A MESSAGE FROM DISTRICT GOVERNOR RANDY MCMILLAN

The first quarter of our Lions' year is over and our District has grown by 27 new members bringing our total to 1,298. We have also added one new club this year. As we move on to the second quarter let's continue growing our clubs with new members by asking people to come join our service projects and learn how Lions **SERVE** their communities. You never know who might be interested in giving back to the community until you **ASK!** Our District has been very active with club service projects and region service projects. Let's continue this wave of service into the Fall season and holidays.

In September we completed our three Region Meetings held by the region chairs. The meetings were well attended and very informative. Each club shared their history and the successful projects they do. The conversations were lively and great ideas were exchanged. Clubs agreed that helping each other in projects makes us all stronger. We are ONE TEAM WORKING TO SERVE.

Global Leadership Team leaders Seth Eaker and Annette Hatch lead our first leadership presentation on September 29th with the goal of inspiring and informing emerging leaders in our District. Mission accomplished! The meeting was very well attended and lots of information and ideas were discussed for future leaders. This program is open to everyone who is interested in becoming a leader in their club, Region or District.

On October 20th the second District Meeting will be held at the Pomona Valley Mining Company in the Foothill Region. Please plan on attending to show support of our fabulous Foothill Region.

Remember, we are all Lions here to serve our communities and your cabinet is here to serve you. I am looking forward to seeing all of you at the visitations and District Meeting. WE ARE ONE TEAM ONE DREAM, LIONS IN ACTION TO SERVE

*~District Governor Randy McMillan

A MESSAGE FROM FIRST VICE DISTRICT GOVERNOR MARK PIVA

Hello Lions. The other day, a friend reminded me of the "Ham Story." There are various versions of this story. Essentially it goes like this. Paulette was preparing to cook a ham for the holidays with her daughter Susie. Susie watched her mom cut off the ends of the ham and asked why. Paulette said "I don't really know why. Grandma always did this." Later in the day, Paulette called her mother and asked why she cut the ends off the ham only to be told, "I don't know why, my mother always did that." A few days later Paulette saw her grandmother and asked her why she cut the ends off the ham. Her grandmother replied, "I did it because the roasting pan was too small and I needed it to fit."

Traditions are customs or beliefs passed on from generation to generation. Traditions provide comfort, even when we have forgotten the reason for establishing the tradition in the first place. In the Ham Story, the tradition evolved from a practical necessity that is no longer necessary. We tend to do this from time to time; continue with traditions even when we do not understand why we are doing so. In Paulette's case, it was a family tradition passed down by the women in her family. Are we doing the same thing in our clubs and at the District?

This year District leadership has turned the pyramid upside down. Clubs and members are at the top and District leadership is at the bottom. We now have an online directory, we are taking the website to the next level, we are communicating directly to Lions in the District, we kick-started our efforts to identify emerging Lion leaders, and we are taking to heart, "Joining Hands in Service." In taking these actions, we are eliminating long held traditions and beliefs, not because they are not valuable, but because they have run their course and times have changed.

As we move into the second quarter of our Lions year, take the time to think about the traditions your club has. How many times have you cut the ends off a ham? Ask yourself, "Is it time to start new traditions?"

A MESSAGE FROM SECOND VICE DISTRICT GOVERNOR STEVE LACEY

It was one of the most meaningful, inspiring and uplifting Lion experiences I have ever attended. No, I'm not talking about a District Convention (though they can be all those things as well) or even an International Convention. I am talking about the 2018 USA/Canada Forum held last month in Columbus, Ohio. For those of you unfamiliar with this event, it is the largest single training event put on by Lions International.

Nearly 2,000 Lions came from all across the U.S. and Canada to attend 80 different seminars and 4 incredible banquet/meal programs. I attended 8 different classes including: *How to Attract, Retain and Keep Great Lions* and *Membership Models for the Future*. I went to *The Power of Story Telling* and one designed to help move *Leos to Lions*. I learned about our upcoming *Campaign 100: LCIF Empowering Service* and listened to people share on the topic of *Why Service Clubs are Dying and How to Fix Them*. Some of them I came away from filled with information and ideas; others admittedly not as much. But all in all I am a 'Better Lion' for having attended. What stands out most of course were the meal programs (not the food, the programs) and the speakers we had. This was my second time to hear International President Gudrun speak at length. What a leader we have in this Lion! I am only sorry that her term is just a single year in length.

Next year's event has already been planned out...September 19-21, 2019 in (closer than Columbus, Ohio) Spokane, Washington. Why don't you give some serious thought now about attending this event? It could be a highlight of your Lion's life for you as well.

CABINET SECRETARY REPORT

Here we are October!! First, we have just finished our three Region Meetings and they were spectacular! We had an average of 40 members per meeting and had some very interesting reports on club history from the club presidents or their representatives. And, we had some fun. The Region Chairs and Zone Chairs did a great job. Thanks to Region Chairs John Ulrich, Seth Eaker and Bob Terry. I must say it was great to see so many club secretaries out to the Region Meetings. I loved seeing each of you and I am sorry I didn't get more time with you.

I am so pleased with the secretaries' reporting for the month of August (since I haven't gotten September yet). We had 28 clubs reporting on memberships and 22 clubs reporting activities. Both are important reporting factors. It helps us at District level and is good for our District (all of us) at the International level. Make sure you mark to share your activities, as these can be seen by clubs around the world.

Secretaries, please go into your club pages on LCI and start cleaning up your members listings. Some have done that and it is a huge help. The more accurate your members' information is the better we can keep track and or contact members.

MyLion is still not up and working, but I will keep watching for it and keep you and all secretaries posted.

Register and use the District Web Site. It is an invaluable tool for all of us. Once you get the hang of it you will get so much from it.

Please remind your members to sign up for the Governor's Fundraiser (October 13th) and the next District Meeting (October 20th).

Let's continue this year, together!

~Lion Joan Parks

CABINET TREASURER REPORT

Thank you to the 22 Club Treasurers that have paid their Club Dues to LCI! Four of those twenty two clubs have credits. To the thirteen clubs that still need to pay their dues to LCI please do so as soon as possible. MD4 has now sent out their dues invoices. Please pay those dues. If you have not received an invoice please contact the MD4 office. The dues are for running the Multiple District and District 4-L4 so it's important that these invoices are paid as soon as possible.

On September 22nd I had the privilege of training/interacting with the Leo Treasurers of our District on their duties. These young adults had so much information to share about their fundraisers, dues, and how much they enjoy being Leos. And also serving the community where they live. The most important thing we discussed was creating Administrative and Charity Budgets and the importance of not overspending.

Please call or email me if you have questions. CADL8029@yahoo.com 714-716-9380

GLOBAL LEADERSHIP TEAM: Leading Women: 30 Years of Lionism

This Lion's year, 2018-19, represents several significant milestones: it is the 30th year anniversary of women inducted as Lions and Gudrun Yngvadottir, from Gardabaer, Iceland, is the first female Lion to be elected LCI President. She is a biomedical scientist and has worked in research, education, and management. Since 1990 she has worked at the University of Iceland as Vice Director at the Institute of Continuing Education. A member of the Gardabaejar Eik Lions Club since 1992, President Gudren has held many offices within the association, including district governor and council chairperson.

I am confident that in your club, there is at least one influential, powerful female leader and volunteer. In the ancient world, Plato said, *"If women are expected to do the same work as men, we must teach them the same things."* Our clubs are the fertile ground to develop leaders, and we should not just be blind to gender, we should actively encourage strong female leaders. Why? There are many reasons, and President Gudren tells us as part of her theme and direction, "to reach beyond our limits, we must reach within our clubs, communities, and selves."

Look at our immediate Past District Governor Judy Barr who was a bright, visionary leader. PDG Ellen Liebherr, who was the first female district governor of 4-L4 in 1998-99, broke through the gender ceiling at let's face it, pretty early in the Lion's world of California.

The Leadership team charges all of you who read this to reach out, connect with and encourage our women leaders - emergent and mentoring. Personally, I have been deeply affected by many female mentors, Lions, and friends. I am sure you have too. What often we don't understand in Lionism is we just have to ask. Asking people to step up, or ask what their interests might be, could ignite a powerful leader.

Finally, I will give my fellow Lions a book recommendation: *"Lean In: Women, Work, and the Will to Lead"* by Sheryl Sandberg, her 2013 New York Times bestseller, about women in the workplace. She outlines through her career and experiences at Facebook, now as COO of the company, her and her fellow female leaders' journey and key steps to success. They are great insights for any leader, regardless of gender. Diversity in Lionism leads to greater sustainability, community engagement and ultimately, service. So just go out and ask!

~Seth Eaker, Global Leadership Team Leader

STUDENT SPEAKER FOUNDATION

Thank you to Pomona Host for donating to the Student Speaker Foundation by presenting a check in Governor Randy McMillan's name when he visited you. Thank you to Lion Marianne Allen who donated her winnings at the Orange Region Meeting to the Student Speaker Foundation.

Thanks also to the Lions who have been purchasing Student Speaker Foundation pins. I will be selling them at the upcoming District Meeting Oct 20th for \$5 each. All of the proceeds go toward our District yearly contribution of \$7,000, that each District is encouraged to raise. The Foundation is still collecting used cell phones. Please bring them to the upcoming District Meeting. We do not collect the cords.

PEACE POSTER CONTEST 2018

This year the theme of the Lions International Peace Poster Contest is "KINDNESS MATTERS." Young people-ages 11, 12 and 13 by November 15, 2018-are eligible to participate in the contest. The contest allows them to express their visions of peace through art. Lions clubs around the world proudly sponsor the contest in local schools and youth groups. Participants can use a variety of mediums, including charcoal, crayon, pencil and paint, to express their vision of peace. (No computer art is allowed) The works vary greatly and reflect the young artists' life experiences and culture. Club entries must be brought to the 2nd District Meeting on October 20, 2018 for judging. Please make sure that you follow the directions for labeling each poster entry. The winner will be sent on by the District Governor to the next level, the MD4 contest. The Multiple District winner must be submitted to the Public Relations Department of Lions Club International by December 15, 2018. The winner will be notified on or before February 2, 2019. The winning poster will receive a cash award of \$5,000 and a trip to a special award ceremony. There will also be awarded 23 merit winners. They will receive a cash award \$500 and a certificate of achievement. If you should have questions, please contact me at 714-658-2232 or email me at sarahcait@sbcglobal.net.

THE POWER OF PERSISTENCE

by Lion Michael Shaw

"It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair." Charles Dickens

"It was the epoch of belief:" It all started on a warm day in 2015. Guiding Lion Training was offered and I was bound and determined to become one. Little did I know this would start me on a quest that would not be accomplished until 2018. A group of us were headed to the Garden Grove Clubhouse when I saw it standing near the parking lot, an old mail box that was yellow and inviting. It was out there asking people to recycle their eyeglasses to help others and the allure of it was captivating. I just knew that my club could use one just this way, to sit out there and collect.

"The spring of hope:" I talked to a few Garden Grove club members but they did not know how the box came about. I later found out that PDG Ken Myers had gotten one for the Upland club from the Upland Police Department. So I took a trip to the Upland Police with the name of Ken's contact, but to no avail. On my way home from Upland, I decided to stop by my local post office and inquire about the old mail boxes. I was told to contact the Post Master General so I did. I wrote him a letter that was heartfelt including Helen Keller's message to be the "knights of the blind" and pictures of how the box would be used. He wrote back stating that the USPS no longer allows individuals to have their mail boxes for fear of embarrassment. This turned out to be, "the winter of despair"

"The age of foolishness" Time passed and that next summer, after no luck in acquiring my own mail box, I decided to piggy back with the one the Upland Lions had behind the Upland Library. It was faded and seemed to be in disrepair so I went to one of their business meetings. With PDG Bob Susaeta's, "joining hands in service" in mind and a professional powder coater in my pocket, I knew our clubs could work on the box together. I showed them pictures of the Garden Grove box and gave a moving talk, but all I did was motivate them to do something about theirs.

"The age of wisdom:" Undiscouraged I decided to buy one on eBay or Craig's List - nothing. I ran an ad - wanted-old mail boxes - still nothing. The definition of crazy is doing the same thing over and over and expecting a different result so I went a different route. I contacted Lion Dave Flatten, our powder coater, and asked him if he had worked on any other type of receptacle that our club could use for recycling our eye glasses. He told me he was working with a client who had book receptacle bins that would probably work and he would ask him about getting us one.

"The season of light:" On the evening of our club's installation, Dave told me his client had come through and had dropped off two bins we could use for our glasses. The bins were perfect. I had decals made and saw that just one of the bins needed to be powder coated and the end results were amazing. After almost three years, on August 21st during the District Governor's visit, I was able to present the finished bins to our club.

"It was the best of times, it was the worst of times:" But in the end, it was the best of times...

RONALD MCDONALD HOUSE NEWS

It is time for Trunk or Treat at Ronald McDonald house in Orange! This year's event is being held on Friday October 26th from 5-8pm. For those of you who do not know, RMH provides support, compassion, joy and an affordable "home away from home" to any family with a *critically ill child* at The Orange County Ronald MacDonald House. Trunk or Treat was created for these families and the surrounding neighborhoods to enjoy a Halloween night full of fun in a safe, stress free environment. All activities, prizes and food for Trunk or Treat are provided by volunteers. This year they are calling Trunk or Treat a "friendraiser"!

District 4-L4 Lions have supported Trunk or Treat for the past several years by providing the following:

- Generators, lights, etc.
- Cotton candy
- Popcorn
- Crafts table
- Six decorated carstrunks with games and prizes

If you can help by providing any of the above or have any questions, please contact Lion Brenda Donahue at 714/673-6391 or lionbrendad@gmail.com. She has lots of decorations etc which may be used to decorate your car trunk!

This is a great way to involve your Leos. Just drive them to event, open your trunk and let them do the rest!

Other upcoming RMH District 4-L4 Lions events:

- December-provide a craft table at the annual RMH Christmas Party. Date to follow.
- April-RMH Walk for Kids. Please ask your club to allocate some monies for this event as there are no district monies available.

Photos from the Lions Appreciation Day and Open House!

Thank you to everyone for coming to the Open House and for your continued support of the Lions Camps at Teresita Pines. Here are a few photos from the open house on Saturday by PCC Bill Dunlevy. We have more photos on our website: campteresitapines.org

2018 YOUTH EXCHANGE PROGRAM – Lion Diane Quinlan, Chair

The 2018 YEP ran from July to August this year. We had the students for two full weeks and just finished reviewing the surveys on their visit. We are always fascinated to find out their opinions. ALL of the students LOVED their time in California. New Host Family Lions Danny and Ofelia received a huge shout out from their student that he had the best time and will miss his family. Host Moms Lion Brenda Donahue and Brenda Davis received many shout outs that the times hanging as a group in their backyards were super fun. Our Thanksgiving Dinner was, as always, a huge hit and they said they loved the family style meal with all of the Lions. They suggested that we have them do a presentation on their country that we are looking to incorporate into Thanksgiving 2019.

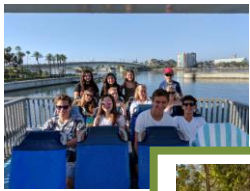

The two students that helped out at the Corn Fest had a spectacular time and suggest that all students have a chance to do this. Our students that worked the vision screening said that while it was slow they understood the concept and applauded our actions and service to the community. Overwhelmingly they absolutely prefer to hang out in a group and do adventures during the day. Their favorite activity was Catalina Island as they said it was a mixture of beach, shopping, ocean, nature and fun.

We are always looking for new host families. If you cannot host the entire two weeks, think about splitting it with another Lion. They all speak English fluently.

Dates for outgoing students are in the works and applications are due to me by March 5th. Keep in mind camps are on a first come first serve basis and open for applications January 1st. Each camp has a limit, so we cannot guarantee anyone a particular camp so be sure they select more than one.

If you are looking for a program for your club meeting I or one of our other committee members would be happy to come out and speak to your club.

We want to send a big thank La Habra Host Lions for the opportunity for our students to be part of the Corn Fest Parade. They were thrilled to be in the parade and to receive the beautiful plaques. Several students planned to present the plaque to the Lions Club that sponsored them in hopes it would be displayed in the clubhouse for all to see. I posted pictures on the Youth Exchange Group that is for Chairmen around the world and received many positive comments-what a wonderful thing to do with the group!!

CALIFORNIA LIONS FOUNDATION

Test Your Knowledge on What CLF is All About?

What is the California Lions Foundation (CLF)?

- It is a California non-profit, tax exempt, IRC 501(c)(3) corporation.

Why was it formed?

- Its sole purpose is to provide matching financial grants to California Lions clubs and districts.
- To better meet the needs of California Lions clubs and districts as they provide even greater service to their local communities.
- To provide a means by which donors (individual Lions, Lions clubs, Lions districts and corporations) can be assured their entire donation will stay in California.
- There are at least six other state foundations in the US: Colorado, Michigan, New York, Pennsylvania, Texas and Wisconsin.

Compare LCIF and CLF:

- Both are 501(c)(3) charitable foundations.
- Both accept donations by cash or publically traded securities.
- Both make matching grants to Lions clubs and districts for charitable activities.
- LCIF starts at \$10,000 grants v. CLF is for grants ranging from \$500 - \$10,000.
- CLF has an expedited approval process for grants of \$500 - \$2,500.
- CLF does not make grants that are available from other sources (e.g. LCIF) – so we are not duplicating services.
- LCIF has a broad international focus v. CLF which is just for California. On average approximately 10% - 15% of California contributions to LCIF come back to California vs. CLF which will put 100% donations received back into California.
- CLF accepts cars, boats, RVs and motor homes (as well as real estate with prior CLF board approval).

Funding Sources:

- Individual Lions, Lions clubs and districts, and corporate sponsors.
- Kay K. Fukushima Fellow - \$1,000. Reginald Harris Fellow - \$2,500. Who were Kay K. Fukushima and Reginald Harris?
- Founding Member – individual Lions, clubs and districts. To date there are over 85 individual Lions who are Kay K. Fukushima Fellows or Reginald Harris Fellows. There also are at least nine clubs and districts.
- Other Opportunities for Recognition: Contributing Member; Life Member; Progressive Fukushima and Harris Fellowships; Partnership (Corporate) Donations.
- Objective is to raise \$250,000 corpus before starting the matching grant process.
- Funds raised to date are approximately \$185,000.
- We also have our first corporate sponsor for \$5,000.
- CLF accepts designated donations with prior CLF board approval. Most notably is the recent designated donation program for wildfire relief.

Recognition:

- Club banner patch.
- Plaques for Life member, Fukushima Fellow and Harris Fellow.
- Pins for \$100, \$500, \$1,000 and \$2,500 donations.
- See the online brochure for further information.

LOOK WHAT'S COMING TO 4L4

California Lions Friends in Sight (CLFIS) is coming to the District with something new for 4L4 Lions.

Starting with a Garden Grove Host sponsored vision screening on November 3rd, 4L4 Lions will begin conducting the CLFIS screenings for each scheduled event in the District.

The Mission: Restore Vision – Prevent Blindness

What a rewarding way for us to serve. We will manage the volunteer sign-in and information table, patient registration, operate automated instruments, assist eye doctors, search from an eyeglass data base, help with inventory management, assist patients in selecting their eyeglasses, and even learn how to fit and adjust them.

Then in 2019, our new team of 4L4 Lions will conduct each of the 4L4 club sponsored vision screenings with testing equipment, recycled eyeglasses, and advisors supplied by CLFIS.

California Lions Friends in Sight has been a program that has shown to have compassion and generosity to the communities that they have served over the years. Each patient is taken through a series of visual screenings to help determine their immediate needs, and always in a respectful manner by each individual volunteer. With a wide variety of glasses each patient has the opportunity to be fitted on site. I have had the pleasure to volunteer at their events and always find it to be very rewarding.

FOOTHILL REGION CHAIR BOB TERRY

Greetings from the Foothill Region. September was a crazy, busy month but I think we as a region can be VERY proud as to our accomplishments. On September 8th, the combined efforts of Cucamonga District Host, Ontario-Host, Ontario-Upland and Upland Host held our annual vision clinic at the Ontario Senior Center. California Lions Friends In Sight were, of course, in full work mode along with visiting members from Pomona Host, Diamond Bar Breakfast and Western University. Our final numbers were 347 clients seen, with 321 leaving with glasses. The remainder needs to be made and then mailed out. On September 22nd, Region C, which consists of Chino Valley, Diamond Bar Breakfast and Walnut put on an extremely organized health fair/vision screening at Don Lugo High School in Chino. In one location, you could get screened for glasses...tested for diabetes...and give blood ALL at the same time. Special kudos to Zone C Chair Mike Preston and all the volunteers from all over District 4-L4 that pitched in to help. Please mark your calendars for two very important events in October. On Saturday October 13th we will be celebrating the Governor's Fundraiser at the Garden Grove Clubhouse at 6 pm and then on Saturday October 20 is the 2nd District Meeting at Pomona Valley Mining Company at 9 am. And last, but surely not least, a HUGE THANK YOU to all of the Foothill Region Clubs/Members in attendance at the Foothill Region meeting on Monday September 24th. The Foothill Region has an incredible history and very humble members...we don't brag about what we do...we just do it! Please show up at the next District Meeting in Pomona and listen to the 97, 96 year history of two of our clubs and the rich history behind all of them. And please keep this thought in mind, "Attitude is a choice. Happiness is a choice. Optimism is a choice. Kindness is a choice. Giving is a choice. Respect is a choice. Whatever choice you make makes you. Choose wisely." ~Roy T. Bennett

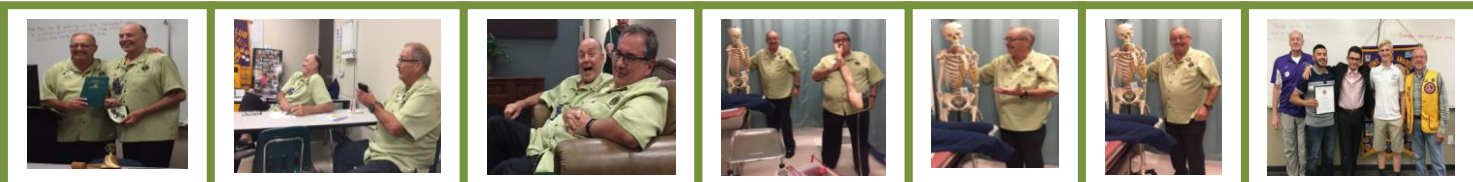

FOOTHILL REGION ZONE B CHAIR MICHAEL SHAW

"When I was a boy I was told that carrots were good for my eyes, so I stuck one in my eye and it hurt like the dickens!" People around the Pomona area didn't have to go to that extreme to get help with their eyes. On September 8th Zone B of the Foothill Region worked alongside Ontario-Host, Pomona Host, Cucamonga District Host, Western University and Ontario-Upland Lions to put on a free vision screening at the Ontario Senior Center. This year the Lions served three hundred and fifty-five people and had to turn others away due to time, but were able to send them on to the next screening in Chino. Thank you to the Lions that helped make this screening possible.

The Foothill Region meeting was held at the Lions Center in Rancho Cucamonga and turned out to be a wonderful and informative meeting. Each club was able to give the governor and his cabinet a brief summary of their club's signature projects. There were so many highlights from each of their programs the future looks bright for the communities in the Foothill Region! *"Team work is the ability to work together towards a common vision. It is the fuel that allows common people to attain uncommon results."* Andrew Carnegie

Ontario-Host Lions had a fulfilling September. They welcomed the Governor and his cabinet and learned about the cabinet's goals and vision for the district's future.

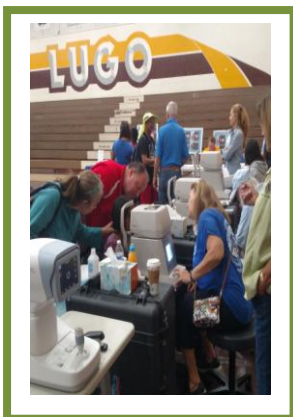

Members of the club helped with the vision screening that was held at the Ontario Senior Center to help bring sight to over three hundred and fifty in need of help. They continued with the "Ed Bordenkircher honor student program" which honors students from the Ontario high schools each month with a luncheon, a framed certificate and a monetary gift. The Ontario-Host will be joining Pomona Host and Western U to once again put on a special program to help their community become more aware of diabetes through education, early detection and nutrition. Working with God's Pantry and the Pomona Hospital the clubs will host a Diabetes and Wellness Fair on November 3rd in Pomona.

FOOTHILL REGION ZONE C CHAIR MIKE PRESTON

The Chino Valley, Walnut, and Diamond Bar Breakfast Lion Clubs completed a successful health fair at Don Lugo High School on September 22nd. 133 people had their eyes checked, and 115 received new glasses. In addition, the Walnut club set up a table where you could get your blood pressure taken and your glucose level checked. It was very popular. We also enjoyed Walnut cooking hotdogs for all the volunteers. I think this was the first time that had been done! We are already brainstorming new ideas to increase attendance next year. If we find the magic formula, we will be sure to let all of you know. Chino Valley enjoyed a visit from the Governor on September 13th. He and the cabinet left well fed. The Foothill Region Meeting is coming up on Monday, September 24th. All our clubs will be represented. The District Meeting is coming up on October 20th at the Pomona Valley Mining Company starting at 8 a.m. Please mark your calendars.

The **Chino Valley Lions** began September by supporting their Boy Scouts as they performed the monthly highway cleanup along Grand Avenue and sponsored a blood drive, during which 49 units of blood were collected. Our first General Meeting of the month was the District Governor's Visit. DG Randy and several members of his Cabinet enjoyed our Mexican dinner and we enjoyed hearing about his plans for the District in the coming year. A final Zone C meeting was held leading up to our joint project Health Fair. The public did not turn out as we hoped, but 130 people went home with improved vision, better understanding of their blood glucose and blood pressure numbers, and more relaxed neck and shoulder muscles, compliments of a massage therapist! In addition, twelve people donated blood at the LifeStream bus. We are now beginning to plan for the Christmas baskets we will donate to the Single Soldier Project at Camp Pendleton.

The **Diamond Bar Breakfast Lions Club** held two regular meetings in the month of September. We had two guests at the first meeting, Mom Chang and Ed Stoddart, guest of Lion Katharina. Our guest handed out information regarding how to create a website/facebook. AT our second meeting we had four visitors from **Ontario-Upland**. **Ontario-Upland** is having their annual Outback Steakhouse Fundraiser on November 13th. Christine from the **Walnut Lions Club** came to present Lion Wanda with a beautiful award from Teresita Pines for her donation for a canoe in memory of Jack. On September 13th we had our Diamond Bar Day at the Fair. We had two Youth Heroes; Leo Natalie (District 4-L4 President) and Leo Rachel Wang. Congratulations! The Lions and Leos walked in the parade. September 22nd was our annual "Walk for the Hungry and Homeless" at the Claremont Campus. Lions and Leos participated in the Walk. Also, on September 22nd the Foothill Zone "C" Clubs worked the Health Fair with free vision screening and diabetes testing. The Blood Mobile was there as well. And one more event on September 22nd was the District 4-L4 Leo Training in Garden Grove. What a "Crazy Day!" We did one visitation to Huntington Beach Oktoberfest on September 20th. Yummy food and a complimentary beverage. We also attended the Foothill Region meeting on September 24th at Lions Center West in Rancho Cucamonga. On September 30th three Lions attended the Sight and Hearing Foundation Luncheon at Knott's Berry Farm Resort and Hotel. They held their election for Directors and Amendments. The month of September was very busy.

** 9 members of the **Walnut Lions Club** made the trip up to Camp Teresita Pines' Annual Open House on September 8th. We visited the cabin sponsored by our club and enjoyed the day with other Lions Clubs. We also presented Teresita Pines with our donation of \$1,000 toward sponsorship of the cabin (sent prior to our visit).

** On September 20th, 8 members of the **Walnut Lions Club** visited the **Huntington Beach Host Lions Club**'s annual Oktoberfest where a good time was had by all. Prior to the event, a visit was made to the home of Dee and Kirby Holte, members of **Huntington Beach Host Lions** whereupon the Melvin Jones Award was presented to Kirby Holte by **Walnut Lions** for his service to our club.

** The **Walnut Lions** participated in the Zone C Health Fair held on September 22nd at Don Lugo High School in Chino, CA. 3 Lions and 3 Walnut High School Leo club members assisted. 63 attendees were tested for BP and Glucose levels. 93 attendees were served lunch.

The Garden Grove Host Lions Club hosted its Annual Charity Golf Tournament at Coyote Hills Golf Course in Fullerton on September 14th. Forty golfers participated in the event which included a putting contest, four hole-in-one opportunities, and a closest to the pin shootout, plus longest drive and closest-to-the-pin prizes. Golfing was followed by a Mexican Buffet Dinner at the Golf Club, a raffle of several prize baskets, and a silent auction of LA Rams memorabilia, golf paraphernalia and other items. Over \$5,000 in net proceeds were raised from the event which will be distributed by the club to charities and local community service organizations.

September was a very busy month for the Greater OC Lions! Several members attended the ID candidacy election on September 8th. A record eight members attended the first Orange Region meeting on September 17th. On September 21-23rd our club had a booth at the Costa Mesa Fish Fry where we served chili, elote (corn in a cup), and popcorn. Although not a big financial success, we learned that we work very well together as a team! Over half of our entire membership (60%) volunteered one, two, or three shifts over the weekend. It proved to us that we have the manpower and willingness to work projects and have fun doing it. Perhaps we can “sell” our services to other clubs and together we can all be successful! We look forward to a couple of Ronald McDonald House projects next month and hope to see other clubs join in the fun, too!

Harbor Mesa Lions were happy to attend the Huntington Beach Host Lions meeting where they handed out donations to groups and clubs that "joined hands in service" to help with their fireworks booth the week of July 4th. Several Harbor Mesa Lions volunteered to help out. They also bid a fond farewell to Cape of Good Hope Lion Yvonne Poyo who has been helping with club service projects and attending meetings and events. Lion Yvonne is heading home to South Africa just in time to attend her club's 60th Anniversary Jubilee on November 24th!!

Huntington Beach Host Lions participated in two senior events in September. On the 6th they grilled their famous Surf City pancake and sausage breakfast and their gourmet hamburgers and hot dogs for lunch at the COA Senior Day at the Pier in Huntington Beach. It was estimated 10,000 people attended this event geared to helping seniors with information on various services available, entertainment, dancing and more. On the 26th the club fired up their grills once more to make their famous pancake and sausage breakfast to help the Senior Center celebrate "National Pancake Day" serving seniors a free pancake breakfast. Many came back for seconds!

Also on September 20th it was our annual Oktoberfest at Old World in Huntington Beach with a yummy German dinner, Oompah music and cloggers entertaining the crowd. Several other Lions Clubs attended and we thank them for their support.
