A MESSAGE FROM JUDY BARR, GOVERNOR DISTRICT 4-L4

Hello Fellow Lions! It's hard to believe that the final three months of my term are finally here. There is so much going on and so much left to do! In this article, I'd like to recap some of the goals that have been accomplished such as Leadership Training within our district and the \$100 scholarships given to those who attended the Lions Leadership Institute in Ontario. Congratulations to President Loyce Mejias of Ontario Upland, Anne Henderson of Pomona Host, Kathy DePeri and Monica Gilliland of Harbor Mesa, and Carol Linehan of Huntington Beach Host. I'm thrilled that you five attended the institute. I'm sure you learned a lot and can't wait to share your new knowledge with your clubs and within the district!

The district website is doing great and adding new things all the time: www.district4l4.org. You don't have to actually register to view all of the fantastic information that's located there, however, I encourage you to register to use the district directory. It is a great tool!

We are getting very excited about the next District Meeting on April 28! The big event will be the culmination of 4-L4's Student Speaker Contest. The winner goes on to the "Area" contest (several districts in Southern California) and then onto the MD4 state competition where four of the best speakers will compete for the grand prize!

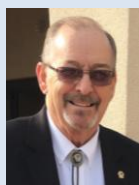

The most important item I'd like to mention is next month's phenomenal District 4-L4 Convention! Chair Mike Scheafer and his committee of some of the best Lions in the business are hard at work to make this convention the most memorable in history! Please Register Now For The Greatest Show On Earth! It's Carnival Time on Friday night with a Blind Adventure on Saturday and an amazing speaker on Sunday. If you have not been to a convention in a while, this is the one NOT to miss! It's less expensive than in years past as the hotel cost includes breakfast and the other creative meals that we have planned will fit in everyone's budget! Come One, Come All! You're guaranteed to have a truly great experience!

Once again, I'd like to thank all 1300+ members of District 4-L4 for their support, encouragement, and engagement over the past nine months. Being District Governor has been a great ride and I hope that those who follow in my footsteps enjoy it as well! Let's roll up our sleeves and finish the last three months with projects, fellowship, and fun! Until next month,

~Yours In Lionism, Governor Judy

Centennial Year 2017-2018

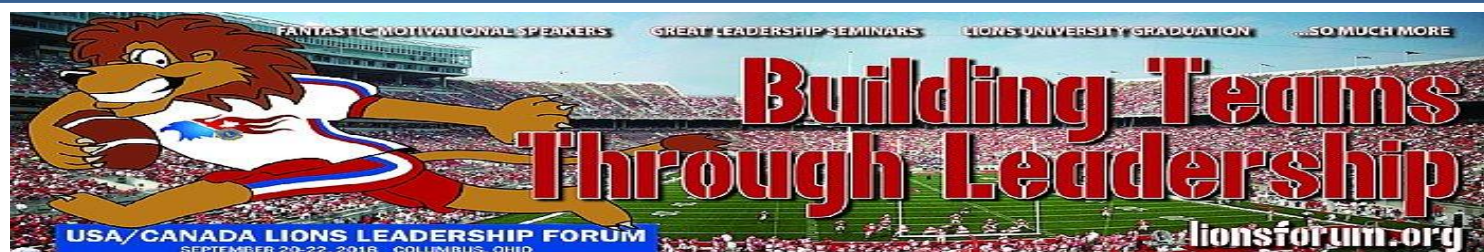

A MESSAGE FROM RANDY MCMILLAN, FIRST VICE DISTRICT GOVERNOR

To all Lions in District 4-L4, Congratulations on all you have accomplished in 2017 and 2018. Governor Judy asked you all to "Walk with Purpose, Live with Passion, Serve with Pride" and boy did you do that! Your service projects and membership growth in your communities is awesome! The more members, the more people we can serve. "Just Ask" someone to join our team and remember membership drives our organization. I also want to thank all of the Lions who have donated to the Ronald McDonald House Walk for Kids Lions Super Heroes team. We have exceeded our goal of \$\$\$ and walkers. The money will go a long way to provide a home away from home for families in times when their children are in the hospital! Thank you for all you do!

One Team One Dream - Lions in Action To Serve We Work for You...just sayin'!!!

A MESSAGE FROM MARK PIVA, SECOND VICE DISTRICT GOVERNOR

Hello Lions, We hope you are all enjoying your springtime and have great plans for the coming summer. It is interesting the Lion year runs from July – June; kicking off and ending in summer. In literary terms, summer represents youth, which makes sense when you realize spring represents birth. It is during springtime when we select and elect those Lions who will take the leadership helm for the coming year. As kids, we enjoyed the coming of summer, no school, fewer obligations, and the opportunity to enjoy ourselves with family and friends.

We begin our Lions year with the breath of fresh air and youthful joy summer brings. We end our Lions year with this same joy. There are many Lion events during summer when we connect in meaningful ways with our communities. A great thing about life is age doesn't matter; we can all enjoy our summers, time when we can take advantage of the rebirth of spring and renew our thinking for the coming year. What matters is attitude. We choose to be happy or not; our clubs can do the same. This coming Lions year, we encourage you and your clubs to choose a happy attitude. Take the time now to encourage your officers to create goals and plans for the coming year. Put to rest divisions, conflicts, or slights you may have experienced. Focus on the good we have in common. When we focus on the good, when we serve with a smile on our face, when we have fun - we show the world there is a better way: The Lion Way. This coming Lions year make a conscious decision to "Do good while having fun." Let's remember the lyrics of that famous song:

When you're smilin', when you're smilin'
The whole world smiles with you
When you're laughin', oh when you're laughin'
The sun comes shinin' through

But when you're cryin', you bring on the rain
So stop that sighin', be happy again
Keep on smilin', 'cause when you're smilin'
The whole world smiles with you

Choose to smile.

GUIDE DOGS FOR THE BLIND

Hello Lions, I have a great opportunity for Lions in the district to learn more about Guide Dogs. The Newport Beach Film Festival has offered us a wonderful opportunity to view a film entitled "Pick of the Litter." This film follows puppies Poppet, Phil, Patriot, Potomac and Primrose on a two year journey from birth to the day they hopefully become guides. Discover which dog has what it takes to become a Guide Dog. Current OC Guide Dogs president Estee Boggs and Past President Richard King have been invited to speak at both screenings. The screenings will be held at the Starlight Triangle Square Cinemas (1870 Harbor Boulevard in Costa Mesa. Showtimes are Sunday, April 29 at 11:45AM and Monday, April 30 at 3:15PM. For tickets, visit the following;

Sunday, April 29 at 11:45 a.m.: <https://newportbeachfilmfest.com/event/pick-of-the-litter/>

Monday, April 30 at 3:15 p.m.: <https://newportbeachfilmfest.com/event/pick-of-the-litter-repeat-1/>

(Don't be confused if you see some strange screening times like 8.30am and 4.30am on the NBFF website – the site has a few glitches which are being corrected). There will be a pack of Guide Dogs and Handlers at both screenings and I hope to see some great Lions in attendance! Tickets are \$15 each plus \$1.54 fee for a total of \$16.54.

Irish and I have another opportunity for you to support Guide Dogs for the Blind. We are entered in their Calendar Contest Fundraiser. When you vote for us by donating one dollar per vote we get closer to our goal of having our picture included in their 2019 calendar. All donated funds support GDB which is a non-profit organization that does not use any government funding. Please help us raise the needed funds to get our team on this calendar. Here is how you can vote for us:

Login to <https://www.gogophotocontest.com/guidedogs/search>. Find IRISH and VOTE. Votes are \$1 each and are a donation to Guide Dogs for the Blind. The voting proceeds are all tax-deductible donations. Voting by donation is open through Tuesday, April 24, 2018 at 9:00PM. There's no limit on how many times people can vote. All votes must be paid for online via the contest's secure checkout system. You will receive a tax receipt by email when your transaction is complete. Please see our two photos to the left. The top vote getters (e.g., the first place winner) in categories 1-4 will be featured in GDB's 2018-2019 wall calendar. Thank you for your support!

ANOTHER VIEW OF LEADERSHIP FROM LION MICHAEL SHAW

Too many people think leadership is about control. In fact, great leaders inspire and then get out of the way. They know that talented people don't need or want hovering managers. Leadership is about influence, guidance, and support, not control. Look for ways to do your job and then get out of the way so that people can do theirs. The truth is that not everyone can lead, and there is no substitute for natural talent. For those who fall somewhat short of being a natural born leader, leadership skills can be acquired, honed and perfected.

True leaders understand empathy, and have the ability to read people's needs and desires. This allows them to speak to these needs and, when at all possible, to fulfill them. When people feel they are understood and empathized with, they respond and a bond is formed. Great leaders respond to each challenge with a fresh eye. They know that what worked in one situation may be useless in another. Before they act, they make sure they understand the specifics of the situation and act accordingly. Nice leaders don't "finish last," they finish first again and again.

Ignorance and arrogance are leadership killers. They're also a mark of insecurity. Treating everyone with a basic level respect is an absolute must trait of leadership. Of course, there will be people who prove they don't deserve respect and they must be dealt with. But that job will be made much easier, if you have a reputation for kindness, honesty and respect.

Not a week goes by that we don't hear about a so-called leader losing credibility because he or she was dishonest. Often this is because of pressure to try and "measure up" and it's not coming from a place of being real - often this relates to fear of not being accepted for your true self. We live in age of extraordinary transparency, which is reason enough to always be true to your core – your mission will be revealed, your motivations will show by your behaviors. If you have a reputation for honesty, it will be a lot easier to deliver bad news and face tough challenges.

Making a difference....Right before your eyes!

When you volunteer at a California Lions Friends in Sight (CLFIS) vision screening it is much more than giving out recycled eyeglasses. You put yourself on a team with difference makers whose work on any given Saturday restores vision and helps prevent blindness for hundreds of real people who need our help. When you become a CLFIS volunteer your fellow volunteers jump in to get you started at any one of several patient care work stations. Things like operating automated measuring instruments, assisting doctors, or helping patients with their "new" eyeglasses. When you become a CLFIS volunteer you are rewarded with often overwhelming gratitude from the people you served and stories to tell of the smiles that appeared right before your eyes.

LSH - LIONS SIGHT AND HEARING FOUNDATION

A Client's Story

When Thomas Myles started losing his vision, it was pretty scary. He didn't have insurance, and he and his wife couldn't afford the \$300 - \$400 per month premium. But Thomas's job depended on his vision. He works in the printing industry as a pressman. "My job is my eyes," he told us. "Without my eyes, I don't have a job."

But his vision kept getting worse. "I couldn't even drive at night." He couldn't make the drive from his home in Beaumont to see his grandchildren in Riverside.

"I couldn't see colors. When I looked at black, I'd see gray. I was running my inks too high, and I had to ask for help."

A visit to the doctor confirmed that Thomas had cataracts in both eyes. "I was told my eyes were critical for cataract," he said.

"My wife and I talked, and the good Lord must have put something in her heart. She went to work."

Helen started looking for help online, and she found the local Lions Club in Beaumont, which referred Thomas to LSHF, where he was quickly approved for cataract surgery. "The day I found out, I said, 'Thank you, Lord,'" Thomas remembers.

After Thomas returned home from his first surgery, he took off the patch over his eye. "It was like someone just turned on a light," he says. "I could see in 3D."

Thomas soon had surgery on his other eye. "I can understand what a blind person goes through," he says. "I could hardly recognize my grandkids, and now I have it all back. You guys gave me back my eyes."

But Thomas's problems weren't over. Back at the print shop, he was surrounded by noise, and he had to keep asking people to repeat themselves.

"When my wife talked to me, especially on my left side, I couldn't hear. I noticed it was getting worse. When I talked on the phone, I had to put it to my right ear."

Thomas got his hearing tested and sure enough, he also needed hearing aids. He came back to LSH, and was approved for help.

Thomas is back at work, able to both see and hear.

"Now I can see my wife and my grandchildren, and I can keep my job," he says. "You guys gave me back my eyes."

This is one of the many stories of LSHF. There is no cost to the client or any Lions Club. If you know someone that could use help with eye surgery or hearing aids, please go to lshf.org or contact Lion Scott Quinlan.

FOOTHILL REGION CHAIR MIKE SHAW

When the air begins getting lighter, the days longer, the sun brighter, many move forward with the push of spring at our heels. Spring is really about **change**. With change comes everything new, a break of routine, a change in the patterns around us, and the promises of a different beginning. The Foothill Region is hoping to change their community's patterns when it holds its Diabetes Awareness Fair at the Lemon Festival in Upland, April 27th, 28th and 29th from 3-6 on Friday, 10-6 on Saturday and Sunday. Volunteers from each club in the region will "man" an information booth to give out facts about diabetes and Lionism. There will be prizes for kids and professionals that will be offering diabetes screening at that time. The clubs are hoping that with education there will be a promise of a different outcome and reduce the number of new cases of diabetes in our communities.

FOOTHILL REGION ZONE A CHAIR ANNETTE HATCH

The Cucamonga District Host Lions are busy gearing up for our annual Spring Fashion Show & Luncheon on Saturday April 21 at 10:00am to 2:00pm. There will be a vendor fair, raffles, door prizes and 3 "bonus" opportunity drawings. The cost is only \$40.00 and tickets can be acquired from Lion Faye Hampton at 909-908-4577 or Lion Steve Lacey at 909-921-6560. In other exciting news, we recently inducted new member Col. Steve Ipson, USMC, Ret. who was sworn in by former Marine PDG Norm MacKenzie at our February meeting. Lion Ed Dietl is his sponsoring club member. And last but not least, our own Lion Vivian Shiffman, aka The Basket Queen, page 223 of Gov. Judy's directory, was asked by the Inland Empire United Way if she could increase the number of Easter baskets that SHE donates from 200 to 500! Well, with the help from Alta Loma Boy Scout Troop 720, their family & friends plus ten CDH volunteers, we had them all packed, wrapped and delivered for storage within 2-3 hours time...what a feat that was and what a great feeling knowing 500 deserving children will receive those baskets.

FOOTHILL REGION ZONE B CHAIR WENDYANN STUARD

Currently, I find myself frustrated on my job as a social worker. Due to the unethical behavior of others, all my efforts over the past year to do what is right for a family seem to be for nothing. I found myself questioning why I spend so much time, energy and dedication to helping people. As I wrestled with these feelings, I was reminded of the scripture (Galatians 6:9-10) which states, "And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart. Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith."

This was my motto as president, and it is good for us to be reminded not to lose heart or be discouraged when we are being of service or doing what is right. We will face resistance from others on occasion, or find obstacles in our path, but let us remember why we do what we do and find encouragement to continue on. We may not see the immediate results of our labors but we need to stand firm in our resolve "to serve" wherever there is a need and seize the opportunities as they present themselves.

The Ontario Host Lions had a very fulfilling March as they welcomed Steve Lacy to their club meeting and enjoyed his talk on membership...Steve gave them the, "Nuts and Bolts of Membership Growth" which was inspiring to all in attendance. This month club members were on hand to read to the students at Monterra Elementary School, (the adopted school of the club) to celebrate Dr. Seuss's birthday. The Ontario/Montclair School District was again provided a donation to enhance the book collection for this 1,100-student school. The check for \$750 was presented to school administration to purchase books for their library. OHL conducted its monthly recognition awards for local Ontario area high school students identified by teachers and/or counselors. In March, three students accompanied by their faculty sponsor and also parents received lunch, a recognition certificate and monetary award. These future leaders and their faculty sponsor addressed all attendees at our general meeting by providing information on their school activities for which they were being recognized as well as plans for the future. Emily Woodcock, the club's winning representative of the student speaker contest won the Foothill Region Zone B Contest and progressed on to the Foothill Region Contest where she did an outstanding job. We are very proud of her and know our future looks bright with young people like her in the wings. She answered the question, "Integrity and Civility Play What Role in Today's Society," at the end of her speech with her quote, "The heart of the matter is the matter of the heart."

The **Pomona Host Lions Club** has been exceedingly busy during March with community service, fundraising, Helping Hands and visitations. Our Lions Roar for Reading book distributions are in full swing with 340 books given to first graders at three Pomona schools. What a joy it is to see the children's excitement over their new books! These are the first batch of over 800 books we will be distributing. Our Lions Club has continued its once-a-month Feeding the Homeless at the city shelter. We buy the groceries, cook the meals and serve them to about 140 homeless men and women—so rewarding, and the recipients are very grateful. A particularly fun activity was our Giant Bubble Booth at a local park's Easter Egg Hunt. We hold this Bubblemania at three different community events each year, and it is always a favorite of the kids, who can't wait to get their hands on the giant bubble wands.

Pomona Host members have also been collecting used eyeglasses, funding eye exams and glasses at our Pomona Lions Vision and Hearing Center, helping the Hope Partners food pantry with their fundraiser, planning our Pomona Beautification project, assisting the Modern Pentathlon fencing judges, helping the Orange Lions at its Spaghetti fundraiser, visiting the Brea and Cucamonga District Host Lions, and stewarding our Little Free Libraries. We are proud of our First Vice President Anne Henderson, who will be club president next year, and who graduated from the three-day MD4 Leadership Institute this month.

The most intensive Lions work hours are the final preparations for our upcoming **Pomona Host Lions Quartermania** on April 14 at 1:00 p.m. Members and merchants have donated many gift baskets and prizes, and members are inundated with ribbon, plastic wrap and baskets, making sure that everything is perfect for the special day. Our club members enthusiastically invite the Lions in the district to join us for a fantastically fun time! All proceeds will fund our service projects.

FOOTHILL REGION ZONE C CHAIR MIKE PRESTON

Spring is officially here, although you would never be able to convince the people experiencing blizzards on the East Coast of that! Spring is a time of renewal, a time to dust off the cobwebs and begin to get active again. That holds true for Lions Clubs also. Now is a good time to plan that open house where you invite potential members to come see what your club is all about. It's a good time to plan that community project you've been wanting to do. And it's a good time to come root for our Zone C student speaker winner Asna Tabassum at the regional contest on March 26th at the Lions Center East in Rancho Cucamonga.

The competition keeps getting tougher, but Asna is an excellent speaker and will represent Zone C well. The **Chino Valley Lions** have had a tough time selling ice cream this March. Their first event was held in the rain, and their second event was cancelled because of rain. They are keeping their fingers crossed that the third time is the charm for good weather on Saturday the 24th, when they will be at the Chino High Track Meet. This will be followed by an appearance at the Chino Hills Easter Egg Hunt on the 31st.

March was a very busy month for the **Diamond Bar Breakfast Lions Club**. We held our first meeting on March 5th. Our guests included PDG Bob Susaeta and Lion Don Wolf from the **Orange County Central Lions Club**. They promoted their upcoming Spaghetti and Bingo fundraiser on March 17th at the Garden Grove Club House. On March 7th our club held a "Lunar New Year" activity at the Brookdale Senior Living. It was so much fun. The residents colored their Chinese Zodiac signs and President Cindee demonstrated how to make chinese chicken salad and fried rice. Yum! Thank you to Lion Annie for donating the green tea, almond cookies and red envelopes. Visitations included March 17th OC Central Lions Spaghetti/Bingo, March 24th Orphanages of Thailand, March 25th Buena Park Lions Pancake Breakfast and March 25th HB Lions Crab Fest. The Orphanages of Thailand fundraiser was dedicated to former Diamond Bar Breakfast Lion Jack Tanaka. The program included a video of Lion Jack and a Tanaka Orphanages of Thailand Fellowship was presented to Lion Wanda from the **Diamond Bar Breakfast Lions Club**. The second meeting was held on March 19th. March 26th was the Foothill Region Student Speaker Contest. Our Lions attended event. We held our monthly board meeting. To conclude the month of March we held our Easter Egg Hunt with the City of Diamond Bar on March 31st. The city provided 11,000 plastic eggs, candy, prizes, DJ and they set up and tore down the hunt sections. The Lions provided the man power for each age level section. This is always a challenge each year. We are so fortunate to have the city's support. Thank you! The Leos were very busy as well. They held their monthly regular and Board meetings. The Diamond Bar HS Leos helped the librarian prepare for the craft fair for Chinese New Year (Year of the Dog), helped at the United Church garden, attended the D4-L4 Leo meeting (elections) and helped Armstrong Elementary with their "Father/Daughter Dance" at Lorbeer MS. They are in the process of completing their diabetes challenge. The Diamond Bar Community Leos continue to collect clothes, eyeglasses and books. They have completed their five Centennial Challenges (youth, environment, vision, hunger, diabetes). They also attended the D4-L4 Leo meeting. The Lorbeer Leos helped clean up the campus, collect eyeglasses and attended the D4-L4 Leo meeting. They have completed their five Centennial Challenges as well.

ORANGE REGION ZONE C CHAIR MARCELLA MCSORLEY

Twenty-one **Seal Beach Lions** continued the long time tradition of offering free rides home to those who may have had too much to drink celebrating St. Patrick's Day. We collaborated with the Seal Beach Police Department in pursuit of getting Main Street patrons home safely. We rented two mini-vans and also used the Lions recently purchased eleven-passenger van to drive people home within a five mile radius. ABC News was even on hand to cruise the city and also interview our own Designated Driver representative, Lion Mike Gibbons! Lions Bob Ripple and Romona Kies were Co-Chairs, assisted by Lions Mike Gibbons, Dave Schwein, Camille Romano, Marcella McSorley, Tinna Miller, Alan Chavez, Lorraine Chavez, Peggy Seneff, Ellen Liebherr, Carmen Urenda, Frank Urenda, Tracey Rangell, Ryan (Tracey's friend), Adam Denny, Gina Phillips, Rudy Huezo, Angie Canchola, Bill Howes and Jacqui Howes. It was a worthwhile event, and everyone who participated had a good time.

On March 31, **Seal Beach Lions** held our 2nd Annual Easter Egg Hunt for the local children. A total of 3,000 eggs were filled during our last three General Membership Meetings, and by our own Sunshine Lion Esther Kenyon. We served upward of 500 kids for an Old Fashioned Egg Hunt with some bubbles and the Easter Bunny for photos.

Seal Beach Lions serve lunches and dinners once a month at the Ronald McDonald House at both Children's Hospital of Orange County and Children's Hospital of Long Beach. On March 18, we hosted a dinner at the Long Beach Ronald McDonald House. We served pesto chicken lasagna, steamed broccoli, green salad, fresh fruit salad, garlic toast with pie and cookies for dessert. It was estimated we served about 20 guests. Lion Linda Stephenson was the Lead Chef and was assisted by Lions Gretchen Bornhop, Marilyn Redd, Jacqui Howes, Troy Allison, Dianne Booth, Angie Canchola and Terry Stephenson.

The **Seal Beach Lions** once again supported the Seal Beach Pony Baseball Opening Day by providing tables, canopies, grills, propane, and smiles to cook and serve food provided by the Pony League. We cooked approximately 248 meals including cheeseburgers, hamburgers, hotdogs, chips and soda/water. Eleven Leos participated, with a total of 25 hours. Lions Mark Kavanaugh, Evan Jenkins, Jim Whiteaker, Stan Starkauskas, Scott Newton, Seth Eaker, Chardy Lang, David S., Frank "Doc" Hall, Pamela W., and Steve Marmel made for a phenomenel team.

Our Club was a sponsor and purchased a table for ten in support of Lion Karen Russell who was running for the title of Queen of Hearts at the annual Los Alamitos Education Foundation King and Queen of Hearts Fundraiser. Twenty **SB Lions** attended this dinner/silent auction event. As the chairperson of the event, President Seth Eaker donated not only his time but purchased a table for ten as well. This event helps raise money to help with after school events for the children in our local schools.

On the third Saturday of each month, the **Seal Beach Lions** joins with the Save Our Beach group for a beach clean-up to clear the local beaches of trash and debris. Led by Chair Lion Gary Denni, Lions Chardy Lang, Diane Yery, Tom Bell, Trish Diaz and threee of our fabulous Leos joined in this effort.

News from Westminster Lions

Greetings from the newest phoenix rising club of Westminster! Much has happened in February and March of this year and hopefully this will bring the entire district up to speed. To start off, it is with sadness to report that it was confirmed that two older **Westminster Lions** passed away. President James Allen passed away in mid-February and Lion George Anno Jr. passed away February 25. Wow, two long-term Lions! The good news is that PDG Gene Tardy is alive and well in Minnesota. PDG Gene contacted Governor Judy on March 21. Unfortunately Gene and Judy played phone tag and were not able to actually talk as of this writing, but it's good to know that PDG Gene is still with us! Another Westminster Lion James A. Gifford cannot be found. DG Judy also heard from the wife of Lion Frank Sadao. She said that he had a stroke. She thought that he had quit years ago and was surprised that he is still on the roster. She suggested that he be removed because he no longer wants to be a member, even though he is a Life Member with LCI. That is it with the five remaining old timers of the Westminster Club.

The good news is that we are determined NOT to let this club fade away! A few members of other clubs decided to do a huge Lion favor by changing clubs to keep **Westminster** alive! Several members are now proudly serving as Westminster Lions. The club had their first organizational meeting on March 21 where they elected a new board to complete 2018 and for 2018-2019. Three prospective non-Lions also were present at the meeting and are interested in joining. I am confident that for the first time in many, many years, this district will see **Westminster** actually grow in membership even though they will suffer the loss of some older members due to death, illness, and distance.

Also on a very positive note, the "new-old" club has completed several service activities already! The club joined in service with **Tustin Host** to cook at the Ronald McDonald House and worked the kitchen for the **Orange County Central Lions** Spaghetti & Bingo night. The club completed service challenges by "feeding the hungry" with a food drive and "protected the environment" by saving and donating pop tops to RMH. In all, 78 hours were reported with the number of people served being 370. The club also collected nearly 300 pairs of eye glasses for the March 17 Lions Eyes Across California event.

We, **Westminster Lions**, are very proud of this club now being an active, vital part of District 4-L4. It has been great to hear from **Seal Beach Lions** offering support and several PDG's wishing us success. I apologize for such a long letter today, but since it's been such a long time since **Westminster** last reported, I hope that you'll be forgiving! Please know that the club will be looking for new service projects and fundraising events to get started. We will keep you informed on our progress and hope that you will support us in this new and exciting venture!

Sincerely,
Chris Barr, President

SADDLEBACK REGION CHAIR JOHN ULRICH

SADDLEBACK REGION ZONE A CHAIR SCOTT QUINLAN

The **Costa Mesa Orange Coast Breakfast Lions** worked at the Second Harvest food Bank in March and have planned dates for the upcoming months. They also have several outings planned for the future as well.

Harbor Mesa's Lion's March 5th meeting was definitely a lively one! We had Past Council Chair Jack Perich and Lion Don Wolf from the **Orange County Central Lions** promoting their Spaghetti Dinner and Bingo on the 17th. Candidate for 2nd Vice District Governor, Lion Steve Lacey, spoke about his campaign. Our speaker, Karen McGlinn, Executive Director of Share Our Selves, was outstanding telling us of the history, and plans for the future, of the Costa Mesa based facility serving the community. Our members were busy this month, springing into March with lots of activities. Our Centerpiece Committee put together beautiful St. Patrick's Day decorations for the Subacute Care Center in Costa Mesa. Finishing out the month, this crack team is putting together a spring themed creation for April. Each month their residences' dining room is brightened by the beautiful decorations designed by the committee. Thank you to all who serve. Several of our members attended the Saddleback Region Zone A Student Speakers Contest, where our Estancia High School student and Leo won. She went on to win at the region level so will be representing the Saddleback Region at the District Meeting in April. The club held our first organizational meeting for our **MONTE CARLO MASQUERADE CASINO NIGHT**, to be held on Saturday, October 20th so get your beads on and your fanciest masks, because this is going to be FUN! Lion Monica once again spearheaded the Dinner for Families at CHOC Hospital. Lions Monica and Kathy picked up the food from Stone fire Grill in Fountain Valley. Big surprise: When Monica went to pay the manager for the food, he stated that they would happily donate the food! It was a great gesture on the part of this food establishment.

Finally, **Huntington Beach Host Lions** President Sean sends "Greetings to all. Easter has come and gone, spring is in full effect and the fun at our 20th anniversary CrabFest has come to an end! A lot of planning, preparing, hard work, and clean up all made for a great time had by all. The new venue this year, The Huntington Beach Senior Center, proved to be a hit. The clam chowder was as good as it ever has been, and the crab and shrimp just kept coming out of the kitchen. I want to thank all of our fellow Lions, friends and family, volunteers, and all **Huntington Beach Host Lions** who contributed to another successful event. I am sure the numerous charities and organizations that receive funds from this event thank you all as well. It seems like all we have worked on over the past few months has been the CrabFest, but we have done a couple other things. Lion 1st Vice President Carol and the Nominations Committee put together the leadership team for next year. I feel pretty good about handing the reins over to Lion Carol and her team. We also had a little BBQ in the mist. Cub Scout Pack 435 held their annual Pine Car Derby at the Huntington Beach Elks Lodge. Our club had the pleasure of cooking up some hamburgers and hot dogs for the Scouts as well as their families and friends. We also saw the HB student speaker contest feature six students at the club level, there were so many great speeches and there could only be one winner. Thanks to Lion Joan for putting on a great competition this year. Well that is all for now!"

SADDLEBACK REGION ZONE C CHAIR PATRICIA COLLISON
