THE OFFICIAL PUBLICATION OF CALIFORNIA LIONS DISTRICT 4-L4

A Message from District Governor Bob Susaeta

It is amazing how fast the first half of our year has gone by. I hope that you all had a great Christmas and started the New Year on a happy note. Many of our clubs have completed most of their Centennial Challenge programs and continue work to complete more. We have seen nice growth in Lions at the National level, MD4 and our District. As of this writing LCI is at 1,389,697, MD4 is at 20,544 with a plus of 467 members and our District is at 1,349. We added 242 new members and dropped 123. So far, we have logged 38,735 service hours with 26 clubs out of 35 participating. A big thanks to all of you.

I am sure that all or most of you had the opportunity to see our float in the Rose Parade and what a float it was. I was told that there were 32,000 man hours in building this beautiful float. Looking forward, we have our Melvin Jones Dinner coming up on January 14th. If you have not RSVP'd, please do so ASAP. The restaurant needs a count for food and tables. We also have our third District Meeting on January 28th at the Tustin Ranch Golf Course. This is the meeting where we recognize our Past District Governors for their service to our District. We will also have a Leadership Presentation by PDG Liz Crooke from the MD4 Leadership Team. You don't want to miss this. Liz does a terrific job and I am sure you will find it very informative and rewarding. Our MD4 convention will be the first week of February in Redding, CA. We have two candidates running for International Director and a few other items to vote on - one of which is an increase in dues of \$4.00 for MD4.

I look forward to seeing you at our next District Meeting and I again thank each one of you for your support and your efforts to make our District and the world a better place. Let's continue to "JOIN HANDS IN SERVICE."

~District Governor Bob

From the Desk of 1st Vice District Governor Judy Barr

HAPPY 2017 TO ALL LIONS! I hope you all had a safe, happy, and relaxing holiday season! At the beginning of the holiday season, I recommended to everyone to remember to set their scales back ten pounds so that they could enjoy all of the wonderful foods that we are so lucky and thankful to have. However, now as we officially start the second half of our Lion year, I want to ask you to add to your new years' resolutions. Not only do we all probably have to lose those 5-10 extra pounds, I'm here to encourage everyone to start thinking of adding new members to our clubs. This should be number one on our **2017 resolutions list**. Let's all plan to ask one new person to join us for our next lunch or dinner meeting and introduce these people to Lionism. What a great way to start off the New Year! So back to work, back to school, and back to volunteering in our communities. Let's make 2017 the most successful year of membership growth ever! Happy New Year!

~Yours in Lion Spirit, Judy Barr, 1st

A Message from 2nd Vice District Governor Randy McMillan

HAPPY NEW YEAR LIONS!!!! We started our Centennial Year with a beautiful Rose Parade float celebrating Lions International 100 years of service. January starts a very busy year for our District as we have our Melvin Jones dinner, our 3rd District Meeting and lots of club projects. It is great to see clubs reaching out to support each other as we follow District Governor Bob's motto, "Joining Hands In Service." Our Lions Leadership Institute is March 4-6th at the Ontario Radisson Hotel. This is a great opportunity for Lions looking to step into leadership roles in their clubs and our District. Remember to ASK someone to become Lion!

~I WORK FOR YOU!! 2nd VDG Randy McMillan

CABINET SECRETARY REPORT

Happy New Year Lions! I hope you all had a wonderful holiday and a blessed New Year. It is hard to believe that half of our Lion year has gone by. We begin the New Year with our Melvin Jones Dinner and January District Meeting. Please be sure you RSVP on time so we have room for everyone. I know we ask for the RSVP weeks before the meeting but this is necessary in order to have enough tables set up and food. Club Secretaries and Presidents please be sure you are sharing the information with your clubs and getting the RSVP in on time. I am also looking forward to the start of our Student Speaker Contest with the Clubs and Zones in February followed by some Zones in March and the Region Meetings in March. In February we also have the MD4 Convention. Information on delegate registration was sent out to the Secretaries. Please be sure to get that submitted on time so your club can vote. Remember you need to be a club in good standing with your dues paid to vote with BOTH MD4 and International. For MD4 please check with District Treasurer Carol Linehan. International you can check online at MYLCI.

There seems to be some confusion on how to report vision events and eyeglass collection activities. Here are some answers. If you still have questions please contact me.

Eyeglasses collected – this is the Activity Type you use when you turn in glasses. Also please check the box for the Centennial Service Challenge – Sharing the Vision. There will be a box to fill in for the number of eyeglasses collected and donated. Please specify where your club is donating these glasses to such as CLFIS, etc.

Eyeglasses fitted/given to individuals – this is the Activity Type you use when you are actually fitting or giving eyeglasses to an individual. This will have the number of people served as you are not donating glasses, you are actually serving people. Again please check the box in the Centennial Service Challenge – Sharing the Vision. If you were the person at the CLFIS actually fitting the glasses then your hours are reported HERE and not below – please do not double report hours.

Vision screening and eye care (Youth) (Adult) these are two different ones. If you are working a screening such as CLFIS and it is at a “Head Start Program” and is a majority or all youth then select the one that says (Youth). If it is majority adult select the one with (Adult). If you have a count for both then do both. This one gives you the ability to report number of Lions, number of Lion hours, number of people served, number of glasses collected (This is ONLY for ones that your club collected at the screening, not ones you brought), total participants (this is the total number that attended the screening not including workers that would be in the number of Lions and hours donated – if you split this with the Youth and Adult don’t count all participants twice), hours donated would be NON LIONS that came to YOUR vision screening and worked free of charge (If this is not your club running the screening then this would be left blank), funds donated would include any money your club paid out to provide meals, snacks, water, etc. for the volunteers. Be sure if it is NOT your activity, but you are helping another club or group that you are showing this as a JOINING HANDS IN SERVICE project. Joining Hands in Service has no number requirement so even if one Lion helps it counts. If you are working with CLFIS and it is NOT your screening, but you are helping be sure to report it accurately.

Please be sure to report all your activities and your meetings on your monthly reports. Any questions I am here to help. Let’s roar into the New Year with fun!

~Lion Diane Quinlan – District 4-L4 Cabinet Secretary

CABINET TREASURER REPORT

Club Treasurers, LCI and MD4 will be sending out the Invoice Dues Statements for the Jan – June timeframe in January and February. The second half of the year dues are due to LCI in January and then in February MD4 dues are due. When you receive your invoice please pay it as soon as possible.

Please remember your club will not be eligible to vote at the MD4 Convention Feb 10-12th if your dues are delinquent.

Please make sure LCI and MD4 have your correct email address if you have not received your Club Invoices by the middle of February. All invoices are sent to email addresses that they have on file.

Please contact International/MD4 or me if you have any questions.

STUDENT SPEAKER FOUNDATION

Thank you to Lions Marilyne Sherwood and Dewey Linehan for their continuous monetary donations to the Student Speaker Foundation.

Thanks to **Newport Beach Hawaiian and Upland Host Lions Clubs** for turning in used ink and laser cartridges which are sent to the Funding Factory for money to the Student Speaker Foundation.

I will again be collecting used ink cartridges and cell phones at the January 28th District Meeting. A round of applause to all the Lions and Clubs of District 4-L4 who continue to support the Foundation, which in turn is able to continue to award scholarships to the youth of California through the District, Area and Final Student Speaker Contests.

GUIDE DOGS FOR THE BLIND

Lions, we are entering our 100th year of service and I would like to thank each and every one of you that has supported Guide Dogs.

The raffle that I am currently offering is to raise money for the new puppy facility that Guide Dogs is building at a cost of 19 million dollars. They need continued support to raise these funds to further advance the health of these lovable puppies. My goal is to raise at least \$1,000 so we can add a plaque to the wall of the new puppy facility in the name of District 4-L4 Lions Clubs! We are offering a great prize of a seven night stay at the Welk Resort near San Diego. Currently the date for this seven night stay is the third week of July but this can be changed for a small fee of \$50. I would appreciate some help in getting the word out for the ticket sales as they have not been selling as quickly as I had expected. This is a worthwhile organization and I do appreciate any help that Lions can offer. Furthermore I am still selling sauce and rub as well!

Thanks again for all the great Lion Support.

GRANTS WISHES

Grants Wishes is a 501(c) Non Profit that grants 2nd wishes to kids when they need it most.....when the cancer comes back. This is a District 4-L4 approved project. The children that receive a wish from GRANTS WISHES are fighting a SECOND battle with cancer or undergoing long term treatments. They must have received a wish already from another organization when they were originally diagnosed with cancer, but this often happens very quickly into a child's illness. GRANTS WISHES was brought about to address the times when cancer has relapsed (sometimes years after their first diagnosis) or when treatment is ongoing long term. These children face special challenges and often desperately need the mental and emotional "boost" that a second wish can provide. Difficult and painful treatments and long term care takes a toll on a child's emotional state and sometimes receiving a wish is just what it takes to get them through an especially rough time.

Get involved! Volunteer your time! Lend us your expertise!

GRANTS WISHES is always looking for volunteers.

Become a Wish Grantor, Shopper, Event Planner, Fundraiser, Administrator or assist with Accounting and Legal. We have many areas to suit your interests and availability.

Interested in volunteering for GRANTS WISHES?

Monthly Planning Meetings - Wednesday 7-8 PM

Planning meetings are held at the

***“She’s beautiful”
The Behind the Scenes Story***

Prior to the 2016 California Lions Friends in Sight (CLFIS) vision screening in Barstow, 87 year old Chyde Pope had never seen an eye doctor or worn prescription eyeglasses. Accompanied by her daughter, she was among the thousands of people we serve each year whose stories move us. Her story ends when volunteer Kathy Ogaz fits and cleans her new prescription eyeglasses and asks her to look at her daughter. With a wide-eyed gaze Chyde declares, “She’s beautiful!”

So where does Chyde’s story begin? It all starts with Lions Clubs placing eyeglass collection boxes at doctor’s offices and businesses in communities throughout Southern California. From there, literally hundreds of caring and committed volunteers go to work on the before and after responsibilities needed to provide a free vision screening with free recycled eyeglasses. On a regular schedule, Lions go out to the collection box locations to gather up hundreds of the donated eyeglasses. Others then sort through the collected eyeglasses to pull out those that are in good condition. Eyeglass cases, sunglasses, and unusable damaged eyeglasses are separated out. These materials are then delivered to one of four Lions Clubs where more volunteers go to work inspecting, cleaning, and measuring the useable eyeglasses. The prescription numbers are hand written on the lenses before transporting them with sunglasses and cases to the CLFIS processing center in Beaumont. There they are placed in holding bins within the specified range of prescriptions. Broken and damaged materials are sent off to a recycling center where the proceeds are used to help offset CLFIS operating expenses. Early in the process, trained volunteers categorize men’s, women’s, kids, single vision and multifocals and identify the range of prescriptions that will best meet the people’s needs. They are then bar coded, labeled, and entered into the CLFIS computer system. From there, 12 rolling racks are stocked with 17,000 of these selected recycled eyeglasses to cover the next vision screening. Between each screening, volunteers pull specific eyeglasses from the bins, label, and place them in the appropriate rolling rack slots left open from the previous screening. Chyde Pope’s eyeglasses are in there somewhere.

So, how are the over 30 CLFIS weekend vision screenings that are conducted each year organized in the first place? Months ahead of time, Lions Clubs and other service organizations begin applying for a spot on the schedule. Most are annual events, some are new. Once a date is confirmed by a CLFIS organizer, the sponsoring organization’s members go to work on securing a suitable venue, get the word out with effective promotion, recruit local doctors and opticians, and step up with their own volunteers to work the screening. Local volunteers help with unloading and setup of equipment, rolling racks, and supplies. Others work to register patients, arrange seating at each of 5 screening stations, and provide morning and lunchtime food and drinks for volunteers. Once underway, local volunteers direct patient traffic flow and assist trained CLFIS staff at work stations. It is here where local volunteers can themselves be trained and are encouraged to become “regulars” at other screenings conducted throughout the year.

Several days before the screening, CLFIS volunteers get to work on an array of necessary preparation responsibilities. To ensure a full team, the data base manager prepares and disseminates email communications announcing the upcoming screening to regular team members and past volunteers within the geographic proximity to determine their plans on attending. Gaps, if any, are filled with telephone outreach. Lions from the pool of CLFIS drivers are identified for the vans and trailers that will be used to transport volunteers, equipment, rolling racks, and supplies to the screening. The drivers wash, check condition, and gas up the vehicles. The evening before and morning of the screening the drivers pick up the vans at staging areas and, together with other volunteers, load eye examination equipment from each of Dr. Brian Van Dusen’s two Inland Empire offices. Early on the morning of the screening, some volunteers drive to the staging areas to ride in the vans while others car pool from all over Southern California to converge on the screening location by 7:00 am. Upon arrival, they are greeted by the sponsoring Lions Club or organization and unloading and setup begins for an 8:00 am start time. For some volunteers, the vision screening is only the beginning. At its conclusion, patient sign-in sheets, eye examination forms, referral/consultation forms, volunteer sign-ins, and the records for the patients whose eyeglass needs could not be met are all collected for follow-up action. With the trailers loaded, the vans return to the staging area for unloading and reinstallation of equipment at Dr. Van Dusen’s offices. During the week that follows, drivers take care of vehicle/trailer and equipment/instrument repairs that cropped up over the screening weekend.

The next day brings a CLFIS record keeping and communications undertaking. The work includes a tally of the screening results covering the number of patients seen, computing of the eyeglasses provided, identification of patients with eyeglasses to be fabricated, number and type of pathologies matched to the screening’s referral/consultation form, volunteer sign in sheet, and rolling rack replenishment requirements. Reports are then generated and forwarded to volunteers for the official tabulation, webmaster posting on the CLFIS website, and volunteer data base updating. Patients diagnosed with pathology have their name, phone number, condition and insurance status recorded. That information is forwarded to the Lions Sight and Hearing Foundation for assistance.

CLFIS CONTINUED.....

For patients whose prescription could not be closely matched from the recycled eyeglasses inventory at the screening, CLFIS goes the extra mile to order or make new glasses in our optical lab using new prescription lenses generously donated to CLFIS by the Essilor Vision Foundation. Once made, the new eyeglasses are mailed to the sponsoring Lions Club for delivery to the patients.

This *Behind the Scenes Story* would not be complete or even possible without the Beaumont facility where the processing and inventory management for many thousands of donated eyeglasses is performed. An area is also provided for a fully-equipped optical finishing lab and vehicle storage in the yard. The space is on the property of Ranney Custom Builders and made available to CLFIS at no cost by Lion Don Ranney. California Lions Friends in Sight is the embodiment of the Lions Club motto, "We Serve". Our all-volunteer group is a Lions Club International affiliated organization. We share the goal of improving more people's lives, just like Chyde Pope's, through the continued expansion of our humanitarian service.

NOTE: CLFIS hopes to purchase a building with expanded space for work stations, inventory shelving, optical lab, training area, connected garage for vehicle parking, maintenance and repair, equipment/instruments storage and a screening staging area. This purchase can be possible with earmarked donations from generous supporters.

MD4 NEEDS COORDINATORS FOR THE GMT AND GLT TEAMS!!

Lions, we at MD4 once again are looking for a Multiple District GMT and a GLT Coordinator. This is a very important decision that takes the tremendous responsibility of the MD4 Membership and Leadership very seriously. If you think that you are able to dedicate your time, education and training to improve the membership of California Lions then please look over the responsibility requirements and application form. These were emailed to all Presidents and Secretaries on January 6th.

Please note that the application states that the term is for the 2014-2017 years. LCI states that the 2017-2020 form will be available later in the year. The Council of Governors needs candidates by the February Council of Governor Meeting for the review. This is time sensitive so we would appreciate your response back as quickly as possible. Along with the application there will be an interview so that we are able to select the best candidate to fit the MD4 needs for the next three years.

The deadline for email submission is no later than January 27th to the Council Chair (gtliondave@yahoo.com). Thank you for your interest in moving our Multiple District Four forward by improving Membership and Leadership.

Kay K. Fukushima Fellowship presented by the Seal Beach Lions Club to LCI President Chancellor Bob Corlew

On December 29th at a luncheon hosted by the Seal Beach Lions Club to honor LCI President Chancellor Bob Corlew, President Corlew was presented with the first ever California Lions Foundation (CLF) Kay K. Fukushima Fellowship. Seal Beach President Bruce Gormley, along with their Leo Club Presidents Lindsey Torgerson, Madi Berry, and Madison Goodbee, presented the Fellowship plaque. PDG/CLF President Gil Smith gave an overview of CLF. Also in attendance was PID Larry Dicus, who has been instrumental in the formation of CLF.

Become a Founding Member of the California Lions Foundation

As previously announced the new California Lions Foundation (CLF) has been approved by the IRS and State of California authorities as a non-profit, tax-exempt, 501(c)(3) corporation for the purpose of providing assistance to California Lion clubs! This new foundation will provide matching grants from \$500 - \$10,000 to California Lions clubs for projects that do not qualify for support from any existing Lions foundation. Please review the CLF brochure below which was sent to all clubs in November and handed out at the last District meeting.

In order to begin assisting Lions clubs, we have established an initial funding goal of \$250,000. In order to meet this goal, CLF is providing an opportunity to California Lions and California Lions clubs to become **'Founding members'** and **'Founding clubs'** of the Foundation through calendar year 2017. Lions may become a **'Founding Member'** of CLF for a donation of \$1,000, in addition the member will be also receive recognition as a **'Kay Fukushima Fellow'**. California Lions Clubs may become a **'Founding Club'** of CLF for a donation of \$5,000. Founding member donations by individual Lions may be counted toward the **'Founding Club'** donation amount to qualify as a **'Founding Lions club'**.

If you are in the process of finalizing your 'Year-end' tax exempt donations, becoming a CLF **'Founding Member'** would be an outstanding choice! You will be helping California Lions make a difference in their communities. Again, funds donated to CLF will remain in California to assist California Lions. Tax ID # of California Lions Foundation is 81-2850129. Checks made out to 'California Lions Foundation' may be sent to: California Lions Foundation/California Lions MD4 state office/129 Los Aguajes Avenue/Santa Barbara, CA 93101. If you would prefer to donate appreciated securities, please contact me at gilsmith@aol.com for instructions.

LIONS YOUNG LEADERS IN SERVICE AWARDS

Below is information on the Lions Young Leaders in Service Awards. If you are interested in this program for your club please fill out the form and order the packet of information. This is for youth in your community between the ages of 12-18. These awards can be given to Leos, Scouts or other youth groups who volunteer their time. This is a great way for Lions to recognize the youth in their community and another great way to get the Lions Name out.

Get Involved!

Use the attached order form to request detailed information about how to coordinate the Lions Young Leaders in Service Awards program in your Lions club. You will receive a guide with detailed instructions, samples and forms. You will also receive a flyer designed to attract youth participation and to enlist cooperation from schools, Leo clubs and other youth groups. Award materials are also available on the Lions Clubs International Web site at www.lionsclubs.org.

Lions Opportunities for Youth

The Lions Young Leaders in Service Awards program is part of the Lions Opportunities for Youth initiative. The goal of Lions Opportunities for Youth is:

To provide the young people of the world with opportunities for achievement, learning, contribution and service, individually and collectively, through sponsorship of activities identified as best practices in the field of youth development.

Young people who volunteer become adults who serve. Through the Lions Young Leaders in Service Awards, your Lions club encourages youth in the philosophy and habit of service to the community.

The Lions Young Leaders in Service Awards are sponsored by local Lions clubs. Clubs may recognize as many young people as they find eligible. Here is an overview of the awards program.

- The Lions club invites local schools, Leo clubs and other youth groups to participate and distributes program materials.
- The Lions award chairperson coordinates with school personnel, Leo advisors and adult youth group leaders, who certify young people's service and submit award forms to the Lions club.
- The award chairperson requests awards from Lions Clubs International.
- Lions Clubs International issues a congratulatory letter from the International President and a certificate for each recipient.
- The Lions club arranges an award presentation for youth recipients.

Happy New Year, fellow Lions! The Clubs in Foothill Zone A are busy "Joining Hands in Service," by continuing to collect used eyeglasses, non-perishable food items and kids' pajamas. On December 10th, members of Cucamonga District Host Lions and Upland Host Lions provided organization and crowd control in support of the very successful City of Upland Christmas Parade. This year there were 104 entries in the parade and a lot of coordination was required. The Lions of District 4-L4 were represented by our District Governor Bob Susaeta who rode in the parade. Then for the New Year's Day Rose Parade, members of Cucamonga District Host Lions not only helped decorate the Centennial Float, but also attended the festivities at the Parade. Plans are underway for a project working on the Rancho Cucamonga Community Garden, to benefit our local communities here in the Inland Empire. We are excited about the Centennial Year of Lions Clubs International, and look forward to fulfilling the motto, "Where There's A Need, There's A Lion."

Per Lion Terese Ganser, the Ontario-Upland Lions Club enjoyed decorating fourteen miniature Christmas trees to cheer up the residents at the Sunlit Gardens Assisted Living facility. The facility was excited to use these trees at their family Christmas dinner held Saturday, December 10th.

FOOTHILL ZONE B CHAIR MICHAEL SHAW

What an exciting end of the year for the Ontario-Host Lions. We took the Lion motto to heart, "Where there is a need there is a Lion." These words could not ring more true as our Ontario-Host Lions helped serve not only their community but others as well during this holiday starting with the Anaheim Health Fair on December 3rd and 4th. Ontario-Host joined with Upland-Host and students from Western University to give eye screenings to over three hundred people. It put everything back into focus for the people served as well as the volunteers who helped them. A very special, heartwarming day was spent with the elementary students at the Lincoln School in Ontario. The school has one hundred and thirty-five special need students and thirty-five of the upper grades students. They were given a very exciting day, starting off with a catered lunch and a visit from Santa. Santa was able to greet each of these wonderful students with a hug and gift taken from their wish list. Holiday songs were sung and smiles were everywhere making the day so special it tugged at your heart. Spending two evenings packing over two hundred banana boxes with food was worth the work for our Ontario-Host Lions. With the help of members from the Chaffey Leo's, the College Branch Club, and local volunteers, they were able to serve over one hundred and ninety needy families with food that should last throughout the holidays. It truly was a wonderful way to end the Year. On a personal note, I wanted to wish all of you a very Happy New Year and pray it brings you good health and a generous heart. The new year is a new beginning of thoughts, of words, and of service to your family, friends and community.

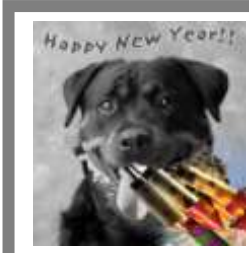

The December service activities for the **Pomona Host Lions** centered mostly around holiday service activities for others. Club members collected, then bagged and labeled toys for the Santa Cop gift distribution to children identified by the school district as being from families in great financial need. They also distributed toys to the children of the Kennedy-Austin Center, a group that supports families impacted by violence. They also provided manpower for the school district toy give-away. Then they participated in the Pomona Christmas Parade by driving the Lions Sight and Hearing van in the parade while waving to all the people in the crowd. Additionally, the **Pomona Host Lions** helped with the vision screening at the Anaheim Convention Center health fair. The club also started its twice-a-month feeding the homeless at the winter shelter at the armory. Members purchased the groceries, cooked the food and served the meals. They also led the homeless patrons in singing Christmas carols. Last, the club continued to collect used eyeglasses and sent them to California Lions Friends in Sight.

FOOTHILL ZONE C CHAIR DAVE STILWELL

Chino Valley Lions, was busy with a variety of Christmas holiday activities. The club had a fundraising activity at Tahoe Joes Restaurant in Chino on Dec 8th and raised over \$900 for our charity account. On Dec 15th, we had a Club Christmas Party at a club member's home and a great time was had by all. On Dec 19th, the City of Chino Neighborhood House had their annual toy give away for families in need. The Chino Valley Lions provided 400 soft serve ice cream cones (FREE) for the kids and their parents and anyone else after they received their gifts from Santa. A sweet time was had by all who had the soft serve ice cream. The club also participated with the 'Toys for Tots' Program by placing donation boxes around select business for the public to donate to the cause and club members also joined in by donating also. Over 272 toys were donated to Toys for Tots Program. On December 29th, five of our club members helped decorate the Lions Club International Rose Parade Float. Carole Mc Clearly donated 150 knitted hats to the Pomona Valley Hospital. The hats are for the newborn babies to wear on their first trip home from the hospital, to keep their heads warm. Carol has been doing this for quite a few years now. And the club has a new member, Lion John Hart. **Diamond Bar Breakfast Lions**, Jack and Wanda Tanaka, had a great time assisting with flower preparation for the Lions Rose Parade Float decorating on December 29. **Walnut Lions** collected 351 used eye glasses from the Walnut Community Center for the Sharing the Vision Campaign.

ORANGE REGION CHAIR LARRY ROTTWEILER

Happy New Year!! Time for New Year resolutions. Hope everyone had a good 2016 and are looking forward to a better 2017. Time to go over our goals and see what we can do together to make better communities. Did you know that 92% of people fail to meet their yearly goals? To help you meet your goals use the acronym of "SMART." SMART goals are: **Specific Measurable Attainable Relevant, and Timely**. The cabinet is always available to help with your projects. If you need help planning or with a current project reach out to other clubs and see what has worked. Make sure you include your new members and find out their ideas. Just because it didn't work in the past, doesn't mean it might not work now. Student Speakers Contests are just around the corner. Let's see if we can get 100% participation.

ORANGE ZONE A CHAIR WALT ROUNTREE

Fullerton held their annual Christmas party December 15th and exchanged white elephant gifts. Three Lions and eight Leos helped to decorate the Lions Float in Pasadena. They collected 96 pair of eyeglasses in the month. La Habra Lions invited leaders of local charities to their December 13th meeting where they made donations totaling more than \$50,000 that night. This brought donations for the year to over \$100,000. Of special note is the gift to HBIC, Help for Brain Injured Children, which is a District approved project. For more details on HBIC check the District Handbook.

In the Christmas spirit of giving, 125 pajamas and 58 pairs of socks were given to the Boys and Girls Club of La Habra and 383 people were given toys for Operation Santa Claus. 102 bags of food were collected and distributed to the needy. They collected 250 pairs of glasses. Danny and Ofelia Hansen do a lot for the club and the community. They organized a successful car show at the Sprouts parking lot at La Habra and Harbor Boulevards raising \$10,000. Brea Lions had more business for their Santa Claus Project this year, but missed Pete Badame's presence. They collected and distributed food for the Brea Community as they always do for Christmas. On December 29th they were in Pasadena decorating the Lions Rose Parade float.

ORANGE ZONE B CHAIR MIKE SMITH

The Orange Lions Club has changed their meeting location effective January 1st to Ruby's Diner Orange Depot 186 North Atchison Street (4 blocks W/ Circle) in Orange.

ORANGE ZONE C CHAIR MARCELLA MCSORLEY

The Garden Grove Host Lions Clubhouse was the scene on Friday, December 16 of the Charter Event for the newly formed Garden Grove High School Leo Club. In attendance were District 4-L4 First Vice District Governor Judy Barr who presented the Club with its Charter document; District 4-L4 Leo Clubs Chair Chardy Lang who presented to the Club officers with their pins of office; Garden Grove Host Lions Club President Lollie Beauchamp who, along with District 4-L4 Leo Clubs President Madi Berry, handed out membership certificates and Leo pins to each of the new Club members. Leo Club Advisor Chuck Lake presided over the meeting, inducted the new members, and installed the Clubs officers for 2016-17. The new Garden Grove High School Leo Club was formally chartered by Lions Clubs International on November 3, 2016 and is the second Leo Club currently sponsored by the Garden Grove Host Lions Club. Club Officers are Andrew Nguyen, President; Rick Lam, Vice President; Cynthia Ho, Secretary; and Alan Vu, Treasurer. It includes 64 charter members and is already active in service. Several of the members will participate in the decorating of this year's Lions Rose Parade Float before New Year's Day.

The 38th annual Lions Seal Beach Christmas Parade brought in more than 14,000 spectators and 3,500 participants with 112 entries. This three block continuous motion and continuous entertainment parade wowed the public both on Main Street and to live TV audiences. The event is produced by the Seal Beach Lions Club where more than 131 members worked or were in the parade. Another 42 Leos volunteered along with volunteers from SBTv, LATV, Seal Beach Explorers and Seal Beach VIPs. This is truly a community parade that ushers in the holiday season and reminds us all that Seal Beach truly is 'Mayberry by the Sea'. A big thanks goes to our title sponsor Olive Hill Group and Old Ranch Country Club. Other key sponsors were the City of Seal Beach, Sun Newspapers, Run Seal Beach, Fresh Cut Creative and Baytown Realty. These sponsors and more helped the event raise approximately \$15,000. This is an 'Engaging our Youth' centennial project because more than 2,000 youth are featured in the parade and our own Leos were chosen as Junior Grand Marshals in honor of their 20 years of service. On December 9th a group of VFW members and a few Lions gathered at Gunny's house to wrap gifts for the residents of the L.B. VA Hospital. Lion Maria De La Cueva was able to purchase socks and other items for the donations with the \$250.00 that the club allocated to the MAC Committee. Lion Margie purchased 100 blankets to be donated too. On Saturday the same group met at the VA Hospital in L.B. to deliver the goodie bags and other donations to the residents. The nursing stations were grateful for all of our work. The patient residents enjoyed the gifts, the goodie bags and the small talk while visiting each room. The experience of witnessing these Veterans at the hospital was heart breaking and yet we felt a sense of pride come over us for all of their sacrifices. This is such a worthwhile project for us and I hope we get to continue to donate to this worthy cause. Thank you Gunny for this opportunity. More than 140 Lions, Leos and friends met Lions International President Bob Corlew and his wife Diane at the Lions Clock for a picture and tour of the clock. Following a walking tour of Main Street led by President Bruce, about 50 ended up at the Centennial Beach Cottage project for the history and tour. Lion Scott led the tour and told the story of the house. Councilwoman Deaton also spoke and praised the Lions for their service. Besides Seal Beach Lions, tour guests included Leos, Lion International current and past directors, friends and other citizens.

SADDLEBACK REGION CHAIR CHRIS BARR

Super Saddleback!! Hope your holidays were all you wanted them to be. Now let's prepare ourselves to have a super successful 2017. I am proud of each and every one of you because of your efforts in serving our communities. District 4-L4 has grown in membership this past six months. Let's keep that going and our District growing in 2017! Embracing our District Governor's "Joining Hands in Service" theme has been an outstanding success with so many clubs reaching out to other clubs to help. Let's keep it up in the new year! My best to you all. We Are Super Saddleback!

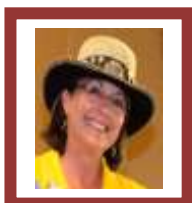

SADDLEBACK ZONE A CHAIR MARK PIVA

Clubs in Zone A were quite active this month presenting allocations to local organizations, wrapping gifts, baking cookies, giving goodie bags to homeless veterans, and playing Santa for local children. Here's what they did: Costa Mesa Newport Harbor Lions installed a little library for the Costa Mesa Friends of the Library (FOTL). This club project provided the labor and the FOTL will stock it with children's books, and hopes to expand by adding young adult and adult books. They also installed a little library at a women's shelter for the adults and children. The club allocated donations to LCI and various local charities and will continue to distribute about \$35,000 raised during their 2016 Fish Fry to some 30 charities in 2017.

The Laguna Beach Riviera Club is looking for Lions interested in representing Lions in the annual Laguna Beach Patriots Day Parade in March. For more information, contact Lion Justin Myers, jmeventslb@gmail.com. Costa Mesa Orange Coast Lions' President Walden notes a special free event being held on March 11th at the Long Beach Veterans Hospital where a presentation of the radio version of "It's a Wonderful Life" will celebrate 70 years. Please see flyer in this month's Forum. This was a busy month for the members of the Harbor Mesa Lions. Ten club members took part in the club's annual gift wrapping party at the Boys and Girls Club where members wrap gifts being given to children. Harbor Mesa Lions delivered holiday cookies, 18 dozen, to Costa Mesa firefighters as a thank you for the work they do. Seventy-nine pairs of pajamas were collected and donated to the Orange County Social Services.

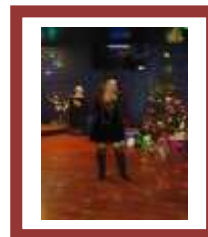

Huntington Beach Host Lions ended 2016 began with the Annual Breakfast with Santa at Murdy Park. Each year the HBH Lions cook breakfast and provide Santa Claus for local families. Eighteen Lions cooked and served pancakes to more than 300 families. Lion Ray Walls starred as Santa Claus, with his wife Terry serving as Santa's helper. The club held its annual Holiday Party at the Garden Grove Lions Clubhouse. Originally planned as an event to watch the HB Boat Parade, due to challenging circumstances, the party had to be reorganized the day before. Kudos to Lions Carol Van Holt and Debbie Karlson for bringing things together in such a short amount of time. And a big thank you to the Garden Grove Lions for being so accommodating at the last minute. The club worked with Cub Scout Pack 435 to put together over 100 goodie bags for the PIER project and to be given to homeless veterans. Thank you Pack 435 for your time and effort! Finally, the club donated five children's bikes to Project Self-Sufficiency. Attendance at club meetings continues to increase and the club's total membership stands at 64 which includes the **OC Champions Lions Branch Club**.

SADDLEBACK ZONE B CHAIR SUSIE MCINTOSH

Happy New Year Lions! As we have all taken time to enjoy our family and friends these last few weeks, I'm hoping that we are refreshed and ready to take on the new year in style and service to our communities. This is a huge year for us! Lions International celebrates 100 this year! Let's party!!

Lion Morgan Huang of **Chinese American Lions** volunteered at the Anaheim Health Fair in December where District 4-L4 served more than 300 people. It was a very successful event.

Chinese American Lions love to sing. On December 20th they gathered at the Golden Age Senior Club in Roland Heights to enjoy their club Christmas Party. The celebration lasted six hours and included singing, dancing, a gift exchange and a wonderful dinner to celebrate Christmas. The New Year of 2017 was rung in at a fundraiser in support of the Asian American Senior Citizen Service Center with PDG Matt Hunyadi and wife Nancy joining in the fun. Saddleback Zone B will host a service project at the Garden Grove Food Bank on Saturday January 21st. This is a two hour food packing service and they need at least 30 volunteers to help from 9:45 to 12:00noon. Please see attached flyer for reference. **Tustin Host Lions** began December with a holiday party. A lot of fun and fellowship along with food and a gift exchange. It was a wonderful time. Tustin held their first Holiday Boutique over a Friday and Saturday in conjunction with the City's Tree Lighting on Friday. It was a very successful event. A few of our members worked Tustin Santa Cop and helped serve meals and play games. It was a super night! Several of our lions also worked the December New Horizon Disability Dance and Christmas Party. We helped serve dinner, check in the groups and dance. Tustin had a very busy December and we have plans for Freaky Friday in January. Hope to see some of you at this event for the Tustin Boys and Girls Club.

SADDLEBACK ZONE C CHAIR JOHN ULRICH

The Laguna Niguel Lions finish up the month of December with great expectations for 2017. Membership continues to be a focus for the club as we reach out to perspective new members. We have added three new amazing members who have already jumped into the club activities. As 1st VDG Judy Barr says, "Just Ask. It opens the door every time. Micky Scholte, the club senior member, continues his exceptional efforts collecting used eye glasses. During December, Micky collected 250 used eyeglasses in spite of some health issues during the month. Always fully dedicated to the collection efforts, Micky has collected 3,789 and 1,494 used cases with a revised upward target of 8,000 for the year. Micky continues to maintain his high level of effort almost single handedly within our area by maintaining relationships, encouraging club members to find used glasses and his lifelong Lion dedication. The club continues our book collection effort partnering with the Laguna Niguel Libraries, Laguna Niguel Senior Center, individual donors and Pomona Host Lions to donate children's books to the Little Free Libraries. Laguna Niguel Lions look forward to assisting and partnering with Pomona Host in the effort to promote children literacy by passing on additional children's books at the upcoming January Lion District meeting. The Little Free Library nonprofit estimates the 50,000 book exchange locations have been established throughout the world with 35.5 million books being shared per year or 10 million more than are in the New York Public library system. Thank you Pomona Host, great effort. The Partnership of Kids for Vision, Illumination and Laguna Lions will have a full agenda of vision clinics throughout the community at several Elementary Schools and homeless shelters during the 2017 year. Laguna Niguel Lions assisted during the December 3rd effort at the Lighthouse Church for the homeless located in Costa Mesa. 125 homeless folks received eye care, readers and eye glass prescriptions during the event. So many grateful deserving folks made the day a rewarding one for the partnership. More events to come ☺ Orange County Outreach's November presentation prompted an interest in sponsorship of deserving families during the holiday season. We hope to expand our partnership with Orange County Outreach in the months ahead. We took on the sponsorship of two families with holiday meals and a long list of toys. Several Lions along with Santa, AKA Lion David Weiss, delivered the meal and toys to the moms and children. John Ulrich, Patty Collisson, Mark Snider, Stephanie Winstead and Davis Weiss had a fun day as we experienced the four excited young girls (1.5 -7 years) and five equally excited young boys during Santa's second stop. Kids love Santa ☺ Reports of an exciting Christmas morning as the kids opened all the presents brings smiles to all the Lions. The club has entered into a partnership with the Laguna Niguel Botanical Preserve and hope to assist the nonprofit in their efforts during the coming 2017 year. We are encouraging members, family and friends to join the nonprofit in support of their efforts during the year. City Council members Laurie Davies, John Mark Jennings and Mayor Jerry Slusiewicz (Lion Club Members) will be involved along with all our members to make the Botanical Preserve a focal point to be proud of in the city's efforts to enhance the regional park. Mark your calendars for the January 29th Preserve fund raiser. More Information to follow. Six Lions enjoyed a wonderful evening with the Newport Beach Hawaiian Lions at their Annual Christmas boat parade party on December 14th. The event went off perfectly as I wonder if they are professional event planners. Great food and friends as we watched the impressive boat parade as the fund raising effort came off nicely. Nice job Hawaiians! Looking forward to the next event ☺ The Laguna Niguel Lions continue to support the Laguna Niguel Military Support Nonprofit during the year and years past. The collection of toys and donation of gift cards in support of the 1,800 active duty service members of the 1st Battalion, 4th Marines and the USS Stockdale was an amazing success. The toy donation effort assisted the Laguna Niguel Military Support Committee's goal to ensure each child (K-K12) receive a large selection of toys or gift cards. The donations were a nice bonus as we celebrated with the Marines and Navy families as Santa passed out the gifts to the families at Lego Land. Parents sure appreciated the efforts. Great time during this holiday season with many warm nice comments from the Marine moms as we carried the toys to the cars. IE, we been in the Marines for 14 years and no one has done anything as nice as this for us. I do believe we will do this again next year ☺ Also Niguel High School Leos continue to serve the community. Several are planning on working the Lion Rose Parade float construction event on Dec 29th. Looking like a nice 2017 coming up as hope to partner with the Leos during the upcoming year. The club holiday party at Aventura yacht club in the Dana Point harbor was a nice success. Always nice to get together with our Lion friends and families. Looking forward to the White Elephant event on January 4th.

Aloha from the **Newport Beach Hawaiian Lions** Ohana ~ From our Hale to yours, we wish you a Mele Kalikimaka ~ Hau 'oli Makahiki Hou... May your home be filled with the warmth of Aloha, Peace and Joy! Mahalo Nui Loa to our Lions Ohana near and far and guests that supported our Annual Christmas Boat Parade Party Fundraiser and 20th Anniversary Celebration! The evening was filled with the spirit of Aloha and Christmas was definitely in the air, as everyone brought gifts for the families of the deployed military! We had a record sell out crowd of 80 guests! A delicious buffet of prime rib, salmon and chicken was enjoyed by all, while listening to the great sounds of Velvet Thunder. The desert table was awesome with two beautifully decorated cakes celebrating our 20th Anniversary! Mahalo Lion Sally. After dinner everyone enjoyed the boat parade with some amazing boats this year, and the best venue possible for viewing! Cocktails and more dancing of course as Velvet Thunder rocked the house! Mahalo District Governor Bob Susaeta and First Lady Sharon, 1st Vice District Governor Judy Barr and Saddleback Region Chair Chris Barr, Lion Chuck Casey-candidate for International Director and Mary Catherine for joining us for a fun evening and supporting our club's efforts to raise funds to help those less fortunate. Island to Island...We have a very exciting fundraiser coming up soon! Be on the look out for all the details! Until we meet again, Aloha "E Alu Like Mai Kakou" "Let Us All Work Together"
