A MESSAGE FROM RANDY MCMILLAN, FIRST VICE DISTRICT GOVERNOR

What a start to a new Lions year with our fabulous Melvin Jones dinner and awards ceremony at the Orange County Mining Company. PDG Bob Susaeta did an outstanding job setting up this great event. The award recipients and attendees had a very nice time. Congratulations to all of the Melvin Jones award recipients. February kicks off a lot of club fundraisers in the district and it is a great time to visit their clubs and show support for their events. Joining hands to help each other makes a stronger Lions family.

Also do not forget to support our Leo clubs and any projects they may have. They are our future members and leaders. Service projects and fundraisers should always be a fun experience for all. Work hard and remember we are all "Volunteers in Service" to our communities. "Just Ask" someone to come and join the Lions and share in the experience of service to those in need. The more members, the more people we can serve. The Ronald McDonald House Walk For Kids will be April 8th at the Honda Center. Join the Lions Super Heroes Team. See the flyer in this issue of the Forum. This is a district project so come out and support our team!

Lions Super Heroes

Welcome to our 2018 Orange County Ronald McDonald House Walk for kids page! I hope that you will join our **Lions District 4-L4** in raising money for families with seriously ill children. Be sure to check back to view our progress, and please share this page so that we can reach our team fundraising goal of \$3,000

Since 1989, the Orange County Ronald McDonald House has been dedicated to creating a warm environment of comfort, care and support for families with seriously ill children, by providing a 'home away from home' for families in times when their children are in the hospital.

Orange County Ronald McDonald House also operates a Family Room a CHOC Children's Hospital, and one within Mission Hospital. The mission of the Family Room is the same as that of the OCRMH, and serves families of children who are in a Intensive Care Unit within the hospital.

If you are interested in making a secure online donation to help us reach our team fundraising goal of \$3,000 please go to our team page <http://www.walkforkids.org/goto/lions> If you are interested in joining our Team in the Walk please register as a team member. <http://www.walkforkids.org/orangecounty>

Thank you for your support!

ADDITIONAL "WALK FOR KIDS" OPPORTUNITIES TO SERVE!

Dear District 4-L4 Lions:

Each year Lions of District 4-L4 join in the Orange County Ronald McDonald House "Walk for Kids" held at the Honda Center in Anaheim. This year the event is on April 8th. (Details in Team Captain Randy's message).

We are asking all of you to join Randy and flood the Honda Center with Lion shirts while raising money for this good cause. Please sign up for this event and walk together as a district. If you need help signing up, making a donation or simply have questions contact 1st VDG Randy McMillan at 562- 458-1773.

What you may not know is that walking is NOT the only opportunity to contribute and serve at this event. Lions also host the VIP Breakfast booth and provide the younger generation with cotton candy and popcorn in the Kids Corner! These activities require volunteers and money.

Therefore I am requesting that any Lions Club or individual in District 4-L4 help make this happen. This is what we need for the VIP Breakfast: individual yogurts, precooked sausage or bacon, 2 large orange juices, syrup, butter and all paper goods including utensils. Huntington Beach Host Lions have again offered to supply the pancakes, grill and cooks. Thank you Huntington Beach Host. You are so appreciated.

For the Kids Corner we need: cotton candy paper cones and popcorn packets. Last year we served approximately 100 for breakfast, 500 cotton candies and an equal amount of popcorn. If you can provide money or items please contact Lion Brenda Donahue at 714/673-6391 or hueadon@yahoo.com.

Volunteers needed include: 1) 4:15AM and done by 6:00AM – we need 2 people for early set up for the VIP Breakfast. You can be a walker and help with this. 2) 6:30 AM-11:00AM – we need 3 people for pop corn popping and serving. You cannot walk and do popcorn but you may sign up as a virtual walker or donate to the team if you like. 3) 6:55AM-11:00AM – 1 person needed to join Lions Diane Quinlan, Judy Barr, Dan Donahue and George Schnitzer to spin and serve cotton candy. You cannot be a walker here either. Thank you DG Judy and George for volunteering and Diane for being a Virtual Walker and Dan who with myself made a team donation. You are appreciated for what you do.

Thank you in advance to all Lions for serving others and supporting this event. Please share this information with your friends, family, fellow club members and board. I look forward to hearing from you to volunteer, provide financial support for this event, or simply to answer your questions.

A MESSAGE FROM MARK PIVA, SECOND VICE DISTRICT GOVERNOR

Hello Lions. This month I would like to focus on attitude and perspective, not only for leaders but for ourselves. Too often we get caught up in the day to day issues of life and when we do, we might be drawn to looking at things in a negative way. To paraphrase the Apostle Paul, it is important to check ourselves and focus on those things that are true, honorable, right, pure, lovely, and of good repute. Focus on those things that are excellent and worthy of praise.

I have met many good people during my time as a Lion. One Lion stands out as a symbol, for me, of someone who focuses on things that are excellent and worthy of praise. He is always light-hearted, lavish with praise, and exemplifies leadership through his actions and enthusiasm. He is Foothill Region Chair Lion Mike Shaw.

Recently, I saw Lion Mike at a meeting and immediately noticed he was not his jovial, talkative self. Speaking with him, I learned he is having serious medical issues and he knew he would have to curtail some of his Lion activities. I could see the concern in his eyes as he shared this information.

I met Lion Mike several years ago at a district convention and since that time he has become a friend and supporter. He tells awful jokes, he smiles a lot, and he plays games on his phone during boring meetings. A Lion for seven years, he has held numerous positions in *his* club, Ontario Host Lions, and at the district level. Lion Mike is a former teacher, and a collector of Tarzan memorabilia (though I cringed when he told me he ran around the house in a loin cloth – just kidding, or am I?).

Thinking about Lion Mike reminds me of what being a Lion is all about. Lion Mike is the kind of Lion leader I would like to be: caring, compassionate, considerate, and kind. Lion Mike, know that you are not only in my thoughts and prayers, you are in the thoughts and prayers of Lions throughout the district. We wish you a speedy recovery.

The next time you feel a little down, or your attitude is not what you want it to be, change your perspective. Think about things that are excellent and worthy of praise. Think about Lions like Lion Mike and know that the best is yet to come.

GLOBAL SERVICE TEAM (GST) UPDATE

Wishing all Lions a prosperous and service filled New Year. As we move into the second millennium of service for Lions Clubs International we all look forward to serving our communities. Recent natural disasters magnified the good work we do as Lions. We are all ready to serve at a moment's notice. Please remind your clubs to let the GST know of upcoming efforts being undertaken by your club and especially those projects that might need help from other clubs. There is a ton of help available. From the GST, I am currently working on some partnerships for our 4-L4 Lions to work on. I have been in contact with the Juvenile Diabetes Research Foundation (JDRF) and Big Brothers of Orange County. As I move forward with those talks I will keep the district updated. Thank you all again for your dedication to service. Where there is a Lion, there is service ready to happen.

~PDG Mike Scheafer Global Service Team Leader

ANOTHER VIEW OF LEADERSHIP

Sitting at the Melvin Jones Dinner surrounded by Lions who were being recognized for service was quite humbling. So many members of our organization are incredibly dedicated and generous. They are generous with their talents, their hearts, and their time—especially their time. There is never enough time. There is always more work to do, more people to serve, and more money to raise. We are dedicated to serving others and helping the disenfranchised, but our jobs are never done. There will always be others who need help, and we will always want to do *more* to help them.

We need to focus on keeping the passion for service alive within ourselves. The best way to do that is to find purpose in what we do and to share that purpose with others. Looking around that banquet hall, I was inspired by the commitment that our fellow Lions have made to serving others. It is not always an easy journey, but it is always a worthwhile one. The best gift we can give each other is to support each other. Recognizing and appreciating the role each of us play in the organization as a whole helps to encourage and motivate individuals to continue in service. We are in this for the long haul. It is important to help all of us to continue to move forward.

It is said that “No one is more cherished in this world than someone who lightens the burden of another.” As Lions we serve others to help lighten the burden that life has placed upon them. It is important to also remember to lighten the burden of each other. As we move into a very busy time in Lions, it becomes increasingly important to step into the leadership roles in our clubs, zones, and regions. Ask yourself, “What can I do to help my fellow Lion? What can I do to help my club?” Leaders, ask yourself, “Who can I ask for help?” Together we can accomplish greatness.

~Lion Annette Hatch

I want to thank all of the clubs in our District that have supported the Foundation during this past year. Your support is necessary for the success of the Foundation. Thank you also to each club that has utilized the Sight & Hearing Foundation Scanners and Programs. You have provided a valuable service to your community. In order to continue our foundation our by-laws require us to elect directors as needed each year. The election will occur at the District 4-L4 Convention on May 19th in conjunction with the District election. There are three openings to fill to complete the nine-member board and these elected directors shall serve a 3-year term. This is the official call for nominations. If there is an interested or deserving Lion in your club, this is a rewarding opportunity to serve. At least six District Governors have served on the our board. The deadline for nominations is April 30th. Nominations should be submitted to joanrparks@hotmail.com. Yours in Lionism.

California Lions Foundation

an IRC 501(c)(3) Corporation #81-2850129

The California Lions Foundation (CLF) has recently surpassed \$125,000 in donations, a great milestone for its first year. This includes about \$7,800 in designated donations. Thanks to the generosity of California Lions and clubs, CLF is well on its way to the established funding goal of \$250,000 in order to begin providing grants to California Lions clubs.

As a reminder, CLF will be providing matching grants from \$500 - \$10,000 to California Lions Clubs for projects that serve their communities. Please see the CLF brochure on our web site.

CLF wishes to acknowledge the outstanding support of over sixty Lions and nine clubs and districts for becoming 'Founding Members' of CLF. CLF also recently received its first Corporate donation, and the CLF Board is expanding efforts to obtain additional corporate and company support. A special thanks to the Seal Beach Lions who are a Founding Club with their \$5,000 donation. CLF still will be accepting donations for 'Founding Members' until the initial funding goal of \$250,000 is reached.

Lions may become a founding member of CLF for a donation of \$1,000. In addition the member will also receive recognition as a '**Kay Fukushima Fellow**'. A California Lions Club may become a founding club for a donation of \$5,000. Founding member donations by individual Lions may be counted toward the founding club donation amount to qualify as a founding club of CLF.

CLF has also established a **Reginald Harris Fellowship** in the amount of \$2,500. He was instrumental in growing the California/Nevada Lions from 173 clubs and 9,000 members in the early 1930s to 590 clubs and 28,500 members in 1954. A Reginald Harris Fellow can also be a Founding Member.

Whether you give cash or stock, becoming a CLF founding member would be an outstanding choice! The gift of appreciated securities also is an excellent way to support CLF and get the full deduction for your donation without incurring any capital gains tax. 100% of your donation will help California Lions make a difference in their communities. Again, all funds donated to CLF remain in California to assist Californians.

CLF is also conducting a **raffle for a beautiful jeweled pendant** created and donated by PDG Alberto Montes de Oca. The pendant is 14K white gold with diamonds, blue sapphires, rubies, blue topaz and garnet and has an estimated retail value of about \$10,000. Raffle tickets may be purchased for \$20 each from PDG Gil Smith and all proceeds will go solely into the administrative fund at CLF. The drawing will be held July 1, 2018. Please see the photo of the pendant.

YOUNG LEADERS

Think about the youth in your area that volunteer: Boy Scouts, School Clubs, Girl Scouts, Boys & Girls Club and more. Don't forget about your club LEO group if you have one. Lions Club has a program called THE LIONS YOUNG LEADERS IN SERVICE AWARDS. The goal of Lions Opportunities for Youth is: To provide young people of the world with opportunities for achievement, learning, contribution and service, individually and collectively, thru sponsorship of activities identified as best practices in the field of youth development.

Young people who volunteer become adults who serve. Through the Lions Young Leaders in Service Awards, your Lions club encourages youth in the philosophy and habit of service to the community. By working with a YOUTH group and providing these awards you build community relationships, encourage people to serve the community and introduce your community to your Lions club. These awards can be given monthly, quarterly or even annually. You tailor the program to your club and the group you are working with. There is a tracking sheet that you can have the group adult leader fill out and submit back to your club.

If it is a school group, work with the school to present at an awards night. If it is a Boy Scout or Girl Scout Troop work with the Leader to present at an event where parents will be present. Young Leaders are our future. By this simple recognition you build a bridge to help with the generation gap and can show your club that our future is bright with these leaders of tomorrow. These awards are from an International Organization and can therefore be listed on college applications. This increases opportunities for the youth and visibility for your club. Please contact me with any questions or check out the information on LCI's webpage located at lionsclubs.org

HOW TO BE A PART OF YOUTH EXCHANGE SUMMER 2018

Applications for outgoing youth traveling to Europe or Japan Summer 2018 are due to Lion Diane **no later than 2/12/18, with the exception of Japan which is 2/28/18.** Applications **MUST** be emailed in EXCEL format to Lion.dianeq@gmail.com. Please understand that applications are a first come first served basis and we cannot guarantee a country until we receive confirmation from the camps as they have limited space. Applications must be signed by the youth, parent and club sponsoring the youth. There is NO MONEY required to sponsor, it only means you have verified that the student is an upstanding citizen and will represent your club and the district well when abroad. They are required to have a sponsoring Lion Club.

You can print the signature page on the application and send or scan that to Lion Diane Quinlan. The original will need to be mailed along with the original Medical Form, Airport Form and MD4 Consent as original signatures are required to be in the district chairperson's possession. Before we can send the application onto the state we have to receive a \$500 deposit from the club or student. Checks should be payable to Lions MD4 Youth Exchange Foundation. If paying by credit card please send in the credit card authorization form to Lion.dianeq@gmail.com. The balance due date for payment will be posted soon, but will be no later than April 2018. Total cost of the trip varies by country. Information on full cost can be found at the web site studenttrips.org (two T'S) Completed applications need to be sent to the District 4-L4 Chairperson Diane Quinlan not to the names listed on the website as the forms require the district chairperson (Diane) to sign off on them first. Sending to the names on the website could delay the process of the application.

The foundation has LIMITED funds and does offer some scholarships, but they do not cover the trip in full. Scholarship determinations are usually made in March or April. Scholarship applications need to be submitted by the application deadline.

Some of the camps will not accept our students without a valid passport so be sure they have one or they are in the process of obtaining one quickly. Airline tickets CANNOT be purchased without a valid passport.

Students DO NOT have to be a Leo to participate. This program is open to all students between the ages of 15 ½ - 21. Most European countries require 17 to 21.

As of now we are already looking for students to travel overseas. For California there are two spots for each of the following countries: Austria, Belgium, Brazil, Denmark, Finland, France, Germany, Greece, Italy, Netherlands, Norway, Spain, Sweden and Switzerland. We have 20 spots for Japan. At this time California already has two applications for France, one for Austria, one for Italy and one for Japan.

If your club would like a program to hear more about this please contact Lion Diane Quinlan at 714-623-1439 and one of the committee members will contact you to set up coming out to your club.

FOOTHILL REGION CHAIR MIKE SHAW

Four score and eighty one years ago, our Lion fathers brought forth to this continent, a new contest.

Dedicated to the proposition that all students are created equal
and they have a fundamental right to be heard.

Now we are engaged in a great student speaker contest, answering the question,
"Integrity and Civility Play What Role in Today's Society?"

We met on a great battle-field of competition to provide an opportunity to stimulate a student's self-expression and independent thinking as well as enable students to hone their public speaking skills while addressing issues important to their community.

I have come here today to dedicate my article to thank those who have given so much of their lives that our contest might live. It is all together fitting and proper that I should do this.

The world will little note, nor long remember what is said here,
but it can never forget what the students did here.

That this contest of the students, by the students, for the students shall not perish from the earth...

Thank you, Scott Quinlan, Carol Linehan, Shari Megaw, PJ Smith and Dewey Linehan for spear heading this great contest.

FOOTHILL REGION ZONE A CHAIR ANNETTE HATCH

The Foothill Region Zone A Student Speakers Contest will be held at Lions Center East - 9191 Baseline Road in Rancho Cucamonga on March 13th at 6:00 p.m.

At our monthly meeting on January 24th the Cucamonga District Host Lions christened the New Year with a new location...a new member...and a new application for an upcoming new member. What a great way to begin the last six months of DG Judy's 2017-18 reign. The Old Spaghetti Factory had great food...a great secluded room...and a great server...what more could you ask for? Killer beer and wine selection too. We are gearing up for our biggest fundraiser of the year, our Spring Fashion Show on April 21st, and I ask all of my fellow 4-L4 Lions to help support this event with either your attendance, donation or raffle prize. Remember all those purple shirts that showed up at your event? Now is the time to "pay it forward." Please contact President Bob Terry, 1st VP Steve Lacey, or the "unsinkable" Secretary/Treasurer Tamara Martin for tickets (\$40.00). We are also trying to bring back the most amazing service project that I have ever experienced...the Blind Buddies Golf Tournament. It's not really a "tournament", but we bring totally blind or sight impaired participants and help them hit drivers...full iron shots...and putts. Each volunteer buddies with one player. I promise you will leave this event with the feeling of being so grateful for the gift of sight, and we all know what that means to our own ranks among us, right Irish? So until next time, Cucamonga District Host is alive and well!

FOOTHILL REGION ZONE B CHAIR WENDYANN STUARD

It has often been said that the youth of today are tomorrow's leaders. This is truly evident in the high school students who are gearing up for the upcoming Student Speakers Contests throughout the District. These forward thinking young men and women have worked hard to prepare their speeches on a very relevant topic: "Integrity and Civility Play What Role in Today's Society?" Pomona Host and Rancho Cucamonga clubs will be holding their club contests in February and the Zone contest will be on March 12th. Although there can only be one winner at each level of the contests, these competitors are all winners as they take a stand to have their voices heard.

Thank you to all the clubs hosting the contests...because of you these students have an opportunity to make themselves, their parents and their schools proud of their hard work and individual achievements. I also extend a big "thank you" to Lion Scott for your leadership and diligence.

Looking back, the Ontario Host Lions yearly signature activity, Christmas Food Baskets to the Needy, took place on December 23 with the distribution of food at Inland Powder Coating in Ontario to disadvantaged families from the local community. This project was again a complete success. Preparations were completed with the filling of boxes of fresh food in addition to the canned and dry food goods previously sorted for 185 families that were identified by Ontario area elementary schools. Ontario Host Lions and community volunteers helped in facilitating the distribution and delivery of two full boxes to each family. Donuts, coffee and juice were offered to all recipients and toy donations were also distributed to each child accompanying their parents with photos taken with Lion "Santa." Ontario Host Lions are proud to continue the tradition of successfully addressing the Lions Challenge, "Relieving the Hunger Campaign."

In January, the **Ontario Host Lions** also continued the tradition of honoring Ontario area high school students selected by their teachers and/or counselors. This month five students from three high schools were given the opportunity share their accomplishments and future plans as they prepare to become our future leaders. This continues to be the most rewarding of OHL's monthly community activities. Looking ahead the **Ontario Hosts Lions** will hold their club level student speakers contest on February 6th. The purpose of the competition is to provide an opportunity for competitive public speaking among students on a subject of topical interest. This year's theme is no exception; "Integrity and Civility Play What Role in Today's Society?" We will have five students speaking on this subject and if they are as prepared and passionate about this subject as they have been in the past it will be an exciting contest.

During January, the **Pomona Host Lions Club** continued its focus on service through its continuing community projects and the beginning of two others. The club's Lions Roar for Reading literacy program in which the Lions give free grade-level books to first graders at high poverty schools is roaring into action. Members have sorted and labeled books, and they are ironing out the final details of the school district's new security check requirements. The club has adopted a pill bottle recycling program and has shipped off its first batch for use in clinics in lesser developed countries. Continuing projects include our monthly Feeding the Homeless of about 140 men and women at the city's shelter and the restocking and maintaining of our Little Free Libraries throughout Pomona. **Pomona Host** members have also recycled cans and bottles with the proceeds going to City of Hope. They have also continued to collect eyeglasses and ink cartridges for recycling. Of course, the club has continued to pay for the glasses and exams at the Pomona Lions Vision and Hearing Clinic, which is manned by the Western University College of Optometry.

In other club news, the **Pomona Host Lions** are proud to announce the election of Anne Henderson to fill the position of First Vice President. A recipient of a Melvin Jones Fellow, Outstanding Club Lion of the Year, and community and school district awards, Anne is an incredibly active volunteer, who has contributed much both to Lions projects and other community activities. Congratulations to Pomona's Melvin Jones Fellow recipient, Carmen Morris, who has done so much for our club. It's a well-deserved award. Several members also enjoyed International President Naresh Aggarwal's Rose Parade Float reception, where **Pomona Host** member and president of the California Lions Foundation PDG Gil Smith helped present a CLF Founding Member Kay K. Fukushima Fellow plaque on behalf of the MD4 governors. Also, club members have enjoyed the district meeting and a visitation to the Chinese American Lions Club. Finally, the **Pomona Host Lions Club** invites everyone to come support its Quartermania on Saturday, April 14, from 1:00 p.m. to 4:00 p.m. It's tons of fun, and participants can win prizes, worth at least \$25, for just quarters. Please come!

FOOTHILL REGION ZONE C CHAIR MIKE PRESTON

Hi, this is Mike Preston, the new Foothill Zone C Chair. I am replacing Lou Alfonzo who was unable to complete his term. I am available to help with any issues you may have. Our Zone C clubs are all gearing up for the first round of Student Speakers Contests in February, with the winner going on to the Zone contest on March 7th. Our Diamond Bar club has also had a very busy January as you can see below.

The **Diamond Bar Breakfast Lions Club** held two regular meetings and one board meeting the month of January. At our first meeting we had a potential new member, Lisa Nelius. Our second meeting's potential member Taylor Luan filled out the application to join. He was a former Lion with our club. On January 1st our own Lion Wanda was invited by PID Larry Dicus to ride the Lions Club International float at the Rose Parade. Riding along with Lion Wanda were PDG PJ Smith and PDG Norm McKenzie. The float, "Preserving the Environment," was beautiful with so many flowers this year. Lion Wanda rode the float "In Memory of Lion Jack" who worked on the float since 1992. Nine club members attended the Melvin Jones Fellow Dinner on January 13th. Our club was honored to give Lion Wanda a Progressive Melvin Jones (7th pin). Joining our club that evening was Wanda's family. We all had a lot of fun and a first for all of us riding a Party Bus! The City of Diamond Bar's Winter Snow Fest was on January 20th. The Lions and Leos had a total of nine booths. It was a fun day for the community with game booths, face painting and four hills of snow for the kids. The District 4-L4 Leo meeting was held in Garden Grove on January 21st. Lions Cindee, Wanda and Debbie attended along with 20 Leos. Five **Diamond Bar Breakfast Lions** attended the District 4-L4 Meeting on January 27th. The meeting honored PDGs. Congratulations! The Leos continue to have their monthly meeting and worked at the Snow Fest. The Lions continue to volunteer at the Farmers Market on Saturdays for the Inland Valley Hope Partners. Upcoming is our Student Speaker Contest in February, planning a Lunar New Year for the residents at Brookdale Senior Living in March and attending the Orphanages of Thailand event which will honor Lion Jack in April. Happy New Year to All!

ORANGE REGION CHAIR MIKE SMITH

With Spring just around the corner the Lions in the Orange Region are getting very busy. We have fundraisers, charity projects, and giving back to the community. It is my favorite time of the year. I would like our Lions in the Orange Region to focus on the upcoming Orange County Ronald McDonald House Walk for Kids. Our 1st VDG Randy McMillan needs our support for this great fundraiser. District 4-L4 has a team of walkers and we need our Lions to join up. Last year we only had a few but this year we need to be out in full force. Let's see if we can get 25 or 30 Lions all walking for a great cause.

This is an easy walk and the money it raises supports the Houses in Orange County. The district has a booth to visit and there are many fun activities for kids. I encourage all Lions in the Orange Region to participate so we have a great turn out. Remember to sign up on the website (www.walkforkids.org) under the District 4-L4 team. So put it on your calendar for Sunday, April 8th at the Honda Center. I will be there along with many other Cabinet members ready to raise some funds and have a good time for a great cause.

ORANGE REGION ZONE A CHAIR MARC POLI

January was the month for the third District Meeting in Yorba Linda, hosted by the Orange Region and my boss, Mike Smith. It was a fun event during which our Past District Governors (PDG's) were recognized. Nevertheless, I noticed that many clubs did not attend, including clubs from my Zone! What a shock! I cannot image why a club cannot select one member as a designated attendee. The same clubs that fail to make the meetings then complain of a disconnect with the district...

Now that I got off the soapbox let's talk about activities reported: **La Habra Host Lions** were active with environmental, hunger and youth activities by refurbishing the house for brain Injured children, running food drives, and sponsoring the Leos. **Fullerton Host** collected eyeglasses and organized a diabetes awareness program, and are active with two Leo clubs. They are in the planning phase of their Putting Tournament fundraiser which will be held April 22nd. February is synonymous with student speaker contests. The majority of clubs will be holding contests, in preparation of the Zone and Region contests in March. Please be aware that the **Orange Zone A student speaker contest will be held on Tuesday March 13th** at the Maple Community Center in Fullerton (701 South Lemon Street). Please arrive before 7:00pm. There will be a donation/entrance fee of \$5 to help defray the cost of the room (exception of students and judges). Remember, this program provides points towards your youth activities, and is an especially important way to introduce Lionism to kids and their parents who otherwise have not heard of us. The contest allows our clubs to tell a "captive audience" our story.

SADDLEBACK REGION CHAIR JOHN ULRICH

SADDLEBACK REGION ZONE B CHAIR MORGAN HUANG

The **Chinese American Lions** held their first monthly meeting of 2018 on January 16th at the China Palace. Eight Lions visited from two clubs: **Harbor Mesa Lions** and **Pomona Host Lions**. Lion Bill Lin was recognized for 30 years of Lions service, Lion Angela Wang was recognized for 20 years and Lions Steve Chen and Sue Lee were recognized for 15 years. Lion Morgan Huang was also congratulated for becoming a Melvin Jones Fellow which was officially awarded at the Melvin Jones Dinner on January 13th.

The **Chinese American Lions** will support AASCSC (Asian American Senior Citizen Service Center) to celebrate the Chinese New Year on Friday, March 2nd, at the Seafood Cove in Westminster. Please see the flyer in this issue.

SADDLEBACK REGION ZONE C CHAIR PATRICIA COLLISON

The **Laguna Niguel Lions** are finishing up the month of January looking forward to a successful 2018. The club partnered with Illumination and Kids Vision for Life at the Lighthouse church in Costa Mesa to bring vision care to the homeless and those in need. A weekend was devoted to a series of exams and tests with finished glasses distributed to the many grateful folks in need of vision care. We hope to continue the vision clinics during 2018 as the collative efforts bring so much good to the community.

Member recruitment will continue to be important priority during the coming year. At the recent District Meeting, the importance of finding interested new Lions that will bring new energy to the club's community services efforts and growth of the District was made clear. Our goal on going is one new member per month. Micky Scholte, the club senior member, continues to encourage us to continue his work with monthly collection schedules maintained by several club members. We have been successful in our efforts as we have collect well over 3000 classes and will continue to bring in thousands more during the year. Region Chair John Ulrich presented the Melvin Jones Fellowship honor to Beverly Rossinblatt this past month. Bev was surprised and humbled by the presentation and accepted as our new addition to the Laguna Niguel Melvin Jones recipients. The club is looking to initiate several fund raisers during the coming month. Our first was a partnership with Tokyo Joe's, a local restaurant in Laguna Niguel. Tokyo Joe's was more than generous as they donated 25% of the day's receipts. The day was amazing and brought the Lions and many friends together for a nice time with the added bonus of raising funds for the club charities. The club assisted the Niguel Preserve with their annual fundraiser at the Sea Country Senior Center which was successful as we create community good will and partnerships.

~Aloha From The **Newport Beach Hawaiian Lions** Ohana~ Ohana Hau'oli Makahiki Hou! Time to catch up on the happenings of the **Newport Beach Hawaiian Lions Club**! Ho'omaika'i "Congratulations" to charter member Lion Gary Place on being honored with a long overdue Melvin Jones Fellowship! Fifteen members attended the dinner at the Orange County Mining Company. All wore beautiful fresh white orchid leis to show their Aloha for Lion Gary and to celebrate the evening with all the recipients.
