A MESSAGE FROM DISTRICT GOVERNOR RANDY MCMILLAN

I would like to say to all of our Lions and their families **Merry Christmas and Happy Holidays!** This is the time of year to spend time with family and those that are important to you. It is also a time to look back on the things **YOU** have accomplished this year. Think of those that you have served and helped to have a better life. The joy you have brought to those in the community with your service projects. The feeling you get when you serve as a Lion. The smiles you have brought to the children and adults you have helped.

The first six months of our year has been filled with lots of service projects and exciting fundraising events which benefit our communities and as we go into 2019 let us continue to accomplish all of our goals for the year in service.

To all have a Happy and Safe Holiday Season!

WE ARE ONE TEAM ONE DREAM, LIONS IN ACTION TO SERVE!

**~District Governor Randy McMillan
WE WORK FOR YOU – Just sayin!!!**

A MESSAGE FROM FIRST VICE DISTRICT GOVERNOR MARK PIVA

Happy Holidays Lions! “The Party Line” I spent a lot of time at my grandparents’ house growing up. And as most young children, whenever the phone rang I ran to pick it up. Unfortunately, it wasn’t always a call for my grandparents. Back then they had a party line phone, which meant they shared a telephone line with another phone customer. Depending upon the type of ring, the incoming call was either for you or the other party. And it was common to wait to make a call until the party on the other end completed their call. My parents were part of the modern age and had a single line phone. No waiting for us.

Over the years, we have all experienced a lot of technological and social changes, some good and some not so good, depending upon our personal values and lifestyles. When I left home for college, I asked for an electric typewriter. Not that I was able to type, only now I would be able to not type faster. While at college, I charged fifty cents a page to type papers for other students and \$1 per page if I needed to use carbon paper. When erasable bond came out, we all thought it was a miracle. If I made a mistake typing, all I had to do was erase it away. This was followed by liquid paper. I was living in the fast lane now. Then the 1980s came along and I was introduced to the personal computer. Things haven’t been the same since.

As we all get a bit older, we sometimes lament the “good old days.” And some of us take an enormous amount of pride if we leave our mobile phones at home for a day. Others get hives. Like most technological and social changes, they have their good features and their bad features. It is our choice how we use the technological tools we have today, and how we respond to social changes. It is our choice to look for the silver lining or to accept the dark cloud of gloom.

I do not miss the party line phone, but I miss my grandparents. And I know for them the phone itself was a life changing event. It shook up their world and allowed them to converse with relatives across the street or across the Atlantic to Portugal (their native country). As we celebrate this season with our family and friends, let’s take a moment to consider how our lives have benefited from these changes, and remember that whether these changes are good or bad is determined by how we respond to them.

A MESSAGE FROM SECOND VICE DISTRICT GOVERNOR STEVE LACEY

I am sure that most people these days are wondering 'where did the year go?' Is it possible that Christmas is but a few days away, and a new year set to begin shortly after that? I feel that way about many aspects of my life, including the first six months in my role as 2nd Vice District Governor. How can this year be half over already? Then I look back at everything that I have had the opportunity to do in regards to Lions International in those six months. At that point, I am amazed how there was time to fit all the events and activities in.

I have attended the Tustin Tiller Days, the La Habra Corn Fest, the Seal Beach Fish Fry and the kickoff for the Silverado Days, just to name a few of the 'big' fundraising activities I have been a part of. There were training events such as our own Leadership Forum and my great experience at the USA/Canada Forum (this past year held in Columbus, Ohio). But that is just the start of what these six months have seen. Service projects such as a Vision Clinic sponsored by California Lions Friends in Sight in connection with our Foothill Region Clubs and club visitations, nearly twenty of them so far...as Randy, Mark and I do our best to visit, greet and inspire the Lions in each club that makes up District 4-L4. Throw in three Region Meetings, a couple of District Meetings, and the chance to attend two different sessions of the Council of Governors (one in Santa Maria, one in Visalia), and you can see it has been 'quite a year' (and we are only six months in).

So why do I tell you all this? To encourage you to do the same: *Get Out and See the Lion World Around You!* I know your individual clubs do a great deal in terms of social, meeting, service and fundraising events. But it is not until you get out into our District (and beyond) that you get the full impact of what Lions are doing in our community, our state, the world. There is so much to learn from seeing what other Lions are doing. So much inspiration to receive when you view first hand that you are 'not alone' in this work you do. Support to be given to these other clubs, and support to be gained for your own activities. So let me say it once again, *Get Out and See the Lion World Around You!* I can promise you that you will be glad that you did.

~ *With A Spirit to Serve*
2nd VDG Steve Lacey

CABINET TREASURER REPORT

This time of year we are thinking of the Christmas Holidays. There are parties to attend, cookies to bake, presents to be bought or made, visiting with family and friends, sending out cards, volunteering at soup kitchens, donating food to shelters. **Then there is the reality of the season...BILLS still must be paid. To the Club Treasurers who have paid their Dues/Invoices Thank you! Thank You!** A reminder to the Club Treasurers who have not paid their first 6 months dues and supply orders to LCI and/or MD4/4-L4 - your club will not be eligible to vote at the upcoming MD4 Convention or hold a Club Level Student Speaker Contest.

Our District operating expenses are based on receiving the dues money. Please Club Treasurer, if you know you haven't sent in your dues to LCI/MD4/4-L4 do it now. I've sent reminders to those clubs over the last two months. It is very important that each and every Club pay the bills/invoices they receive from LCI and MD4 when they are received. Please call or email me if you have questions. CADL8029@yahoo.com 714-716-9380

CABINET SECRETARY REPORT

Another great month of reporting by our District 4-L4 Secretaries! October was outstanding. Thank you. Being in the middle of the holidays, I know that we are all very busy, but please get your December reports in. I would say November too, but by the time the Forum goes out, it will already be December. Please continue to work on your club information on the LCI website. Go into MyLCI and clean up your members' information, especially the email addresses. We are able to send out emails twice a month through MailChimp to every Lion in District 4-L4. Also, LCI has changed things up under member information and now requires that we put full birthdates in. Please work on this as you can, we would like to get District 4-L4 ahead of the game. You will notice the dates all have 1/1/xxxx. These need to be corrected. Some secretaries have already taken care of this, but I would ask the rest to get onto this. Also, in some cases there is bad or missing information highlighted in red. Please correct these items also.

There are a couple of things coming up in the new year that secretaries need to be aware of and make sure your are on board and your club takes care of. The **first** being the Melvin Jones Dinner on January 13th at the Orange County Mining Company. This is a wonderful celebration for District 4-L4 Melvin Jones Fellows. Make sure your club's new fellows are celebrated and join in on this wonderful evening. The **second** is the MD4 Convention February 8-10th in Sacramento where our own Lion David Radtke is a nominee for International Director. He is our state's best Lion for this job. So get the vote out, sign up for the bus to travel up there and get your delegate forms in (to be sent to clubs soon). **Third**, the date of our third District Meeting is January 26th (see the flyer in this issue) in the Saddleback Region. And **fourth**, encourage your members to register and to use the District Website. It is an invaluable tool for all of us. Once you get the hang of it you will get so much from it.

I want to wish each and every one of you the happiest of holidays.

~Lion Joan Parks

Hello Lions,

I want to thank you for your support and enthusiasm in making this Lions year exciting and fresh. You have embraced the idea of serving while having fun. I am proud to work for you as your District Governor.

This February 2019 is an important opportunity for our District to have a voice at Lions International by endorsing Past Council Chair David Radtke for International Director. International Directors sit on the Lions Club International Board of Directors working to set policy and direction for our association. David's focus is to bring the exceptional work of California Lions to the attention of his colleagues on the Board and to promote our efforts to take Lions into the next century of service.

This is a great opportunity and honor for our District to have one of our own sit on the International Board of Directors. While an International Director may seem like another ceremonial position to the everyday Lion, the International Director actively takes part in setting the course for our association worldwide.

I am asking you, District 4-L4 Lions, to help David reach this goal. The Multiple District 4 Convention is the next step on David's journey where he is seeking the endorsement of all California Lions to represent us. The convention is being held February 8 – 10 at the Doubletree Hotel in Sacramento. It is the 100th Annual Convention for Multiple District 4.

There is another Lion running for this position from the Northern California area. Since the convention is being held up north, it is critical we have as many Lions from our area as possible attend the convention and vote for David.

Please see the convention registration and information forms below for you to sign up for the convention. We have arranged for a bus to take those wishing only to go and vote. The bus leaves on Saturday, February 9, and returns home on Sunday, February 10, after the voting on Sunday. The cost per person to take the bus is only \$25 roundtrip. To vote you need to register for the convention and book a room at the hotel. The bus information is also included below.

Each club in the District is allowed delegates based on the number of members as of December 2017. Consider sharing a room with two or more Lions from your club and let's show Past Council Chair David our support.

One Team – one Dream

California Lions
FRIENDS IN SIGHT

COMING TOGETHER IN 4L4

The Mission: Restoring Vision – Preventing Blindness

The new California Lions Friends in Sight 4-L4 volunteer team came together on Saturday, November 3rd in a big way. Despite a disappointing turnout of patients and lots of downtime at every station, everyone remained positive and optimistic about the future. Our team arrived early and really pitched in with unloading, set-up, and teardown. We had zero “No-Shows” and the support from other 4-L4 Lions leaves no doubt that we will field a full 4-L4 team for all 2019 events.

Mark your calendars:

April 13, Tustin

June 1, Chino Valley

June 8, Location TBD

July 27, Huntington Beach

September, 8 Ontario

We want to thank the Garden Grove Host Lions Club for hosting this first-ever District-Exclusive California Lions Friends in Sight vision screening.

You can visit the event's patient data and volunteer attendance at <https://clfis.info/11-03-2018-vision-screening-garden-grove-ca/>. This information is routinely posted on our website. Click on Host Organizations & Volunteers at the bottom of any page and enter the password *weserve*

FOOTHILL REGION CHAIR BOB TERRY

Greetings Fellow Lions. With December sneaking up on us, I hope that everyone has a joyful holiday season in whatever way you choose to celebrate. Whether it is lighting eight candles, hanging your tree from the ceiling or putting up a pole and airing your grievances...that's what makes this country so great because we are FREE to worship as we wish. November was a very busy month for Foothill Region clubs as you will read in this month's Forum. One great event that I witnessed, along with Governor Randy and 2nd VDG Steve, was the dedication of the Freedom Tree sponsored by Upland Host and Ontario-Upland clubs, respectively. It was a long, frustrating endeavor but these clubs persevered and held a great ceremony outside Upland City Hall. At Cucamonga District Host's last dinner meeting, two new members were inducted, which I believe put our 4-L4 number at 1300. The two new members are husband and wife, and their sponsor is 2nd VDG Steve Lacey, with a HUGE assist from PDG Jon Casteel. And rumor has it that a new member will be inducted in January when Cucamonga gets their Governor's visitation. So great news all around the Foothill Region and so many service projects are in the works with Ontario-Host, Chino Valley, Upland Host, Ontario-Upland, Diamond Bar, Walnut, Pomona and Cucamonga District Host all making a huge difference in their communities. And as we remember the tragedies lately in Thousand Oaks, Calabassas, Malibu and Paradise, and the first responders and everyday heroes, please reflect on these incredible words by Winston Churchill, "FEAR is a reaction, COURAGE is a decision."

FOOTHILL REGION ZONE A CHAIR JOEY AMARO

Cucamonga District Host Installed two new members, Mike and Lisa Mucino, and handed out donations to Jimmy Totaro of Rising Stars and David Garry of Lions Camp at Teresita Pines.

Ryan Orr, Lion Michael Bailey and Lion Tony High also participated with Operation Community Cares along with County Supervisor Janice Rutherford.

Ontario Upland Lions continued their holiday tradition with their 5th annual miniature decorated Christmas trees project. Each year members and family guests get together at a member's home to decorate Christmas trees to give to a local assisted living facility. The photos below show a panorama of all 27 decorated trees, all of the attendees at our event on November 29th and a photo of the following day when we delivered the decorated trees to Bella Vista Healthcare Center in Ontario. Ben, Activities Director, and Carmen, Admissions Liaison, were very excited to be able to provide the trees to their residents.

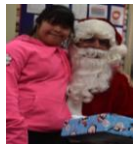

FOOTHILL REGION ZONE B CHAIR MICHAEL SHAW

"Learn to light a candle in the darkest moments of someone's life. Be the light that helps others see; it is what gives life its deepest significance." Roy T. Bennett Foothill Zone B is spreading its light in several ways throughout this holiday season. The Ontario-Host food-basket program will help over two hundred families by providing each family with over 60 pounds of food. Pomona Host will join "The Pomona Express Christmas Parade" and will put up their new pop-up at the Shaun Diamond Plaza where members will hand out flyers with information about the Lions. They are also making Christmas brighter for needy children by donating toys to Santa Cop and the Kennedy Austin Foundation. Finally, they are volunteering to work decorating the Lions Float at the end of December.

Western University Lions will be out for the holidays and when they return will once again help with sight and vision screenings around the area. On a personal note, I want to wish all of you a very blessed Christmas and a very *happy New Year* and pray this holiday season brings you good health and a generous heart. The New Year is a new beginning of thoughts, of words, and of service to your family, friends and communities. Lion Michael

What an exciting end of the year for the Ontario-Host Lions. We took the Lion motto to heart, "Where there is a need there is a Lion." These words could not ring truer as our Ontario-Host Lions help serve not only their community but others as well during this holiday. The club spent the day with the elementary students at the Lincoln School in Ontario. The school has one hundred and thirty-five special needs students and thirty-five of the upper grade's students were given a very exciting day starting off with a catered lunch and a visit from Santa. Santa was able to greet each of these wonderful students with a hug and gift taken from their wish list. Holiday songs were sung and smiles were everywhere making the day so special it tugged at your heart. Spending two evenings packing over two hundred banana boxes with food was worth the work for our Ontario-Host Lions. With the help of members from the Chaffey Leos, the College Branch Club and local volunteers, they were able to provide over one hundred and ninety needy families with food that should last throughout the holidays. It truly was a wonderful way to end the year.

FOOTHILL REGION ZONE C CHAIR MIKE PRESTON

The Chino Valley Lions had a very productive November! Our Scouts did their monthly roadside cleanup along Grand Avenue, collecting nine large bags of trash. A very long, busy day at the Chino Band Review produced the largest single-day fundraising total yet for our Ice Cream Trailer! The warm weather helped a lot. We were privileged to provide mini grants (under \$500) to nine teachers in the local school district for project supplies and tools to enhance their classrooms. They each gave enthusiastic descriptions of how the items will be used. We delivered another 115 hand-knit baby hats to the Pomona Hospital nursery. This brings the total to more than 2000! We are in the final stages of gathering gifts to fill 50 Christmas baskets to be delivered to Camp Pendleton next month. The Club has sold more than 100 tickets for our Tahoe Joe's fundraiser. Finally, we would like to share a poem written by Charter Member Carole McCleary in December of 2015:

Chino Valley Lions Club

It's two weeks 'til Christmas, and around Chino Hills,
People are shopping and running up bills.
Buying I-phones and I-pads, or maybe a drone.
Without a thought that some might be alone.

Families are hungry, children need glasses!
Time for the Lions to get off their SOFAS
And help collect food for Isaiah's Rock,
'Cause this time of year they run out of stock.

Some have so little, others so much.
Lions bridge that gap, so we never lose touch.
Some want lots of presents, or the tallest tree.
Lions help people who just want to see!

We work hard all year, selling yummy ice cream
So we can fulfill some homeless kid's dream
Of owning a backpack, or just socks that match
While his family gets through a really rough patch.

We have fun together, we serve the community,
We build strong friendships, and promote world unity.
So join us this year, as we keep on tryin'
To live our new motto:

Where there's a need, there's a Lion!

The **Diamond Bar Breakfast Lions Club** held two regular meetings and one board meeting in the month of November. Our only guest at the first meeting was Mom Chang. Lions attended the Diamond Bar Veterans Recognition Ceremony at the Diamond Bar Center on November 7th. Two Lions worked at the farmers market on November 10th. Lions also supported **Ontario Upland** with their Outback fundraiser. The food was delicious and it was great seeing Lions from other clubs at the event. The District Governor visitation was on November 19th. The club was honored to have District Governor Randy McMillan, 1st VDG Mark Piva and 2nd VDG Steve Lacey visit our club. DG Randy and Cabinet presented chevrons to Lion Sergio (35 years), Lion Edward (10 years), Lion Brian (20 years) and Lion Steve (40 years) for being in the club for ten or more years. Congratulations! It was a great meeting. Two Lions and one DB Community Leo helped at the Ronald McDonald House cooking breakfast for the families. The Leos were busy as usual. They wrote thank you letters to the Veterans which were delivered to the Veterans Hospital in Long Beach. They helped at the farmers market, had a canned food drive and volunteered at the LA County Farm Day. We are now planning our activities for December. Happy Holidays to All!!

At our November 1st meeting, the **Walnut Lions** received news that the **Chino Valley Lions Club** would be donating baskets for Camp Pendleton soldiers who cannot be home for Christmas. Included in the basket would be blankets for the soldiers and these would be presented in the names and in honor of **Walnut Lions Club** members who are veterans: Bill Hormuth, Jack Keating, Jerry Heffern, David Eskridge, Larry Howard, Fred Espinosa and Kirby Holte. Each veteran in attendance was then given a handmade card which read "thank you for your service." For our November 15th meeting, our club met for a social media in-service where a club webpage was created. The **Walnut Lions Club** is now accessible through Facebook at: www.Facebook.com/walnutlionsclub. We invite everyone to go online and view our new site and see what's happening with the **Walnut Lions Club**.

November was a month of activity at the Garden Grove Host Lions Clubhouse. The club hosted a District 4-L4 Vision Screening Event at its clubhouse on November 3rd. While turnout was relatively light at 55 patients, enthusiasm was high as this was the initial screening relying primarily on the efforts of Lions volunteering solely from clubs throughout District 4-L4. The photos below show the volunteers setting up for the screening activities. The Clubhouse was also the site for initiation of new members of both the Bolsa Grande High School and Garden Grove High School Leo Clubs. Garden Grove Host Lions club member Chuck Lake, Advisor to both Leo Clubs, conducted the ceremonies to welcome 35 new Bolsa Grande High School Club Leos and 65 new Garden Grove High School Leos. New Officers for 2018-19 for both Leo Clubs were also installed. The photos below show the celebration of new members for both clubs. The Bolsa Grande High School Leo Club is in its fifth year of existence while the Garden Grove High School Leo Club is in its third year.

Greater OC Lions held an amazingly successful event chaired by Lion Ann Sansoucie! It was incredible to see the generosity of folks who donated to the food drive outside of Von's Groceries on November 10th. Many people also took flyers and discussed diabetes awareness with our team of eager Greater OC Lions! What a great day of giving back to our community! We helped people understand diabetes issues as well as fed hungry people at the Orange County Rescue Mission. Orange Zone Chair Craig Durand stopped by and delivered eight bags of canned goods himself. His support was greatly appreciated! A total of 232 pounds of food was collected. Outstanding! Please enjoy the fun photos taken at the event.

Harbor Mesa Lion Laura Bejerano travelled to South Africa in November to visit our twinning club, The Cape of Good Hope Lions. She enjoyed visiting the local Lions clubs and the country with our friend, Cape of Good Hope Lion Yvonne Poyo.

Laura was also able to attend their club's 60th Anniversary Jubilee where they celebrated their many accomplishments and honored 98-year-old Harry Myers, the only remaining charter member of the club. He was among the club's 27 current members awarded as part of the celebration for their commitment and dedication to serving the community. Their club is very diverse with members of different religious, cultural and racial backgrounds. And it is the third oldest Lions Club in the Western Cape. 108 guests attended the celebration.

Huntington Beach Host was very proud to honor three of its members with Life Membership Awards in November. Two were awarded the same night as the Governor, 1st VDG and 2nd VDG, along with a few Cabinet members visited the club. Those two were Lion Hank Lopez who has been a member for 37 years and Lion Doris North who has been a dedicated member for over 19 years but served for many years previous to that when her late husband, Jim North, was the District Governor. The third Life Membership was awarded at the second meeting in November to Joe Whaling who has been a Lion and member of the club for over 40 years. All three have served as President and other offices, along with chairing and participating in our service projects and fund raising events. Governor Randy also brought along the chevrons from International for the following: Lion Ken Tanaka, 30 years; President Carol Van Holt, 25 years; Lion Joan Siegal, 20 years; and Lions Ray Walls; 2nd VDG Mark Piva; Scott Quinlan; and Debbie Karlson, all have been Lions for 10 years. Several members cooked and served a tri-tip dinner at the Ronald McDonald House in Orange on October 30th. This was chaired by Lion Joan Siegal. Along with Joan were President Carol, Lions Mickey Mann, his wife Karrie, and a friend of Joan's, Carl Eggers, who was the grill master. Many thank you's were given as the guests enjoyed the dinner. It is always a memorable experience for those who serve meals to these families.

The **Chinese American Lions** joined with the Taiwanese community to celebrate Thanksgiving on November 23rd in the big ballroom of the Marriott Hotel in Irvine. The newly crowned 2018 Singing King, Lion Ben Wu, and Singing Queen, Lion Debbie Chen, both performed a beautiful song to the 400 member audience. Lion Sandy Chu together with Emma Kuo from the Orange County Taiwanese Association performed a Chinese Huang Mei Tune song and won the Karaoke Championship at the celebration. A good time was had by all! Lion President Fay Huang volunteered to be a math tutor at the Santa Ana Prime School once a week to teach students in need. She shared her experience that "students sacrifice their recess and running to attend this math tutor class. It's so nice to be with students who are eager to learn." Lion Morgan attended the 2nd District Leadership program on November 14th at the Garden Grove Lions Club House. AASCSC, Asian American Senior Citizen Service Center, will host a New Year's Eve Charity Gala on December 31st. This is their annual fundraiser for their organization which serves seniors. Please see the flyer in this issue.

Annual (occasionally) Holiday Golf and Fun Fest!

DECEMBER 27, 2018 – 8 a.m.
