A MESSAGE FROM JUDY BARR, GOVERNOR DISTRICT 4-L4

Lions; I wanted to share my final thoughts as your 2017-2018 Centennial District Governor. I shared this speech at the closing of our 2018 District Convention in San Diego. I wanted to pass my thoughts along to all of our members in the district as well.

In 2013 when PDG Sheila asked me to be the Saddleback Zone B Chair, I really didn't know what that meant. I only joined a Lions Club in January of 2010. I was just wrapping up being club president with no thoughts of what the district was all about. I was not asked to take another position within the district after that year as Zone Chair, and really didn't think anymore about it until PDG Ken Sherwood asked me why wasn't I doing something for the district? That was May 2014 -- in San Diego -- in the Old Towne Mexican Café. I guess I must have had an extra margarita or something because he asked if I had thought about being a District Governor. Holy Cow! What a roller coaster after that! Soon I learned I was campaigning against two other worthy candidates and needed to play catch-up in getting the clubs to know who I was! A year of campaigning, a hotly contested race, and in May 2015, I was elected as 2nd Vice District Governor. I didn't even know that when I eventually became governor, it would be our Centennial year with the convention being held in Chicago!

I wasn't the first to break the glass ceiling in this district as governor. There were five very strong and capable women who forged ahead of me. They are PDGs Ellen Liebherr, Barbara Hayward, Elizabeth Warren, Judy Schnitzer, and Sheila Casteel. I'm number six. It looks like there will be several years before another lady can step up to take the lead. But in the mean time, all PDGs must be good Lion mentors to our up-and-coming leaders, both male and female. We need to search out potential candidates and work with them so that they will be ready to step up when the time comes! It's an obligation that all of us need to consider!

So here we are. Talk about full circle! We are back at the same convention hotel in 2018! My district "career" started here and will be ending here—for now. I truly hope that I can continue growing my club and my district. I have several passions that I want to focus on and I think I can do a good job. It is my sincere hope that you as members of District 4-L4 felt that when you voted for me back in 2015 that I was worthy, that I did a good job, and held District 4-L4 up in good standing with MD4 and LCI.

I want to again thank the convention committee for giving me one heck of a going-away party this weekend. I want to thank my mentors, Mike, PJ, Danny, and Barbara whose advice was invaluable. They are all amazing! I want to thank my Cabinet Treasurer Sandi Scheafer who kept not only me, but our district in fine financial health. I certainly cannot thank my Cabinet Secretary Diane Quinlan enough for her incredible help this past year. I only met Diane back in 2015 when we were thrown together as roommates at the Ontario Lions Leadership Institute. We've travelled to Forums together, and spent many late nights talking and trying to figure things out. Diane has an incredible wealth of knowledge that she was able to pass on. I was so fortunate to have her by my side for these past four years.

Finally, I want to thank my husband Chris Barr. He is my rock, my soul mate and the love of my life. He was always there for me. Whether it was just to listen to me vent or offer practical, impartial, non-emotional advice. He stood by me every step of the way. I cannot believe all of the events I dragged him to for four straight years. Frankly, I don't know what we are going to do with all our free time starting about July 3! We have travelled so much up and down the state and around the country. I don't think a second honeymoon is going to happen any time soon! Perhaps we will become hermits for a little while to catch our breaths! Whatever we choose to do, you can be assured that we will be out volunteering with our Lions gear proudly being displayed!

It has been an amazing run. I feel like I am sliding into home base; a bit dirty, a little rumpled, but I made it! Thank you all for your support, encouragement, and understanding. I greatly appreciate it. I wish you all well and safe journeys home. Thank you from the bottom of my heart! Always remember: Walk with Purpose, Live with Passion, and Serve with Pride! Good night everyone!

**~Yours In Lionism, Governor Judy
Centennial Year 2017-2018**

A MESSAGE FROM RANDY MCMILLAN, FIRST VICE DISTRICT GOVERNOR

One Team One Dream - Lions in Action To Serve

We Work for You...just sayin'!!!

A MESSAGE FROM MARK PIVA, SECOND VICE DISTRICT GOVERNOR

Hello Lions. Thank you for electing me to serve you as 1st Vice District Governor beginning in July. I'm excited to work alongside District Governor-elect Randy McMillan and 2nd VDG-elect Steve Lacey serving the Lions of District 4-L4.

As we wind down this Lions year and prepare for the next one, I would like to highlight opportunities for club programs. Club programs offer a great incentive for members to attend meetings and learn about different topics. A good source of programs is in your city. Ask your mayor, city council, or city services personnel, to speak to your club about current activities and ways your club can become involved. Another source of programs are the Lions who represent District Approved Projects. You can find information about these projects on the District website <https://www.district4l4.org/approved-projects/>

I would like to recommend a few to you:

- The PADRE Foundation (**P**ediatric **A**dolescent **D**iabetes **R**esearch and **E**ducation) is an Orange County based organization dedicated to supporting children and teens (adolescents) with Type 1 diabetes along with their families. The **PADRE Foundation** has close ties with Children's Hospital of Orange County (CHOC) and the Dick and Mary Allen Diabetes Center in Newport Beach, but develops and operates its own programs. Founded in 1985, the foundation provides local support for adolescents and families and supports Orange County based research on Type 1 diabetes. It has expanded to provide education, events and project administration. Ask Mike Avery to bring along his video presentation if you have the equipment. Contact PDG Barbara Haywood for more information Blhayward@yahoo.com
- **The Marshall B. Ketchum University Lions Club.** The optometry students have a great presentation on their eye screening mission trips to Mexico. Contact Lion Dr. Corina van der Pol at vandepol2020@gmail.com for more information.
- **California Lions Friends in Sight (CLFIS)** provides free vision screenings and recycled eyeglasses for thousands of disadvantaged individuals throughout southern California and northern Mexico. The primary goals are to educate the public on vision related matters, to address the functional forms of visual impairment by providing free recycled eyeglasses closely matched to a screening refraction and to assess ocular health conditions that could lead to pathological forms of visual impairment. Reach out to Lion Pat Dundas for more information pat@teamwork-marketing.com
- **California Lions Foundation (CLF)** is a California, non-profit, tax-exempt, 501(c) (3) corporation with the sole purpose to provide matching financial grants to California Lions Clubs. CLF matching grants are provided to enable California Lions clubs to provide even greater service to their local communities. Contact PDG Gil Smith for more information gilsmith@aol.com

Ask your members what they would like to have as programs, and begin planning your year now.

CABINET TREASURER REPORT ~ Lion Sandi Scheafer

It's been a pleasure serving as Cabinet Treasurer for Governor Judy and District 4-L4. Governor Judy has made many positive changes for the district this year. I am especially appreciative of her willingness to make important financial changes providing more transparency in the district. She was able to charge less to attend district and region meetings and provided great leadership training opportunities. Governor Judy has "Walked with Purpose, Lived with Passion and Serve with Pride." This year was truly a celebration as Lions began their 100th year of service. As we enter the next century of service, we welcome new generations of Lions. We can look forward to working together, helping each other with technology challenges and acceptance of new ideas. It's also important that we share our experiences, past and present. We all share a common goal of serving, and we all know we can serve so many more when we work together. Officer Training is an important opportunity for Club Presidents, Secretaries and Treasurers. Hope your club officers are able to attend to see what to expect in the upcoming year. Thanks again for allowing me to serve.

CABINET SECRETARY REPORT ~ Lion Diane Quinlan

WOW Lions of 4-L4, what a **wonderful year** it has been! I cannot believe that my third year as your District Cabinet Secretary is almost over.....What an amazing convention we had with lots of fun and fellowship. The "blind experience" on Friday was so enlightening to show us for a few moments how a blind person gets a round. A big shout out to the talent of Lion Sandi Scheafer and her vivid imagination. There were also many amazing people being recognized for their time and talents. I would like to give a big shout out to our **Secretary of the Year Lion Jack Perich**. He did a tremendous job reporting all the activities. There were many wonderful secretaries this year and you all deserve a big thanks for all you did!! Remember there are changes in how you report activities for the 2018/2019 year from LCI so be sure to attend the New Officers Training for the latest update. As your year winds down, please don't forget to take the time to give your new secretary all the necessary tools to do his/her job. If you are staying on for another term please be sure to meet with your new president. Remember that not all presidents have the same requirements from you, so be sure to find out what their expectation are. Don't start your year off with "well this is how it is done," be sure to be open to change as he or she may have their own way of doing things and they may be a bit different than what you have done in the past. Like each District Governor, each president has their own vision of their year and your job as secretary is to support and assist. **2017-2018 Club Presidents** please be sure to turn in the 100% Secretary form by **August 15th** (not the date on the form, we still have to sign and submit) so we can also take care of your secretary with a **100% Secretary Award**. Please be sure to have to me on time and send to LION.DIANEQ@GMAIL.COM. This is for the year 2017/2018 so this does come to me not the new Cabinet Secretary Lion Joan Parks. Please show your secretary he or she did an amazing job by recognizing them with this award. It has been my privilege and honor to serve as your Cabinet Secretary for a 3rd term. You may ask what is next well..... I have loved my job and can tell you it was vastly different with each District Governor as it is with each president. I would not trade the knowledge I have gained in doing this or the friendships I have made and strengthened along this journey. I continue to learn with each new day. Many of you have given me such support and advice along the way and I thank you for that. As for the question if I would ever do it again the answer is.....you never know, it depends on who asks, but I look forward to serving with my club as a Lion.....until we see each other again. Yours in Lionism. Blessings from my home to yours.

GLOBAL LEADERSHIP (GLT) UPDATE

Proud and excited are the two words that come to mind when I think of this last year and the year to come. Proud from the standpoint that I saw a group of Lions, some of whom did not know each other, come together as a team, as a family. Each, individually and collectively, turning adversity into accomplishments, thoughts into reality, and questions into success. I can remember the look on my father's face when he was proud of something I had done. This look has been a constant on my face all year long. Well done my friends, well done.

Excited from the standpoint of what next year holds in store. Lion Seth Eaker will be the GLT and has demonstrated time and time again the passion, knowledge, and drive to make next year a memorable one when it comes to leadership. Have no fear as I have committed myself to him, to you, to be there all the way, helping in any capacity.

Lastly, this last convention was one I will remember for a long time and that is because of each of you. Thank you for being who you are, which has made me a better person.

As our grandson rides around on his toy motorbike and our granddaughter cuddles with Meme (Lori) I am reminded that times goes on, people and places change, some are no longer with us, others have joined us, and still more are yet to come. The one main ingredient in all of this is that our communities will always have needs and with this comes a need for Lions from which is born leaders, you, the reason for our success, past, present and future.

I look forward to seeing each of you at the annual training on June 16th. Until then God Bless.

~PDG Dan Mayer

TEEN RECOGNITION

Dinner at the Old Spaghetti Factory in Fullerton was enjoyed by many Lions and guests to celebrate teens who volunteer in their schools and local communities and promote a drug, alcohol and tobacco free lifestyle. District 4-L4 Leos Sam Harrison from Village Bible Academy Leo Club and Erin Tan from Walnut High School Leo Club each received a Teen Recognition Award from Fullerton Mayor Doug Chaffee and District Governor Judy Barr. Not pictured is the third recipient, Leo Emma Noelle Ibarra from Diamond Bar Community Leo Club. Congratulations to our future Lions!

BRAILLE INSTITUTE OF ANAHEIM

The Braille Institute of Anaheim is under way on a new campus designed to meet the unique needs of those experiencing sight loss. City and county representatives, including Mayor Tom Tait and City Council Members Denise Barnes and Stephen Faessel, recently joined in celebrating this milestone. City officials approved the institute's plans to build a new campus at its property in southwest Anaheim. The group's original campus was a collection of aging residential homes acquired in the early 1970s. Back then, the institute served just a few dozen children and adults. In addition to updating critical structural issues, the new 14,735-square-foot building will feature a state-of-the-art learning resource center integrating modern technologies with the specialized hands-on training students need to thrive. A grand opening is scheduled just in time to celebrate the Braille Institute's 100th year of service in early 2019.

FOOTHILL REGION CHAIR MIKE SHAW

As some of you may know, in December I experienced some major health issues but I was determined not to let that hinder my responsibilities as this year's Foothill Region Chair. As of this month the Foothill Region has completed all goals and challenges set by LCI and the district. In July my duties will end and I wanted to take this opportunity to express my thanks for an incredible year.

In my article on leadership I talked about leaders that inspire and then get out of the way. They know that talented people don't need or want hovering managers. You, the clubs and Lions of the Foothill Region, are those types of people. The type of people who are willing to show up, serve and do what is expected of them. I was able to point in a direction of need and just get out of your way. You all made it a pleasure and an honor to serve as your Region Chair.

I want to thank the individual presidents and secretaries from each club for your "call to arms" when your members were needed. To the Governor's cabinet members for your acceptance and making the job so much fun. To our District Governor Judy Barr, thank you for having faith and confidence in me to be the Region Chair.

"Team work is the ability to work together towards a common vision. The ability to direct individual accomplishments toward organizational objectives. It is the fuel that allows common people to attain uncommon results." ~Andrew Carnegie

Thank you all for your accomplishments and being that uncommon result.

FOOTHILL REGION ZONE B CHAIR WENDYANN STUARD

CHANGE. As we approach the end of our fiscal year, change is imminent. Some people like it; some people fear it. Some people embrace it and see opportunities for growth or a way to try new things. Some people resist it, wary of anything that threatens the status quo and preferring the tried and true. Regardless of how you feel about change, it is an inevitable part of life. Our attitudes start with our thoughts, not our feelings about situations or people. How you react could be the difference between success and failure, peace and discontentment. Most of us know part of the Serenity Prayer: "God grant me the serenity to accept the things I cannot change, the courage to change the things I can and the wisdom to know the difference." I pray each of us will find serenity, courage and wisdom in the midst of change.

As I end my position as zone chair, I want to thank and congratulate District Governor Judy for being a great leader who wasn't afraid to take chances or risks and who embraced change when it was needed, and displayed courage and wisdom throughout her term as governor. Thank you to Pomona Host, Ontario Host and Western University for all your hard work, endless hours of community service and your Lion spirit. I look forward to being under the leadership of our incoming Governor Randy who has already demonstrated his leadership skills to institute changes within the district. I wish you all God's blessings.

The Ontario Host Lions were honored at this year's District 4-L4 Convention which was held in San Diego. Awards were presented to Ontario Host Lions Debi Nichols and Andrea Busby for sponsoring the most individual new members in the year. Each year at the convention, deceased Lions are honored with a memorial for their service to Lionism. Each club sends a representative to carry a red rose while the District Chaplain reads a short bio of their service. Ontario Host Lions' representative was Foothill Region Chair Michael Shaw who carried a special yellow rose to be placed in the vase for PDG Ed Bordenkircher, the club's District Governor and the International Ambassador of Good Will.

On Thursday June 14th the Ontario Host Lions will hold a Golf Tournament at Sierra La Verne Country Club. Ontario Host Lions have been serving their community since 1922. They are comprised of men and women whose goal is to help those in need. This special golf tournament will provide funds for their important programs. For more information on supporting the golf tournament or the Ontario Host Lions, please call (909) 596-2100.

During May, the **Pomona Host Lions** immersed themselves in non-stop service activities. Club members and family worked on three projects at our annual Pomona Beautification Day: cleaning and refurbishing the trail above Ganesha Park, picking up trash at Ganesha Park and running a giant Little Free Library tent at the Civic Center Plaza. At our school district's annual Learning Expo, our Lions served lunch to 275 volunteers, and we helped the Saturday student lunch group set up the Learning Expo operation. In addition to these two large annual events, the **Pomona Host Lions** cooked for and served 140 homeless men and women at the city shelter, and we kept our six Lions Little Free Libraries well stocked and in good repair. Thank you to the district Lions, who donated children's books for our libraries! These books really help! Our club's participation in the Red Cross "Prepare Pomona" continued as six Lions attended meetings to start making plans and preparations for a major disaster in the area.

The Pomona Host Lions Club's historic service projects are alive and well. The Pomona Lions Vision and Hearing Center, which the Lions built for the school district in 2002, continues to provide optometrist exams and eyeglasses for students, who otherwise cannot afford vision care. Our weekly Braille bus program, which began in 1964 and is our longest continuous project, provides local visually impaired residents transportation to Braille events in Los Angeles.

The Lions soon may be known as the city's "recycling club"! This month our club collected over 50 ink/toner cartridges, boxes of used eyeglasses, empty pill bottles for use in underdeveloped countries, and 100 used hearing aids. Of course, it helps that the head of our hearing aids collection is President Carmen, who owns Christensen Hearing Center.

In addition to working on worthwhile and enjoyable service projects, **Pomona Host Lions** had lots of fun at meetings and visitations. Exceptional speakers presented at our two general membership meetings—first, Lion Clark and Elizabeth Sellers shared stories and pictures from their recent running of the Boston Marathon, an event they had been training for all year, and second, a professor from the University of La Verne helped the Lions understand how Syria's history and past events led to the country's current situation. Club members also enjoyed going to Ontario-Upland's Tea Party. It was quite a treat. Then six Lions from our club—two of them first timers—went to San Diego for the district convention, where they experienced the exhilaration of the non-stop activities and the fellowship of Lions from throughout the district. Finally, the club is now busily preparing for the installation of our new president, Lion Anne Henderson, and our board, and it is looking forward to another outstanding year.

FOOTHILL REGION ZONE C CHAIR MIKE PRESTON

The **Diamond Bar Breakfast Lions Club** welcomed guests 1st VDG Randy McMillan and Mom Chang to their first meeting in May. 1st VDG Randy asked for and received our club's support in voting for him for District Governor 2018-2019 at the D4-L4 Convention in San Diego. He also went over some changes for next year including that there will no longer be printed directories like we had in the past. Everything will be online. This raised some concern by members that do not do e-mail. Our members also requested the number of Lions required for visitations be reconsidered.

The Elections of new Club Officers for 2018-2019 was completed and reported to LCI. Lions were asked to support the National Association of Letter Carriers Stamp Out Hunger Food Drive on May 12th. **Diamond Bar Breakfast Lion** Kim Stagg is part of the postal service. Three members attended the District 4-L4 Convention. We participated in IVHP Farmers market on May 12th. At our second meeting on May 21st our guest speaker was Deputy Louis Denver from the Walnut Sheriff station. He shared valuable information in regards to crime in the area and tips on prevention. Our Leos held their monthly meetings and completed their elections. The Leos had their Installations in May. Chaparral Leos had their end of year pizza party and the DBHS Leos had their installation at the Holiday Inn on May 20th. District Governor Judy's year is quickly coming to a close. What a heck of a way to finish it with a trip to Sin City for the International Convention. I won't be at this one as I will be in Idaho visiting family. I hope everyone who is going gives Judy a great sendoff and DG Elect Randy a great welcome.

I want to take a minute to thank the Orange Region Zone Chairs, Marcella McSorley, Brian Clausen, and Marc Poli, for all their support and hard work over the last eleven months. It is one thing to be a Lion and join a club, but it is a really generous person who will dedicate so much of their personal time to serve in a District Cabinet position.

I also wish to thank my counter parts, John Ulrich from the Saddleback Region and Michael Shaw from the Foothill Region. You both inspire me to be better in my service to those less fortunate and also in my service to my community. I wish you both success in whatever the future brings you.

I am also looking forward to completing the Orange Region Diabetes Awareness project coming up on June 2. Zone Chair Marcella has worked very hard arranging a key location at the Seal Beach Chamber of Commerce Health Fair. We will have a Lions Sight Van on display screening folks for possible eye related issues along with a large booth for the Diabetes Awareness and Screening team. It looks like we have good volunteers from multiple clubs in the region to assist. I want to give a special thanks to my home club, Orange County Central Lions, for sponsoring the sight van and volunteering to help out. I also want to thank the Seal Beach Lions for assisting us with additional sponsorship and staffing to make this event a success.

Adios my fellow Lions. Until the next service project we meet.

ORANGE REGION ZONE C CHAIR MARCELLA MCSORLEY

Members of the **Garden Grove Host Lions Club** prepared dinner for families staying at Ronald McDonald House in Orange on May 18th. Families stay at Ronald McDonald House while their children are being treated at nearby Children's Hospital of Orange County (CHOC). A full dinner consisting of chicken tortilla casserole, macaroni and cheese, green beans, green salad, fruit salad, rolls, and dessert was prepared and served to 45 guests of the house by members of the Lions Club. To the right, Lion Randy Carr smiles as family members dig in!

The **Garden Grove Host Lions** celebrated their Memorial Day Weekend at the Garden Grove Strawberry Festival with their annual fundraiser of selling hot dogs, chili, chili dogs, and soft drinks at the four day event. Club members, assisted by members of the Garden Grove High School and Bolsa Grande High School Leo Club, staffed the food booth for a total of 48 hours over the weekend. Lion Club President Craig Durand represented the club by riding on the Service Clubs Trolley in the Festival Parade in downtown Garden Grove on Saturday morning. Lion Chuck Lake also rode in the parade in honor of his being the Garden Grove Chamber Of Commerce Man of the Year for 2017-18 for his service to the community.

The **Seal Beach Lions** have been busy.

Lion Angie Canchola at the Seal Beach Pier selling \$100 tickets for the Opportunity Drawing to win a 2018 Subaru Crosstrek, Perego Electric Bike, MacBook Pro, or Apple Watch. The winner will be announced at the Seal Beach Lions Fish Fry the third weekend in July! Hope to see you there!

Seal Beach Lions at the District 4-L4 Convention: Lions Scott Newton, Camille Romano, Cathy Newton, Lorraine Chavez, International Director Jenny Ware, Alan Chavez, Zone Chair Marcella McSorley, PDG Ellen Liebherr, Adriana Ziegenbush, Ryan Ziegenbusch, and President Seth Eaker

The **Seal Beach Lions** provided dinner for the USA/Canada Forum Committee and local Lion dignitaries at the Seal Beach Yacht Club on May 22nd. Thirty two guests enjoyed dinner and cocktails at the end of their visit to inspect the Long Beach Convention Center facilities. PDG Ellen Liebherr prepared dinner with the help of fifteen officers and board members of the **Seal Beach Lions Club**.

It was a wonderful 2018 Beepball game on May 12th at McGaugh Baseball Field. This year we welcomed two teams from the National Beep Baseball Association: the Pasadena Panthers and the Las Vegas LV2020. They were wonderful and gave us an exhibition inning or two and showcased the adaptive version of America's favorite pastime for the low-vision, and legally blind. Seal Beach Pony Baseball president Jay Hunter had ten of his players join into the teams, blindfolded, and give it their best! LV2020 blind players Brenda Graham and Veatrice McLucas sang the National Anthem acapella and it was absolutely wonderful! The LV2020 players came in the night before and were hosted by several of the **Seal Beach Lions** at their homes. Scott and Betty Weir invited the entire team and hosts to their home for a lovely dinner on Friday night. The City of Seal Beach Council and Mayor Varipapa presented the players with certificates. **Seal Beach Lion** Dave Gibbs, son of former Mayor Norma Brandel Gibbs, presented the players with 2018 Beepball hats. Lions that participated: Scott & Betty Weir (host), Alan & Lorraine Chavez (host), Ray & Marilyn Longoria (host), Lisa Landau, Dave Gibbs (host), Tim Young, Bill Embree, Camille Romano, Scott & Cathy Newton, Dave Schwein, Laura Ellsworth (host), Jim Whiteaker, and Shani Rae Erickson. Seal Beach Leos Jackson Lawrence, Cate Lawrence, Cody Tanner, Paul Sanders along with the Miss Seal Beach Queen and Court, Mayor Mike Varipapa, and Huntington Lion, John Doogan participated as well. Thank you to all that made this such a successful event!

Seal Beach Lions serve lunches and dinners once a month at the Ronald McDonald House at both Children's Hospital of Orange County and Children's Hospital of Long Beach. Lions cooked and served a Mother's Day Breakfast for approximately 20 guests staying at the Ronald McDonald House in Long Beach. The house provides a "home away from home" for families with critically ill children being cared for at the Long Beach Memorial Miller's Children Hospital. Many of the children are being treated for critical, often life-threatening illnesses. The Lions brought comfort to the families and especially the Mothers on this special day with a breakfast of pancakes with strawberries, frittatas, fruit, bacon, sausage and juice. Mothers were given roses as a token of love and support. From L-R: Lions Co-Chair Angie Canchola, Chair Rudy Huezo, Bob Sagen, Tinna Miller, and Frank & Carmen Urenda (not pictured, guest volunteer, Geoff Welborn)

Greater OC Lions are moving right along this final quarter of the year! The biggest event for the month of May was the District Convention. On Thursday, two brand new Lions, Kevin and Kassie joined the "pre-conventionaires" at the Old Towne Mexican Café to celebrate the start of convention. Then many more members came for the weekend for the business sessions and events! **Greater OC** won the award for the Largest Percentage of Membership Increase (180%) for the District. **Greater OC Lions** Dan & Brenda, Diane & Scott, Rick & Ann, along with Chris & Judy all were in attendance to celebrate a fantastic start to this club's year. Photo of the group includes International Director Jenny Ware and her husband, Lion Jeff shortly after the Saturday night gala. Greater OC is in the planning stages for their next meeting and installation of officers along with a couple of fund raisers. More information to follow on these events when plans are completed.

The Huntington Beach Host Lions Club received a distinguished award from the City of Huntington Beach at their City Council meeting on May 21st. The "Commendation Award" was to recognize 80 years of service to the community. A dozen members were there to represent the club and receive the Commendation from Mayor Posey. Huntington Beach Host will be celebrating their 80th anniversary with a city-wide picnic in August.

SADDLEBACK REGION ZONE B CHAIR MORGAN HUANG

In the Orange County Taiwanese community, the Chinese American Lions of OC always play an important role. On May 6th eight members hosted a Taiwanese Gourmet Lunch, providing delicious food to more than 200 guests. Lion Morgan Huang attended the District Convention on May 19th to enjoy the festivities and vote for the new District Governors, bylaw changes, etc.

On Tuesday, May 22nd, the Chinese American Lions of OC held their annual celebration called, "Light Up Taiwan!" This spectacular performance was held at the Chapman University Memorial Hall. Dancers from the North Taiwanese University of Sport performed over 90 minutes of dance routines with color, music, and a story about the Taiwanese culture. Lion President Aileen Lee, Secretary Morgan Huang and many other members attended. Some served as security to guard the stage and audience area to help make the event run smoothly. Special guests were District Governor Judy Barr and Lion Chris. District Governor Judy was introduced on stage along with the major sponsors of the event. The club encourages Lions from the entire district to attend this event next year to enjoy a wonderful celebration.

Our annual meeting this year will be held on July 15th at the Golden Sea Restaurant with a Chinese Banquet dinner and Hawaii Night entertainment. Guests are encouraged to wear Hawaiian attire for spirit of this meeting.

SADDLEBACK REGION ZONE C CHAIR PATRICIA COLLISSON

Aloha from the Newport Beach Hawaiian Lions Club! On May 28th our club will be serving complimentary coffee, cold beverages and donuts before the Memorial Day Service being held at Pacific View Memorial Park in Corona Del Mar. We are honored to have as the guest speaker Retired Admiral Cecil D. Haney. Before retiring from the United States Navy, Admiral Cecil Haney served as Commander U.S. Strategic Command (USSTRATCOM), one of nine Unified Commands under the Department of Defense. For those that have never attended this service, it is quite touching as we honor and remember our military men and women who have made the ultimate sacrifice while proudly serving our Country.

On June 3rd our club will once again be "Spreading A Little ALOHA" as we participate in the Balboa Island Parade! Our club is a local Island favorite as we bring the Hawaiian Islands to Balboa with an exciting entry for the parade!

Our club is proud to announce that we have partnered with the Makapo Aquatics Project at NAC. The Makapo Aquatics Project is an Orange County based group that provides recreational therapy to the blind and visually impaired using outrigger paddling as the main activity. Check out <https://www.youtube.com/watch?v=5gdCgPVxG3o> to see more about this. Save the date of August 11th when we will be joining with Makapo to host a Luau at the Newport Aquatic Center, benefiting a very unique program. **"Helping Blind and Visually Impaired Athletes See Their Potential."** Tickets are \$60.00 pp or \$100.00 for VIP Experience. Please see our flyer in this month's Forum! On August 18th we are off to the Races "Where the Turf Meets the Surf" at the Del Mar Race Track! We will be posting all the information shortly! Always a fun time as we cruise in style and comfort to the Del Mar Race Track including Hawaiian style Mimosas to get our morning started! Mark your calendars for December 19th for our NBHLC Annual Newport Beach Christmas Boat Parade Fundraiser! More exciting events are being planned, and we will keep you posted as the dates are confirmed! Aloha ~ Hui Hou ~
