THE OFFICIAL PUBLICATION OF CALIFORNIA LIONS DISTRICT 4-L4

A MESSAGE FROM DISTRICT GOVERNOR JUDY BARR

Hello Lions! I hope you all are having a great summer! Our Lions year has started off with fireworks and jubilation! Our first District Meeting on July 22 went beyond my wildest dreams! There were 185 Lions plus 10 family members in attendance to support our district officers, presidents, and district chairs. It was incredible! I was totally surprised with the addition of two former Miss Tustin's who performed operatic songs and speed painting. The overwhelming support of so many Lions put a lump in my throat! I hope that this meeting met or exceeded your expectations as well! Be sure to check out my Facebook page to view the 130 or so photos and be sure to save any that you want.

Walk with Purpose, Live with Passion, Serve with Pride. After our district meeting where we outlined our goals, I hope this has given you purpose this year; Purpose to Passionately Serve with Pride those in our communities and around the world. We have served over 167 million so far in the past three years. International President Naresh Aggarwal has asked us to serve 200 million people YEARLY by the end of the year 2020. It is not hard to imagine when I look out and see all of our Lions and LEOs working so hard on projects. With the addition of Diabetes and Pediatric Cancer in addition to the other four Service Challenges, we CAN DO THIS!

Our district visitations have started, and I look forward to seeing so many of you on a more personal basis. Of all of the duties, visiting other clubs and renewing friendships or making new friends gives me the most satisfaction. I love to listen to what YOU have to say. Your input on how YOUR district is supposed to operate is extremely important. Please do not hesitate to send me an email, call me, or come up to me with your ideas. Presidents and secretaries—if you have not scheduled our visitation yet, please contact me ASAP so that we can get you on the calendar.

So for now, Lions, enjoy your summer, use sunscreen, and look for opportunities to serve! District 4-L4 is the BEST!

*~Yours in Lionism

A MESSAGE FROM 1ST VICE DISTRICT GOVERNOR RANDY MCMILLAN

Thanks to all the 4-L4 Lions who came out to the first district meeting. The officers' installation by PDG Mike Scheafer was outstanding! Congrats to all the new officers who will serve the district this year. DG Judy set up a great event with the great food, entertainment and a lot of information for this Lions year. So as they say in the movies, "saddle up" and let's make this a great year with DG Judy!

Membership is the key to our success and growth so we can continue to serve our communities. JUST ASK!! Talk to people who you think might be interested in becoming a member. Don't ASSUME someone doesn't want to become a member. Show your excitement and what you do in your service projects. Invite them to come to a project and show them how you have fun while serving others in need. If you are having fun while working your projects others will want to join in. Remember membership is by invitation only so please invite someone to join!

The date for the Ronald McDonald House Walk for Kids will be announced shortly so please watch for this information on this project. I am the team captain and my goal for this year is to have 100+ walkers for this event. The money we raise helps the families staying in the house during their child's stay at the hospital. More information to come. I am looking forward to our visitations this year and talking with all of you! Remember we work for you!

A MESSAGE FROM 2ND VICE DISTRICT GOVERNOR MARK PIVA

Hello District 4-L4 Lions. In last month's Forum, I focused on the many leadership training programs available to Lions through LCI, MD4, and District 4-L4. This month, I focus on leadership development. You may be asking yourself, hey, what's the difference between training and development? Let's see.

Training is a learning process in which people get an opportunity to develop a skill, competency and knowledge as per the task. Development is an educational process which is concerned with the overall growth of the individual. For example, when a new Lion joins the club, he or she may need to be trained in the history of Lions and the club in particular. Or your club sells ice cream and you need to train Lions how to make and sell the ice cream. An example of development is encouraging members to take on new roles, such as chair of the Ice Cream Concession. In this role, they will develop their interpersonal and planning skills.

Leadership development takes place at the club level. Members take on different roles, such as project chair, tail-twister, treasurer, and so on. As they move through these roles they develop as an individual and as a member. They do this by attending training and learning from veteran club members. With each successive step they take in the club, they grow their skills and knowledge to eventually lead the club and take on leadership roles at the district level.

I encourage each club and board to lay out a plan for the development of members as leaders. Start by encouraging members to go online to LCI and begin taking some of the courses offered. Most are self-paced. Another great training opportunity is to attend the free Lions University at www.lionsuniversity.org. Members can earn a Bachelor's, Masters, and Doctor's degree. The next step is to put in place a five-year plan to move members up to higher positions of responsibility. Put someone in charge of executing this plan and working with members to stay on track.

A great thing about Lions Leadership Training and Development opportunities is the knowledge gained is transferable to the workplace and the community. True, some courses are Lion-specific; but overall the skills and knowledge can be widely applied, making this a great selling point for adding new members. Learn how to be a leader and apply the skills learned all at no cost (mostly) to the member. To learn more about leadership training and development, send me an email and let's work together to see how you can lead your club's legacy into the future.

CABINET SECRETARY REPORT

Happy August Lions!! We had an awesome start to our Lions year with our first district meeting on July 22nd. There was an incredible number of first timers. What an awesome sight when they all came up front! I thank all of you that got your RSVP in on time. Remember this is how we order food, so it is imperative this be accurate and on time. Changes need to come to ME not your zone or region please as I am the one tracking this.

As I am writing this it is not the end of the month so I have not seen the first group of reports, but I have already had great questions. Keep asking I am here to help! If you have a "cabinet officer" in your club such as a zone chair, region chair, etc. YES their hours count. It is NOT a CLUB VISITATION if they are at the event or club meeting as a cabinet officer, but you still report it. Be sure to report zone meetings and who attended. Be sure to report district meetings and who attended. Don't forget YOUR hours as club secretary for all you do and the hours of your club treasurer. These all go under "ADMIN." If you have any questions please reach out to me as I am here to help. Our region meetings are in September – please look at the flyer for the RSVP deadline. Please be sure to RSVP on time and WITH THE NAMES of those attending. Remember to check your club roster on MYLCI to be sure all your members' information is current. Be sure to order New Member Kits so you have the most current certificate with our New International President's Signature. Order Peace Poster Kits before the deadline so your club can participate in this wonderful event. For questions on this please check with the District Peace Poster Chair. Have a wonderful August!

LCIF CAMPAIGN UPDATE

In January, grants were approved by the LCIF Board of Trustees that put LCIF over the US 1 billion dollar mark. The first grant ever was awarded in 1972 after a catastrophic flood in Rapid City, North Dakota. Since then funds have been provided all over the world. The four major areas of focus have been sight, youth, disaster and humanitarian efforts. Now, in a new century of service, Lions and LCIF will focus efforts on supporting the new global service framework: diabetes, the environment, hunger relief, pediatric cancer, and vision.

This is a summary of the article about LCIF on Page 45 of the July/August Lion Magazine.

GLOBAL LEADERSHIP TEAM UPDATE

Stop – Look – and Listen! While a member of the sheriff's department, I had the pleasure of training several young deputies as they worked to develop their skills in patrol.

One thing I saw in all of them was the strong desire to do their job and do it well. Honestly, if they had not, they probably would have not passed training. With this in mind I developed a thought process that encompassed the phrase: "Stop, Look, and Listen." One example is we had been dispatched to a report of domestic violence. We arrived at the house and approached it. My trainee immediately wanted to ring the doorbell...I stopped him instead. What I told him was to STOP for second, do not just rush in...think. Then LOOK around, see what he could...take everything into account. Lastly, LISTEN, hear everything you can...even the slightest thing. The end result was that we did stop; we saw the front door ajar and a couple in the living room. She was extremely upset and he angrily stood nearby. We heard her crying, asking him why he had done what he had. He said that she got what she deserved and that he was going to tell the police (that's us) that she had assaulted him. Further conversation revealed that this was not the first time he had done this. We knocked and he answered the door. He proceeded to give an academy award level presentation worthy of a lifetime achievement award, while she stood sheepishly nearby. We listened intently and after he was finished, let him gloat a little before telling him what we knew. The end result, we had taken the time and effort to determine what was the best course of action. We stopped to gather our thoughts and absorb as much as we could about the incident, we looked around to make sure we were aware of anything and everything we needed, and we listened to all that was available before making a decision. What kind of action do you take towards leadership? Food for thought.....PS. He went to jail.

Global Leadership Team Coordinator

STUDENT SPEAKERS CONTEST UPDATE

The topic of the 2018 Student Speakers Contest is: **What Role Does Integrity and Civility Play in Today's Society?**

With well over one hundred topic submissions, it was narrowed down to five which were then voted on by the District Governor Teams at the Council of Governors meeting this month. Our very own 2nd VDG Mark Piva submitted the topic that was chosen. Please be sure to share with your club members.

STUDENT SPEAKER FOUNDATION

Thank you to Lion Barbara Bordenkircher, Ontario-Upland, Pomona Host, Walnut, PDJ PJ (for requesting that donations in your name for conducting inductions go to the Foundation) and Lions who donate in silence. These monetary donations to the Student Speaker Foundation are so greatly appreciated. Our newest Harry J Aslan Zone Chair Mike Shaw and PDG Bob Susaeta for becoming a Donald Snyder and Dwight Stanford Fellow which makes IPDG Bob an All Fellow. Thanks to Garden Grove Host, La Habra Host, Ontario-Upland, Orange Chinese American of Orange County and Tustin Host for continuing to turn in used cell phones and ink cartridges. As another Lions year begins again please consider the Student Speaker Foundation when your board sits down to decide which worthwhile charities to support. And to all clubs please remember to bring all used cell phones and ink cartridges to the upcoming region meetings in September.

GUIDE DOGS FOR THE BLIND

Hello Lions of District 4-L4. On July 29 Lion Diane and I attended the OC Guide Dog Chapter meeting where we presented funds for another harness for a guide dog team. This is already two harnesses that we have provided this great Lion year. The first harness we provided was from the sales of BBQ sauces and the rub. Thank you Lions!! Great job!! The funds we just provided were from the donations from the Diamond Bar Leos, Harbor Mesa Lions and the Quinlan family. I would like to thank everyone who has and still continues to purchase the sauces and rub to show that we really are "Knights of the Blind." The new 19 million dollar puppy facility has just started construction this month. The new facility will not only make for a healthier environment for the new born puppies but there will also be an interactive section for visitors so they can better understand the life cycle of a guide dog. The planned completion date is sometime in July of next year. I would like to again thank Lions Tom and Bertha Hollister for donating their timeshare at the lovely Welk Resort. The raffle netted over \$1,000 which was donated to the new puppy facility on behalf of the district so we will have a tile on their donor wall!! Lastly, if anyone needs a speaker or you would like to purchase sauce/rub, please contact me via email at scott.quinlan@hotmail.com or by phone at: (714) 200-3964.

LIONS SIGHT AND HEARING FOUNDATION UPDATE

Hello District 4-L4. Did you know that LSHF needs your help? First we could use your donations, but more importantly we need for the clubs in the district to identify individuals that are in need of the services of LSHF. These are individuals with issues that glasses will not help such as cataracts, retinal detachments and corneal transplants. For instance, over 22 million individuals in the United States have cataracts. As my doctor explained to me cataracts in the eyes is like looking through a potato chip. As the disease progresses the chip grows thicker and the person's sight diminishes. Furthermore, LSHF provides hearing aids. As we age the hairs in the inner ear start dying off and we lose our hearing gradually. Hearing Aids can cost 2 to 3 thousand dollars per ear and with today's health care crisis most health plans do not cover these hearing devices. Another factor is that the mature individual that needs these devices are on a fixed income. The average Social Security annual income is roughly \$16,000-about \$4,500 above the poverty line. Also taken into account is the cost of living in Southern California. These are just a few factors why LSHF needs your help. There are two other ways you can aid LSHF. First we have a car donation program where we will come and tow your car and give you a tax receipt and then either junk the car or fix it and put it up for resale. The next way you can help LSHF is to purchase awards. This cuts the cost for end of year expenses for the club. Here is an example: Your club donates \$500 to LSHF which entitles your club to receive two Jim North Fellowships at the end of the year when awards are given to individual club members. These are great ways to help LSHF with our mission. If you have any further questions or would like to have me speak at a meeting please contact me at (714) 200-3964 or scott.quinlan@hotmail.com.

A YEP THANKSGIVING

Think about the youth in your area that volunteer. Boy Scouts, School Clubs, Girl Scouts, Boys & Girls Club and more. Don't forget about your club LEO group if you have one.

Lions Club has a program called THE LIONS YOUNG LEADERS IN SERVICE AWARDS. The goal of Lions Opportunities for Youth is: To provide young people of the world with opportunities for achievement, learning, contribution and service, individually and collectively, thru sponsorship of activities identified as best practices in the field of youth development.

Young people who volunteer become adults who serve. Through the Lions Young Leaders in Service Awards, your Lions club encourages youth in the philosophy and habit of service to the community. By working with a YOUTH group and providing these awards you build community relationships, encourage people to serve the community and introduce your community to your Lions club.

These awards can be given monthly, quarterly or even annual. You tailor the program to your club and the group you are working with. There is a tracking sheet that you can have the group adult leader fill out and submit back to your club. (Attached below)

If it is a school group work with the school to present at an awards night. If it is a Boy Scout or Girl Scout Troop work with the Leader to present at an event where parents will be present.

Young Leaders are are future. By this simple recognition you build a bridge to help with the generation gap and can show your club that our future is bright with these leaders of tomorrow. These awards are from an International Organization and can therefore be listed on college applications. This increases opportunities for the youth and visibility for your club.

Consider this program as you start your 2017/2018 year. Please contact me with any questions or check out the information on LCI's webpage located at lionsclubs.org

FOOTHILL REGION CHAIR MIKE SHAW

As the dust settles from our first district meeting, the Foothill Region is ready to serve. As we follow our governor's theme we as Lions, will walk with purpose, along with our new International President Dr. Naresh Aggarwal, who was elected at our 100th International Lions Convention in Chicago; live with passion, as the Chino Valley Lions got a big bang out selling fireworks in the city of Chino; and serve with pride, as the Pomona Host Lions focused on the Pomona Concert Band playing in the park, where they set up two tables, one to collect eyeglasses and one to collect books for their free library. Follow along as all the clubs in the Foothill Region, "Help people even when you know they can't help you back".

There is a special message for all the president's, secretary's and zone chairs in the Foothill Region; we are going to have a "Meet and Greet" at Filippi Winery Tuesday August 29th. Wine tasting and tacos from 6:00pm with a meeting starting at 6:30pm.

FOOTHILL REGION ZONE A CHAIR ANNETTE HATCH

Cucamonga District Host Lions have been busy since our new president was installed in June! Lion Bob wants to increase membership, of course. But, he also wants the club to "get out there!" So "getting out there" is what **CDH Lions** have been doing. Lions Bob, Tamara, Larry, Shari and Andy went to Seal Beach's Fish Fry and had a blast. Then ten of us attended the first district meeting in Costa Mesa. Lions Nancy, Tony, first-timers Allison and Stanley, Steve, Vivian, Jon, Bob and Tamara, along with associate member Norm, were front and center congratulating Governor Judy and all her cabinet into service for the 2017-18 year. We also have plans to attend the Upland Host Summer Family Feed & Fun event in August, as well as the La Habra Corn Fest. You will see **Cucamonga District Host** at your events more often than in the past, for sure. In the meantime, our committees are hard at work on the eye clinic in September, as well as the fashion show next April. We hope to welcome YOU at those events! Plus, plans are in the works to resurrect Blind Buddies Golf (looking for a golf course since Empire Lakes closed), and to bring back Sip for Sight. See you in August as "We Serve!"

Besides the usual work of volunteering to aid the elderly, collecting eyeglasses and sorting recycling materials, the **Ontario Upland Lions** donated \$300 to the Youth Exchange Program to sponsor a visit to the Long Beach Aquarium. One member donated approximately 5,000 Lions pins to the California Lions Pin Traders Association. The highlight for a few of our members was attending the International Convention in Chicago. Lions flooded the city, and the familiar badge opened up doors to conversations with complete strangers. It was wonderful to share the experience with Lions from around the world. Experiencing the Beach Boys, Al Gore's talk, Chicago, and Patti LaBelle was pretty amazing as well. Our club was happy to share in the first district meeting of the year. This is going to be an exciting year!

On Saturday, July 22, four members of **Upland Host Lions** attended the first district meeting of the year, president Joey Amaro, secretary Beverly Sugerman, immediate past president Jim Krumwiede, and past district governor Ken Myers. Joey was recognized as a First Timer, as club president, and as chair of Teen Recognition. Impressive! On Friday afternoon, July 28, the club participated with the Cruzen' Brothers Car Show, a project of the Downtown Upland Association. Club members were responsible for parking control for two hours. Then the club set up a table where members sold tickets for the Summer Family Feed and Fun fundraiser and gave out information about the club.

FOOTHILL REGION ZONE B CHAIR WENDYANN STUARD

On July 7th the **Ontario Host Lions** officially celebrated their ninety-fifth year as a chartered club with an installation dinner and ceremony. PDG Gil Smith installed their new officers with humor and dignity. The club's new president, Jim Kooyman's theme is "New Beginning, the next ninety-five years of service to greater Ontario." The **Ontario Host Lions** have completed all four of this year's "Centennial Challenges" with their work in; "Protecting our Environment" by recycling eye glasses, "Relieving Hunger" by feeding over 200 families with their food basket program, "Sharing the Vision" by volunteering at several vision screenings in the Foothill area, and "Engaging our Youth" by hosting a special needs gift luncheon for students at Lincoln School in Ontario and a monthly program to honor high school students in the Ontario area.

In the Ontario library, the **Ontario Host Lions** have displayed a variety of items for the public to see. Several of these items were from the past 95 years, but the club is looking forward to their future by following our newly elected Governor's theme to; "Walk with Purpose, Live with Passion, and Serve with Pride."

The **Pomona Host Lions Club** has kept up its service activities throughout the month of July. Every Thursday night, club members set up two tables at the entrance to the Concert in the Park at the band shell at Ganesha Park, where members collected used eyeglasses and non-perishable food for the local food pantry. They also ran a Little Free Library, where concert patrons were encouraged to "take a book, give a book." Members also took part in the KaBoom Book Drive at the Fairplex. A particularly fun service activity was the **Pomona Host Lions** Giant Bubble Booth at the Pomona Police Department's GREAT Campout, an overnight sleeping bag event at the Fairplex with lots of activities for several hundred children. The club's booth had giant wands and "magic" bubble brew (recipe available upon request) for the children to create enormous bubbles. It was great fun to watch the kids develop their own techniques to make bigger and bigger bubbles. Just as much fun was watching the Lions demonstrate how to make them.

The **Pomona Host Lions** Little Free Libraries were again a focus for club volunteers. Stewards kept their assigned LFLs well stocked, and the maintenance crew made necessary repairs and touched up paint. Feeding the Homeless continued to be a monthly activity for the club. With the shelter now year-round, the club has committed to provide at least one dinner a month. Club members shopped and cooked the food prior to going to the shelter. Once there, they served 140 homeless men and women a meal of long hot dogs and buns, chili, salad and vegetables. The **Pomona Host Lions** had ten members at the district meeting, where they enjoyed seeing the installation of the cabinet and visiting with new and old friends. The club continued to collect used eyeglasses from the boxes around town, and it proudly held the induction of new member Alfredo Gonzalez. The **Pomona Host Lions** finished the month with the annual club picnic prior to the band concert. Members gathered at the Ganesha Park picnic tables and enjoyed the food from their own picnic baskets. The club provided home-made watermelon-flavored water and peach cobbler. What a delicious way to wrap up the month!

FOOTHILL REGION ZONE C CHAIR LOU ALFONSO

The **Diamond Bar Breakfast Lions Club** held two regular meetings and one board meeting in July. Our first meeting we had a new potential member Edward Zhang. Our second meeting we approved additional Lions projects for our club; Youth and Family Club of Pomona Valley, Inland Valley Hope Partners, YMCA, Teresita Pines and Inland Valley Humane Society. We also approved additional volunteer/service activities; IVHP Urban Farming, IVHP Adopt a Family, Urban Mission-intake and pantry volunteering, Duck Race Leo fundraiser with the Rotary Club and "Grandparents Day" at Brookdale Assisted Living. Lion Debbie is currently working with the LA County Fair committee for "Diamond Bar Day at the Fair" for our Lions and Leos. Lion Jack is also on the committee. Our Lion JK will be honored as the "Adult Volunteer Hero" and our Leo Rhiston Yu will be honored as the "Youth Volunteer Hero". Congratulations! Our DB Community Leo Ellis is also to be congratulated for being accepted into the California School of Arts. Our Lions club donated 500 pairs of eyeglasses for recycling. The **Diamond Bar Breakfast Lions Club** also attended the district meeting on July 22nd.

On July 20 the **Walnut Lions** presented two of their members Lion Gayle and Lion Bob Pacheco Melvin Jones Awards. In addition they also inducted two new members Lion Queenie and Lion Melody To. Welcome to Lionism! The Walnut Lions are delighted to have them!!

ORANGE REGION CHAIR MIKE SMITH

ORANGE REGION ZONE A CHAIR MARC POLI

The Zone A of the District 4-L4 Orange Region comprises the following clubs: **Brea**, **Cal State Fullerton**, **Fullerton Host**, **La Habra Host**, **OC Korean American**, and **Placentia Linda** Lions clubs. My name is Marc Poli, Zone Chair, and I will be reporting on past and/or future activities of our clubs in the upcoming months. July is usually an awkward month for club activities with some of our members going out of town for vacation. The **Brea Lions** held their annual "North-South" football game. Most clubs held their officer installations-**Fullerton Host** was honored to have been installed (along with the induction of a new member) by District Governor Judy Barr and hubby Chris. Zone A participation in the district meeting in Costa Mesa was strong. **Fullerton Host** also brought 738 pairs of eyeglasses that had been donated.

Looking at our upcoming activities, we have the La Habra Corn Festival that with open next weekend (August 4, 5,6) in La Habra. They will be drawing a 1965 Ford Mustang that is beautiful!!! Until next month, see you at the Corn Festival.

ORANGE REGION ZONE B CHAIR BRIAN CLAUSEN

The **Orange Lions Club** is very proud of one of our members named Lion Phil Barnecut. Lion Phil is the chairman of our used eye glass collection program. Phil averages over 7,000 pairs of glasses yearly in his route of 21 different collection locations. To his credit and not one to brag, he felt that he may have collected well over 140,000 pairs of used eye glasses in his 20 years of collecting. Not bad for a Lion who is in his eighties. Pictured to the left is a photo of Lion Phil with his most recent collection of 1,030 pairs of eye glasses.

ORANGE REGION ZONE C CHAIR MARCELLA MCSORLEY

Garden Grove Host Lions Craig Durand, Ron Pierce, and Ric Lerma attended the City of Garden Grove Concert in the Park. A Lions Club Booth was set up and Lions literature passed out to raise awareness of the Club in the Community.

The 73rd annual **Seal Beach Lions** Community Fish Fry was held by the pier on July 15th and 16th. It was a beautiful weekend with more than 8,000 attendees, 6,000 meals served and 14,000 drinks consumed. Bands played all weekend with non-stop dancing on the grass. This is the biggest event of the year for **Seal Beach Lions** that culminated with the car drawing Sunday afternoon. One hundred and seventy nine (179) Lions volunteered at the event along with more than 80 Leos. The Leos sold beads and popcorn as a fundraiser within a fundraiser. The VIP area hosted volunteers from CLFIS on Sunday and many Lion dignitaries throughout the weekend. While not yet finalized, **Seal Beach Lions** is estimating a total of \$86,000 as proceeds from the Fish Fry and Car Drawing.

Stanton Lions have been busy planning and promoting family themed events for the community. We have helped sponsor movies in Stanton Central Park which included the Sandlot, Lego Batman (Totally Awesome Movie) and Trolls. Movie nights typically involve three to five hundred individuals. In addition to the movie there is a DJ and prizes. It's a great night out for families with younger kids. We also have been sponsoring concerts in Stanton Central Park. These typically involve at least 200 individuals. It tends to be an older crowd than movie night. We sponsored the band Woodie and the Longboards which plays American style music.

SADDLEBACK REGION CHAIR JOHN ULRICH

SADDLEBACK REGION ZONE A CHAIR SCOTT QUINLAN

The Lions of Zone A were busy in the first month of the Lions' second 100 years. Thanks to all the great clubs in my zone. Yours in Lionism, Lion Scott Quinlan

Harbor Mesa Lions had a busy month. Thirteen **Harbor Mesa** Teammates plus friends ventured to Corona del Mar to enjoy a guided tour of the magnificent Sherman Gardens. What a glorious day to take in all of the beauty around us.

On Saturday, July 15th, we gathered at Lions Park in Costa Mesa for our Legacy Project Tree Dedication. There were many of our Lions present and Lion Marianne Allen conducted an excellent program. Also in attendance were District Governor Judy Barr, 1st Vice District Governor Randy McMillan and his wife, Jeri, Immediate Past District Governor Bob Susaeta, PDG Ken Myers, Lion Loyce Mejias and others. The city was well represented by Mayor Katrina Foley and Mayor Pro Tem, Sandra Genis, who gave the club a Proclamation given by the City of Costa Mesa. On Sunday, the 16th, our club celebrated its 25th Anniversary at the Newport Landing Restaurant. After cocktails and appetizers, we all went out onto the Lanai to enjoy an evening on the bay. A program from several of our Lions gave a history lesson of how we came to be, the ongoing story of who we are and how we have served the community. There was a very special guest: Lion Yvonne Poyo and her two daughters. Lion Yvonne is a member of our Twinned Club, the Cape of Good Hope Lions Club of South Africa. Lion Yvonne told of how her club helps the poor people in her community. She also gave our club the Louis Volks Humanitarian Award, which she presented as a beautiful framed certificate as well as two pins, which will be on our banner. We were honored by the attendance of Governor Judy, who made a brief presentation, and Lion Chris, 1st VDG Randy and wife, Jeri, as well as our 2nd VDG Mark Piva. What a wonderful event, chaired by Lion DeDe Wilson, as we embark on our next 25 years! Our club also collected fifty-five pairs of pajamas lead by Lions Sandi Scheafer and Eileen Jensen, which were donated to the Orange County Children and Families Services for Foster Kids. Other donations made were 371 pairs of eyeglasses for Lions Friends In Sight as well as ink cartridges for the Student Speakers Foundation. Preparations are under way for our Murder Mystery Dinner Fundraiser in October.

The **Costa Mesa Orange Coast Breakfast Lions** now meet at Norm's most Thursday mornings for breakfast. They went to the Second Harvest Food Bank on July 13 to assist in the food sorting. Furthermore, they were the first club in the district to receive a visit from District Governor Judy on July 20. The club is visiting the Richard Nixon Library on July 25. On August 20, they will take a trip up to Walt Disney's barn in Griffith Park to visit the museum within the barn. These next two field trips have free admission.

Lastly Lion President Sean Arens lets us in on what the **Huntington Beach Host Lions** have done and what is in the future. "What a wonderful way to start off the new Lion Year! We didn't waste any time as the first half of July seems to be the busiest time of year for us. We started this adventure by running to the store for more hamburgers during the Huntington Beach Senior Center Anniversary and finished with pancakes and sausages at the Annual Parks & Recs Camp Out. In between we squeezed in the First Annual OC Champions Softball Clinic, the first of two Huntington Beach State Jr. Lifeguard Pancake Breakfasts, BBQ hamburgers for all the volunteers at the Pacifica Region Cub Scout Day Camp, and hot dogs with chili for dinner at the Parks & Rec Camp Out. We look forward to another State Jr. Lifeguards pancake breakfast in August, National Night Out and our largest pancake breakfast this year with the Huntington Beach City Jr. Lifeguards on August 5. Don't forget to save the date for OktoberFest, September 28th.

Our branch club, the **OC Champions Lions**, conducted their first softball clinic for Special Olympics athletes on July 9 at Worthy Park. It was a success, with 17 athletes working out, learning and practicing. And another 17+ coaches, helpers and fans cheering the athletes on. One highlight for the athletes was getting to play two innings of a mock game. There were lots of smiles and fun for the athletes and volunteers alike! At the most recent meeting, members discussed plans for upcoming projects which include another softball clinics on November 11 and another on January 28, 2018. OC Champions will also support the SOOC Bowling Competition on October 28 and the annual Turkey Bowl which is expected to be the first weekend in December.

SADDLEBACK REGION ZONE B CHAIR MORGAN HUANG

Orange Chinese American Lions has a big change this year when President Aileen hit the first bell for the year of 2017-2018 at our monthly meeting on July 18th. Seven committees have been created to take care of the club's business. This will make our club more active as more members are involved in the operation of club events. President Aileen encourages all members to be involved in the International Lions community and other clubs' activities. We will be visiting the La Habra Corn Festival in the evening of August 4th.

Service is our Lions' mission so we have created a Service Committee lead by First Vice President, Ming Lee. Food Bank packing is our main project for now and we will also join other service projects if needed by other clubs. On September 23 from 11:00 to 1:00 we'll be serving at the OC Food Bank and will need 30 people to be there for service. Some help from other clubs will be needed as we don't have so many people in our club. Ten members from **Orange Chinese American Lions** showed up to attend the District meeting on July 22nd.

Wow! This should be a big record number in our club. See how happy they were in the picture.

SADDLEBACK REGION ZONE C CHAIR PATTY COLLISON

The **Laguna Niguel Lions** are finishing up the month of July with high expectations and club results. Micky Scholte, the club senior member, has encountered some medical issues that have impacted his efforts collecting used eye glasses throughout the Laguna Niguel community. Several Lions are attempting to maintain Micky's program and the high expectations of the target of 9,500 eye glasses for the year. Micky continues to encourage club members to respond to the many requests from the community to collect the hundreds of glasses waiting for pickup. It will be a challenge to perform as well as Micky has. However, we are on a mission to find glasses and honor Micky and his dedication.

California Lions Friends in Sight presented to our club this past month. The **Laguna Niguel Lions** will support the efforts of the organization in every way possible in the months ahead. We were impressed in every regard with the wide range of activities they perform and look forward to work with them hand and hand with the Friends in Sight to make a difference. With the installing of our new club officers and especially several new board members the club will bring on members who will have their first experience of higher level involvement in the club and Lions in general. We are looking forward to elevating the newer members to the nice experience in promoting Lionism, developing the leadership skills and Lions history knowledge that will make the club even stronger. The club is collecting school supplies for the community middle school to include backpacks, notebooks, pencils and more. The club celebrated the selection of Sarina Kotowitz as Leo of the year during our club meeting this month. Sarina is an amazing young lady with a resume that boggles the mind. She certainly walks on water from this man's eyes. Sarina is off to UCLA in the fall and hopes to establish a Lions group at the university. We all look forward to how her college experience progresses and then on to law school ☺

The **Newport Beach Hawaiian Lions Club** Invites you to join them for an exciting day at beautiful Del Mar Race Track for the most prestigious race of the season, "The Pacific Classic" featuring the top thoroughbred horses in the country.
