especially in their largest fundraiser Crabfest. The meeting was wrapped up in one hour and those who chose to remain socialized with each other.

The **Costa Mesa Orange Coast Lions Club** has been open since 1961 and currently has 11 members. Ray Ott, Club Vice-president, stands out this month as one of the many hard workers in the club. Ray organizes and manages the club's monthly visits to Second Harvest where members sort food to be put in packages to help feed the hungry.

The **Costa Mesa Newport Harbor Lions** broke out the grills to cook hot dogs and hamburgers for the Costa Mesa Historical Society Early California Days.

The **Harbor Mesa Lions Club** has been working on plans for the club year, having committee meetings to plan their fund raisers, new service projects and new social activities. Their club will join with the Lions Club in the Cape of Good Hope, South Africa, to become Twinning Clubs. Both clubs are working together to decide on a service project and are looking forward to the challenge. The club "Joined Hands in Service" with Tustin Host Lions on a service project to assist the Boys and Girls Club with one of their fundraisers. Club members jumped right in by continuing with their Centerpieces for the Acute Care facility, (using a Luau theme), shopping for supplies for the school boxes for the first graders at Whittier and Rea Schools and purchased school uniforms for one family of three students and will supply uniforms to one more family.

The **Huntington Beach Host Lions** were busy with community service this month. The Legacy project that the HBH Lions have been working on for the past 20 years is the HB City Junior Lifeguard pancake breakfast. The club served more than 1,250 people pancakes, sausages, coffee and orange juice. HBH Lions served another Junior Lifeguard program, the State Junior Lifeguards program operating out of the CA State Beaches. HBH Lions served more than 400 hungry lifeguards and their families so funds could be raised for this great program. On September 1, HBH Lions will be inducting their new branch club dedicated solely to the Special Olympics program, the Champions Lions Club of Orange County. It will be interesting watching this new club grow in time. HBH Lions had two Lions transfer from another District and we would like to give a shout out to Andrew and SuAnne White. We believe that they will make great additions to our Lion family.

## SADDLEBACK ZONE B CHAIR SUSIE MCINTOSH

The **Chinese American Lions of Orange County** held a seminar titled "Change The Life Style To Strengthen Brain Health." The seminar was held at the China Palace Restaurant with two clubs visiting. Following the delicious dinner, Dr. Joshua Grill told everyone to strengthen your brain health with lots of good sleep, exercise and social activities and to avoid obesity, stop smoking, follow a Mediterranean diet and eat fish once in a while. Zone B Chair Susie inspired members to attend the Governor's Fundraiser on September 10th and Region meeting on September 20th and to enjoy Lions life in our District. President Lydia hopes members can visit the Open House at Lions Camp at Teresita Pines on September 10th to see the cabin #18 which was donated by the Chinese American Lions Club!

The **Santa Ana Host Lions Club** President Cesar Vargas says hello to all Lions of District 4-L4! He was able to visit Tustin Host Lions Club on Tuesday, August 16th and thoroughly enjoyed reconnecting with long time Lion friends. He fooled everyone for a brief time, including Tail Twister Ken Henderson, by wearing Ken's name badge for a majority of the meeting. After the meeting Cesar stayed for a while to visit with Zone Chair Susie, Region Chair Chris and VDG Judy, who all discussed possible ways to help the Santa Ana Lions Club revive.

**Tustin Host Lions** have stayed busy over the last month! Four of their members are also members of your District Cabinet, which keeps them connected to many clubs and Lions in the district. Serving on the Cabinet is an excellent way to keep your club active and in the Lions loop! Tustin visited the Chinese American Club and enjoyed an amazing multiple course traditional Chinese dinner, as well as participating in a wonderful seminar about Brain Health. They also worked a project at The Enderle Center Classic Car Show to sell water in order to help out their Boys & Girls Club of Tustin. On top of all this, during the first part of August, and both lunch meetings this month, days were packed full of Youth Exchange Student activities. Members hosted 8 students from various countries around the world. They also sponsored 7 local students to travel abroad. During the first August meeting the Incoming YEP Students were the Program, speaking to members about who they are and where they came from. During the second August meeting the Outgoing YEP Students were the Program, telling Tustin members and guests about their experiences while traveling abroad. Some had slide shows, some had gifts to present, ALL had nothing but good things to say about our Lions Youth Exchange Program and how it changed their lives for the better!

## Farewell Beloved Tustin Host Lion Glenn Riley

*We are deeply saddened by the loss of a wonderful Lion and tremendous character, Glenn Riley. Glenn touched each one of us in a most unique way. That's because he was such a unique person. He was tough yet caring, serious yet funny, dedicated yet easy going, devoted yet unassuming. He took and showed interest in all those around him. He was so honest! Not in a critical way, but in a way that made us pay attention and learn from his friendship and his contributions. We loved him. We will miss him always. Glenn's life was impressive. His Lion career, even though just a small chapter in his life story, was impressive as well. He began his Lion career with the Palm Springs Lions Club in 1960, where he held several offices, including President and Zone Chairman of the Coachella Valley. In 1967 he moved to Vietnam where he was a member of the Saigon Lions. Two years later, in 1969, he worked with others to charter the Tanson Nhut Airport Lions Club in Vietnam. Glenn was the Charter President! Lion Riley transferred to Tustin Host Lions Club in 1974, after moving his family back to Orange County. He was always active and serving, from '74 until just recently when he fell ill. He held offices, chaired events including our Golf Tourney for years, sponsored six new members (including his two daughters Sharon and Patty) and received dozens of awards, including Lion of the Year, a Harry J. Aslan Fellowship, two Melvin Jones Fellowships and a Life Membership from Lions Clubs International. We will always hold our memories of Lion Glenn dear and close to our hearts. God Bless you and keep you Lion Glenn, and may God grant His Peace to shine upon the entire Riley Family.*

## SADDLEBACK ZONE C CHAIR JOHN ULRICH

The **Laguna Niguel Lions** finish up the month of August with great expectations for the future. We added one new member and now number 41 proud Lions. We continue to recruit great new members interested in community service, meeting new friends and having fun. The Club and several club members participated in the Laguna Niguel Chamber of Commerce annual Mutts & Members mixer. Lion members reached out to the community to promote the Lion mission and community service projects. As a result, two chamber members voiced interest in becoming members, having fun while doing good works in our community. Micky Scholte, the club senior member, continues his mission-collecting used eye glasses. Micky has collected 1,500 as of July 1 with a target of 7,000 for the year. For August, Micky collected over 400 pairs of glasses as he maintains close relationships with many collection points throughout the city. Kids for Vision, Illumination and Laguna Lions will have a full agenda of vision clinics throughout the community at several elementary schools and homeless shelters. Stay tuned for volunteer requests. The Laguna Niguel Leo Club now numbers 81 at Aliso Niguel High School and is preparing to recruit Leos at the start of school recruiting effort. The Leos worked several events during the summer including the San Joaquin Hills Community 4<sup>th</sup> of July Bike Parade, July 29<sup>th</sup> SJH event general volunteer activities, Movie Night on Aug 5<sup>th</sup> and the end of summer celebration on Aug 12<sup>th</sup>. Also the Leos helped out at the Aliso Viejo July 4<sup>th</sup> event. Leos have been very active and are preparing for the Fall Community service efforts. We had a nice social evening and fund raiser at Tony Pepperoni Pizzeria in Aliso Viejo. Lions, family and friends had great evening meeting new friends and catching up with old. Couldn't get any better as the food and wine was amazing and the proprietor donated 20 percent of the evening's receipts. The club has entered into a partnership with the Laguna Niguel Botanical Preserve as we have funded our first Legacy project for the year to celebrate the Lion centennial. The preserve's mission works to demonstrate the appropriate use of drought-tolerant plants, introduce unusual plant species to the public, and provide a park-like setting for the use and enjoyment of the community. The dedication of a park bench commemorating the Lions service will be held at the Botanical Preserve on September 14<sup>th</sup> at 5:30 with Lions, Laguna Niguel Mayor Laurie Davies, City Council members, city staff and Botanical Preserve volunteers. Everyone is invited to the event and following wine tasting social at Salt Creek Wine.

The **Mission Viejo Lions Club** assisted the Seneca Orange County Organization with their fundraiser for their equine therapy ranch on August 14. This is a small ranch in Anaheim Hills that allows emotionally and physically abused foster care children to heal through horse riding at this small ranch. Seneca Orange County also specializes in finding permanent adoptive families for children in the foster care system.

Aloha From **The Newport Beach Hawaiian Lions**. August has been a busy month for our Club! Members volunteered at Ribs Pigs and Watermelon held August 5th through the 7th, sponsored by American Family Housing. This year's Music Festival and Car Show along with a three day sanctioned BBQ Ribs Contest was to raise money for our homeless Veterans. It was a fun afternoon and evening as members served up cold beer to a record breaking crowd enjoying the three day event! Our "Third Annual Day At The Races" at the Del Mar Race Track was a great success with almost 50 Lions and Guests enjoying The Pacific Classic on Saturday, August 20th. Before boarding the bus, everyone was greeted with Aloha and Hawaiian Style Mimosas to get the morning started! A delicious box lunch including a Gourmet Sandwich, Salad, Chips, Macadamia Nut Cookies and Beverage prepared by Le Biarritz Catering was enjoyed by all on the way to the track. Congratulations to the winner of our 50/50 drawing! It was a special honor to have Lions Jack and Wanda Tanaka join us for our Annual Fundraiser. Lots of winners throughout the day, but the 9th race was the best as California Chrome came in 1st with Beholder in 2nd and Dortmund coming in 3rd! The ride home was great as everyone enjoyed a champagne toast to all the winners and another fun event with the Newport Beach Hawaiian Lions Club! Club Members will be volunteering at the Rod Carew Children's Cancer Golf Classic held at the Pelican Hill Golf Club on Monday, August 29th... What a way to end the month volunteering for such a wonderful cause!

## PHOTO CONTEST

The Lions Environmental Photo Contest provides a way for Lions & Leos to portray, through an original photo, their pride and commitment to improving, protecting and preserving the environment. Every Lion & Leo from a club in good standing can enter a photograph of his or her immediate surroundings into the club-level Lions/Leo Environmental Photo Contest.

### Entry Guidelines

This year's Lions Environmental Photo Contest includes the following five categories:

- Animal life
  - Plant life
  - Urban or natural landscape
  - Weather phenomenon
  - **Special theme:** Dignity, harmony, humanity - Celebrating the peaceful coexistence of species
- 
- Photos should be original and unaltered.
  - Photos should depict the local environment of the community the Lions or Leo club serves.
  - Photos that include people will be disqualified.
  - Photos should be printed on high-quality photo paper and measure 8" x 10" (20.3 x 25.4 cm.)

The contest begins at the club level and winning photographs will advance to the district, multiple district, and international competitions. Lions can submit only one photograph of their environment. If the submitted photograph meets all of the criteria, it will be displayed at the Lions international convention where registered attendees will vote for their favorite in each category, as well as their overall favorite photograph. The six photos will appear on the Contest Winners page and the Lions photographers will receive an award.

CLUBS please set up a contest within your club and select and submit one winning photo to the District Cabinet Secretary Diane Quinlan **by 11/19/2016** for judging by panel selected by DG. Please submit one 8" x 10" (20.3 x 25.4 cm) printed photo. At all levels of the competition, photos will be judged impartially based on originality, artistic merit, and technical quality.

**Please make sure the back of the photo has the photographer and the club.**
