THE OFFICIAL PUBLICATION OF CALIFORNIA LIONS DISTRICT 4-L4

A Message from District Governor Bob Susaeta

Another month passes. I can't believe how fast they are going by. We held our third District Meeting where we honored our Past District Governors and had PCC Liz Crooke give a presentation on conflict resolution. The feedback that I received on this presentation was great. We again had examples of clubs "Joining Hands In Service" and helping our communities.

The MD4 Convention will be happening when you read this. Redding is a long haul but the trip will be worthwhile with all that is happening there. We will have several training sessions along with the Academy Awards presentations. We will also be voting for an International Director and on raising MD4 dues by \$4.00. Our Ensenada cruise is on and we will be leaving on March 3rd and returning on March 6th. You can still sign up for the trip. If you are interested please contact Carol Linehan, our District Treasurer. Our District Convention registration forms have been passed out. Please register as soon as you can. The theme of this year's convention is "Celebrating Success." What this means is that we want to celebrate the successes of each club in the District. We would like you to bring your club banners and flags and free standing photo boards showing your legacy projects and/or any projects that you have done this year. Also, please send any photos that you have showing your events to PDG Danny Mayer, the 2017 District 4-L4 Convention Chairman, and he will put them in a video that will play all day. Let's really talk up our clubs. I would also like to offer my condolences to Seal Beach Lion Mike Haley for the loss of his beautiful wife Marcia. Please keep the Haley family in your prayers.

~District Governor Bob

From the Desk of 1st Vice District Governor Judy Barr

Happy Valentine's Day to all of the Lion Sweethearts out there this month! It's time to share our Lion Love all around! If you have been following my articles, in September I wrote about Step 1 of the Just Ask program. October discussed Step 2 which was Creating Your Club's Growth Plan. Step 3 in November was about Preparing your Club for New Members. This month, I'd like to write about Step 4 which is Welcoming the New Members. This includes the Induction Ceremony, New Member Orientation, and Mentoring. Induction ceremonies should be memorable. This should leave a lasting impression on the member so that they always remember why they joined Lions. If you cannot have Governor Bob or a member of the Governor's team induct new members, please choose someone who understands how important the first steps in a Lion career is.

Next is the Lion's orientation. Shouldn't a new Lion know about Lionism? There are great booklets that help describe our rich history. Your club can supplement that with history about your club, too. They should know how your club got to where you are. Finally, don't let the new Lion just hang out there. Mentor them. Guide them. Communicate with them. And invite them to join your activities. It will also help your club realize the potential of the new member's unique skills that they bring to the table. Members feel involved when you ask for their opinion. It works! Give it a try! So spread the Lion Love this month and show new members that We Serve!

~Love, Lion Judy Barr, 1st VDG

A Message from 2nd Vice District Governor Randy McMillan

District 4-L4 Lions you are amazing! Reading your monthly activity reports gives me great pride in the work you do. 4-L4 truly lives the motto "WE SERVE." Your activities helping so many people make me proud to be a Lion in our District. That being said, our District is growing and we are about to add new clubs and with that we need more leaders and officers. The MD-4 Leadership Institute being held March 4-6th is a perfect opportunity to learn to step into leadership roles. I hope to see you there! Remember to ASK someone to be a Lion!

~I WORK FOR YOU...Just Sayin'... 2nd VDG Randy McMillan

DISTRICT 4L4 JOINING HANDS IN SERVICE by Lion Diane Quinlan

District Governor Bob Susaeta has a motto for 2016/2017. His motto is "Joining Hands in Service." This message of clubs helping clubs has spread in our District. Governor Bob is proud to say that his club, Orange Host Lions, have helped many clubs with their projects when they have reached out for help and so have Ontario Upland, Upland Host, Tustin Host, Pomona Host, Huntington Beach Host, La Habra Host, Ontario, Harbor Mesa and even the District Leo Clubs including Beckman High Leos, Diamond Bar High Leos, Fountain Valley High Leos and Village Bible Leos to name of few. His message of service to include helping other organizations and clubs is fueling a successful cooperation within the clubs. Clubs helping Ronald McDonald House, Boys & Girls Club, working the Orange Street Fair, collecting books for one club's project, and even pajamas for those in need.

This cooperation with club helping club was seen by Tustin Boys and Girls Club on January 13th when members of the Tustin Host Lions helped with a "Freaky Friday" event that they helped create. This event brought out La Habra Host Lions to make funnel cakes, DG Bob Susaeta, IPDG Ken Myers and other Lions to help cook hot dogs and serve up the food to over 150 in attendance and Lions from Tustin Host, Huntington Beach Host, Orange Host, Ontario Upland, Beckman Leo Club and Tustin Boys and Girls Torch Club working to make popcorn, set up and run games for the carnival, raffles and more. Nine members of the Tustin Boys & Girls Club were presented with Lions Young Leaders in Service Awards by the Tustin Host Lions at this event.

This event was a huge success not only for the Boys & Girls Clubs and Tustin Host Lions, but for District 4-L4 as our Governor's message of "Joining Hands in Service" was seen by all in attendance and helped spread the word that there are Lions among the community and WE SERVE. This spirit of cooperation among clubs had many adults in attendance asking where can I go to join, how can I help serve and thanking us for what we were doing. Events like this make us proud to be Lions and proud to SERVE.

FOOTHILL REGION CHAIR ANDY MEGAW

FOOTHILL ZONE A CHAIR TAMARA MARTIN

Happy February and Valentine's Day from the Foothill Zone A clubs! I slipped in the rain on January 12th and broke my left ankle but I am recovering. I get my cast on February 8th so I understand I will be back to "functioning" condition soon! Meanwhile, here is what your Foothill Zone A has been working on. Several members of the **Ontario-Upland Lions Club** brought in the New Year by helping to decorate our beautiful float and attending the International President's reception. They also took great pride in supporting their Melvin Jones Fellow this year, Lion Patti Rose, and of course they are very proud of PDG Elizabeth Warren for taking on the responsibility of decorating for the event. It was truly a lovely evening.

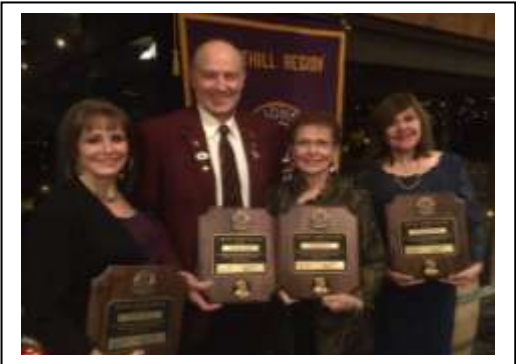

Last but definitely not least, The **Ontario-Upland Lions Club** in conjunction with the **Chino Valley Lions Club** has started a new Leos Club at Chino High School and they are excited to report that the club became official on January 12th. They are looking forward to celebrating their charter night on February 21st.

The **Upland Host Lions Club** is working on chartering a Leo Club. They sent a few members to help decorate the Rose Bowl Float and attend the International President's reception. And three of their members attended the District Cabinet meeting. They continue to collect used eyeglasses and plastic bags. **Cucamonga District Host Lions Club** sent four members to the District Cabinet meeting, as well as sending members to decorate the Rose Bowl Float as reported in January. And we continue the collection of used eyeglasses, as well as nonperishable food and children's pajamas. Please mark your calendars NOW for our fabulous Fashion Show, which will be held **May 6th**. You do NOT want to miss this luncheon of fashions and vendors to raise funds for worthy Lions' projects.

FOOTHILL ZONE B CHAIR MICHAEL SHAW

As the dust settles from the high-water mark of service to our communities during the holidays, we soon will be getting back to our regular schedules. The **Ontario-Host Lions Club** will be looking for service projects to start for the upcoming months. Lion Mike Shaw gave the Community Needs Assessment booklet to members in the community to complete for ideas on new projects. While **Ontario-Host** members wait to start something new, they will continue working on established projects. In February, they will hold their annual Outback fundraiser for members/guests and a special "Flag Day" celebration for the elementary schools in Ontario. In March, they will be working alongside the Ontario Chamber to put up more military banners on the streets of Ontario. In April and May, the club will be working on its last environmental patch. On June 15th they will be holding their annual golf tournament at Sierra La Verne County Club to help raise money for these projects. Spots for golfers are still available if you wish to sign up.

On Saturday, January 14th, Valerie Wells, Michael Shaw, Debbi Nichols, Valerie Johnson and John Garbo (not shown) from the Ontario-Host Lions were honored with the prestigious Melvin Jones award for their tireless service and charity work in their community. They were all very proud and honored to be chosen by their club. As Lions, we are willing to fill needs whenever and however we can...but not everyone sees service and charity as the Lions!

Story of the Day

A local charity had never received a donation from the town's banker, so the director made a phone call.

"Our records show you make \$500,000 a year, yet you haven't given a penny to charity," the director began. "Wouldn't you like to help the community?"

The banker replied, "Did your research show that my mother is ill, with extremely expensive medical bills?"

"Um, no," mumbled the director.

"Or that my brother is blind and unemployed? Or that my sister's husband died, leaving her broke with four kids?"

"I ... I ... I had no idea."

"So," said the banker, "if I don't give them any money, why would I give any to you?"

In January the **Pomona Host Lions** immersed themselves in feeding the homeless at the winter shelter. Twice they planned menus, shopped for groceries, cooked and served meals to approximately 150 homeless men and women on each of the two nights. Little Free Libraries stewards and transporters kept busy restocking libraries throughout town, collecting used books and driving them to the storage room. Several members helped at the Garden Grove Food Bank project, and Lions Roar for Reading committee members are gearing up for book distributions to first graders at nine schools. It also continued collecting eyeglasses. At the first general membership meeting, members heard several speakers on "Seniors and Mental Health," and at the second meeting, they were enthralled by one of the club's own Lions, Past President Professor Yehia Mortagy, who just returned from a sabbatical in Egypt. He shared his candid observations about what is happening in Egypt and in the surrounding area. The club added a new member, a young optometrist, to the club.

FOOTHILL ZONE C CHAIR DAVE STILWELL

The **Chino Valley Lions** collected 161 pairs of eyeglasses for California Lions Friends in Sight and four hearing aids which will be given to District 4-L4 Hearing Aid Bank Program. Lou Alfonso collected food from local markets and the food was given to the local food bank for distribution to those in need. A donation of \$500 was made to a local charity, Isaiah's Rock, who helps community members who need help and with local food distribution. The **Walnut Lions** collected 29 pair of eyeglasses from Walnut Senior Center and Walnut High School. The **Diamond Bar Breakfast Lions** are preparing for their fundraising event, the "Drumming for Kids" concert on Sunday, February 12th at Diamond Bar High School Theater from 2pm-5pm. They will have a multicultural drum groups performing: Diamond Bar High School Drum Line, Korean Performing Arts Academy, Soloist Tom Rossi, Youth and Family Club of Pomona and Taiko Center of Los Angeles.

ORANGE REGION CHAIR LARRY ROTTWEILER

Springtime, a time of re-growth and renewal. Take a look around and see how your club can get stronger and grow. Maybe it is time to look at the Club Excellence program. Part of the process is a community needs assessment and club member survey. The community needs assessment will help you find areas in the community that need service. There may be areas that you have not thought about. The survey can show your new members have great ideas and always remember that just because it didn't work in the past it can work now. The club member survey helps your leadership find areas that your members feel need improvement. This survey may help you to "close the back door" to retain members and have a stronger club. The survey should be done anonymously so members can really submit their true feelings. Don't forget to ask other clubs for help and the district is always there when you need them.

ORANGE ZONE A CHAIR WALT ROUNTREE

The **La Habra Host Lions** highlight was the 27 members and non members attending the Melvin Jones dinner. Five La Habra Host Lions receive a Melvin Jones award: Leslie Gross, Mark Sanders, Fausto Marisy, Jeanette Jones and Larry Rottweiler. Five Lions from La Habra helped the **Tustin Host Lions** at the Tustin Boys and Girls Club by serving funnel cakes at the Freaky Friday event. Additionally, they helped the La Habra Boys and Girls Club. Ten underserved youth received eye care and 250 used eyeglasses were collected. **Fullerton Host** collected 650 pair of used eyeglasses in January. Lion Mara from our twin Club in Morelia, Mexico, visited and invited us and our mayor to come down in May. The current mayor there is a Lion and former Leo. Pictured at the right is Fullerton Mayor Bruce Whitaker, Lion Mara, Zone Chair Walt and club Vice President MJ. They received 10 gross of flags to distribute on Lions Flag Day in February. **Fullerton Host's** Student Speaker Contest is at the Maple Center on February 16th at 7 PM. **Brea Lions** report that they had many Lions decorating the float in December. They will hold a Super Bowl Party at Pete's Ponderosa. The city of Brea will celebrate its 100th anniversary in February and Brea Lions are planning to walk in the parade the 18th of February. They host their Student Speaker Contest on the 9th at 7PM.

ORANGE ZONE B CHAIR MIKE SMITH

Zone B was pretty quiet in January. I am not surprised given all the rain we had. **Chapman University** just got back from the holiday break but they did manage to "join hands in service" with **Tustin Host** at their "Freaky Friday," a community event at their local Boys and Girls Club. The **Orange Lions** inducted a new member at one of their meetings with PDG Judy Schnitzer performing the ceremony. They also made their mid-year donations to many District charities. The **Buena Park Lions** are always busy and January wasn't slow for them. They sponsor students from a New Zealand Lions club who stay with club members. They do the normal rounds at our attractions and the students just love it. They also have a busy eye glass collection program and collected over 600 pairs this month.

Finally we have four clubs getting ready for their Student Speaker Contests which will be held in February. The Zone contest will be held on Monday, February 27th at the Anaheim Community Center. I am looking forward to hearing the students discuss "Is the right to Privacy a Threat to Our National Security?" With the current political turbulence, this could be a very compelling topic for the young men and women.

SADDLEBACK REGION CHAIR CHRIS BARR

Hello from Super Saddleback! 2017 is going to be a banner year for our District. So far at all of the Lions events, I have noticed that everyone is very positive and looking forward to our Centennial Celebration. Currently Super Saddleback is gearing up for another successful Student Speaker Contest. The club level contests are always interesting and informative. The Zone and Region levels are becoming very competitive. The students are honing their skills. You are able to watch them refine their skills to an amazing level. I cannot wait to continue to watch them at each contest all the way to the finals in June.

Joining Hands in Service is Governor Bob's motto. I would like to congratulate the seven clubs who came together in service; Tustin, Chapman, Ontario Upland, Upland Host, Orange, La Habra, and Huntington Beach. Tustin Host held an event called "Freaky Friday" in conjunction with the Boys and Girls Club of Tustin on Friday, January 13. There were games with prizes and free food for all who attended. Two bicycles were given away as grand prizes. Each of these clubs donated their time, talent with the kids, and talent with their food prepping abilities. There were over 200 kids and adults that attended and dressed in costumes. The Orange County Register on-line posted about 50 photos of the event. It was one of the most successful community events ever for Tustin Host. My thanks to all of the clubs and members who came out and joined hands with this. I am very proud of everyone. Thank you! Keep up the good work!

ZONE A CHAIR MARK PIVA

Okay, Zone A is going to brag! At the Melvin Jones Dinner, we had about 31 Lions in attendance. At the Third District Meeting in January we had three out of four clubs represented with about 20 members in attendance. Zone A Lions are active at the club and the District levels. The Zone A Saddleback - Student Speaker Contest will be held on Wednesday, March 1st at Newport-Mesa Unified School District, 2985 Bear Street, Costa Mesa, CA 92626 at 6:00 pm. If you would like to attend contact Zone Chair Mark Piva.

Now onto the clubs. The **Costa Mesa Newport Harbor Lions Club** allocated Donations To several local charities that feed the needy in Costa Mesa. The club will continue to distribute their "Fish Fry proceeds" in the coming months. Students from Harper's Crossing School in Australia visiting Estancia High School through an exchange program attended a meeting with Leos from Estancia. Our Lions are proud to sponsor them! The **Laguna Beach Riviera Club** is looking for Lions interested in representing Lions in the annual Laguna Beach Patriots Day Parade in March. For more information, contact Lion Justin Myers, jmevents1b@gmail.com.

Costa Mesa Orange Coast Lions President Walden notes a special free event being held on March 11th at the Long Beach Veterans Hospital where a presentation of the radio version of "It's a Wonderful Life" will celebrate 70 years. Please see flyer in this month's Forum. The **Harbor Mesa Lions** kicked off the year with several events. Six Lions and two Leos from Estancia High School served breakfast to 20 families at the Ronald McDonald House in Orange. The club held a follow-up retreat to discuss progress made since the start of the new Lion year 2016-2017. Fifteen members attended and discussed what the club did over the last six months and talked about ways to improve the club overall. The club was proud to have Lions Monica Gilliland and Marianne Hahn recognized as recipients of the Melvin Jones Fellowship at the annual Melvin Jones dinner. The club was out in force with 15 members in attendance to support their Lions who did not know they received the Fellowship until that evening. Congratulations Lions Monica and Marianne! The club ended its busy month by sending seven Lions to the third District Meeting in Tustin where they brought 280 eyeglasses they collected.

Huntington Beach Host Lions were quite active in the month of January. They "Joined Hands in Service" with the Tustin Host Lions who sponsored Freaky Friday at the Tustin Boys and Girls Club. Members Lion Hank and Lion President Scott were on hand for the event. Lion Ray Walls and his wife Terry continued their monthly support of delivering meals to seniors in HB. The Melvin Jones Dinner was a night of recognition and surprise for several club members. Sixteen HBH Lions attended the event to recognize Lion Eric Halsey and Lion Steve Christy (Progressive) with this special honor. In addition, the club surprised Lion Hank Lopez with his first Progressive Melvin Jones. Lion Hank was indeed surprised and honored to receive this special honor from the club for his many years of being an active Lion not only at the club, but throughout the District as well. Lion Karl Van Holt received his 30-year Chevron at the first meeting of the month. The club was saddened to hear of the passing of longtime Lion Roy Rinaldi. Prior to his passing, arrangements were being made to visit him in San Diego to present him with his 50-year Chevron. It will now be presented to his family in March.

Members are now focusing on preparing for their annual CrabFest which will be held on Sunday March 26th. For information: <http://hblionscrabfest.com/>. To purchase tickets: <https://www.eventbrite.com/e/crabfest-2017-huntington-beach...> This is a major fundraiser for their club which will include a silent auction, raffle, all the crab you can eat and live music. The flyer is in the newsletter.

ZONE B

Susie McIntosh from Tustin joined with Morgan Huang from **Chinese American Lions** to "join in hands service" on January 21st at the Orange County Food Bank to pack food boxes and promote volunteer service in our District. It needed only 30 volunteers to create the production line but 92 people showed up to help out. We can see we Lions are awesome, whenever help is needed, there are Lions there. **Western University Lions Club** had the biggest group - 30 members! Some of those volunteers were not Lions as Morgan posted this service in Taiwanese media, as "this is a good chance for us to show people how we Lions are doing." We ended up packing 1,400 boxes of food and 5,000 bags of fruit. This food will be distributed to low income families. Great job Lions! Asian American Senior Citizen Service Center will celebrate the Lunar New Year on Friday, February 10th. Please see the flyer for details. All the Chinese characters have been covered in English portion.

ZONE C CHAIR JOHN ULRICH

The Laguna Niguel Lions finished up the month of January with great expectations for 2017! Membership continues to be a focus for the club as we reach out to perspective new members. Although we have not officially added a new member during the month, we have two new community folks that want to get involved and are in the queue. Looking forward to adding them and others during February. We always keep in mind 1st Vice District Governor Judy Barr's motto, "Just Ask". The simple reach out always opens the door for the new member.

Once again, PDG Micky Scholte, the club senior member, continues to perform his exceptional efforts collecting used eye glasses throughout the Laguna Niguel community. During January, Micky has collected 853 used eyeglasses in spite of some health issues during the month. Always fully motivated to the collection efforts, Micky has collected 4,473 and 1,882 used cases with a revised upward target of 8,000 for the year. Micky continues to maintain his high level of effort almost single handedly within our area by maintaining relationships, encouraging club members to find used glasses and his lifelong Lion dedication.

The club continues our book collection effort partnering with the Laguna Niguel Libraries, Laguna Niguel Senior center, individual donors and Pomona Host Lions to donate children's books to the Little Free Libraries. We enjoy assisting and partnering with Pomona Host in the effort to promote children literacy. We will pass on a large number of children's books to the Pomona Lions during the upcoming January District meeting. The partnership between Laguna Niguel and Pomona Host has been amazing and will be carried on for as long as the need exists. The Little Free Library nonprofit estimates that 50,000 book exchange locations have been established throughout the world with 35.5 million books being shared per year or 10 million more than are in the New York Public library system. Thank you Pomona Host, great effort.

The club has developed a partnership with the Laguna Niguel Botanical Preserve to assist where possible during the year with community events and maintenance efforts. Several club members have joined the non-profit Niguel Botanical Preserve and will assist them in the efforts during the year. A Preserve fund raiser will be held on January 29th at the Laguna Niguel Senior Center. The club donated a Poppy Sponsorship to the event thanks to donations from the club and club members. Several Lions will attend and assist where we can on Sunday 2:00 – 5:00 PM.

The Partnership of Kids for Vision, Illumination and Laguna Riviera Lions will have a full agenda of vision clinics throughout the community at several Elementary Schools and homeless shelters during the 2017 year. Laguna Niguel Lions will assist during the coming year as the events are scheduled with our partners. Also, an event will be scheduled at the Lighthouse Church located in Costa Mesa to dispense prescription glasses that are a result of our most recent event. Unfortunately well over 800 glasses may have been lost in shipment so we pray the glasses will be found to hand out to those who need them. So many grateful deserving folks always make the day a rewarding one for the partnership. More events to come ☺

Although I reported on this during in the December Forum it is worth mentioning once again. The Laguna Niguel Lions continue to support the Laguna Niguel Military Support Nonprofit during the year and years past. The collection of toys and donation of gift cards in support of the 1,800 active duty service members of the 1st Battalion, 4th Marines and the USS Stockdale was an amazing success. The toy donation effort assisted the Laguna Niguel Military Support Committee's goal to ensure each child (K-K12) receive a large selection of toys or gift cards. The donations were a nice bonus as we celebrated with the Marines and Navy families as Santa passed out the gifts to the families at Lego Land. Parents sure appreciated the efforts. Great time during this holiday season with many warm comments from the Marine moms as we carried the toys to the cars. IE, we been in the Marines for 14 years and no one has done anything as nice as this for us. I do believe we will do this again next year ☺ Several events are scheduled in the coming months. Baby showers, care packages, car washes fund raisers throughout the year and so much more. Laguna Niguel Lions always step up to support the Military using member hours and dollars to support the efforts.

Aliso Niguel High School Leos continue to serve the community. Several assisted with the Lion Rose Parade float construction event on Dec 29th. We have 81 amazing young men and ladies working their magic on several community efforts. The Lions teamed up with the Leos to provide T shirts and health care items. The T Shirts were made into bags to be filled with the items for the homeless. We are planning a combined picnic with the Leos in the month ahead to promote fun and partnership with both Lions and Leos ☺ Looking like a nice 2017 coming up as we hope to develop our partnership with the Leos during the upcoming year.

The club collected items of all types for the resale store of Laura's house. Laura's House accepts gently worn items, books, shoes and much more. The organization's mission is focused on supporting victims of domestic violence. We will continue to support Laura's house for months to come by donating items that can be used for resale.

The club level Student Speaker contest will be held on Feb 1 at the El Niguel Golf Club. We always enjoy the event as several students participate from local high schools. The students research the topic and present so well which routinely makes the final selection difficult for the judges. We are proud to mention that the contest winner from last year, Raj Gambhir, has gained early admission to Harvard University and will use the scholarship dollars toward his education.
