THE OFFICIAL PUBLICATION OF CALIFORNIA LIONS DISTRICT 4-L4

A Message from District Governor Bob Susaeta

Our final District Meeting for the year was held on April 22nd. What a great and inspiring meeting that was, very well attended. The Student Speaker contestants were terrific – believe me it was much easier to be the Governor than one of the judges. Thank you, Lion Diane Quinlan, for standing in for Lion Scott. Congratulations to the individuals and clubs that received certificates and awards at the meeting from the MD4 Academy Awards at the MD4 Convention. Out of seven categories L4 won three and was runner up in three. Academy Awards were won by Stanton Lions for Small Club Project of the Year, Madison Berry of the VBA Leo Club for Leo of the Year and Lions Scott and Diane Quinlan for Couple of the Year. Honorable Mention awards were won by Buena Park Noon Lions for Free Eye Exams and Glasses, Pomona Host Lions for the “Lions Little Free Libraries” and Seal Beach Lions for Club of the Year. We are so proud of all of you.

Membership numbers continue to climb. As of this writing LCI is at 1,422,230. MD4 is at 20,707 with a net gain of 620 members in 740 clubs with two still pending. L4 is at 1,391 with a net gain of 161. We chartered a new club in April which is the Marshall B Ketchum Optometry School in Fullerton. The charter was submitted with 29 members and they have an additional 60 membership applications to send in.

Our District Convention is just around the corner. I hope that many of you will be able to attend at least a part of the convention. It is being held at the Pala Mesa Resort in Fallbrook from May 19th through the 21st. Hope to see you there.

I want to thank all of you again for allowing the Governor’s team and Cabinet to serve you this year. We have all worked hard to make this year a success and help everyone by “Joining Hands in Service.”

~District Governor Bob

From the Desk of 1st Vice District Governor Judy Barr

“I pledge allegiance to my country and to the cause of peace throughout the world. I believe in the principles of Lionism as contained in the Lions Code of Ethics. I am proud to be a Lion dedicated to the service of others.” Hello my friends! This is our Lions Pledge. It certainly sums up everything about Lions... Love for our country and the desire for peace throughout the world.

May is here and with it the blossoms of summer. We are all so busy wrapping up the last of our projects and gearing up for our District Convention AND the Centennial Convention in Chicago. But no matter how busy we get, please always remember that peace, our principles, and dedication to service is what life is all about. It was great to see so many people at our April District Meeting. I am looking forward to celebrating with you at our District Convention at Pala Mesa. Our convention is always so much fun! You really should attend. I know there is still room. Come join us in the hospitality suite and see some Lions that you have not seen in a while. Let’s all join together and Celebrate!

~See you soon! Lion Judy Barr, 1st VDG

CABINET SECRETARY REPORT

Greetings District 4-L4 and Happy May. Wow another year almost gone. Hard to believe it has been almost two years as your Cabinet Secretary.

I want to thank all the wonderful secretaries for the fantastic job they have been doing this year. I enjoy reading all the information you send on your projects and fundraisers. It shows what a hard working group of Lions we have in 4-L4. Keep up the great work.

It is that time of year where clubs should have elected new officers. Please be sure to input the information on the MYLCI site so the new officers can get logged in for their term. The deadline is 5/15/17, so please input on time. Remember NO PASSWORDS or LOGINS are sent by LCI. If you are a NEW USER you go to MYLCI and click on NEW USER? Click here to register now. Campus clubs, if you are not voting on new officers until September please make sure that you still show a 2017/2018 PRESIDENT and SECRETARY so you will not be locked out in September when you go to input information. Call me with any questions please.

Please take time to go scroll through your membership list online. Update any that have a pink bar that show an address issue. This is an indication that they have received the Lions Magazine returned and have stopped sending it. We want everyone to receive the information from LCI so please also be sure that their emails are up to date on the site.

Make sure that you plan time to go over any pending club business with the Secretary Elect so they are prepared for their year.

STUDENT SPEAKER FOUNDATION

Thank you to all of the Lions who participated in the Student Speaker Foundation \$1 Raffle. Congratulations to the winner, Harbor Mesa Lion Dede Wilson. Dede decided not to take a \$500 Fred W Smith but to share the award with her mom, Lion Trudy Wilson. So Dede is becoming a Dwight Stanford for \$300 and her mom a Harry J Aslan for \$200.

Thank you Fullerton Host, Harbor Mesa and Huntington Beach Host for continuing to turn in cell phones and used ink cartridges. Every one that is turned in helps our annual goal of \$7,500 which our District is asked to contribute to the Foundation.

DG Bob, thank you for choosing the Student Speaker Foundation as your charity of choice when you visit other Districts and clubs and Lion Annette Hatch for donating to SSF in DG Bob's name.

Thank you also to PDG PJ and Georgia Smith for your monetary contribution to the Foundation and to Walnut Lion Christine Nagashima who donated her winnings at the District Meeting to the Foundation.

The generosity of all the Lions in District 4-L4 who continue to support the Foundation each and every year is so very much appreciated.

YOUTH EXCHANGE COMES FULL CIRCLE

Lion Teri Stoker of the Harbor Mesa Lions is on vacation in the Netherlands. On her first day she was greeted by Marjolien from the Netherlands who was the family's first Youth Exchange Student many years ago and who they have stayed in touch with. Mar (as we call her) has been back to stay with her host family on a second trip to California. Mar says she is now paying it forward by getting to show her Host Grandma her town, her home and her school. They spent an entire day visiting with Mar, catching up, eating French Fries and Mega Stroopwafel's (Giant Waffle Cookies). This is one of the benefits of hosting students. They become family and always want you to come visit them so they can pay it forward. There are two more students that have stayed in her home from the Netherlands and she will be meeting up with both of them in the coming days.

Dear Lions Members of the Sight and Hearing Foundation:

After much discussion and consideration, the Sight and Hearing Foundation Board has decided to discontinue use of and retire the van. It is now twenty years old and it is costing more to maintain it each year. After talking with other van committees up and down the state in MD4, we have found there are very few handling many screenings and several are also retiring their vans.

On top of that the use of the van by member clubs in the District has fallen lower and lower each year. This past year alone the van has only been used a total of four times by three different clubs. This is not cost effective. We realize that the ability of groups like the California Lions Friends in Sight to provide glasses on site provides a way for many of our District clubs to provide service to their communities in a different way. Other reasons many clubs do not use the van is the difficulty of finding helpers, drivers, doctors and those in need. Many screenings are very low in attendance, as we can only screen and not supply glasses or have any way for lower income patients to get help.

It is our desire to either help, financially, the California Lions Friends in Sight or find a way to help our member clubs pay for vision help of District 4-L4 community members that local clubs have a hard time doing. We can do this with the help of clubs using the Spot Scanners, and referring the patients out for low cost vision care and glasses. This is a work in progress, and we hope to have more information on our plan as time goes by.

We have always appreciated the support and input from member clubs and all District 4-L4 members. We thank you for the continued support. We appreciate any suggestions for our ongoing efforts for Sight and Hearing.

Sight and Hearing Foundation Board of Directors

MD-4 YOUTH LEADERSHIP INSTITUTE

The annual MD4 Youth Leadership Institute was held again this spring for the fourth year at Lions Camps at Teresita Pines. This year 158 Leos, Advisors, Staff and Leadership Class Presenters attended. It was sponsored by the MD4 Youth Outreach Committee and the MD4 Global Leadership Team. The Camp is a great learning experience for the Leos of California as they participate in training classes such as "Public Speaking", "Focus On Fun", "Project Planning" and "Conflict Resolution". Classes are interspersed with activities that are designed to give the youth experience in working together with their peer groups while having lots of fun. They all enjoyed the beautiful facilities at Teresita Pines and the great food served by a professional staff in the fresh mountain air. We look forward to our next stay.

JACK AND WANDA TANAKA RECEIVE FOUNDING MEMBERS KAY K. FUKUSHIMA FELLOWS AWARDS

At the District Meeting on April 22, Jack and Wanda Tanaka from the Diamond Bar Breakfast Lions received plaques, honoring them as Founding Members of the California Lions Foundation and Kay K. Fukushima Fellows. These fellowship awards are particularly meaningful because Past International President Fukushima was a friend and enthusiastic supporter of the Tanakas and of their Lions activities. He was so impressed with what Jack and Wanda were doing with the Lions and the Leo Clubs that he nominated them jointly for the International Lion of the Year. Lions Clubs International then selected Jack and Wanda jointly as the top international Lion in 2012.

The Tanakas have been devoted Lions for many years, Jack since 1986 and Wanda since 2000. Both have served in numerous capacities in the Diamond Bar Breakfast Lions, including President. They have also served on the District Cabinet multiple times. Their Lions' excellence and passion has resulted in many awards, including District Lion of the Year for Jack in 2002-2003 and for Wanda in 2007-2008

Jack and Wanda truly represent the best of Lionism, and the California Lions Foundation is proud to have them as Founding Members and Kay K. Fukushima Fellows.

~PDG Gil Smith

FOOTHILL REGION CHAIR ANDY MEGAW

FOOTHILL REGION ZONE A CHAIR TAMARA MARTIN

The Clubs in Foothill Zone A continue "Joining Hands in Service." Cucamonga District Host, Ontario-Upland and Upland Host Clubs continue to perform community service, as well as collecting used eyeglasses, non-perishable food items and kids' pajamas.

The Cucamonga District Host Lions held a most fabulous and successful Fashion Show and Luncheon on May 6th! Over 60 attendees enjoyed a yummy lunch, 10 vendors sharing their wares and six models showing off very pretty fashions from Dress Barn San Dimas. Thank you to everyone who came out to support us, including members from Ontario-Upland and Pomona Host!

CDH Lions also had a very successful fundraiser selling Jack-in-the-Box booklets chock full of 2-for-1 coupons, raising many hundreds of dollars to support our Eye Clinics, Blind Buddies Golf, Rising Stars and many others. Elsewhere in this issue, you will find our flyer for another fundraiser. This time at Lazy Dog Restaurant, for all day June 7th and 8th. Be sure to bring a copy of the flyer with you. See you there!

April was a little more on the quiet side for the Ontario-Upland Lions. We had a lovely speaker from Healthy Living, Shelly Manning, come and speak to our club. For Christmas, we chose to have a gift card collection instead of a club gift exchange. We donated the gift cards to Healthy Living to help with their gift program for those less fortunate. We are looking forward to continuing that partnership in the future and looking for additional ways we can help the community. We have also been very busy getting ready for our annual tea on Saturday, May 13. Hope to see you there!

Upland Host Lions enjoyed having PDG Ken Myers speak at their general meeting. He spoke to us about District 4-L4 and how it compares with other Districts in MD-4. Our District is a leader in the MD-4 group of Districts, in most performance categories. We lead everyone in our Diabetes awareness programs and 4-L4 has the most LEOS in all of Lions. We lead MD-4 in support of the annual Lions Rose Float and the Lions Camp at Teresita Pines. PDG Ken spoke more about the facilities at Lions Camp at Teresita Pines and the Lions Camp at Wrightwood and how it takes support and personal elbow grease of all Lions in MD-4 to maintain and improve these facilities. Teresita Pines covers 3.5 acres, has 15 sleeping cabins and 4 VIP cabins available plus many other facilities to be used by the campers. Wrightwood Village covers 20+ acres, has 8 sleeping cabins and full facilities for all kinds of camping activities. Wrightwood can accommodate campers with special needs. Both of these camps welcome groups of all types, not just limited to Lions. Ken also spoke about our local project, the Chaffey Community Center, and described the many improvements taking place there. Regional Indian Groups are working with the Center to add a typical Indian Village as part of the many historical settings being developed at the site. Our club has committed to assist the Community Center in continuing this development.

FOOTHILL REGION ZONE B CHAIR MICHAEL SHAW

"Children, after all, are not just adults-in-the-making. They are people whose current needs and rights and experiences must be taken seriously." — Alfie Kohn

The Ontario-Host Lions have realized this since 1995, when PDG/PCC Ed Bordenkircher developed the student-of-the-month program which has recognized over 100 students from the Chaffey High School District with a special lunch and a \$ 25 gift card and certificate. They just sponsored eight Leo members and their advisor, Sheri Richardson Rojas, to attend the leadership camp in Teresita Pines to experience and learn some very important leadership skills such as; conflict resolution, public speaking, team building and leadership responsibilities. The Leo's are doing a park clean up at Red Hill park on April 22, Earth Day, and a beach cleanup in San Juan Capistrano on May 13th. The club knows how important LCI's literacy program is and will send volunteers to the Montera Elementary School in Montclair this month to read to students and put on a Flag Day program. With school coming to an end club members are looking through several applications and will award one very deserving high school student a "Homer Briggs Scholarship" of \$2000 for the college of their choice.

This April the **Pomona Host Lions** kicked off its service activities on the first day of the month with a food drive at Albertson's for the Pomona Unified School District's God's Pantry. The shoppers were generous, buying 75 bags of groceries and additionally donating \$120. Now that the homeless shelter is year-round instead of just winter, the Lions are cooking and serving one dinner a month. Also, with a focus on eliminating hunger, club members handed out bags and boxes of food at the Kennedy-Austin Foundation.

Continuing its literacy programs, the **Pomona Host Lions** distributed books to first graders at two more schools with over 95% of the families living in poverty. By the end of May, the club will have given out over 1,000 books to first graders at nine schools. Stewards of the seven Pomona Host Lions Little Free Libraries/mini-libraries kept busy regularly stamping books with the club information and then placing them in the libraries so there will always be a good selection. Other Lions transported donated used books. Thank you to John Ulrich of the **Laguna Niguel Lions** for helping us keep our children's books in stock!

The **Pomona Host Lions** also had several community involvement projects this month. The club put on the Easter Egg Hunt, bean bag toss and giant bubble activity at Ted Greene Park, and it worked on the Ganesha Park Beautification Project. At the annual Community Volunteer Recognition Presentation, the Pomona Host Lions received three awards from the school district, one from the local assemblyman and one from the city.

Culminating a very active month, the **Pomona Host Lions** held its first ever Quartermania, which helped raised money for its service projects. Thank you to all the District Lions who came out to give their support!

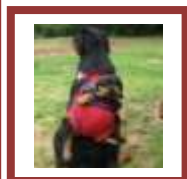

FOOTHILL REGION ZONE C CHAIR DAVE STILWELL

The **Chino Valley Lions** provided for monthly roadside cleanup, with Boy Scout Troop 220 help. A club member collected food from a local market to be used by the local food distribution center. The food was distributed to residents in need, from the local area. The club also collected 95 pair of recycled eyeglasses. **The Chino Valley Lions** also participated in a fundraiser at the City of Chino Hills annual Easter Egg Excitement event, selling soft serve ice cream. A good time was had by all participants at the event.

The **Diamond Bar Breakfast Lions Club** held two regular meetings and one board meeting in April. The April 17th meeting was the induction of two new members; Zina Stagg sponsored by Lion Cindee Quan and Anna Jung sponsored by Lion Jack Tanaka. PDG PJ Smith did the induction. Thank you PDG PJ for doing a great job! The **Diamond Bar Breakfast Lions Club** had two major events in April; the City Celebration and the Easter Egg Hunt. The four Leo Clubs (Chaparral MS, Diamond Bar HS, Lorbeer MS, DB Community) helped at both events. The DB Community Club Leos are preparing for their Charter Night on Monday, May 8th and Diamond Bar HS Leos are preparing for their Installation on Monday, May 15th and the Lorbeere Leos Installation will be on Tuesday, May 16th. The Lorbeer MS Leos volunteered at Ranch Elementary with their fundraiser and the DB Community Leos completed their cereal collection for the Shepherds Pantry. We collected a total of 103 pairs of eyeglasses for recycling. The Diamond Bar Breakfast Lions Club had four Lions attend the District 4-L4 Student Speaker Contest on Saturday, April 22nd. We also supported the Friends of the Library's Wine Soiree fundraiser on April 23rd.

The **Walnut Lions** are extremely excited that their club sponsored student speaker Natalie Jiang who won the District 4L-4 Student Speaker Contest. This qualifies her to move on to the Area Level Contest, to be held at the Chapman University on May 13. This is the first time that their club has ever achieved a win at this level. The club sponsored the 41st Annual Breakfast and Easter Egg Hunt at Walnut Ranch. With the help from members of the Walnut High School Leos Club and members of the Walnut High School Football Team, the Lions served approximately 100 breakfasts and welcomed approximately 300 participants in the Egg Hunt.

ORANGE REGION CHAIR LARRY ROTTWEILER

The Lions fiscal year is coming to a close shortly. Governor Bob's year is almost over. What a great job he did! What a fun year it has been! It is time to make sure that all of your new club leaders are properly trained. The hardest thing for a new leader is not knowing what to expect and not knowing what the job entails. Please take some time to teach your new leaders. After I was president of our club, I did not want anything to do with any position in the District. Boy am I glad I changed my mind. Sometimes people complain and don't support the District. The only way to change that is for you to get involved. The District can and does support your club in many ways. The torch will be passed to Judy Barr. She will be faced with many new challenges and she has the training and leadership abilities to do a great job. Let's make sure that "WE SERVE" and all support her any way that she needs.

ORANGE REGION ZONE A CHAIR WALT ROUNTREE

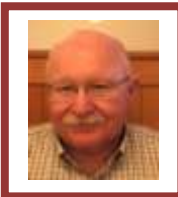

Orange Region Zone A added four new members this month: one each for **Brea**, **Fullerton Host**, **La Habra Host** and **OC Korean American**. April was a busy month for **Fullerton Host**. They turned in 2100 pair of used eyeglasses at the District Meeting. The Women's Club of Fullerton had a drive where they collected over 100 pair and St. Jude Hospital collected over 600 pair. The booth at Faces of Fullerton was the most popular booth of all, attracting the most visitors as 600 kids colored or drew pictures of lions to exchange for a cotton candy. Lions can't do all this without the two Leo clubs in Fullerton. Four Leos accompanied two Lions to the Orphanages of Thailand Fundraiser.

Two Leos were selected to receive college scholarships. Fullerton's Putting Tournament was fun and profitable on April 23rd thanks to the members of other clubs, who made this a success. According to PDG Matt Hunyadi it was *"Just another ho hum fun day had by all at Golfers Paradise in Fullerton today. First things first: La Habra successfully defended their championship. (True to their word, they kicked butts. Wait for the final results!) Surprise, surprise, Sunny Hills Leos placed second in the Lions Flight. Brea Lions slipped to third place, albeit without #72. (If you don't know who #72 is, just visit the Brea Lions and he'll tell you who he is. Or, just ask for the Chairman of Fun and Games and they'll point him out to you.) We missed you Lion Phil and so did your team. Fullerton also ran. We had two teams from Hope International University. They had fun. The Mullins Brothers and the Operations Crew were new to the Course. Watch out next year! Great to see Dr Lenhardt in civilian clothes. Ditto Dr Heernance. Lion Pete's five some had two hole-in-ones. No one else did. Lion Walter tried hard. Lion George said this was his third time he ever played golf, (Don't worry, George, you'll have a lot of opportunity!) Back to business, while attendance seemed down, indications are that profitability was up. Go figure. More when the bean counters get done."*

La Habra Host Lions helped five seniors get glasses in April and donated blood and platelets to City of Hope. They also donated funds to Walnut Middle School to pay for year-end awards and a carnival. A work party of ten Lions helped clean up and fix up the campus of Help for Brain Injured Children in April. **Brea Lions** served their annual Girl Scouts pancake breakfast with 100 girls this year. Six Lions volunteered for Love Brea by cleaning up the city, mainly near their clubhouse and Scout Center. In May, the Lions will again select the Student of the Year at Brea-Olinda High School to be awarded with a scholarship at the end of school. **Brea Lions** not going to the 4-L4 Convention will serve at the Bonanza Days celebration in Downtown May 19th, 20th and 21st. They are preparing for a car show June 18th on Birch St.

ORANGE REGION ZONE B CHAIR MIKE SMITH

Hello Lions. The year is winding down with convention just around the corner. It's been a great year for Governor Bob and his cabinet as many clubs "joined their hands in service." This was very evident at the Annual Teen Recognition Dinner with many clubs supporting Lion Hank Garcia and his committee on this event. Lion Hank told me it got off to a very slow start but in the end many clubs donated funds to the program. The District Leos Clubs were the primary applicants with thirteen students submitting their information to the committee. After a lot of review they picked three worthy students who deserved the recognition they received.

The **Buena Park Lions** continue to collect eyeglasses with over 900 again this month. **Chapman University Lions** spend some time recruiting new Lions for next with an event on Campus. Let's wish them success with many new students for next year.

Orange Lions held one of their two big fundraisers of the year. They had a successful golf tournament at Western Hills Golf Club in Chino Hills. As always there was a lot of work involved but that all paid off with good attendance and well earned funds for their charities. They also purchased and dedicated a Liberty Elm Tree in the City of Orange at Hart Park. The Liberty Tree with a Memorial Boulder represents a growing tribute to our country's founding, the birth of freedom, and to all those who served for our freedom. It represented Lions Club International's celebration of 100 years of service and 95 years of Lionism in Orange. The dedication included District Governor Bob Susaeta who spoke about the LCI Centennial Anniversary and the Orange Lions Club history of 95 years of service. Orange County Coast Guard Auxiliary presented the U.S. Flag Folding Ceremony closing with the presentation of the folded flag to the mayor of Orange.

I will see you all at the Convention in May.

ORANGE REGION ZONE C CHAIR MARCELLA MCSORLEY

Members of the **Garden Grove Host Lions Club** donated and planted eight Pink Cloud Cherry Trees at the City of Garden Grove's Atlantis Playground at Garden Grove Park on Saturday morning, April 22. Club members were assisted by City Parks and Recreation staff in planting the trees to expand the Cherry Tree Grove at the entrance to, as well as inside, the playground. The four pictures show the Lions in various tasks during the planting.

The **Garden Grove Host Lions Club** also held its 69th annual Pancake Breakfast Fundraiser on the morning of Palm Sunday at Kiwanisland Park in Garden Grove. The Lions were joined by members of the Bolsa Grande and Garden Grove High School Leo Clubs in preparing and serving the traditional meal of pancakes, scrambled eggs, sausage, orange juice, milk, and coffee for members of the community. Over 250 were served including members of the Garden Grove Fire Department, Garden Grove Police Department, Garden Grove City Council, and local Member of Congress, Representative Lou Correa. Two pictures show the cooks and patrons lined up to receive their breakfast.

The day before Easter the **Seal Beach Lions** resurrected an Easter Egg Hunt for the children of Seal Beach. We had 22 Lions volunteers, 7 VBA Leos (including the Easter Bunny herself) and 15 SB Leos and we stuffed and hid over 1,200 Easter eggs. We even had a photo booth. We served between 300 and 400 local children and their families. There was no income raised from this event but the reward was in the smiles of all the children. Simplicity is what made this event so successful. Parents enjoyed how it was not loaded down with too many activities. It was an Old Fashioned Egg Hunt with some bubbles and the Easter Bunny for photos.

For this year's 27th annual Car Opportunity Drawing, the **Seal Beach Lions** are bringing forth the sporty and luxurious 2017 Subaru Crosstrek as Grand Prize. In striking "Quartz Blue Pearl" exterior with a dark interior, this luxurious, roomy four-door SUV, has received a lot of attention in the Timmons Subaru of Long Beach showroom. Look for this stunning Lions Fish Fry prize right near the Lions Clock to the left of the pier as you look to the water. Tickets are available for \$100 and are limited to 750 total tickets. This year, the Lions are thrilled to have such a vehicle with sleek lines and sporty attitude to be showcased at the Car Show.

1st Vice President Ryan Ziegenbusch led the Logistics Team and Vendor Village Team for the Seal Beach 10K Run. Lion Adriana Ziegenbusch (shown running) led the Lions Running Team. Lions Ray Longoria and Marilyn Redd held a pre-party, and Lions Knute Fredholm and Marcella McSorley held a race viewing breakfast Open House.

Seal Beach Lions cooked pancakes at the Long Beach Invitational Regatta at Marine Stadium on April 9th. This was a one time only event for the Long Beach Junior Crew Club. They spotted the Lions at a previous rowing event and asked if we could attend and make pancakes for this invitational. We served approx 200 pancake breakfasts and raised about \$1,000 for the Long Beach Junior Crew Club.

On April 1 club members "joined hands in service" with the **Tustin Host Lions** at the CLFIS Vision Screening in Tustin. They screened and gave refurbished glasses to over 500 community members. The **Tustin Lions** did a great job with hospitality and made sure we had more than enough patients for the day. Members of our club took on numerous roles from working the refractors, helping the doctors, looking up prescriptions on computers and distributing eyeglasses to patients. While somewhat routine because we do so many, we always go away knowing that we helped the less fortunate and gave the gift of sight.

And we were happy to have 1st Vice District Governor Judy Barr induct eleven new members into our club at our general meeting!

SADDLEBACK REGION CHAIR CHRIS BARR

Hello Super Saddleback! It's already May 2017. This year has flown by. Our District has done a superb job with the many projects. We have embraced the "Joining Hands in Service" motto! Tustin Host Lions had a fundraiser at Don Jose's restaurant the other night. We were joined by the Orange Lions and the Harbor Mesa Lions. Not only did the three clubs have a lot of fun together, we ate great food, and rekindled old relationships. Keep up the positive attitudes and good work Lions! Our reward is how good we feel about what we do! See you at Convention!!

SADDLEBACK REGION ZONE A CHAIR MARK PIVA

Zone A clubs are eagerly moving into the fourth quarter now that they have (a) Spring back in their step. Student Speaker Contests are over and clubs are looking to wrap up the Lion year continuing to provide service in their communities. Sometimes we may take for granted the many activities we do on a regular basis, but imagine the impact if the Harbor Mesa Lions Club stopped providing centerpieces to residents of a subacute care facility, the Costa Mesa Orange Coast Lions didn't help Second Harvest each month in its distribution center, the Huntington Beach Host Lions stopped cooking pancakes for the 1,300 attendees at the annual HB Junior Lifeguards fundraiser, or the many community groups that would not receive funding if the Costa Mesa Newport Harbor Lions ended its annual Fish Fry.

The world will not come to an end, but what will are the smiles on the faces of the subacute residents, the scramble for more volunteers at Second Harvest, the opportunity for a young person who will not learn discipline and life-saving skills as a junior lifeguard, and the joy of residents at a Costa Mesa women's shelter who have the opportunity to read books stocked in their little library. So if we sometimes think we are not making a difference, remember differences come in all shapes and sizes, and one small difference can lead to more. Now onto the clubs...

The Costa Mesa Newport Harbor Lions Annual Fish Fry will be held at Fairview Park in Costa Mesa on Friday June 2, Saturday June 3 and Sunday June 4. The Fish Fry will kick off Friday evening about 5 pm with fish dinners, other food, a beer and wine garden, a car show, comedy with Lion Bob Ooten and others, a carnival and a great selection of bands. Saturday and Sunday continue with more of the same and much, much more. More information is posted on the website: <http://www.cmnhlions.com/>

The Harbor Mesa Lions Club attended the Zone and Region Meeting Student Speaker Contests. Their Leo, Edwin was the winner of the Saddleback Zone A contest and went on to the Region level. In April they created beautiful shamrock centerpieces for the residents at the Newport Subacute Healthcare facility and delivered cookies to four firehouses (boy I wish I were a fireman). Three members cruised to Ensenada to enjoy a lunch meeting with the Ensenada Lions where they presented a donation to their fellow Ensenada Lions. They also cooked breakfast at Ronald McDonald House.

The Huntington Beach Host Lions, after taking a short break from Crabfest 2017, jumped into April with a series of events. Club members Lion Ray Walls and OC Champions member Terry Walls once again delivered meals to seniors. The club collected 363 eye glasses and six hearing aids and held its 1st Annual Chili Cook-off. Approximately 50 people participated in this fundraiser, which featured nine chili's contending for best chili and OC Champions Lion Debbie Becket and her Beach City Clogging group providing entertainment. The evening was graciously hosted by Lion Carol Van Holt and her husband Keith. The club also served pancakes at the Ronald McDonald Children's Walk at the Honda Center. Finally, ten club members attended the first annual fundraiser for the HB Search and Rescue organization.

At their first meeting on June 1, the Huntington Beach Host Lions will join with their branch club, the Orange County Champions Lions Club, to hear speaker Bill Shumard who is the President and CEO of Special Olympics Southern California. This will be an opportunity to invite guests who might be interested in joining the OC Champions Lions Club whose sole focus is supporting Special Olympics. The meeting will be held at the Huntington Beach Senior Center in Central Park and they will have a taco truck providing dinner.

SADDLEBACK REGION ZONE B

The **Chinese American Lions** had a medical lecture seminar at their meeting on April 18 at the China Palace. Dr. Cheng shared his research on how to lead a happy life with very simple examples from nature, other reports, books and the world. Everyone enjoyed an informative and inspiring seminar and it was a fruitful meeting. Please see the photos below.

Tustin Host Lions worked hard in April. We started on April 1st with a CLFIS Vision Screening where we served 529 community members. 499 patients were seen by the doctors. 394 received glasses that day, 214 were first timers. 12 patients needed further treatment for cataracts, glaucoma or other medical issues discovered. Thanks to Lion Lynn Davis of the **Tustin Host Lions** we had Lions, Lions and more Lions along with Leos and many community members, even a Boy Scout working towards his Eagle Project, and many members from the Tustin Unified School District. We worked the Ronald McDonald Walk for Kids the following weekend. Several of our members arrived at 5:30AM to help with the setup of the walk and booths. **Tustin Host Lions** sponsored the Cotton Candy Booth where members had tons of fun serving over 500 people cotton candy. The third Saturday in April we played games at the Tustin Easter Egg Hunt. Lion Kate gathered **Tustin Host Lions** and **Chapman University Lions** to join hands to serve alongside Beckman Leos and the Miss Tustin Court. We had 5 games with prizes and a popcorn booth. Lions Dan and Brenda Donahue also brought their granddaughter Jackie who worked in the games booths and helped with setting up. As if we did not have enough to do we then spent the 4th Saturday at our annual Garage Sale. Lions donated gently used items that were sold as a fundraiser at the event. One man's trash is another man's treasure!! We are a busy group who love to serve!!
