## A MESSAGE FROM DISTRICT GOVERNOR RANDY MCMILLAN

Hello to all the Lions and Leos of District 4-L4! The month of July has already passed and we have been very busy. We started by installing the new officers of the OC Chinese American Lions Club and the Fullerton Lions Club. The District also chartered a new club, the OC Professional Lions Club. On July 21<sup>st</sup> we had our first District Meeting where PDG Bob Susaeta installed our new cabinet officers for 2018-2019. Thank you PDG Bob for an excellent installation!

We also inducted six new members at this meeting. 1<sup>st</sup> VDG Mark Piva held a breakout session on how to use our District website [district4L4.org](http://district4L4.org). This website is very important as it has replaced our directory. Every member should register.

The district cabinet officers are eager to work with all of you in any way they can. Remember we work for you and will help you attain your goals for the year. If you have questions or need help please contact any cabinet member or the global action team:

Global Leadership – Lion Seth Eaker – Seal Beach Lions

Global Membership – Lion Steve Christy – Huntington Beach Host Lions

Global Service – Lion Scott Newton – Seal Beach Lions

WE SERVE is our motto and service projects drive our membership so let's become One Team with One Dream of Lions in Action to Serve. Have fun in all you do and continue to show your Lions' spirit and service to your communities. As your District Governor I will support you in every way I can and will attend as many events as possible. Looking forward to working with all of you as "We are One Team with One Dream Lions in Action to Serve." Yours in Lionism.

## A MESSAGE FROM FIRST VICE DISTRICT GOVERNOR MARK PIVA

Hello Lions. I do not like change, mostly because I have no place to put it after leaving the drive thru. Of course, this is not the change I am referring to. Change makes me uncomfortable. I like routine and I like things staying the same. Recently, I purchased a new recliner because my old one had seen better days. I patiently waited for it to arrive, and when it did, I sat down looking forward to feeling the new plushiness. Imagine my surprise when it didn't feel the same way as the old one. I was disappointed, upset, and angry, because it was not what I wanted.

I wanted the comfortable feeling I have when I sit in the old chair. The old chair knew me; it wrapped around me like an old friend. Now I had two chairs, one old, one new. What was I going to do? I could remain in the past and enjoy the comfort of what I knew; or I could jump into the future and make the new chair a comfortable reclining experience.

The same is true of our clubs. Many of our clubs and members are satisfied to remain in the past. The past is comfortable. We like doing the same projects each year, with the same members in charge. We like believing we are still serving the needs of our communities, without really knowing if those needs are still valid. We like the people we have been with for the past 10, 20, or 30 years. We aren't comfortable with the occasional new member who asks too many questions, or wants to do something other than flip pancakes. We aren't comfortable when a new member sits at our table, in the seat Joe always sits at. We aren't comfortable when someone tells us our club is going to fade away; even when it actually is.

Each of us as Lions and each of our clubs should take an honest assessment of why we are Lions and why our club(s) exist. We should ask ourselves if we are happy being Lions. If not we should work to understand why and then find ways to resolve it. Clubs should ask if they want to exist in the next 5, 10, or 20 years from now. If they do, then clubs need to understand what it will take to do so. Change for the sake of change is not a good approach. We need to take the best of our past and our traditions, embrace new technologies and understand current community needs, and forge a path to the future. We need to understand that when people say we need younger members, we are not just talking about people in their 20s and 30s. Younger members are people in their 40s and 50s, and for some clubs people in their 60s. Everyone wants to feel they are contributing to the needs of their communities regardless of their age or gender. We are all Lions. We can all Serve.

By the way, each day I sit in my new chair it gets more comfortable.

### THOUGHTS AND PONDERERS FROM SECOND VICE DISTRICT GOVERNOR STEVE LACEY

I know you have heard this before. It is so simple it may almost sound 'silly'. But one of the best answers to the question "how do we get people to join our club" is simply this: ASK THEM.

Like I said, I know this sounds 'simplistic' but I have seen it work time and time again. Case in point, I'm in the pool at my aqua aerobics class telling people about my experience at the LCI convention in Las Vegas. A newcomer nearby hears us talking about 'Lions' and says that she was raised in a Lion household in her homeland of Chile.

In fact, as a young teen she went to an International Convention when it was held in Atlantic City and she'd love to come to a meeting here.

Another example: two members of my club are moving and have recently sold their home. Walking around the house, their real estate agent sees all the Lions paraphernalia on the walls and comments on it. They start 'talking Lion'. A lunch is set up with the 'moving friend', his real estate agent and me. Guess who is coming to our next meeting?

I know there are many answers to the question of "how do we get people to join our club" but this is one of the simplest, easiest and best to use.

~ With "A Spirit to Serve"  
2<sup>nd</sup> VDG Steve Lacey

### CABINET TREASURER REPORT

**Club Treasurers:** You should have received an email or bill from LCI. If not you can go into MY LCI, Club, Statement/Dues. Please pay this bill to LCI as soon as possible.

At the June Treasurers Class we went over Club Treasurer's responsibilities. If you were not able to attend the class and receive a work book may I suggest you go over the information I emailed to you after the session.

Today I'm going to highlight the following: You must accurately maintain club financial records. Maintain all club checking accounts and ensure they are reconciled with the bank statements. Receive all funds that the club receives and deposit into the appropriate accounts. Pay all club bills and donations as directed by the club board of directors. Maintain membership accounts and bill members for dues as directed by the board. Attend all club meetings and provide a report to the general membership and board of directors when asked. Pay all Lions Club International and Multiple District Four (MD4) dues on time. Generally look out for the financial well-being of your club. It is your responsibility to let your club members know if they are not staying within budget or update your budget to reflect the actual spending. This process should help make your club a more efficient club.

Please call or email me if you have questions: [CADL8029@yahoo.com](mailto:CADL8029@yahoo.com) 714-716-9380.

### CABINET SECRETARY REPORT

Good Day to you all. The District Meeting on July 21<sup>st</sup> was a great start for this year for District Governor Randy. The first District Meeting was a great success and a lot of fun. Well, except for that little problem I had holding onto the bell and gavel. Who knew anyone would dare to take it at a District Meeting! We have not heard the end of this!! No, seriously, it was all in fun and a pleasure for me to chair this meeting. We were honored to Have Christie Cooper (who I called Cindy) from 4-A2 visit us, and what a great sport.

The MyLion app is still not up and working, but I will keep watching for it and keep you and all secretaries posted. Secretaries need to start (if you haven't already) posting activities on MyLCI. If you haven't navigated it yet, call me. I am glad to help. REMEMBER, you no longer have to send reports on to the cabinet. We can all easily pick them from MyLCI. I have begun to check the clubs on MyLCI and will begin to call club secretaries this week. DO NOT WAIT until next 30th or 31st to post your reports. That is too much pressure. We are all volunteers, so do your best and call for help.

I am starting to get the hang of the secretary email and MailChimp. Please send all and any flyers or information you want to get out to the entire district, presidents or secretaries to blast out to their club members.

Register and use the District Web Site. It is invaluable with so much information. Once you get the hang of it you will get so much from it.

Support other clubs fundraisers, make visitations and join hands in service. We are all here for the same thing....to help those in need.

It will be a fun year, together!

The Orange County Central Lions Club requested on July 17th, 2018 that District 4L4 reopen a special session of the 2018 district convention to consider supporting a candidate for International Director. This request was presented to the District Cabinet after following the guidelines set down by MD4 Constitution & by-laws committee. ## GLOBAL LEADERSHIP TEAM (GLT) UPDATE

### LEADERSHIP THROUGH SERVICE AND COMMUNITY EVENTS

How do you know if you are a leader? There is a pretty simple test question: "have you created a vision of something to be done, and then, followers have joined you to get it done?" If the answer is yes, then you are a leader. If it is no, then you aren't a leader yet. Don't worry, it is simple to be a leader, and it is also not easy.

John D. Rockefeller, the hugely successful US entrepreneur, said, *"Good leadership consists in showing average people how to do the work of superior people."* The same principle is true of Lionism as well. I will give you two examples of events which through service to the community, yields excellent returns.

First is the La Habra Lions La Habra CornFest, on August 2nd-4th. This event generates funds for both their admin and charity accounts via different mechanisms. They are warm, inclusive and supportive of other organizations, the business community and invite their fellow Lions to support, attend, or be a part of it. From their website, it was a single Lion that started this incredible, signature event, *"The La Habra Host Lions Club organized in 1947. One of its members, Bill Miller, was instrumental in helping the new club form a major annual fundraiser. Bill knew that Southern California had many transplanted mid-westerners and suggested that the Club start an old-fashioned corn festival."* Here we are, years later and now this event is entrenched in not just Lions, but La Habra and the surrounding community.

Next is the Seal Beach Lions 74th annual Fish Fry, which just happened July 21st & 22nd. It started with only a few members and has persisted and grown for decades. We even had the Canyon County (Thousand Oaks, CA) Lions Club executive committee come to the event to learn in their words, "the most successful Fish Fry in the US." Ironically, looking back through the minutes of the Seal Beach Lions Board of Directors, the following was said by Secretary Buell Brown in 1951, *"It is the only event of the year that brings the people of the town together for a good old fashion visit, and that one item make our Fish Fry a truly worthwhile Lions activity. The Fish Fry has never been operated with the idea of making any money, just friends, yet it has never failed to pay us for our effort, with a nice sum for the treasury."* In 2018, those words are still entirely accurate and relevant.

So, what are you going to ask new members or revitalize existing members? Try this, "what new service project or community event would be great for our town?" The answers might surprise you, and suddenly, a leader along with followers emerge.

~Yours in Leadership,  
**Seth Eaker**  
Global Leadership Team Leader

## DISTRICT LEOS ARE ROARIN' AND READY TO GO FOR 2018-2019!!!

Can you believe another summer is almost over? I know the weather says it is DEFINITELY still summer, but the school calendar says summer is over. Some schools start as soon as 8/8 while others can wait till the end of August. I miss the days of school starting mid-September. Well, I digress, but if you are involved with Leos, you feel the pain of school in August!!

This summer, the Leos of District 4-L4 were very busy with international events!

- Nine Leos from VBA Leos, Seal Beach Leos, and even one from Diamond Bar Leos attended the International Convention in Las Vegas. They had a great time and are excited to be not only Leos, but Lions when they turn 18, as some of them already have done.
- Madi Berry from VBA Leos and Rebecca Gomez from Seal Beach Leos represented MD4, 4-L4, and their clubs at the USA-Canada Leo Forum in New York from August 1-5. They made many contacts from around the world and want to share their enthusiasm with other Leos and Lions.

As for this year, the Leo District executive board met on Saturday, and they are excited for the new year!!! Some of their commitments to Leo Clubs in the district and to you as Lions include:

- Keeping you updated on our events so you can come out and support us.
- Having club outreach members so each Leo club will have a specific board member that will reach out to them about the club's needs and find ways to get each and every club in the district involved. (Please send me your officers and contact info so the outreach team can contact your Leos)
- Making the Leo District meetings and training valuable to all participants and including hands on service projects that Leos can take back and use with their clubs.
- Attending Lions District Meetings to keep you updated and for you to get to meet these fabulous youth.

Some of our upcoming events this year include but are not limited to:

- **September 22 9-9:45am Leo District Advisors Meeting** at the Garden Grove Lions Clubhouse. Please come to this important in-service. COFFEE will be provided!!
- **September 22 10am-2pm Leo District Leadership Training Seminar** at the Garden Grove Lions Clubhouse. Lunch will be provided. \$5 cost for lunch and supplies. Lions are invited to come see the fast-paced energy of these young leaders! Please encourage your Leos to attend. Sign-up sheet coming soon.
- Date to be Determined **Leo District Diabetes Community Outreach and Health Fair**. This will be different from any diabetes event you have attended because the Leos have planned it and FUN is involved!! Leos think outside the box!
- **November 11 1-3pm Veterans Letter Delivery and Veterans Day Visitation** to Long Beach Veterans Hospital.
- **November 24 7-11am Ronald McDonald House Breakfast** in Orange.

We will have sign-up sheets coming for the Leo District Leadership Training and Advisors meetings as well as for float decorating and Ronald McDonald House. Our Leos need to know Lions are supporting them. We also want them to make the bridge to Lions when they turn 18, so let's show them support! Advisors, please send me your club officers, email addresses, and phone numbers so your clubs district outreach person can contact your members.

Our Leos are more than just the worker bees for our Lion events, they are leaders, innovators, and ambassadors!! I am so blessed to be able to work with such a great group of young people!!!

## **2018 YOUTH EXCHANGE PROGRAM VISIT**

We just ended our YEP 2018 Visit on August 5<sup>th</sup>. I will have a detailed article next month with fun pictures, however I wanted to take a moment to thank some clubs for their continued support of this program.

A huge shout out to Orange County Central Lions Club for their generous support which helps keep this program going. This club is our BIGGEST supporter.

Another huge shout out to the La Habra Host Lions. The students were so thrilled to be part of the parade and loved the corn and funnel cakes. (Pictures will follow next month) Kathy Felix, I thank you for thinking of us for this.

A BIG THANKS to our two new host families: La Habra Host Lions Dan & Ofelia and Debbie. Thanks to Debbie and her daughter Angela the students were given the opportunity to go onto the field for the 7<sup>th</sup> inning stretch and sing "take me out to the ball game" in front of some fans. We will have pictures and more details on the fun night to follow in the next few months' YEP articles. For those that follow me on Facebook I know you saw many of the photos of our fun adventure with the students.

I thank everyone that came to the Thanksgiving in July event and to our District Governor Randy for carving the turkey. (Yes I have pictures-they will follow next month).

I want to thank my awesome committee members that help, support and even most of them host: Judy & George Schnitzer, Dan & Brenda Donahue, Lynn & Brenda Davis and Martha Hebert. We work hard each year to put a program together that the students will enjoy, learn and grow from. We have a survey at the end and gather information from them to continue to improve our program.

Please remember we offer fellowships for club support. I am working on an update to get out to the 2018/2019 directory as there were some changes last year to our fellowships due to the rising costs of plaques.

Thank you District 4-L4 for your support of this program as without you we could not continue this program.

~Diane Quinlan

## VOLUNTEERS NEEDED IN 4-L4

Become a California Lions Friends in Sight volunteer and help bring more vision screenings to District 4-L4.

### **Join the new District 4-L4 Vision Screening Team**

You and your team will be trained to handle registration, operate automated instruments, assist eye doctors, search from an eyeglass data base, help with inventory management, assist patients in selecting their eyeglasses, and even learn how to fit and adjust them.

The first event for the District team is a vision screening on Saturday, November 3 sponsored by the Garden Grove Host Lions Club. The Club will handle the event details. You and other 4-L4 volunteers will manage and staff the screening and eyeglass stations.

The hope is that this experience will inspire enough 4-L4 Lions to continue as a new team willing and able to manage and staff up to six screenings a year in your District.

## FOOTHILL REGION CHAIR BOB TERRY

Greetings Foothill Region and all of my other fellow Lions. Wow, wow, wow...did I say wow? What a great District Meeting we just had in La Habra on July 21<sup>st</sup>. 8 out of 9 clubs in the Foothill Region had representatives, and our 9<sup>th</sup> club, Western University, is not in session so by my own executive order, I am claiming 100% Foothill Region attendance at the meeting! It was so great to see all the "Celery Stalk" cabinet members pitch in to set up...sell raffle tickets...meet and greet...take pictures...and support District Governor Randy, 1<sup>st</sup> VDG Mark and 2<sup>nd</sup> VDG Steve. I personally went to every club in my region to meet the new presidents, secretaries and club members that I had not met before. The buzz about this new cabinet and their vision is nothing but positive and I just hope that I can support my region effectively and be there when they need me. I have such a great team with my zone chairs, presidents and secretaries that the Foothill Region will continue to thrive and prosper. Please "save the date" for the Cucamonga District Host, Ontario Host, Ontario-Upland and Upland Host joint California Friends In Sight vision screening in Ontario at the Senior Center on September 8<sup>th</sup> and Chino Valley's sight screening and health fair on September 22<sup>nd</sup> at Don Lugo High School. And before that event even happens, there is the Upland Host Fish/Steak Bake on Friday August 24<sup>th</sup>. And let me finish with these words..."Believe In Yourself. You Are Braver Than You Think, More Talented Than You Know, And Capable of More Than You can Imagine"...Roy T. Bennett

## FOOTHILL REGION ZONE A CHAIR JOEY AMARO

Cucamonga District Host Lions recently celebrated their 47th anniversary and induction of new officers for 2018-19 at the elegant Magic Lamp Restaurant on Route 66 in Rancho Cucamonga. Lion Tamara Martin sponsored the champagne reception while we all mingled and welcomed many guests. PDG Norm MacKenzie was the master of ceremonies and was assisted in the induction of new officers by PDG Sheila Casteel and PDG Elizabeth Warren. The theme of the evening was "The Year of the Woman" and Lions Sheila and Elizabeth passionately detailed the accomplishments and contributions women have made in Lions International. And it was only fitting that at the awards section of the evening, Lion Barbara Barclay "swept" the awards by being awarded Lion of the Year and a Melvin Jones Fellowship (progressive #3) during the ceremony. Lion Bob Terry will return as president again this term along with 1<sup>st</sup> VP Steve Lacey, 2<sup>nd</sup> VP Faye Hampton and Secretary/Treasurer Tamara Martin. We are dark in July and August, but we've already had one potluck in July hosted by Tamara and we will have another in August hosted by Lion Ed Dietl. There will also be an impromptu board meeting that day to discuss our strategy for our upcoming eye clinic in Ontario on Saturday September 8<sup>th</sup>.

## FOOTHILL REGION ZONE B CHAIR MICHAEL SHAW

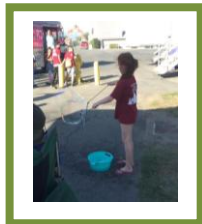

As the dust settles from our first District Meeting, the Foothill Zone B clubs are ready to serve. As we follow our governor's theme, "One Team One Dream," I walked away from that meeting feeling invigorated. I know how important it is to work together with one purpose; to follow one dream to serve. Bill Richardson said, "We cannot accomplish all that we need to do without working together."

Even though the Ontario-Host club was dark in July they celebrated their ninety-sixth year as a chartered club with an installation dinner and ceremony. PDG Ken Myers installed their new officers with humor and dignity. New club president Michael Shaw's theme is "Don't let the memories of our past limit the potential of our future. With new members and new ideas there is no limit to what this club can achieve."

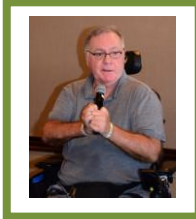

July was a busy month for Pomona Host Lions. On July 5<sup>th</sup> we began our annual service project at the Pomona Concert Band concerts at Ganesha Park. The concerts happen every Thursday through the end of August. At each concert we have two tables where we put out books from our Little Free Libraries collection. Attendees at the concert are able to take as many books as they would like. Also on July 5<sup>th</sup> President Anne Henderson was honored by the Pomona Chamber of Commerce at their annual installation for her outstanding service to the community of Pomona. (photo at left)

The annual Pomona Great Campout was held on July 20<sup>th</sup> to July 21<sup>st</sup> at the Pomona Fairplex. The campout is open to Pomona youth between the ages of 9 and 12 and is put on by the Pomona Police Department. Three hundred children attended this year's campout. Six Pomona Host Lions members and two associate members put in a total of 26.5 Lions hours working at the club's Giant Bubble Booth on Friday. The Lions enjoy the bubble booth at least as much as the campers, if not more. (photos at left) Seven of us attended the first District 4-L4 Meeting on July 21<sup>st</sup>. A good time was had by all, and we commend Cabinet Secretary Joan Parks for keeping the meeting on schedule and even being able to adjourn 15 minutes early. July 27<sup>th</sup> was the monthly Feeding the Homeless at the city's shelter at the Pomona Armory. Members of the club prepared the meal and served it to about 150 homeless men and women in attendance there.

At our General Membership Meetings, we heard guest speakers Tanya Willis, a personal injury attorney in Upland who has practiced both for an insurance company and in private practice, and George Kopiloff, Doctor of Physical Therapy at Casa Colina and our Second Vice President. Tanya talked about "Ten Ways to Hurt or Kill Your Personal Injury Case." George brought one of his patients with him to talk about the use of robotics in physical therapy, specifically an exoskeleton that allows the patient to stand and be able to have locomotion. Her name and photo were added to a perpetual plaque. New member Rubio Gonzalez was inducted into the club by PDG Gil Smith. Rubio received his badge from Anne Henderson, his sponsor. Additionally, Lion Ben Selters was honored as a Gold Centennial Member. Ben has been a member of Pomona Host Lions since March 1987 and has perfect attendance. (See photos)

On August 9<sup>th</sup> we will have our annual Club picnic at Ganesha Park before the concert begins. We wear our club shirts to make ourselves visible to the community.

**Western University Lions** are retuning back from their school hiatus and their new club present Jeremy Huang is looking forward to helping out again this year with the Diabetes Fair and Vision Screen in the Foothill Area.

#### FOOTHILL REGION ZONE C CHAIR MIKE PRESTON

The **Chino Valley Lions** started July with a bang! Both Chino and Chino Hills conducted their July 4<sup>th</sup> Celebrations. The Summer Concerts are in full swing, which means every Wednesday and Thursday evening all month found us selling our yummy ice cream to the assembled crowds. We also took our trailer to the Blind Children's Learning Center to provide ice cream to the students, families and staff for their Graduation Ceremony. We found time to squeeze in two Zone C meetings to plan our eyeglass clinic/health fair and sent members to the District Meeting, where Lion Drew Sasser was presented with the "Heart of a Lion" Award for his all-around contributions to the District. We turned in 500 pairs of glasses to be recycled and finished over 50 hand-knit adult caps for our Single Soldier Christmas Baskets to be assembled later this year. Several members attended visitations to **Fullerton Host** (our Host Club) and **Seal Beach Lions** for their Fish Fry. All in all, a very busy month!

The **Diamond Bar Breakfast Lions Club** held their two regular meetings and one Board meeting in July. President Cindee shared some wonderful news from Lion John Doogan. The scholarship to the Orphanages of Thailand in honor of Jack Tanaka was given to 150 orphans and five from the Slum District. They were also provided with clothes. A picture of Jack is in the school and temple. What an awesome way to touch so many children's lives. Discussion was held at all meetings regarding planning our Grandparents Day in August. The **Chino Valley Lions** will be participating as well. Also in August Lion Rosette as the Membership Chair will host a Membership Social at her home. Everyone is encouraged to bring one or more guests. We have the Diamond Bar Day at the Fair in September, Walk for the Hungry and Homeless, and the Zone "C" Health Fair. September will be very busy. We continue to support Inland Valley Hope Partners with their Farmers Market on Saturdays. President Cindee and Lion Karen attended the Zone "C" meeting at Zone "C" Chair Mike Preston's home on July 10<sup>th</sup> to plan for the "Health Fair" on September 22<sup>nd</sup>. We held an Old/New Board meeting at President Cindee and Lion Brian's home July 17<sup>th</sup> to plan for the 2018-2019 year and complete donations distributions from 2017-2018. Five Lions made a visitation to the **Walnut Lions Club** on July 19<sup>th</sup> at Applebee's. Six **Diamond Bar Breakfast Lions** attended the 1<sup>st</sup> District Meeting on July 21<sup>st</sup> at the La Habra Community Center. Our new member Katharina was a first timer at this meeting and received District Governor Randy McMillan's governor's pin and shield. Congratulations! Zone "C" Chair Mike Preston held a second meeting at his home on July 23<sup>rd</sup> to discuss the "Health Fair" coming up September 22<sup>nd</sup>. President Cindee and Secretary Karen attended the meeting. We are also working on our Leo Rubber Duck Race fundraiser and Leo Social in October. The Chaparral Leos, Lorbeer Leos and Diamond Bar Community Leos are dark for the summer. The Diamond Bar High School Leos will continue to have activities throughout the summer. Hope everyone had a Happy 4th of July!

At our last meeting in June, the **Walnut Lions** presented three - \$1,000 scholarships to graduating seniors from Walnut High School. We were able to meet and become acquainted with these outstanding students who are on their way to continuing their education. All three were accompanied by a parent or family members. We were extremely proud to be able to offer these awards. Two of our members represented our club at the first District Meeting on July 21<sup>st</sup>, President Karen Hormuth and Past President Becky Eskridge.

## ORANGE REGION CHAIR DR MARCELLA MCSORLEY

Whilst at the International Convention in Las Vegas, International President Lion Gudrun Yngvadottir taught us all a special Icelandic phrase “thetta reddast” which means that everything will work out, somehow, no matter how large a problem may be, through hard work, trust, and community. Her theme this year is “Beyond the Horizon” - - how do we build on our already impressive legacy? It’s simple. We do what Lions have always done. We get creative and reach within our communities, clubs, and selves to discover a new level of service. To quote from her inaugural speech, “There is always an obstacle. Lions change obstacles into opportunities.” I wholeheartedly agree. Many of us have thought about an amazing service project yet feel overwhelmed and don’t know where to start to achieve the seemingly impossible. If you target your destination and chart a new course, then IP Gudrun’s simple motivators will help you reach a service aspiration you’ve always dreamed of:

- Navigate with purpose
- Be strategic and comprehensive
- Be flexible to the need to change
- Be honest about your limitations
- Make your service goal a reality

The name Lions stands not only for fraternity, good fellowship, strength of character and purpose, but above all, its combination of **L-I-O-N-S** that heralds the true meaning of citizenship: **LIBERTY, INTELLIGENCE, OUR NATION'S SAFETY**. As we are in pursuit of Club, District, and Organizational excellence, I am so looking forward to serving alongside you with pride, compassion, and kindness! #kindnessmatters

## ORANGE REGION ZONE B CHAIR ALEXIS MORGAN

My name is Lion Alexis Morgan. I started my journey with Lions Clubs International nearly ten years ago. Though I did not become a member until five years ago, I was volun-told by my parents, who are also lions, prior to becoming a Lion. I chartered the Chapman University Lions Club while still in school, held the position of the charter president, club secretary and zone chair in District 4-L5. As a Melvin Jones Fellow, I am set to be a leadership example for the generation to come. I love to volunteer and spend my time helping others in need. I basically never stand still when it comes to serving! I hope you are ready to get your hands dirty with SERVICE during District Governor Randy McMillan's year!

The **Anaheim Lions Club** is trying a new format for their meetings. They have moved the meeting place to the Anaheim Family YMCA at [240 S. Euclid Ave., Anaheim, CA](#). The meeting time is from 7 PM till 8 PM, no food other than cookies and water. The dates have remained the same.

**Chapman University Lions Club**'s students have been taking a break from school and will return to regular meetings and serving Orange once the semester starts back up. Local students may volunteer at a couple upcoming events, including the International Street Fair.

The **Orange County Central Lions Club** gained two new members last month with a possible 1 or 2 new members coming in the month of August. They are preparing for their big fundraiser-The Orange International Street Fair in downtown Orange, August 31<sup>st</sup> to September 2<sup>nd</sup> (Labor Day Weekend). They are asking for help (maybe three hour shifts) all three days. PDG Judy Schnitzer is hosting one Exchange Student from Italy. DG Randy McMillan will be visiting our club at our August 15th meeting.

## ORANGE REGION ZONE C CHAIR CRAIG DURAND

The **Seal Beach Lions** produced another fantastic Fish Fry on July 21-22<sup>nd</sup>. Many cabinet members and other clubs joined in the fun!

Greetings from **Greater OC Lions**! We began the new fiscal year with a great installation of officers party at one of the member’s homes. We were honored to have PDG Mike Scheafer installing everyone and having Lion Sandi Scheafer assisting. Our best surprise was that we also inducted two new members, Michael and Kendal, into the club. After a great BBQ, many of us cooled off in the pool and enjoyed a great time socializing with family and friends. On August 25<sup>th</sup> plans are set to have an admin fundraiser Bingo Night at President Chris Barr’s home. The club started off with zero funds in any account and a tax liability from the old Westminster Club, so the club is busy planning on ways to earn money for charity as well as administration. We invite all of District 4-L4 to come out, enjoy a night of Bingo and Desserts, and help our club get on our feet. Support from the district is always greatly appreciated. Greater OC Lions have some great plans coming up including cooking at Ronald McDonald House, working a booth at the Costa Mesa Fish Fry, and attending other Lions functions plus a trip to Amber’s Light Lions Club in Carpinteria. Currently many members are hosting several Youth Exchange Students which is always a fun-filled couple of weeks. Keep an eye out for Greater OC! We are building a strong club and are looking forward to a fantastic year!

## SADDLEBACK REGION CHAIR JOHN ULRICH

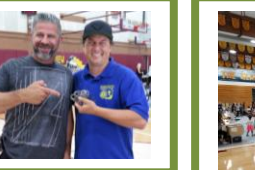

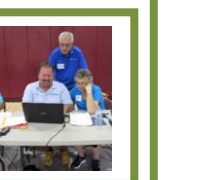

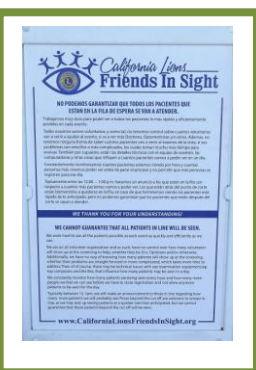

### SADDLEBACK REGION ZONE A CHAIR MARIANNE HAHN

The **Harbor Mesa Lions** were happy to welcome their Twinning Club member Cape of Good Hope Lion Yvonne Poyo back to Southern California. Lion Yvonne has been visiting our club and district for several years when she comes for a few months to spend time with her daughter Melanie and her family. She is always happy to "join hands in service" with us and with other clubs and agencies while she is here. **Harbor Mesa Lions** Sue Seager and Cathy Waters took Lion Yvonne to the **Greater OC Lions** Dining for Dollars fundraiser at BJ's Brewhouse in June. There they met up with other Harbor Mesa Lions including Lions Sandi Scheafer, Terri Stoker and Dalila Vaden (with friend Betty Oosterhoff). It was a joyful reunion!

Lion Yvonne joined several of her mates from South Africa to enjoy the Lions International Convention in Las Vegas. Yes, it was hot!! But Lion Yvonne and company proudly marched in the Parade of Nations. They were quite the colorful assembly! Since she and her family are regular visitors to "Sin City" she enjoyed showing her club members around town. She also was a big fan of the exhibition hall with all the Lion tchotchkes and paraphernalia to purchase. She just visited our club meeting last week where she got reacquainted with DG Randy who was there to induct two new members! And she is looking forward helping with our School Box Project in September.

The **Huntington Beach Host Lions Club** sponsored a free vision screening and gave out nearly 100 pairs of glasses to residents on July 28<sup>th</sup> at Ocean View High School in Huntington Beach. This is a program conducted by California Lions Friends in Sight which provides free vision screenings and recycled eyeglasses throughout Southern California and Northern Mexico. Everyone is welcome, especially those who cannot afford to purchase their own glasses. The vision screening does not replace the comprehensive eye examination that you obtain through your doctor's office. It does assess eye health concerns and provides a useable pair of recycled eyeglasses until professional services can be affordable. Members of several other clubs in District 4-L4 volunteered and were in training to help at other screenings. They included **Greater OC**, **Harbor Mesa**, **Laguna Niguel**, **La Habra Host**, **Tustin Host**, **Orange County Central** and **Seal Beach**. Past President Scott Quinlan organized and chaired this event for the club. He stated, "Even if only one person came away with glasses today, this event is a success, this is what being a Lion is all about, serving our community and individuals in time of need."

### SADDLEBACK REGION ZONE B CHAIR MORGAN HUANG

On July 15<sup>th</sup> the **Chinese American Lions** gathered 160 people, including DG Randy McMillan, 1<sup>st</sup> VDG Mark Piva, 2<sup>nd</sup> VDG Steve Lacey and the Director of Taiwanese Economic and Cultural Center, Linda Young, at the Golden Sea Restaurant to celebrate their Annual Meeting and Installation of Officers. DG Randy installed Club President Fay Huang and all of the incoming officers. Guests from around the Taiwanese Community joined the celebration. Reporters from Chinese Mass Medium came to report this event to the Taiwanese community, including the World Journal, Pacific Times, Epoch Times and Taiwan Times. New President Fay Huang gave a speech informing the guests about what Lions Clubs have done for the community and how Lions Clubs International has improved the world. She also asked the guests to join the **Chinese American Lions Club** to devote and service the community. (please see the photos on the next page)

On July 21<sup>st</sup> President Fay and Secretary Morgan attended the first District Meeting where Lion Morgan was installed as the Saddleback Region Zone B Chair. The Chinese American Lions are looking forward to a wonderful year of 2018-2019!

## THE CHINESE AMERICAN LIONS CELEBRATE THE START OF THE NEW LIONS YEAR!!

The **Tustin Host Lions** are very proud of their history and their relationship with the City of Tustin. Longtime Lion Tony Coco (he joined in 1976) wanted District 4-L4 members to know that 31 **Tustin Host Lions** have been named Tustin Area Man or Woman of the year, including the very first Tustin Man of the Year, Lion Jack Hall, who was a charter member of the club in 1948.

Please read his article below.

**TUSTIN HOST LIONS CLUB**  
PO Box 66 Tustin, CA 92781

### TUSTIN HOST LIONS CLUB EXCELS

The most current issue (Spring 2018) of the Tustin Area Historical Society (TAHS) newsletter "HERITAGE" trumpets a scoop of all media regarding the identities of the two newly honored Tustin Area Man and Woman of the Year. Co-authored by TAHS President Gretchen Whisler, the article notes that among past and present TAHS board members and charter members/founders, a large number of them have been selected also as Men and Women of the Year Committee (TAMWYC) Life Members.

Very close to home, the Tustin Host Lions Club (THLC) is proud to list its many members and officers who have been likewise honored at the annual TAMWYC Selection Meeting through the years. They include Jack Hall, who was not only a charter member of Tustin Lions, but also the very first (1957) Tustin Area Man of the Year. As one of a half-dozen or so fine service clubs in Tustin, THLC is in the top tier of members who are TAMWYC honorees.

In chronological order, our 31 Lions who hold the permanent title of Tustin Area Man or Woman of the Year are:

Jack Hall, 1957;  
Pete Berlin, 1964;  
Gerald Mack, 1968;  
Ken Lovell, 1972;  
Walt Fredriksen, 1974;  
Stephen Schuster, 1979;  
Cliff Polston, 1983;  
Victor Gorham, 1993;  
Beverly Barrington, 1998;  
Gary Siegel & Judy Schnitzer, 2001;  
Ken Henderson & Patti Winter, 2006;  
Lowell Sneathen, 2010;  
Amy Nakamoto, 2014;

G.O. Bixler, 1961;  
E.R. (Gene) Thomas, 1965;  
Lou Gerding, 1969;  
Frank Greinke, 1973;  
A.J.(Tony) Coco, 1976;  
Arthur Peterson & Cherrill Cady, 1980;  
Eugene Thomas, 1989;  
Alden Baker & Kathy Kelley, 1995;  
Jack Shafer & Marisa Charette, 1999;  
William Hammerle, 2003;  
Walter Sullens, 2009;  
Christopher Barr, 2011;  
Susan McIntosh, 2016.

Just more evidence of the influence your Tustin Host Lions Club has had on the growth and prestige of the greater Tustin area through the decades.

## SADDLEBACK REGION ZONE C CHAIR PATRICIA COLLISSON

The Laguna Niguel Lions are finishing up the month of July looking forward to a successful 2018 as we prepare for a new year of activates dedicated to community service. The club finished up last year with a total of 13,350 glasses and 2300 cases collected to forward to California Friends in Sight. We are kicking off the new year for July with close to 2,000 glasses collected and hope to surpass the past year's total. We enjoyed a presentation from California Friends in Sight and received a nice understanding of the overall program. We are scheduling several Vision Clinics starting with event at the Lighthouse Church in Costa Mesa and several other locations though out the year. Member recruitment continues to be important priority during the coming year and will continue into the coming months. We added one new member this month and will be focused on a 20 percent target increase for the year. President John Ulrich created a recruitment video to be presented to the Laguna Niguel Chamber to encourage membership and partnerships with the several community service organizations within the city. We are meeting up with the middle schools in Laguna Niguel to kick off the Peace Poster contest in the weeks ahead. We have had great success in the past and expect to generate excitement to with our young artists. The club is looking to initiate several fund raisers as we start the new year partnering up with several restaurants in the area that donate a portion of the revenue for the day. The club came together to partner with the Niguel Botanical Preserve during Earth Day and volunteer days each month. Laguna Niguel Lions provide supervision and advanced event preparation of every description that contribute to each event success. As the Club President and a board member of the Botanical Preserve are also Lions, the partnership continues to grow as we work closely together during each organization's community service projects. The Laguna Niguel Lions Club is now working with a Club Branch relationship with the Laguna Beach Riviera Lions. We are making nice progress as we started with 5 members and are currently at 12. We expect a solid and productive partnership with mutual assistance and idea sharing that eventually will result in Laguna Beach Riviera Lions as a full club as we will meet our mutual goal of a 20 member mark during the first half of the year.

VISION FOUNDATION

This vision screening is not meant to replace a comprehensive eye examination and refraction that you obtain through your eye doctors office. The vision screening is designed to assess for ocular health concerns and provide a useable pair of recycled eyeglasses until you can obtain the professional services and ophthalmic materials on your own.

*From PDG Matt Hunyadi: Last week the Camp hosted Lions Wilderness Camp For Deaf Children serving a total of 110 deaf/hard of hearing kids and staff. For those of you who have not been to Lions Camp, you should come to their Open House on Saturday, September 8th from 9:00 AM Breakfast to Lunch at Noon to 4:00 PM closing. You can participate in all camp activities if you want or just tour the Camp (check out Cabins #1 and #2 that we adopted) and hang out and enjoy the beginning of Autumn in our gorgeous corner of the Angeles National Forest. Save the Date. Nancy, Erzs and I will be there selling raffle tickets. So bring your \$\$\$! -- Matt*
