THE OFFICIAL PUBLICATION OF CALIFORNIA LIONS DISTRICT 4-L4

VOLUME 97
NUMBER 1
JULY 10
2018

A MESSAGE FROM DISTRICT GOVERNOR RANDY MCMILLAN

Lions of District 4-L4, I am very excited and proud to be your Governor for 2018–2019. The International Convention in Las Vegas was exciting and full of valuable information for our 2018-2019 Lions Year. Our newly elected International President Guðrún Yngvadóttir's theme is "WE SERVE, PURSUING NEW HORIZONS." Her message is "To reach beyond our limits. We must reach within our clubs, communities and ourselves." Together we can reach beyond our limits by setting sail and harnessing the power of 1.4 million Lions.

Her Challenge is to seek new service projects to support our communities. Our goal is to serve 200 million people per year with major service projects in the areas of vision, hunger, the environment, childhood cancer and diabetes.

District 4-L4 Lions, thank you for your support in advance and for allowing me to be your District Governor for 2018-2019. I look forward to working with all of you this year as "We Are One Team with One Dream, Lions In Action To Serve."

*~District Governor Randy McMillan
We Work for You...Just Sayin'!!!*

A MESSAGE FROM FIRST VICE DISTRICT GOVERNOR MARK PIVA

Hello Lions, welcome to the start of a new Lion year 2018-2019! The Governor's motto this year is "One Team One Dream, Lions in Action to Serve." Governor Randy, 2nd VDG Steve, and I are ready to make this motto a reality by working with each club to be successful in serving their community. We look forward to doing this by working together as a district officer team, sharing the successes of other clubs, and encouraging clubs to Join Hands in Service.

The motto reminds us we are all on the same team regardless of which club we are in, and we all share the same dream, which is a commitment to serve our communities. We will accomplish this by focusing on the best of what we do, which is providing service to those in need.

There is a simple equation which demonstrates what a successful Lions club is:

Service + Leadership = Membership. Service comes first in the equation, because it is the essence of why we are Lions. Without service there is no reason to form a Lions club. Leadership is necessary to plot the course of each of our clubs to ensure that the service projects we do are planned and executed in a way which demonstrates to our community our Commitment to Excellence. If we focus on Service and Leadership, we will effortlessly attract new members and retain existing members.

Clubs with few service projects make it difficult to keep members engaged. Leadership is required to ensure the club has service projects that are aligned with the direction and needs of their community. Times change and so do the needs of communities. Ask community leaders what is needed and design service projects to meet those needs.

Members are needed to effectively serve the community. Active and engaged members are more likely to stay with the club, because they have something to do. Clubs want new members to provide more service and ensure the club will exist in the future. And much like in the movie Field of Dreams, if we have sufficient service projects and strong leadership, members will come.

"One Team One Dream, Lions in Action to Serve" is more than a motto, it is a way of Lion life. So I encourage each of you to start out this new year and create your own Field of Dreams.

*~Leading our Legacy into the Future
1st VDG Mark Piva

A MESSAGE FROM SECOND VICE DISTRICT GOVERNOR STEVE LACEY

Thoughts and feelings...I'm excited. No, let me put it this way, "I am really very excited!" To have the opportunity to be the 2nd Vice District Governor of an organization such as the District 4-L4 Lions...who wouldn't be? And why I am excited? Because of everything I see, because of everything I hear. During my campaign I visited club after club, and yes, some of them are struggling and facing difficulties. (Your governor team will be there this coming year to help you with those situations). But more often than not I heard about successful service projects, fundraisers that met their goals time and time again, new members joining, and Leos becoming more and more involved in the total life of the Lion community. It definitely makes one proud to be a Lion.

This year, there will be more reasons for all of us to feel that way. My major area of responsibility for this year is Membership...and its three aspects: Growth, Involvement and Retention. And I will do all that I can...meeting with individuals, boards, clubs as a whole, zones and regions...wherever you will have me....to help make this happen for you.

Let me leave you with this final thought...The One Dream Team is here for you. And if you have a question, a need, a problem, an idea, a suggestion, we want to hear it. One of the first things I did when I decided to run for this office was to have 1000 business cards printed up with all my contact information on them. It is my goal, by the end of this year, to have handed all of those out. Please know your '2nd Vice' is there for you, all you have to do call.

*~ A Spirit to Serve
2nd VDG Steve Lacey*

CABINET SECRETARY REPORT

Good Afternoon to all and here we go, into another year for District 4-L4. It is my honor to serve Governor Randy McMillan and the district as your Cabinet Secretary. I am looking forward to working with all of you, and most especially the 34 new (some returning) secretaries this year.

On June 16th we completed our New Officer's training at the Brea Lions Scout House. It was a great turn out and a fun, loud group. I want to thank Lion Larry Rottweiler for his wonderful presentation in the Secretary Training. Larry has been a fantastic secretary the past few years and knows what he is talking about and can relay those thoughts very well to others. Thank you to all the secretaries that came out and who contributed some great information, as well. We have a great group of members to do your club secretary work for all of you. I will be in contact as the months go by and will be available any time (well, maybe not in the wee hours of the morning!). Expect me to keep track of your reporting and keeping you on track, if we can work together. For those who could not make the class, I have a Secretary Manual for you and will be contacting you (if I haven't already) to help you prepare for your year.

We all have some challenges with the new Activity Reporting system on the new site: MyLion. As I said in the training class, we are in this together and will get through it together. Please remember, we urge you to download and begin working with the new system.

Let's make this a fun year, together!

Lion Joan Parks
District Secretary

CABINET TREASURER REPORT

Understanding Dues Structure? When you add a new member to your Lions club does your secretary code them correctly? This new member can be a Regular Member, Family Member, Student Member or Leo to Lion. As their Lions years' progress do you make adjustments to their status? Do you make sure they are still coded correctly? Maybe they no longer qualify as Student Member up to age 30, Leo to Lion, maybe now they have become a family member or a life time member. All of these changes can affect their dues.

A new member pays \$35 to LCI entrance fee as a regular or family. For students and Leos to Lions the fee is waived. Then dues are: LCI \$43 a year, MD4 \$18 a year and 4-L4 is \$15.50 a year. Your own club dues are added on to that amount and is set by each individual club. If a new member is a Family Member or Student their dues to LCI is \$21.50 which is half. To be considered a family member two Lions MUST be in same Lions Club with the same mailing address. A student is not charged dues from MD4. This must be certified that he/she is a student up to the age of 30 must be verified yearly. **4-L4 charges all Lions members no matter their membership status. These dues allow the District to operate.**

Please call or email me if you have questions about dues structure. You can also go directly to LCI or MD4 if you're confused about what your club is being charged.

Lion Carol Linehan
District Treasurer

GLOBAL LEADERSHIP TEAM (GLT) UPDATE

Are you a "Show Pony" or a "Work Horse?" Both of these types of people have pros and cons and most organizations need a mixture in both leadership and followers of these types. There are the interesting variants of the "Work Pony" and "Show Horse" as well. These are generally less common, but you recognize them when you see them. What spells trouble is when a club becomes filled with only one type!

Show Ponies are known for their dazzling sense of panache, fashion and latest grasp of technology. They are often on the cutting edge and are trendsetters. In groups they often draw attention to themselves while highlighting their friends. Imagine that friend of yours that is always "on stage." Frequently concerned about appearances, the Show Pony likes to be part of a group that lavishes attention on them. They in turn become evangelists for those things which interest them. What is great about the Show Pony is the amount of energy they bring to any given venture. Their enthusiasm is infectious and before you know it, large groups of people are drawn to them like moths to a flame. Show Ponies are actually pretty easily bored, and if it isn't about them, they generally have the attention span of a fruit fly. They flit from concept to concept, group to group and fad to flash.

Work Horses on the other hand are plodding, deliberate, consistent and are highly stable. They tend to show up and get it done. They may not be innovative or insightful, but just keep working. They know they aren't the Show Pony and sometimes that may bother them. They often don't understand why more people don't see their value, after all, they do most of the work, right? Work Horses don't need an entourage and frequently disparage those they perceive as Show Ponies in private (often with other Work Horses), but secretly want the accolades that seem to come to the Show Pony. On the plus side, Work Horses rarely complain about tasks given to them and understand their own limitations far more quickly than others. They tend to be more mature in their decision-making and will admit to being wrong more easily than some.

There are two sub-breeds which are quite rare.

The Work Pony is the individual who often has their reach exceed their grasp, much to their surprise. Often young and inexperienced (literally or mentally), they simply don't understand their own limitations and preconceptions. Also, they may be living in "past glories" of the significant work they have done in the past. Many of us have already gone through this as a phase, but unfortunately for some of us, we never move beyond it.

Finally is the Show Horse. This type not only has the strength to get it done, they get it done in style. They lead by example, often perform the tasks that others think are "beneath them" and still manage to make it seem "cool." They have the incredible dynamic power of the Show Pony paired with the maturity and "get it done" consistent ethic of the Work Horse. Many powerful leaders I know fall into this category. They manage to just always seem to get it done and get it done in style. Also, if you notice, they are everywhere and seemingly touch nearly everything.

Take a look at your club, zone, region and district. Do you know where you fall and those close to you? What is your opinion of the leadership you experience with various people when we all get together? Strive to be the best you can be and others invariably follow suit! There are no "wrong" types, just different!

**Yours in Leadership,
Seth Eaker
Global Leadership Team Leader**

PEACE POSTER CONTEST 2018

This year the theme of the Lions Clubs International Peace Poster Contest is "KINDNESS MATTERS." For thirty one years Lions clubs around the world have proudly sponsored this contest in local schools and youth groups. Young people (ages 11, 12, and 13 by November 15, 2018) are eligible to participate in the contest which allows them the opportunity to express their visions of peace through using a variety of mediums including charcoal, crayon, pencil and paint. (No computer art is allowed) The works vary greatly and reflect the young artists' life experiences and culture.

Please order your kits by October 1, 2018. You can order the kit for \$11.95 through LCI by either calling Club Supplies at 1-630-571-5466 or ordering the kit on line. One kit per group or school is needed.

Club entries must be brought to the 2nd District meeting on October 20th for judging. Please make sure that you follow the directions for labeling each poster entry. The winner will be sent on for the next level (the MD4 contest) by the District Governor. Deadline for the District Governor to submit one winning entry is December 1, 2018. The Multiple District winner must be submitted to the Public Relations Department of Lions Club International by December 15, 2018. The winner will be notified on or before February 2, 2019. The winning poster will receive a cash award of \$5,000 and a trip to a special award ceremony. There will also be awarded 23 merit winners. They will receive a cash award of \$500 and a certificate of achievement.

If you should have questions, please contact me at 714-658-2232 or email me at sarahcait@sbcglobal.net

Lion Marianne Allen
Peace Poster Chair

STUDENT SPEAKER FOUNDATION

Thank you to the Lions who purchased Ken Sherwood pins/banners at the District Convention. \$46 was turned into the Student Speaker Foundation in PDG Ken's name. Thank you to Harbor Mesa Lions for turning in cell phones.

As we all start our new Lions year in District 4-L4, please consider when you do your allocations/budgets that your club might give a donation to the Student Speaker Foundation. We welcome any amount. The fellowships range from \$200 - \$500. You might consider honoring a member of your club with a Harry J Aslan for \$200. Lion Harry was a Past International President from 1975-76 from Kingsburg, California who was instrumental in the Student Speakers Contest and the Foundation.

**** At this time we are not accepting Ink Cartridges ****

ORPHANAGES OF THAILAND UPDATE!!

Friends, the Lions club of Pattaya visited the Fr Ray School for Children with Special Needs and The Redemorst School for People With Disabilities. The children with special needs put on a wonderful show, including a Big Drum Thai Ceremony, a full band with singers. The Lions and children ended up dancing up a storm together. It was an event full of joy. The Pattaya Lions ended the event providing a delicious lunch, which all enjoyed together. The Fr Ray School for Children with special needs is a wonderful program, the only one of its kind in this part of the world.

The Lions went on to provide Lunch at the Redemorst College for People with Disabilities. The college was created in 1984 to provide free education to 158 very poor and disabled adults. Upon graduation the students earn degrees in Computer Sciences and Electronics and have good paying jobs waiting for them. There is a waiting list of Thai companies wanting to hire our graduates because the graduates have proven to be excellent employees. They have something to prove, that they can do the job of able bodied employees and in many cases better. Incredible food and fellowship was shared by all.

The Lions of Pattaya brought so much joy and love to these very special students!! Your support of and donations to The Orphanages of Thailand helps to make this happen!

From Pattaya Thailand,
John Patrick Doogan
Managing Director "Orphanages of Thailand"

VOLUNTEERS NEEDED IN 4L4

Become a California Lions Friends in Sight volunteer and help bring more vision screenings to District 4-L4.

Join the new District 4-L4 Vision Screening Team

You and your team will be trained to handle registration, operate automated instruments, assist eye doctors, search from an eyeglass data base, help with inventory management, assist patients in selecting their eyeglasses, and even learn how to fit and adjust them.

The first event for the District team is a vision screening on Saturday, November 3 sponsored by the Garden Grove Host Lions Club. The Club will handle the event details. You and other 4-L4 volunteers will manage and staff the screening and eyeglass stations.

The hope is that this experience will inspire enough 4-L4 Lions to continue as a new team willing and able to manage and staff up to six screenings a year in your District.

**For more information and to sign up for training contact a
Volunteer Coordinator**

VOLUNTEER COORDINATORS:

Cathy Newton (562) 377-8955 – lioncathynewton@gmail.com

Mike Smith (562) 254-0502 - fishhawke1@sbcglobal.net

California Lions Friends in Sight Trainers will be at each of the following regularly scheduled screenings:

PRE-EVENT TRAINING DATES

July 28, Huntington Beach
August 11, Whittier
September 8, Ontario
September 22, Chino

Restoring Vision – Preventing Blindness

New Website Announcement

California Lions Friends in Sight has launched an all new website. It has been completely redesigned to offer a fast and easy navigation experience for the public, eye care professionals, donors and volunteers. The design exemplifies the Restoring Vision – Preventing Blindness mission and the organization's need for donor support and volunteers.

Please RSVP by July 7TH to Lion Diane at 714-623-1439

SPACE IS LIMITED to a MAX of 75 - RSVP is required

FOOTHILL REGION CHAIR BOB TERRY

I am so honored and excited to be offered this position by District Governor Elect Randy McMillan to be the Foothill Region Chair for 2018-19. The Foothill Region has a very eclectic and dynamic nine clubs and we are a force to be reckoned with! I can only hope that I am half as effective and available as my predecessor Mike Shaw was...and along with Annette, WendyAnn and Mike P., he had an incredible support system. But I am just as fortunate this year to have Joey Amaro, Mike P. (Preston) and, wait for it...Mike Shaw as my Zone Chairs.

I will be president again this year for my club, Cucamonga District Host, and I am still a "working stiff" for "The Man", so I will strive to be at every visitation and event that my Region clubs put on. I know so many of my Foothill Region Lions but there are still some that I have not met. Please feel free to reach out to me if there is ANYTHING I can do to help your club succeed...survive...or prosper. My email is bobterry445@yahoo.com and like this cabinet has said...I WORK FOR YOU! Warm Regards, Lion Bob

FOOTHILL REGION ZONE A CHAIR JOEY AMARO

FOOTHILL REGION ZONE B CHAIR MICHAEL SHAW

The Lions Club International's symbol is two lions, one facing the past while the other looks to the future. We need to remember our legacy but in doing so don't allow the memories of the past to limit the potential of your club's future. With the start of a new year, new members and new ideas there is no limit to what each club can achieve. This is going to be an exciting year with all Lions working together to serve their communities with the same dedication to, "One Team One Dream." Have a great year, Michael

The **Ontario Host Lions Club** is starting this year's service to their community with a new president, Michael Shaw, and their newly elected officers. President Michael Shaw will be this year's Foothill Region Zone B chair and is looking forward to bringing their club's news, activities and service to The Forum. The **Ontario Host Lions** have completed all four of the "Centennial Challenges" with their work in: "Protecting our Environment" by planting a tree for the Lincoln school students in Ontario, "Relieving Hunger" by feeding 200 families with their food basket program each holiday, "Sharing the Vision" by volunteering at several vision screenings in the Foothill area and "Engaging our Youth" by hosting a special needs gift luncheon for the students at Lincoln school. As well as participating in both the Zone B Wellness Health Fair and the Region Diabetes Awareness Fair the Lemon Festival in Upland, screening one hundred and eighty-four individuals. The club will be dark during the month of August but is looking forward to this coming year to continue with each of the above programs and looking forward to new projects to serve their community. Ontario-Hosts Lions is a small club with a big heart!

The **Pomona Host Lions Club's** activities for the month of June were a combination of service projects and activities to close one Lions year and begin another. Our club's Feeding the Homeless program continued with feeding 140 homeless men and women at the city's shelter, and members heard a presentation on the new city homeless shelter, which is about to be built. Little Free Library stewards busily kept our club's six LFL's and three mini-libraries well-stocked, often with trips to refill them once a week, sometimes even more. Community and club planning sessions are already underway for the annual Kids Summer Campout, where our members run the Giant Bubble Booth.

The Pomona Host Lions' used eyeglasses recycling program, with its collection boxes around the city, netted 375 glasses, and our Pomona Lions Vision and Hearing Center continued to provide exams and glasses to students in the Pomona Unified School District. Our members continued to actively participate in the Red Cross's "Prepare Pomona," both preparing for potential large disasters like earthquakes and organizing with other local service clubs to install smoke detectors in the homes of residents who can't afford them. Also, the grant committee continued to plan for and write other grants to augment our successful grant to purchase vision cameras, which we can use for testing pre-school and kindergartners.

As the year approaches its end, **Pomona Host Lions** members have been busy attending the New Officer Training, a joint board meeting of new and old officers, and spending many hours planning a beautiful installation. Our new President Anne Henderson was installed with her theme of "Serve with Passion and Pride." PDG Gil Smith conducted the installation. Outgoing President Carmen Morris had a meaningful Awards Ceremony. Receiving plaques were Jo Fulton, Lion of the Year; Denny Mosier, Melvin Jones Fellow; Ben Selters, Kay K. Fukushima Fellow; Steve King and Clark Selters, Distinguished Service Awards. New member Andie Morris was also inducted into the club.

FOOTHILL REGION ZONE C CHAIR MIKE PRESTON

Hello Foothill Zone C Lions! It is an honor to have been asked to continue as your Zone C Chair for the upcoming year. It was a pleasure to meet the new officers for our three clubs at the training session on June 16th. We had a short Zone Meeting to kick start the year, and you all voted to participate in a Health Fair as the Zone project for the year. This will take place on September 22nd at Don Lugo High School in Chino. We will have our next Zone Meeting on July 10th to work on the details. I look forward to helping you make this a success. I am your resource to use, so please let me know if I can help in any way.

June was a very busy month for **Chino Valley Lions Club**. We began our season of selling soft-serve ice cream cones, sundaes and floats at the Summer Concerts of both Chino and Chino Hills. These weekly concerts will continue through August. We held our Officer Installation and Recognition Dinner, presided over by PDG Gil and Lion Barbara Smith. Five officers attended Leadership Training. One hundred fifty more hand-knit baby hats were delivered to Pomona Valley Hospital for their nursery, representing more than 750 hours of effort. In addition, we are working on knitted adult caps for our Single Soldiers Christmas baskets.

The **Diamond Bar Breakfast Lions Club** held their two regular meetings and one Board meeting in the month of June. Our guests at the meeting on June 4th were; Leo Ellis Stagg, Mom Chang and Katharina Hasjim. Guest Katharina completed her membership application for the Lions club. A motion was passed to accept the "Leos to Lions" transition. Activities planned for August of 2018 are Grandparents Day and Membership Social. Lion Cindee and Brian volunteered at the Farmers market on June 9th with friend Annette and her son. Lions Zina and Kim volunteered on June 16th along with their son Leo Ellis. We collected 30 pairs of eyeglasses for recycling. Thank you.

Our installation was held on Saturday, June 10th at Round Table Pizza. PDG PJ was the installing officer. Besides, the installation of new officers for 2018-2019 other recognition was given. The outgoing Board were awarded Certificates of Service, Proud Lion pin for Lion Zina, Sight and Hearing Life Membership plaque for Lion Sergio, Student Speaker Harry J. Aslan Fellowship for Lions Jack and Wanda, Abdul Award to Lion JK, District 4-L4 Project of Year (medium club) Grandparents Day to Diamond Bar Breakfast Lions Club, "Treasurer of Year" to Lion Steve, "President of Year" to Lion Cindee. PDG PJ also inducted two new Lions Katharina Hasjim and Chelsea Li. Congratulations! Our Club "Lion of the Year" went to Lion Iyun Yi. Congratulations to Everyone. Job well done. PDG PJ gave the new Board a box of good and plenty shaped like a train for the good things to be done and plenty of them. Our President received a box of Whoppers to have a whopper of a year. That was so cute and innovative.

We (President, Secretary, Treasurer) participated in the new officers training on June 16th. Leos are dark for the summer except the Diamond Bar HS Leos. Lion Wanda held her first new Board meeting on June 9th. Congratulations are in order to our Diamond Bar Community Leos. They received the "Small Club of the Year" Award and Leo Emma received \$500 from participating in the Teen Recognition Program. Yea!! Our second meeting was held on June 18th. Welcome to our new Lion Chelsea Li. She was formally the President of the DBHS Leos. President Cindee gave out awards to Lions that were not able to make the Installation. Congratulations. Looking forward to a great 2018-2019 year of Lionism.

Fullerton Host Lions are in the news!!

JULY 2018

LOCAL GOVERNMENT NEWS

FULLERTON OBSERVER Page 5

City Manager Ken Domer Gives Presentation on Fullerton Issues

by Jane Rands

One year after being selected as Fullerton's City Manager, Ken Domer spoke at back-to-back events on June 20 and 21. For the second in their series of monthly community meetings, the Fullerton Lions Club asked Mr. Domer to discuss Fullerton's infrastructure, finances, challenges, and the status of development. The following morning Mr. Domer sat on a panel of city managers invited to speak to the Korean American Chamber of Commerce of OC (KACCOC).

At the Lions Club meeting, Mr. Domer started with some personal background. He is an Orange County native who resides in the City of Orange. When graduating high school, he already knew he wanted to be a city manager. After working in state, county, and city governments and agencies, he said, "Fullerton is one of the places I wanted to land." He plans to stay with Fullerton until he retires in about 16 years.

Budget: Mr. Domer explained that the 2018-19 fiscal year City Budget is \$194 million of which \$93 million is designated to the General Fund for city services such as the library and parks and recreation. He pointed out that 49% of the General Fund goes to police and 21% to fire.

Pensions: He identified the "pension crises" as a challenge. He faulted former Governor Gray Davis for the crisis because Davis signed legislation in 1999 that changed the California Public Employees Retirement System rules to allow public safety employees to retire at 50 and receive 90% of their last year of salary and non-safety employees to receive 60% of their salary at the age of 55. City Councils, including Fullerton's, then voted in the same benefits for their employees.

Mr. Domer stated that cities will "start to fail" in the next 2 to 3 years because of the cost of pensions. But he is "cautiously optimistic" about Fullerton. Based on different budget scenarios (available on the city's website) Fullerton should be able to maintain a 10% reserve over the next 5 years.

Fullerton currently spends \$68 million on salary and benefits for 615 fulltime employees. That's 105 fewer than in 2009. Line level staff and managers are tracking their budgets.

Mr. Domer thinks it is good that Fullerton has "transparency in negotia-

tions" that require reporting to the public. He credited police for "stepping up" in the last round of negotiations when they agreed to spread a 4.5% increase over 4 years.

He anticipates Fullerton will be making single-year employment agreements rather than four-year agreements in the future. If the anticipated economic downturn results in a loss of property or sales tax revenue the city will then have an opportunity to renegotiate.

If the gas tax is repealed by voters in November, Domer said there will be a "hole" in the funding for street repair.

Fire and police are now paying 9% of their salary towards their pension while the city pays in 55%. He said there is an incentive for employees to pay more into their pensions and healthcare costs because if the city cannot afford to pay enough into CalPERS, then the benefits paid from CalPERS to retired Fullerton employees will be reduced.

Mr. Domer has agreed to pay 13% of his \$225,000 annual salary into his pension while the city pays 16.5%. He stated that in the future he will take on more of his pension costs and not take salary increases to "lead by example." Though he said, that's "not going to solve the problem."

Tax on Sales: Long-term, he said, "I am nervous" about Fullerton's future finances because of uncertainties. He encouraged the audience to "shop locally" because the city receives 1% of 8.25% tax on sales in Fullerton and he will be working on "putting in a fiscally sustainable structure."

Street Repair: Mr. Domer said the streets are the city's largest asset valued at \$450 million. He explained that the 2018-19 budget has \$7 million in street repairs with \$3.5 million from the historic gas tax, \$2.2 million from the Measure M2 quarter-cent county sales tax, and another \$2.5 million from the recently-enacted SB1 gas tax. If that gas tax is repealed by voters in November, he said there will be a "hole" in the funding.

Possible future street repair funds could come from assessment districts, where bonds are sold to directly benefit the streets within the district. The city could also bond against future gas tax revenue. But Mr. Domer thinks this is a "bad idea" because bonds would double the cost. Another option might be a local half-cent sales tax to go towards roads.

Development: Mr. Domer said the new Development Director Ted White is

reviewing processes to make improvements that will encourage new business. They are also focusing on downtown issues, such as where to park employees to make room for customer parking and considering paid parking for late night uses. They are looking at finding ways to better regulate alcohol and entertainment at restaurants.

There are new opportunities for business at two industrial locations. The Beckman site is being rebuilt around the historically protected Beckman Administration Building. And though Kimberly Clark is leaving in 3 years, he envisions the 66 acres as a place for research and development, some retail, and a business class hotel.

Coyote Hills: There is "no news yet," according to Domer, about what will become of the \$15 million anticipated from the state for purchasing portions of West Coyote Hills since the author of SB714, Senator Josh Newman, was recalled. He said the Friends of Coyote Hills (FCH) court appeal will be heard soon and FCH will have another opportunity to appeal to the state supreme court if this appeal fails. He said he hopes the state will help with funding.

Homelessness: When asked about Judge Carter's efforts to encourage cities to provide housing for people living on the street, Mr. Domer said Fullerton was "part of the good group that the judge likes," because Fullerton is working to provide housing. He also cited unaffordable housing as a cause for overcrowded housing that creates street parking problems.

or call (714) 738-3161

Hunt Library: Mr. Domer referred to the Hunt Branch Library as a "great city asset" and a "beautiful piece of architectural history" that the city can't afford to reopen. An ad hoc committee will be developing recommendations to go into a Request for Qualifications for new programming to be run by the applicants and help keep the city asset available to the public (see related Hunt Library story on frontpage).

College Town, he said, "won't come back in the same form." It needs to be a plan that the city, CSUF, and the neighborhood can all agree upon as Chapman University did for their expansion when he was a Planning Commissioner in Orange.

At the KACCOC event, Mr. Domer sat alongside City Managers James Vanderpool from Buena Park, Scott Stiles from Garden Grove, and Grace Leung, the Acting City Manager of Irvine (see photo page 4). The KACCOC is headquartered in Garden Grove, but in their forty years of existence they have branched out to support Korean businesses in Fullerton, Buena Park, and Irvine.

Mr. Domer described his role as a city manager, which includes hiring expert department heads and supporting them in doing their jobs.

He said Fullerton needs more Korean speaking staff, Economic Development staff, and to update "antiquated" zoning to attract new business.

When asked about Kimberly Clark closing in three years, Mr. Domer explained that the North Orange County Chamber of Commerce (NOCOC) would help retrain employees. He is recommending hiring a Master Developer to design a plan for the 66-acre site that he expects will be subdivided.

The CEO of the NOCOC (formerly Fullerton Chamber of Commerce), Theresa Harvey, asked about any regional planning or collaboration among cities along major corridors. Mr. Domer responded that after the KACCOC event he would be heading to a North Orange County meeting on homelessness followed by a meeting about animal control with neighboring cities.

NOW OPEN
EXCEPTIONAL DERMATOLOGY CARE
IN FULLERTON, CA

ORANGE REGION ZONE B CHAIR ALEXIS MORGAN

ORANGE REGION ZONE C CHAIR CRAIG DURAND

The Garden Grove Host Lions continued their Disadvantaged School Children Eye Exam and Eyeglass Program by funding the exams and eyeglasses for 17 students in the Garden Grove Unified School District in the period of March through June 2018. The students are identified as eligible for the program by the nursing staff of the School District who then refer them to local doctors. The doctors in turn are reimbursed by the club. Through this program over the past seven years, the club has provided eye exams and eyeglasses to nearly 350 students whose families could not otherwise afford such services.

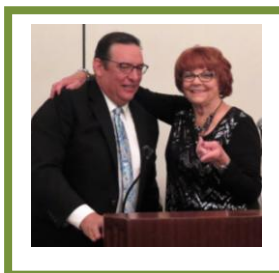

On the evening of June 22nd the Garden Grove Host Lions Club Officers and Cabinet for 2018-19 were sworn in by District 4-L4 PDG P.J. Smith at the Club's Clubhouse. The installation took place following a great meal and entertainment provided by comedian Jim Morrissey. The accompanying pictures show PDG P.J. congratulating incoming President Ric Lerma and Lion Ric congratulating and thanking outgoing President Craig Durand for his service and leadership in 2017-18. Lion Craig will serve as Orange Region Zone C Chair for District 4-L4 for 2018-19.

SADDLEBACK REGION CHAIR JOHN ULRICH

SADDLEBACK REGION ZONE A CHAIR MARIANNE HAHN

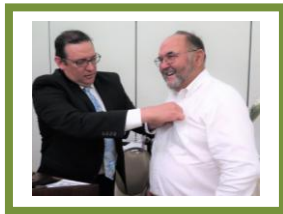

Hello Lions, my name is Marianne Hahn. I am a member of the Harbor Mesa Lions. I am excited to introduce myself as your Zone A Chairman for the Saddleback Region. I look forward to serving our District as well as Governor Randy McMillan. At training, we had a quick Zone meeting in which we decided to conduct a beach clean-up in early October as a Zone Project. Yours in Lionism, Marianne Hahn

On June 14th the Huntington Beach Host Lions Club proudly celebrated their 80th Anniversary at the Mile Square Golf Course's beautiful banquet facility. Almost 70 people attended this memorable black and white event that included slide shows, a memory table, photo opportunity corner, DJ music and delicious food.

1st Vice District Governor, Mark Piva, who is a member of the club, presented the club Charter to the incoming President Carol Van Holt to initiate the legacy of passing the Charter to each President to keep for their year. He also gave some of the history of the club according to a letter written in 1960 by one of the founders of Huntington Beach Lions Club, Lion "Cap Sheue" who was a well known coach and teacher from Huntington Beach High School. Their football field is named after him. Cap Sheue and the High School Board of Directors President Fred Grable were the two men responsible for what is now, the Huntington Beach Host Lions Club. The Charter ceremonial events were held on June 30, 1938 at the City Auditorium before a crowd of 400 people.

The evening included the installation of the 2018 – 2019 officers and the induction of a new member. Past District Governor Judy Schnitzer of the Orange Lions Club, the sponsoring club of Huntington Beach Lions, had the honor of presiding over these two events. The new member is Elizabeth Kelder who has a sister, Jennifer, in another Lions club. In a beautiful candle passing (passing the torch) ceremony, the new officers were installed. They are: President, Carol Van Holt; Immediate Past President, Sean Arens; 1st VP, Glen Miller; 2nd VP, Debbie Karlson; Secretary, SuAnne White; Treasurer, Eric Halsey; Lion Tamer, Andy Candelario and Tail Twister, Amparo Candelario. The new Board members are: Lions Jeff Campana; Monica Miller, Mike Newell, Doris North; Mark Piva; George Soto.

Outgoing President Sean Arens presented awards to those members who have gone above and beyond to help make the year a success. Lions Doris North, Robert Sanchez, Hank Lopez, and Kirby Holte, were recipients of various awards. Melvin Jones awards went to Lion Steve Christy and Lion Ray Walls. 1st VDG Mark Piva presented the District Bulletin award to his co-editor, Lion Carol Van Holt. Nine Lions from Seal Beach Lions Club, which was sponsored by HBH, and four Lions from Harbor Mesa Lions Club attended the event to join the celebration.

The **Huntington Beach Host Lions Club** and the California Lions Friends In Sight are conducting a free vision screening with free recycled eyeglasses on Saturday, July 28th starting at 8 AM at Ocean View High School (17071 Gothard Street, Huntington Beach- at Warner Avenue not too far west of Beach Blvd). We are inviting other clubs to "Join Hands in Service" at this event. For more information, or to sign up, visit: <https://www.signupgenius.com/go/60b0a4ea8af29a4fb6-free>. You can also type "tiny.cc/hbvision" in the URL address box on your browser. THANK YOU for considering this!

SADDLEBACK REGION ZONE B CHAIR MORGAN HUANG

Orange County Chinese American Lion Morgan Huang joined the spring cleaning at Camp Teresita Pines on June 2nd. He worked for six hours cutting weeds around the cabins. The **Chinese American Lions** has a change in their incoming president. Due to family reasons, president elect Aileen is unable to perform the job of president. Secretary Morgan Huang called for an emergency board meeting on June 15th. Lion Fay Huang was elected to fill the opening. All of the members were happy to welcome President Fay at the monthly meeting on June 19th.

The Annual Meeting and Installation of **Orange County Chinese American Lions** will be held on July 15th. District Governor Randy McMillan will install our new president and officers. We are expecting over 120 guests from Lions and the Taiwanese community. The evening will include entertainment of singing, dancing and different of games. And of course, great food. We welcome all clubs to join us. Please see the flyer in this issue for more information.

DISTRICT 4-L4 WEBSITE

Did you know that our website has been revamped and updated? Visit www.district4l4.org and check it out. The new interface is clean and bright and there are lots of new features for the public and for Lions.

One of the first features you may notice is the Events Calendar where you can view upcoming events for the district and for our clubs. Click on an event the link will take you to more information about the event. There are links to automatically place the information in your Google or ICAL calendar.
