A MESSAGE FROM DISTRICT GOVERNOR RANDY MCMILLAN

The month of October has flown by with many club visitations, projects and fundraisers. The excitement that District 4-L4 Lions create in your meetings and projects is very inspirational and makes me very proud to be your District Governor. Our 2nd District Meeting hosted by the Foothill Region at the Pomona Valley Mining Company was a great opportunity to hear stories and histories of the clubs of this district and learn more Lions' history of who we are and where we came from. We also learned some great ideas to share with other clubs.

The Governor's Fundraiser was a HUGE SUCCESS and A LOT OF FUN!! I would like to thank all the Lions and guests who participated. And a special thank you to PDG Bob Susaeta for chairing this event!

The District membership is on the rise. We are UP 25 members and 1 new club this year. Total membership is 1296 for our District and 1,474,000 for International. Please keep up the good work and **ASK** someone to join your service projects. New members Love to Serve Their Community.

At the Council of Governors meeting in Santa Maria at the end of October we finished our new State of California Website to showcase the Lions of California to Non-Lions. We launched this on October 29th so please click on WWW.CALIFORNIALIONS.ORG to view this historic site. Show your friends, it will answer a lot of questions about Lions and what we do.

Coming up on November 17th at the Garden Grove Clubhouse our Global Leadership Team led by Seth Eaker and Annette Hatch will be presenting our 2nd Leadership Session from 8 am – 11 am. Be sure to sign up and participate in learning the valuable leadership skills that will be taught by this very talented Leadership Team. Hope to see all our future leaders there!

Have a Great Thanksgiving Holiday!!

WE ARE ONE TEAM ONE DREAM, LIONS IN ACTION TO SERVE!

A MESSAGE FROM FIRST VICE DISTRICT GOVERNOR MARK PIVA

Hello Lions. One day I was listening to a lecture on American business practices and the speaker stated that one difference between Japanese and Americans is the Japanese look for patterns while the Americans look at the detail. I do not know if what the speaker said is true or not. What I do know is many people get so bogged down in the details they do not see how the pieces are interdependent. This leads them to fix the piece with no care or understanding how or if it will affect the whole. They cannot see the forest for the trees.

This year we are seeing the forest and beyond. District Governor Randy just keeps sayin' "We work for you." "It not about us, it's about the clubs." Always ask "is it good for the district"? "Mark, my truck is dirty, get the hose!" For some people, these are just tired old phrases; for Randy, they are real and heartfelt. He wants each of us to succeed.

When I was elected 2nd Vice District Governor, one of the many things that initially came to mind was, "Cool, now I will not have to worry about getting a seat at an event." I realized quickly that the seat saved for me was not where I should be sitting. I should be sitting with club members learning more about them. As part of the governor team, I have come to appreciate what it means to help Lions find answers to questions, direct them to the person or group that can best help them, and represent them at the Multiple District.

We see the interdependent pattern of Lions working together to make our communities better, one service project at a time. We see the forest and recognize that as District Leaders, we need to relight the flame of Lionism in some clubs, encourage clubs in their efforts, and share our successes throughout the District. When we do, we all benefit. We understand this is a multi-year effort that will continue to strengthen us and allow us to continue serving people for years to come.

A MESSAGE FROM SECOND VICE DISTRICT GOVERNOR STEVE LACEY

"Can we talk?" was a line often used by the caustic-comedian Joan Rivers, who passed away a few years ago. And though she is no longer among us, that 'tag line' still has a lot to say to us as Lions. For you see, that is what we need to do, we need to talk. We need to talk to our friends, our neighbors, acquaintances, fellow workers, those in other groups we belong to. We need to talk to them about just what Lions do, for as you well know, we do a lot!

Each club visit I make, each time I attend a fundraiser or service event I am absolutely amazed at what is accomplished by Lions. What an impact we have on our communities as we raise money, volunteer on projects, and promote worthy causes. If you were at the District Meeting recently held in Pomona and hosted by the Foothill Region you had a chance to hear eight of our Lions talk about their clubs and what they have accomplished recently and for some of them, for almost the last 100 years (yes, many of our clubs are nearly 100 years old!) If I was not already a Lion, I would have come forward and joined right then and there.

When people hear what we are about, when they learn what we do...it is not going to be as much 'our asking' them to join, it is going to be them coming to us asking to 'learn more about us', and how do they join.

And this happens....WHEN YOU TALK....about what you are....a Lion and all that your clubs does to make a difference in the world around them..

CABINET SECRETARY REPORT

Secretaries, you are doing a great job. For the September reports we had a great response and reporting by a majority of the Club Secretaries. You are doing an amazing job of it. Thank you each and every one. However, I do need to give you some secretary work. First, please go into MyLCI and clean up your members' information, especially the email addresses. We are able to send out emails twice a month through MailChimp to every Lion in District 4-L4 and we need every member's correct email address to do so.

Second, Lions International has changed things up under member information and now requires that we put full birthdates in. Please work on this as you can, we would like to get District 4-L4 ahead of the game. You will notice the dates all have 1/1/xxxx. These need to be corrected. Some secretaries have already taken care of this, but I would ask the rest to get onto this. Also, in some cases there is bad or missing information highlighted in red. Please correct this also.

The activity reports are outstanding. Along with the usual reports of meetings, hours spent on board work, reports on programs like the chess program, cookies for heroes, book and reading programs, vision and diabetic screenings, platelet and blood donations, eye exams, graffiti clean-up, flag day presentations, school box projects, centerpiece donations, Peace Poster Contests, Special Olympics, eyeglass collections, pop-top collections, Ronald McDonald House volunteers, Leos, there are also reports on Casino Nights, Tustin Tiller Days, Silverado Days, 5K runs, golf tournaments, pancake breakfasts, fish fries, arts and crafts events, International Street Fair fundraisers and speakers information, District, Region and training reports in these reports. There are some interesting events that we don't ordinarily hear about like Fullerton's work with the Caring Hands Pantry and their work with Veteran's Meetings, there is Seal Beach's work with the Youth Center Foundation and a donation acquired from Wal-Mart of 30,000 pair of readers, a big Coastal Cleanup, and Newport Hawaiian (who donated \$500), Pomona Host and Diamond Bar (who donated \$1000) attending the Camp at Teresita Pines event. There is Greater OC doing a wheelchair drive for vets, helping a cancer patient with shopping and cleaning, collecting used furniture to help homeless transition to housing and OC Professionals volunteering at Jurupa Valley Community Food Fest sorting donated foods at the Feeding America Food Bank, Pomona Host feeding homeless at the city shelter (purchasing, making and serving), the OC Chinese American Club holding a Med-Fall Moon Festival, Ontario Upland with two members donating blood, Diamond Bar walk for homeless and hunger and volunteering for Inland Valley Hope Partners Farmer's Market and recycling cans and bottles to support a Special Ed. Class. There is Tustin Host volunteering at the Tustin Area Senior Center, at the Tustin Area Historical Society and the Youth and Family Center to help in need and youth at risk and the OC Korean Club donating \$1000 to the Korean Thanksgiving Feast and La Habra Host cleaning a channel that leads to the ocean. Those are a lot of reports that we don't ordinarily hear about. Our District Lions Clubs are doing lots of things, aside from the ones we know.

The second District Meeting was a good morning with fun friends. It was an interesting, informative meeting filled with camaraderie. Thanks to all that made it a successful and fun event (Region Chair Bob Terry, the Zone Chairs present and all who attended). We are trying to scatter members to make sure we all can connect in one way or another.

MyLion is still not up and working, but I will keep watching for it and keep you and all secretaries posted. And please register and use the District Website. It is an invaluable tool for all of us. Once you get the hang of it you will get so much from it.

Let's continue this year, together! Happy Thanksgiving to all!

~Lion Joan Parks

CABINET TREASURER REPORT

A Big Thank you to the 24 Club Treasurers that have paid their Clubs Dues to LCI and MD4. Eight Club Treasurers/Presidents received notices about being behind on LCI dues and eleven clubs received notices about being late on their MD4 Dues. The District only received a partial payment of the dues owed to us from MD4 last week. The reason for this partial payment to 4-L4 is that if the clubs in our District do not pay MD4, MD4 cannot turn around and pay the District. There is a budget set up at the beginning of the year. The District depends on dues being paid in order to have money to operate with. It is very important that each and every club pay the bills/invoices they receive from LCI and MD4 when they are received.

In January if you're dues have not been paid to MD4 your club will not be eligible to proceed with a Student Speaker Contest. Then in February your dues must be paid to both or your club cannot vote at the MD4 Convention. This is not only DUES it also means if you order supplies of any kind from LCI. Please call or email me if you have questions. CADL8029@yahoo.com 714-716-9380

PEACE POSTER CONTEST 2018

Dear Fellow Lions: I wanted to thank each of the clubs that participated in the Peace Poster contest at our District Meeting. All of the posters were beautifully done and represented the theme "Kindness Matters." I wish we could have submitted all of the posters to MD4 but there can only be one winner and that winner is student Yesenia Saldana from C.E. UH Middle School. The Tustin Host Lions Club was the sponsor of this student. Her quote "Kindness can be expressed in many ways and many colors" represents the theme very nicely. Our District wishes her the best at our MD4 level contest.

ASIAN AMERICAN SENIOR CITIZENS SERVICE CENTER

Open House: Moon Festival Celebration

The Asian American Senior Citizens Service Center – AASCSC – is a District approved project. PDG Matt Hunyadi is an advisor and it is supported by the Orange Chinese American Lions of Orange County. They hosted an Open House to celebrate the Moon Festival on Saturday, September 29th.

About the Moon Festival: The Moon Festival (also known as the Mid-Autumn Festival) is one of the most important holidays in the Asian community. Just like Thanksgiving, this is an occasion for family and friends to reunite but instead of pumpkin pie, the festival's traditional food is moon cakes.

About AASCSC: AASCSC, a non-profit and charitable organization, was founded in 1989 with the philosophy "caring for elders as if they were our own". The mission "is dedicated to increasing awareness of the needs of the elderly, assisting their access to essential health care and social services, and promoting a dignified living in the community." AASCSC is a leading service and advocacy organization entrusted to serve, protect, and celebrate senior citizens. We are determined to help Asian Pacific Americans (APA) lead independent, meaningful, and dignified lives by building a stronger and healthier community thorough direct services, policy advocacy, and capacity building.

About the Open House During the Open House guests enjoyed a day of fun including traditional Chinese music, dancing, singing, an exhibition of photos, paintings, handmade paper artwork, and delicious delicacies. A complimentary light savory lunch of sautéed noodles and tea eggs plus a slice of taro cake was prepared to commemorate AASCSC's twenty years of service. Everyone also took home the indispensable delicacy of a moon cake.

California Lions
FRIENDS IN SIGHT

COMING TOGETHER IN 4L4

The Mission: Restoring Vision – Preventing Blindness

The new California Lions Friends in Sight 4-L4 volunteer team came together on Saturday, November 3rd in a big way. Despite a disappointing turnout of patients and lots of downtime at every station, everyone remained positive and optimistic about the future. Our team arrived early and really pitched in with unloading, set-up, and teardown. We had zero “No-Shows” and the support from other 4-L4 Lions leaves no doubt that we will field a full 4-L4 team for all 2019 events.

Mark your calendars:

April 13, Tustin

June 1, Chino Valley

June 8, Location TBD

July 27, Huntington Beach

September, 8 Ontario

We want to thank the Garden Grove Host Lions Club for hosting this first-ever District-Exclusive California Lions Friends in Sight vision screening.

FOOTHILL REGION CHAIR BOB TERRY

Greetings from the Foothill Region! What a great District Meeting we had on October 20th in Pomona. Like I mentioned at the meeting...it was great to see all the attendees from the Foothill Region but what really made this meeting a success was the attendance of Lions from the Orange and Saddleback Regions. Plus, what a great turnout for 1st timers that day...and three from one family...way to go Diamond Bar! I am so impressed with the ease that my fellow Lions have when they stand up and talk about their history...accomplishments...and future projects, with incredible pride and conviction. By the time you read this, Foothill Zone B will have had their diabetes health fair in Pomona and I'm sure there will be some volunteers from Zone A as needed. There are going to be some great events coming up from different clubs in the Foothill Region and if fliers are not included for the Forum, then we'll just blast them out as needed. And as you plan your service projects for this and next year, please note these inspirational words..."Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence." Helen Keller

FOOTHILL REGION ZONE A CHAIR JOEY AMARO

Our Zone A Meeting was held on October 3rd. Here are our upcoming club events:

Cucamonga District Host Lions Club: No events until after the New Year

Ontario-Upland Lions Club: Outback Steakhouse fundraiser Tuesday November 13th at the Ontario Mills mall \$25.00pp and Bunco night

Upland Host Lions Club: Liberty Tree dedication Monday November 12th at 6:00pm in the Upland City Hall parking lot; Comedy Night fundraiser in January-time, date and location TBD; monthly downtown Upland car shows on the last Friday of each month held in the Upland City Hall parking lot, a P.R. event for the Upland club to reach out to the community and share what we do and to boost membership; bell ringing at Stater Brothers supermarket, a joint effort with the Salvation Army; used pill bottle collection-bottles are collected, cleaned and use in countries where they are needed for people to transport there meds in a safe container; Toys for Tots collection in ALL Zone "A" club cities, a partnership with the Volunteers of Inland Empire.

Also if anyone is interested in a 10'x10' pop-up tent like Upland and Pomona's, please contact Lion Joey Amaro at 909-490-1559. The more clubs that order at one time, the lower the cost will be for everyone. We also can include a table cover and 2 standing banners.

FOOTHILL REGION ZONE B CHAIR MICHAEL SHAW

"No one is useless in this world who lightens the burdens of another." Dickens

As most of you know, November is Diabetes Awareness Month and was adopted by Lions International as a new Centennial Service Challenge. As part of this commitment, The **Ontario-Host**, **Pomona Host** and **Western University** Lions Clubs will participate in the Diabetes Month Health and Wellness Fair on November 3th. Lion WendyAnn Stuard from the **Pomona Host** club has *worked tirelessly on coordinating* these clubs along with the Pomona Hospital and "Gods Pantry" to make available: vision screening exams, hearing tests, blood pressure monitoring, blood glucose screenings as well as health and nutrition education for individuals and their families. *Thank you WendyAnn*

The primary objective of these health fairs is to provide early detection and education to the community with the intention of identifying individuals at risk. Identifying undiagnosed diabetes and reinforcing appropriate self-management to those with diabetes can hopefully minimize the negative outcomes of mismanagement of this potentially devastating disease in this largely indigent population. As the clubs in Zone B work on this very important project we as Lions know that "Not what we say about our blessings, but how we use them, is the true measure of our Thanksgiving" ...W.T Purkiser **Happy Thanksgiving to all of you, Michael**

This year's District Meetings will have a special theme for each meeting, "We". What our "We" doing, how can "We" help get the word out to our communities about the Lions? The District Meeting hosted by the Foothill Region was specially set up to recognize each the Foothill Clubs' signature projects. The **Ontario-Host Lions**, chartered on July 7th 1922, was able to present their ongoing special projects. This month the club's projects were:

* Student-of-the-Month High School Recognition Lunch: Recognized students from the five Ontario high schools awarding them a special luncheon, a framed certificate and a \$50 gift.

* Fontana Boys and Girls Club donation: Club members attended the Fontana Boys & Girls Club fundraiser held at the Sierra Lakes Golf Course. The club also donated \$1,000 to support the important work the Boys & Girls Club does, providing a safe place to learn and grow, life-enhancing programs, and building relationships with caring, adult professionals.

* Mainstreet Theatre donation: The club attended the *Love of Wine* fundraiser held at the Lewis Family Playhouse in Rancho Cucamonga. The club also donated \$3,000 and five \$100 silent auction baskets to support the MainStreet Theatre Company which provides high quality theater productions specifically for children and their families.

*Anti-Gang Pamphlet's donation: The club donated \$500 to the Colony Branch Library in Ontario which is located in the Colony High School. These pamphlets written by past gang members help the reader understand the negative life of a gang member.

Saturday, September 8th was a very busy day for **Pomona Host Lions** as groups of us participated in three different activities—the Teresita Pines Open House, Friends in Sight Vision Screening in Ontario, and the reopening of the District 4-L4 Convention in order to nominate and vote on a candidate for International Director. The rest of the month continued to be busy as well. Members:

- Attended the Foothill Region Meeting
- Attended the Lions Sight and Hearing Foundation of Southern California Annual Meeting
- Attended the Los Angeles Host Lions 100th Anniversary Gala (the club responsible for founding Pomona Host)
- Sorted a donation of 400 books to be used for Little Free Libraries and Roar for Reading
- Prepared and served 130 meals to homeless men and women at the city shelter at the Pomona Armory
- Heard speakers from Foothill Transit and the American Red Cross at our General Membership Meetings

October has been shaping up to be busy as well. This month we have:

- Labeled the books for Roar for Reading
- Visited **Cucamonga Host District Lions Club**
- Awarded 14 Mini Grants totaling \$4,000 to Pomona Unified School District teachers
- Collected and sent pill bottles to the Matthew 25 project
- Heard speakers from the Gold Line Foothill Extension Authority and Refugee Resettlement Team #2
- Prepared and served meals to the homeless in our monthly project.
- Attended the second District 4-L4 Meeting, where president Anne Henderson talked about how we participate in community engagement.

Our crowning achievement was the purchase of a canopy to be used at events where we have public visibility.

FOOTHILL REGION ZONE C CHAIR MIKE PRESTON

It's that time of year when the holidays start to sneak up on us and we become preoccupied with Halloween, then Thanksgiving, and finally Christmas, which leaves little time to think about your Lions club! However, it is a good time to plan for January, when all the holiday stuff will be in the rear view mirror. It's time to think about building up your club, scheduling service projects to get your name known, hosting a mixer where every member invites a friend, or a myriad of other strategies to attract a new member. Pick a day now to schedule a service project in January so you can start planning. If every club could attract just a few new members, our district would be wildly successful!

The **Chino Valley Lions** spent a busy weekend at Buena Park's Silverado Days. Ice cream and warm weather just naturally go together! Two of our members had the honor to meet the International President and her Cabinet when they visited the Rose Float barn prior to lunching at City of Hope. Three members made a visitation to the **Cucamonga District Host Lions**. Our Scouts continue to do an outstanding job of roadside cleanup along Grand Avenue. Four members attended the District 4-L4 Meeting. We kicked off our annual Tahoe Joe's fundraiser and began collecting supplies for the Christmas baskets we will deliver to service-men and -women in December.

The **Diamond Bar Breakfast Lions Club** had two regular meetings and one Board meeting the month of October. Our guest at the second meeting was Eberhard Meyer from the **La Habra Host Lions** Club. We revised our Lions club brochure and will have new ones soon to pass out to potential new members. Thank you President Cindee for your hard work on the brochure. We opened October with a brand new project; Rubber Duck Race/Leo Social thanks to Lion Anna for her innovative idea. It was held at the Deane Homes Swim Club pool. Leos from all four clubs participated in the duck race and team challenges. The Lions club prepared the lunch, door prizes and team prizes. Twelve Lions attended and worked and others that could not attend donated supplies and prizes for the Leos. Special thank you to Lion Anna and President Cindee for their hard work behind the scene. Everyone had a lot of fun. We continue to support Inland Valley Hope Partners by volunteering at their farmers market on Saturday mornings. On October 20th nine Lions attended the District 4-L4 Meeting at the Pomona Valley Mining Co. Lion Wanda also brought the Peace Poster from Chaparral Middle School. Thank you to the Foothill Region Chair Bob Terry and committee for hosting the event. October 26th was a very busy day for Lions and Leos. Thank you to Lions Cindee, Brian, Lisa and Anna and Lorbeer Leos for helping Armstrong Elementary with their Halloween festival, thank you Lion Wanda and Chaparral Leos and Diamond Bar High School Leos for helping with Quail Summit Elementary Halloween festival and to Lion Debbie and Diamond Bar Community Leos for helping with Diamond Point Elementary Halloween festival. Last but not least we collected 123 pairs of eyeglasses for recycling. **HAPPY THANKSGIVING TO ALL!!**

The **Walnut Lions Club** collected 200 pairs of glasses from our collection locations along with four pairs of hearing aids. Our club was planning to participate in the annual City Of Walnut's Family Festival. The club was prepared with food items purchased and volunteers in line for the event. Unfortunately, due to the heavy rains in the morning, the club decided not to open for breakfast nor offer the afternoon lunch service, as we were afraid of rain damage to many of the items. The club members put in many hours to prepare for this event. This was the first time in memory that the Walnut Lions could not participate.

The **Garden Grove Host Lions** held their annual Donations Event whereby the club donates proceeds from its fundraising activities over the past year to various charities and community service organizations. The event was presided over by Immediate Past Club President Craig Durand who distributed donations totaling \$12,000 to representatives of those organizations. The funds went to eleven different recipient organizations including: American Diabetes Association, Boys & Girls Club of Garden Grove, City of Hope, Garden Grove Police Explorers Post, Guide Dogs for the Blind, H.O.P.E., Kiwanisland Park, Lions Camp at Teresita Pines, Lions Project for Canine Companions for Independence, Orange County Ronald McDonald House, and Sister Brid O'Shea's Program for the Homeless. The photos below are of: a group picture of IPP Craig with all the recipients; IPP Craig with Lion Scott Quinlan (and Irish) representing Guide Dogs for the Blind and Johanna Stickles representing Orange County Ronald McDonald House.

On a bright sunny morning in mid-September, nine **Seal Beach Lions** worked the California Coastal Clean-Up in the area between the San Gabriel River and the Seal Beach Pier. Much discarded trash was collected. The **Seal Beach Lions Club** has assumed the responsibility of cleaning up and removing graffiti in our community. A team of Lions removed 63 tags in 19 locations in September.

The **Seal Beach Lions** supported CLFIS sight screenings on Sept 8th in support of the **Cucamonga District Host Lions** and again on Sept 22nd in support of the **Chino Valley Lions** Vision Screening.

Six new Lions attended our orientation meeting at the Mary Wilson Community Center on Wednesday, September 27th. Lion Scott Newton gave a Power Point presentation highlighting the structure of LCI and the **Seal Beach Lions Club**. At the end of the session, Membership chairman Ellen Liebherr conducted a question and answer session as well as discussion of what interests each Cub had.

Our **Seal Beach Lions Club** participated in the International Lions Club Peace Poster Contest. The theme this year was "Kindness Matters". Oak and McAuliffe Middle Schools from the Los Alamitos Unified School District submitted around 60 posters each. The teachers stressed the meaning of the theme and the students, through their drawings, showed what the theme meant to them. The judges picked a winner from each middle school and these posters will go on to the District level. Thirty other posters were picked by the judges to be displayed at the Arts and Crafts Fair on September 8th and 9th. An awards presentation was held on the stage at the Fair on Sunday. Governor Randy McMillan was there with the principals of each school.

On September 8th and 9th the misty mornings turned into vendor tents, springing up like fairy ring mushrooms in Eisenhower Park. 106 artisans, craftspeople, non-profits, LEOs, and Lions set up what turned out to be one of the most successful **Seal Beach Lions** Arts & Crafts Fairs. Casual estimates placed the crowd size at approximately 6,000 unique visitors over the course of the weekend. Event Co-chair, Scott Newton said, "This year was our smoothest yet, with the efficient load in and out, thanks to our LEOs and Lions teams." He continued, "This year we did have decent revenue and we only had to remove one vendor due to failure to adhere to the rules of the show. There was very high sustained foot traffic on both sides of the park." Barbara Wright, a 30 year Lion said, "The Peace Poster contest was such a hit! It was great for both of the winning artists, their families, and principals of both Oak and McAuliffe in presenting the 'Blue Ribbon and First Place' awards to the artists. I also would like to thank all those that helped me with the pastels and chalk art." The event was also visited by Lions 4L-4 District Governor, Randy McMillan and 1st Vice-District Governor, Mark Piva, both of whom were thrilled with the support and robust nature of the Fair. They reminded everyone that every dollar raised by Lions or Leos goes to the charity account to be given away, as we have no paid staff.

On September 29th Lions Gretchen Bornhop and Angie Canchola acted as bartenders and Rudy Huezo was the official photographer at the Casa Youth Center Casino Night fundraiser. Besides the three, another 20 **Seal Beach Lions** were there having a great time and gambling the night away. It was a very successful event with more than 150 people

Earlier in September, a Lion from Arkansas, who also works for Wal-Mart, asked if we wanted some brand new reader glasses. Wal-Mart was changing vendors and would be donating the old product. We agreed to take 30,000 for our club, but really had no idea how we would get these transported from Las Vegas and stored in Long Beach. As it turned out, our Wal-Mart Lion contact was able to get them delivered to Southern California and Lion Dino Syrengeles agreed to temporarily store them. **Seal Beach Lions** picked up four pallets of the glasses and loaded them into one of the Lions storage containers. For now we have 20,000 glasses in our club containers and another 10,000 stored at South Coast Seafood.

PDG Ellen Liebherr and a crew of five **Seal Beach Lions** prepared the food for District Governor Randy's fundraiser on October 13th. Guests were treated to a dinner of grilled chicken and short ribs with all the trimmings.

The **Harbor Mesa Lions** celebrated their Casino Night Fundraiser on October 20th! Here it is in pictures!

Huntington Beach Host Lions are very proud of their **Fountain Valley Leo Club** which has been in existence for five years. The club is one of the largest and most active in the high school with participation in our pancake breakfasts and events. They have grown in numbers and now have over 100 students who are Leos. They participate in events such as a recent Walk to Prevent Suicide and a Walk to End Alzheimers. They also had a game for the children at the "Trunk or Treat" (and won a prize for "most creative trunk") at the Ronald McDonald House and participated at a birthday party for children at American Family Housing in Irvine. The Advisors for the Leos are Lions Scott Quinlan and Robert Sanchez who have done a great job of guiding and training these future "Lions."

HBH grilled and served their famous "Surf City Pancakes and Sausages" at a fundraiser for the Boy Scouts at Lake Park in Huntington Beach on October 6th. The event brought many community supporters to this park where Troop 1 meets at the historic log cabin, "The Paxson Building" named after Russ Paxson who is 96 years old. He was honored by the Scouts for his 85 years of serving youth last year. Russ was at this breakfast, still showing his passion of helping youth.

SADDLEBACK REGION ZONE B CHAIR MORGAN HUANG

The **Chinese American Lions** October monthly meeting was on October 23rd at the Lotus Chinese Eatery Restaurant. They celebrated their two members who won first place in the singing contest of the Joint Taiwanese Colleges Alumni Association in Southern California which is the biggest singing contest in the Taiwanese community. This is a big win for the **Chinese American Lions**. Lion Ben Wu won first place in the male singers division and Lion Debbie Chen won first place in the female singers division. The **Chinese American Lions** are famous for their entertainment talent in Southern California not only in the Taiwanese community but in our Lions Clubs International as well. Now they have proven that this reputation is not only in the air. The big winner tells us this is true that we are a great club with great singers. Lion Morgan from **Chinese American Lions** attended the District Governor's Fundraiser on October 13th at the Garden Grove Lions Clubhouse where Morgan sang a song, "Sweet Caroline", to the audience. Again, this is the **Chinese American Lions'** singing talent. Morgan also attended the District Meeting on October 20th.
