A MESSAGE FROM JUDY BARR, GOVERNOR DISTRICT 4-L4

Spring Greetings Fellow Lions! I love the spring time. Mother Nature puts on a great showing with fresh flowers and baby birds. It's a time for rebirth! I have been busy this spring as well. In February I had the most incredible week of starting to put together a new Lions Club in Irvine. LCI's New Club Coordinator, Ronnie Martin, spent an entire week working with me. I learned some amazing things that I really want to tell you about.

But first, I want to thank the following Lions who took time out of their busy lives to help learn and canvas the airport area for new members. Fullerton Host's Rani Kuusto and Walter Rountree, Laguna Niguel's Patty Collisson, and Tustin's Brenda Donahue went above and beyond to work with us. They each showed up during the week to walk around and ask people to become Lions. Rani Kuusto reached out to her connections and put us in touch with several groups who may be interested too. I am happy to say that the Irvine Airport Lions Club is moving right along. We have three applications with money and about ten verbal commitments for people to join. The magic number is 20, so we are getting very close! I will be reaching out to the nearly 100 businesses that I walked in to and ask them again if they will be joining. Ronnie Martin and I walked nearly 10,000 steps each day canvassing and spreading the word about who Lions are. I'll let you know more as we march forth on this new venture. I hope that I will have good news at the next District Meeting!

I look forward to seeing everyone this month at the Region Meetings for the Student Speakers Contests. These are always amazing events and give us all great faith in our future leaders. We will have a busy spring, Lions, so make sure to check your calendars and note all of the dates for upcoming events. I'd love to see all of you attend! Happy Spring Everyone! Here's wishing you all the best!!

~Yours In Lionism, Governor Judy

A MESSAGE FROM RANDY MCMILLAN, FIRST VICE DISTRICT GOVERNOR

Happy Spring to all Lions! This is a great time to grow our membership as we move into the warmer months. Our projects increase as does our visibility in our communities, as "WE SERVE" our communities. JUST ASK someone to join you in your project. Who knows, you might get someone to join! Wear your Lions club shirts and pins to show you are proud to be a Lion!

On April 8th our district team, "LIONS SUPER HEROES," will be participating in the Ronald McDonald House Orange County Walk for Kids held at the Honda Center. I hope you can come out and join us in this great event. Please see the flyer for more information.

The Leo Club members lead by Chardy Lang are our future Lions. These young people are energetic, smart and very talented. Please include them in your projects and invite them to your meetings to see how your clubs operate and please support all of their projects and events. You will not be disappointed! Yours in Lionism.

A MESSAGE FROM MARK PIVA, SECOND VICE DISTRICT GOVERNOR

Hello Lions. Did you know we have a District website? You can visit it at www.district4L4.org. It has been revamped to make it more modern looking and accessible to District Lions. As we move forward, the website will become a critical element in the District's communication to members. It will highlight recent District and Club news and upcoming events, replace the printed directory, and eventually be a tool for District Lions to interact with each other.

To access information not available to the general public, you can register as a Member. Currently if you do so, you can access a digital copy of the 2017-2018 District Directory. You are able to send questions to the District using the Lions Den, and send email to any District Officer with just a click of the email icon appearing below their name. You do not need to be registered to have access to upcoming district or club activities. Clubs are encouraged to review their information to ensure accuracy. If your meeting place or time is not current, then send me an email providing the new information or if you are a registered member, you can use the club location form. We are also able to link to your club's website. You can submit your flyers for inclusion in the Club Events section as well. There is a District Events calendar and a Club Events calendar on the site. As we move into next year, we are implementing a Direct-to-Member email. This means we will send District information directly to the email registered by that member that appears on the LCI website. Currently, this information is sent to Club Presidents and Secretaries to pass onto members. We have sent two emails using this approach so far. Initially, the Direct-to-Member emails will only be related to District-level information and will be limited to one or two times per month. Club-level activities will be sent to club Presidents and Secretaries. We need your help. Please review your club rosters and encourage your members to update their email address so they do not miss out on important news. When we share information, we learn and grow. The website is a work in progress, and it will take your active involvement to make it the useful tool it can be. Let us know how we can make it more useful for you and your club.

CABINET SECRETARY REPORT ~ Lion Diane Quinlan

Hello District 4-L4 Lions. As March approaches so do the Region Meetings which will be our Student Speakers Contests. Please come out and support our youth.

DG Judy has kept the cost for this low at \$5 per person so I hope to see a lot of you come out to hear our leaders of tomorrow speak. The District Contest will be on April 28th - details to follow. It is also time to start thinking about our May Convention and your selection of delegates. Each chartered club in good standing is entitled to 1 delegate for every ten members. The form has been sent out to each club secretary to fill out and return by May 1st. Remember that PDG's get an automatic vote and do not need to be listed on the delegate form. Nominations for Leo of the Year, Lion of the Year, Secretary of the Year, Treasurer of the Year, Couple of the Year and Lifetime Achievement are all due by April 5th. Anything received after the deadline cannot be considered. There is NO FORM to fill out, but a letter is required. The letter must be sent to the District Governor and Cabinet Secretary by the deadline. Keep in mind that with the exception of Lifetime Achievement the other awards are for July 1, 2017 to March 31, 2018 and this is what needs to be shown in the letter you write about the individual or couple. Lifetime achievement is for the life of a Lion who has been a member for at least 10 years. The Leo of the Year nomination letter may come from the Club Leo Advisor or Club President. Lion of the Year must come from the President or Secretary of the Club. Couple of the Year and Lifetime Achievement can be nominated by any Lion or Club. Secretary and Treasurer need to be a letter from the club President. All awards are only received one time so please refer to the list of past winners printed in this Forum. I hope to see lots of nominations!

ANOTHER VIEW OF LEADERSHIP FROM LION JOHN ULRICH

People in leadership roles come at the subject from every direction. Some are successful and some not so successful based on how they go about their day. I have found leadership is based on some simple and common sense rules. Treat those with whom you work with respect and honesty, communicate openly and manage from the bottom up and not the top down. After all, all those from the lower levels are the ones making things go, so listen and never put yourself above them. No one enjoys the so called leader who dictates and manages by intimidation and fear. Partnership is the simple key to success. Don't make the mistake that leadership can only be applied to managers and organizations. You don't need a title to be a leader. You can provide leadership during your day to day activities by taking the simple extra step to help someone, or by taking on a task that results in a positive effect within your family or community. Whether you influence one person or hundreds, approaching each day with the intention of making improvements and achieving positive results is a nice definition of leadership in my mind.

How about we keep things simple and I'll do my best to do so. You can read several management books and gain an MBA degree, however some simple basic philosophies apply. Number one, leaders do not exist to order their workers around. While they oversee their team, a true leader takes initiative and trusts their employees to perform efficiently and independently. Ronald Reagan once said "The greatest leader is not necessarily the one who does the greatest things. He is the one that gets the people to do the greatest things."

Leadership requires that as a leader you set the right tone by letting your confidence show, however, if you don't have the answer admit it and go find the solution. Never attempt to fake it as your team will lose the confidence so necessary to bring folks together to be successful. A hands-on attitude communicates that you will only expect from the team what you expect from yourself. Confident leaders win over their followers because they dig in the dirt with their team, communicate, listen and most importantly, don't set themselves apart from their team as they bark orders.

Amazing leaders keep their eyes on the prize. They are very organized and plan well ahead while still maintaining an open mind in handling unexpected challenges. They have a holistic view of the plan and know how each portion of the plan affects the others. Communicate often and be sure the team has all they need to be successful.

In today's environment, many people believe that successful politicians and business leaders are dishonest – for good reason in some cases. However, the strongest leaders treat others just as they expect to be treated. Your team members will look to your honesty and code of ethics to set his/her own bar and may follow your lead on how to perform within the organization. I have seen both. Those with integrity and honesty are the successful leaders. On the other hand, those without a strong sense of these qualities may survive over the short term but will not be respected and will not inspire anyone to take on the team as a whole to success. The team will move along never really accomplishing their full potential. I'll take honesty and integrity as it forms a team that you can always depend on.

Every single person in a leadership role of any kind has to make difficult decisions. Whether you're a Lion Club President or a Senior Vice President, the same rules apply. The ability to be decisive can mean the difference between getting through tough times and folding under pressure. Making these kinds of calls doesn't always make you well-loved, but when you use good judgment to make decisions, it will earn you the respect of others.

One of the secrets to success is developing your leadership vision and communicating it to others. Inspiration is what pushes people to plow through difficult times and good times alike. Open communication and a real two way open door policy are important, however, you must define yourself with your identity and your brand. Understand your identity and communicate often so you will inspire those on your team. Your team must know where you are coming from in every regard without confusion or misunderstanding. Leaders do not exist to order their workers around but to inspire them to reach greater heights of success.

I have seen studies of polls by the Harvard Business Review of the top 100 successful business leaders. 85% are considered top in the business world due to their people skills and only 15% top in technological skills. If you can't communicate with honesty and continually encourage your team as you interact with them it would seem that you may start the day at a real disadvantage and will most certainly fail.

Finally, I'll share my experience with a man that I will forever hold in the highest esteem and measured my leadership skills against over the years. Transitioning from the technical field to a management career path with a major computer company as a first level District Manager I found that I had to come up to speed quickly on several fronts. Seven levels up on the organization chart was a true leader in every regard— a Senior VP managing over 3000 employees. Over time we developed a relationship because he took the time to inspire, communicate openly and ask my advice as I asked him the same. This was a fair common sense approach in every regard. He was tough but very approachable – always asking for input and solutions that made sense. Although everyone knew he was the decision maker, he never looked at me as being less than he was. I learned so much from him. Interesting enough, I retired from a major computer company at the same level he was years ago thanks to his leadership skills and interest in me. Hopefully I have influenced and inspired some others as he did me.

Thank you for the very nice monetary donation to the Foundation from a very supportive Lion. Thank you to Brea, Chino Valley, Huntington Beach Host, Seal Beach and Tustin Host for continuing to turn in ink cartridges and cell phones.

At the annual Student Speaker Foundation meeting on February 9th at the MD4 Convention it was acknowledged that District 4-L4 has donated \$5,060 to the Foundation from July 1st – Dec 31st 2017 toward our \$7,000 goal. I was also elected to an additional two year term as a Director of the Foundation.

For 31 years Lions clubs around the world have proudly sponsored the contest in local schools and youth groups. Young people ages 11, 12 and 13 (by November 15, 2018) are eligible to participate which allows them the opportunity to express their visions of peace through art using a variety of mediums including charcoal, crayon, pencil and paint. (No computer art is allowed) The works vary greatly and reflect the young artists' life experiences and culture. Clubs can order kits for \$11.95 until October 1st on line at LCI. One kit per group or school is needed.

PDG Gil Smith Receives International Award at MD4 Convention

At the recent MD4 Convention in San Diego, Past International President Sid Scruggs, on behalf of International President Naresh Aggarwal, awarded a President's Certificate of Appreciation to Past District 4-L4 Governor Gil Smith. As PIP Scruggs made the presentation, MD4 Council Chair Rob Manning explained how Gil led the successful effort to found the California Lions Foundation (CLF), a California 501 (3)(c) non-profit corporation, similar to international's LCIF but on the state level. When Gil had completed his year-long work as foundation president-incorporator, he was elected by the board to be CLF president. He will have been president for two and a half years upon the end of his term in August.

Gil hastens to add that he had lots of help from other Lions, including Past International Directors Larry Dicus and Bill Crawford (Both talked him into this three-year journey), MD4 Council Chair and CLF Treasurer Rob Manning, CLF Vice President PDG Alberto Montes de Oca, Secretary DG Marianne Keesee, the CLF Board and our own Pomona Host Lion CLF Financial Consultant Jack Lightfoot.

CLF currently has raised approximately \$140,000 in donations. When the foundation reaches \$250,000, it will begin accepting grant applications from California Lions Clubs.

FOOTHILL REGION CHAIR MIKE SHAW

For forty-two years I taught school to the special, the normal and the gifted and I always marveled at how talented and confused our youth of today have become. They seem to be more aware of technology and less aware of others. They know how to capture the perfect moment on their phone but do not experience it. Conversations are with their eyes down while they text one another. With these recent events I have to wonder what is happening to our youth. Roosevelt said; "We can't always build a future for our youth, but we can build our youth for our future."

The Lions Club Student Speakers Contest enables our generation to see another side of our youth and our future in them. This year's theme for the Student Speakers Contest is; "Integrity and Civility Play What Role in Today's Society?" This topic has led to some of the most positive speeches by our students thus far. In one of the speeches I heard, the student defined "Integrity" as a "moral sadness" and "Civility" as "the act of showing regard for others". So, to her, our society has a moral sadness unless we are willing to show our regard for others. She ended her speech with a quote; "The heart of the matter is, the matter of the heart."

The Foothill Region Zone Student Speakers Contests will be held throughout the beginning of this month. Zone C's contest, (Chino Valley, Diamond Bar Breakfast and Walnut), will be on March 7th at the Carolyn Owens Community Center at 6pm. Zone B's contest, (Ontario-Host and Pomona-Host), will be on March 12th at the Calvary Lutheran Church at 7pm. Zone A's contest (Cucamonga-Host, Ontario-Upland and Upland), will be on March 13th at the Lions Center in Rancho Cucamonga at 6pm.

FOOTHILL REGION ZONE B CHAIR WENDYANN STUARD

Each year in January and February, our nation recognizes three outstanding leaders. These men helped to shape our past and laid the foundations for our future. Reverend Martin Luther King Jr., President George Washington and President Abraham Lincoln are names we easily recognize for their courage and bravery, even in the face of insurmountable odds. You don't have to be a civil rights leader or a president to make a difference in this world. In fact, you are doing it every time you give a food basket to a needy family, feed men and women at a homeless shelter, help to give someone the gift of sight through a used pair of eyeglasses. The list goes on and on. You are the heroes of our generation who, through your labors and selfless giving, have made a difference to many people, even in the face of insurmountable odds. Thank you for your service.

As Lions, we start each meeting with an invocation and singing "God Bless America." The Winter Olympics are in full swing and the pride we all feel for our US athletes brings this tradition into prospective. The **Ontario Host Lions** wanted to show its patriotism by conducting a special activity at a local elementary school. Several Lions arranged with Montera School of the Ontario-Montclair School District to conduct a "Flag Day" ceremony. Five pre-K and kindergarten classrooms were assembled in the multi-purpose room where the children were interactively taught about this US flag and its significance. The program included the Pledge of Allegiance being recited by all and the teaching and singing of "This Land is Your Land". All the children were presented with a flag, which brought smiles to everyone as the students laughed and waved their flags. The program was very exciting for the students and very well received by the faculty.

The **Pomona Host Lions Club** is enthusiastically focused on its charity fundraiser, Quartermania, and the club members invite all the Lions in the district to join in an incredibly fun afternoon. It is being held on Saturday, April 14 from 1 to 4 p.m. at the Sixty6 Sports Lounge in Rancho Cucamonga. In addition to its preparations for its Quartermania, the **Pomona Host Lions** members continued this month to serve the community with such projects as Feeding the Homeless, Lions Roar for Reading, its Little Free Libraries and providing exams and glasses to children whose families cannot afford vision correction. They also continued collecting eyeglasses and ink and toner cartridges.

FOOTHILL REGION ZONE C CHAIR MIKE PRESTON

The **Chino Valley**, **Walnut**, and **Diamond Bar** clubs have all completed their club's student speaker contests and it looks like the zone contest on March 7th is going to be quite a battle. We had some really good speakers this year and plenty of competition at the club level. I look forward to hosting the next round at the Carolyn Owens Community Center in Chino. The **Chino Valley** club, after taking a few months off during the winter, is gearing up to sell their soft serve ice cream again. They will be at the Chino Hills track meet at Ayala High School on March 17th, and the Chino track meet at Chino High School on March 24th. The Easter egg hunt in Chino Hills on March 31st rounds out the month.

The **Diamond Bar Breakfast Lions Club** held two regular meetings and one board meeting in February. Vice-President Chris Ko conducted the 1st meeting and Lion Sergio conducted the 2nd meeting since President Cindee was on vacation. We had several guests at our first meeting including PDG Ken Myers who introduced Lion Steve Lacey from Cucamonga District Host Lions Club who is running for 2nd VDG for D4-L4 and Lion Rosette introduced Mom Chang. The club will be ordering new shirts for interested members. The Snow Fest in January was successful and fun. Twelve Lions and lots and lots of Leos helped with our nine booths. The Leos stayed to help the city clean up after the event was over. We are now preparing for the celebration of the Lunar New Year at Brookdale Senior Living;. Our Leos will be attending the Leo Camp at Teresita Pines in April. At the second meeting Lions were reminded to attend the Club Student Speaker Contest at AQMD on February 20th. We have four students speaking. Some Lions will also attend the District 4-L4 Leo Talent Show on February 24th. We have seven students participating.

Sunday, February 25th is the annual Miss Diamond Bar Fashion Show we support each year. We also received our application to participate in the City Celebration on April 14th at Pantera Park. We collected 210 eyeglasses for recycling this month. Our Leos continue to have their monthly meetings. Diamond Bar Leos helped the librarian prepare crafts for Chinese New Year, Lorbeer Leos helped clean the school meeting the environment centennial challenge and collected eyeglasses, Diamond Bar Community Leos collected clothes, and helped usher at Northminster Church. February 14th was Valentine's Day, **Happy Valentine's Day!!** February 16th is Chinese New Year, "Year of the Dog". **Gung Hay Fat Choy!!**

On February 1st PDG Gil Smith inducted our newest member, Michael Chang, into the **Walnut Lions Club**. Michael met the **Walnut Lions** members at the Annual Family Festival last October and decided to join the club. On Thursday, February 15th the club hosted the Annual Student Speakers Contest. As Chairman, Lion Gayle Pacheco stated the first place winner would not be able to attend Zone Level therefore Angela Cao, second place winner will move on to participate.

ORANGE REGION CHAIR MIKE SMITH

The **Garden Grove Host Lions Club** held its 2018 Student Speaker Contest at its Clubhouse on February 21. Five students gave their individual presentations on this year's topic, "Integrity and Civility Play What Role in Today's Society?" The winner was Gabriel Sanders, a student at Wilson High School in Long Beach. Gabriel will move on to compete at the Orange Region Zone C contest in March and hopefully beyond. It was noted by many of the Lions that this was the best group of student speakers at the Club's contest in many years. The photo shows all five students who competed in the contest. Gabriel is on the far right.

The club will be hosting its 70th Annual Pancake Breakfast fundraiser the morning of Sunday, March 25 at Kiwanisland Park, 9840 Larson Avenue in Garden Grove. The meal will consist of pancakes, sausage, scrambled eggs, coffee, milk and orange juice. Meal tickets are \$8 and may be purchased at the event. The breakfast will be served from 7:00 AM to 11:00 AM. So come on by and enjoy a great breakfast and support the **Garden Grove Lions!**

SADDLEBACK REGION CHAIR JOHN ULRICH

SADDLEBACK REGION ZONE B CHAIR MORGAN HUANG

The **Chinese American Lions** love to sing! They got together on February 11th at the Golden Age Senior Club for a karaoke/singing party to celebrate Chinese New Year. A good time was had by all. The **Chinese American Lions** were excited to go on a "field trip" to San Diego on February 24th. 45 Lions and friends joined the fun. They visited a mission in Oceanside first, then took the train to Old Town for a lunch buffet, then went to La Jolla Cove and Balboa Park. This was a wonderful and memorable trip for everyone. They will celebrate Chinese New Year again with a dinner party on March 2nd with the Asian American Senior Citizen Service Center at the Seafood Cove in Westminster.

The **Tustin Host Lions** will be joining California Lions Friends in Sight to offer FREE Vision Screenings and recycled eyeglasses at Columbus Tustin Middle School on April 14th from 8AM to 3PM. They are seeking volunteers including optometrists, opticians and others who can adjust eyeglasses, and scores of volunteers who we train to perform numerous essential duties! Volunteers are fed breakfast, snacks and lunch, provided drinks, and experience the joy of seeing people in need leave the very same day with eyeglasses that enable them to see well – sometimes for the first time in years. Students can learn, workers can keep their jobs, parents can help children and fulfill other responsibilities – all because of YOUR help. Please see the flyer in this issue of the Forum for more details
