## A MESSAGE FROM DISTRICT GOVERNOR RANDY MCMILLAN

September is already here and time has flown by. July and August were very active months as we installed new Club and District Officers and started our official visitations. We have also chartered a new OC Professional Lions Club with 24 new members!! This is an exciting time for our District as we are now at 1,295 members and growing. The addition of the new club puts us at 35 clubs in the District. Lions Clubs International numbers are now at 1,466,787 members in over 200 countries. As a District we have started the new year running with many service projects and club events and we look forward attending more this Fall. **A Successful Club Is A Busy Club!**

In September we will be holding our Region meetings and we hope you all will attend these very informative discussions for more knowledge and leadership in your region. **Your Opinion Matters!!**

The District Web Site is a very good place for **ALL** members to get club information, read the Forum and find out important dates and events for the year. So please sign on as a member to **District4L4.ORG** to stay informed.

Record your Service Projects on your reports every month to LCI. This is very important so we can track how many people we serve each year.

Looking forward to seeing all of you during this year at your meetings and Club projects & events.

**~ONE TEAM ONE DREAM~LIONS IN ACTION TO SERVE**  
**District Governor Randy McMillan**  
**WE WORK FOR YOU – Just sayin!!!**

## A MESSAGE FROM FIRST VICE DISTRICT GOVERNOR MARK PIVA

Hello Lions. It is common to hear people say, "All service organizations are losing members." "No one wants to do community service anymore." "Young people do not join organizations." You may recognize these comments, or even made them yourselves.

Recently we began making official visits to clubs in the District. The average number of Lions per club in our District is 26 (when you remove the three largest and two smallest clubs). Over the past several months, I have spoken to many Lions whose clubs are in stasis or transition. These clubs may be experiencing no growth, loss of members, or stagnation. Some of these clubs have even accepted they will fizzle out and are just waiting to shut off the lights and close the door.

What does it mean to be a club in transition? I define club transition as a recognition of needed change to create an environment of service that is sustainable. Transitions are difficult though; partly because some members are comfortable with the status quo and partly because a club isn't sure how to transition or what to transition to?

Transitions are not done in a single year; if done correctly transitions are part of a long-term plan. First, someone needs to take the lead to champion a path to the future. This means they will identify what needs to be done and to gather a team to help define the mission and vision of the club and develop a plan of how to get there. Second, part of the research done by this team is to survey members and people in the community to understand what members want and what needs exist in the community. Third, a plan is developed and presented to members for discussion and approval. Finally, a leader needs to be selected who will ensure the plan is implemented and carried out.

If you are in a club which wants to grow in order to provide more service to the community, or to re-energize its reason for being, then accept responsibility to take the lead in moving your club forward. Avoid being one of those people who spout the questions asked at the beginning of this note, and take no action. Be the person who leads your club forward, continues to open new doors of service by doing new things, and is not overwhelmed by making a mistake. Be a leader!

#### A MESSAGE FROM SECOND VICE DISTRICT GOVERNOR STEVE LACEY

Why did you become a Lion? Don't tell me, I already know the answer....you just love meetings. Admit it, you know it is true. Nothing brings a smile to your face quicker than looking at your calendar and seeing another Lion meeting staring right back at you. And let's hope it's not a short one, the longer the better! The more frequent the better; club level, zone, region, district...bring them on.

So that's why you joined the Lions. Of course not! No one joins the Lions to go to meetings.

Then why, why do people join the Lions. Ask a dozen people and you will get a dozen different responses but they will all have the same theme: **to make a difference. Simply put, there it is, to make a difference, in our neighborhoods, our nation, perhaps even around the world.** You want to help, you want to do what you can. You want to reach out to those who are in need and do all in your power to improve their situation, to alleviate the problems that they face.

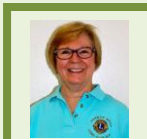

**And that's what you need to be able to tell someone** when they ask you why you are a Lion. In 'other fields' (remember, I am an ordained minister/school teacher) it would be called 'witnessing' or 'testifying'. In Lions Leadership Training we hear about making 'elevator speeches'. What that means is this. Can you, in 3 or 4 minutes, relate an experience that happened personally to you (or that you heard about happening to others) that truly had an impact on your heart.

I'm pretty sure most of you can because you have shared many of them with me. As I visit more and more clubs I have had the opportunity to listen to them. And each time I marvel at what I have heard from Lions who reached out to help another and received more in return than they gave.

Why did you become a Lion? In the future, I hope to hear more of your stories that answer this question.

*~ In "A Spirit to Serve"  
2<sup>nd</sup> VDG Steve Lacey*

#### CABINET SECRETARY REPORT

Well, welcome to September! Since I am writing this before the end of August, I can only say that the July reporting to MYLCI from our District Secretaries was outstanding. I am checking as the month goes along and already see many of you inputting activities for the month of August. Keep up the good work. One suggestion, make entries as events occur. Report meetings, various officers' work and especially your big or little events for service and fundraising. It is great to see you all brag about what your clubs do.

We do read them, and more important International keeps track of what is done and how many service hours your clubs report. Just don't leave it until the last day or two and feel under pressure to get everything in. Also, call me with any questions, concerns or problems with reporting.....OR, anything for that matter.

MyLion is still not up and working, but I will keep watching for it and keep you and all secretaries posted.

I would like you secretaries to start cleaning up your members listings in MYLCI. The more accurate your members' information is the better we can keep track and or contact members, if and when we need to. And you will too.

Register and use the District Website. It is invaluable with so much information. Once you get the hang of it you will get so much from it.

Support other clubs fundraisers, make visitations and join hands in service. We are all here for the same thing....to help those in need.

The Fall Region Meetings are being set up right now. Our Region Chairs have been working hard to get these set and ready to go. They all promise a fun evening. This is a chance to spend more time with your Zone Chairs and clubs in your zone as well as in your Region. Attend all if you wish, but be sure to attend your club's Region Meeting. Let's continue this year, together!

#### STUDENT SPEAKERS CONTEST UPDATE

This year's topic for the Student Speakers Contest is, "Freedom of the Press, What does it mean?" Clubs can now go to the MD4lions.org website to order their club packet. The past few years clubs needed to order the packet by October 1 or there would be a 25\$ charge, so get your order in early. If you have any questions please do not hesitate to call or email me.

## CABINET TREASURER REPORT

**Thank you to the 16 Club Treasurers that have paid their Club Dues to LCI. All clubs should have received an email or bill from LCI. If not you can go into MYLCI, Club, Statement/Dues.**

**The other 19 Clubs in 4-L4 need to pay this bill to LCI as soon as possible.**

MD4 will be sending out their Invoices this month. Please pay as soon as you receive your bill. **You probably ask WHY?** At the Convention in May 2018 the delegates approved the budget. The District needs the dues revenue to operate. The District does not receive any dues money from MD4 unless your club pays what is due.

**What are some of the line items in the budget?** The Leos (who are our future), Teen Recognition (recognizing students who are drug and alcohol free and who promote it in their everyday life), the Student Speakers Contests at the Region and District Levels, training classes provided by the district, mailing of materials and bonding of the officers to name a few things.

Please call or email me if you have questions.

## STUDENT SPEAKER FOUNDATION

Thank you to **Huntington Beach Host** and **Laguna Niguel Lions** for their monetary donation. They will be honoring a member of their respective clubs with a Fred W. Smith and Dwight E. Stanford Fellowship.

Student Speaker Foundation pins are for sale at \$5 each. The proceeds go toward our district annual contribution of \$7,000 which each district is encouraged to raise. Please see me at the upcoming Region meetings if you are interested in purchasing one.

Who is Donald E Snyder? The Student Speakers Foundation was organized in 1961. Its father is Don Snyder, District Governor of 4-A3, 1958-59. Don asked PIP Fred Smith and then International Director Dwight Stanford to join him as the organizers and first directors of the Foundation. Don did all the work getting IRS and California taxing authorities' approval. You can become a Snyder Fellow with a donation of \$400 to the Student Speaker Foundation.

The Foundation is still collecting used cell phones. Please bring them to Region or District Meetings. We do not collect the cords.

## GLOBAL MEMBERSHIP TEAM (GMT) UPDATE

Fellow Lions, District Governor Randy wants to focus on the CLUBS. Our clubs make the District go. So with that in mind we all need to be working to keep our clubs healthy. We can do this by keeping our clubs focused on service projects and fundraising which will require more members and more active members.

Your GMT is here to help you, the clubs, attain your goals. We are happy to meet with one person, the President or Membership Chair, or we will be happy to make a presentation for your entire club.

Clubs with less than 20 members please reach out to us and we will work with you to help you find ways to work with other clubs and or other groups to create service projects which is a great way to get out in the community and find new members. Of course, larger clubs may be having trouble also but they can also help us by sharing the things you are doing to keep your members busy and involved. Members want to make a difference. We need to help clubs find more service projects to work on. We need all clubs to help each other and work together to make this District healthy and keep it healthy.

The clubs we now have in our District are very diverse. We can take advantage of this fact and learn from each other. Please help us help you. I am asking club members to please give me a call or send me an email. Let us know if you need help or if you have a good idea or something your club is doing good or bad so we can all benefit. Take some time to talk to club members and help us help you grow and have fun!! If your club doesn't have a membership chairperson then reach out to us and we will help explain why a membership committee is so important to your club.

I am hoping all members are reading this and hopefully some of you will reach out to offer or request assistance.

**LET'S ALL WORK TOGETHER TO KEEP OUR CLUBS HEALTHY AND HAPPY WORKING TOGETHER IN OUR DISTRICT. WE NEED YOUR CONTRIBUTIONS. WE ARE ALL PROUD LIONS. LET'S GET OUR CLUBS HEALTHY TOGETHER!**

## 2018 YOUTH EXCHANGE PROGRAM

They arrived at LAX Saturday July 21<sup>st</sup>, between 10:00am and 5:00pm. Each host parent greeted their student at the airport. On Sunday we shared Thanksgiving Dinner with the students and many Lions. We explained the traditions and culture of Thanksgiving in America. They were blown away by the "Big Chicken" that our District Governor was carving. They took pictures and videos to share with their family and friends back home. Most had never seen anything so big. They enjoyed the large turnout of Lions and the chance to get to speak to many of them. They asked several Lions about their individual home traditions and said they learned some eat turkey, but others eat ham while still others do not eat either, but instead have a roast or even steak. The one thing they said all had in common was a tradition of time with family. They liked that as they said here it is day one and we feel part of a big family.

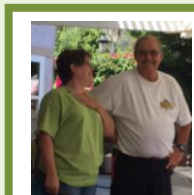

While filling their plates they asked many questions about what SWEET POTATOES were or what other foods were. In all they truly enjoyed the meal. After we brought out an assortment of desserts they were full, but each found room to try many cookies, pies and brownies. During Thanksgiving they were honored to be given a bag of goodies from District Governor Randy that included his friendship banner. Some were going to share these items with the Lions Club that sponsored them and others said they would keep them as memories of their trip. They also each received a friendship banner from PDG Judy Barr.

We did surveys with the students on the final Saturday of their visit. We were not surprised to learn that they enjoy their visit and love the times they get to do things as a group. One student said they felt it was like being with a big fun family, but better as everyone even the adults got along very well. While they liked the time alone with their host family, the all said they preferred being in a group. Lions of District 4-L4, I could not do this without your support. Many clubs give donations and many Lions also personally give. It touches my heart to see the district get involved with this program and change the lives of a few students, but each life changed in turn changes others by what they go back and share. In the comment section of the survey most students wrote thank you notes and some even said they would recommend their friends or family take part of this program. They all walked away bonded together by this trip and forever friends. Many are already making plans to visit each other on their next school break.

Starting with the tradition of Thanksgiving and ending with a pool party we could see the friendships and bonds they built during their time together and we know the motto World Peace One Student At A Time will carry forward with this group. Next month we will feature some of the cool places we visited and amazing things they were honored to do.....stay tuned.....

## California Lions Foundation

*an IRC 501(c)(3) Corporation #81-2850129*

The California Lions Foundation (CLF) is growing and being responsive to the needs of California Lions clubs. CLF now has about \$170,000 in its accounts. This includes charities/activities and administrative funds, as well as designated donations. CLF is well on its way to the established funding goal of \$250,000 in order to begin providing grants to California Lions clubs, which should commence in the 2018-2019 Lions year. Recently CLF has responded to the spate of serious fires in our state by accepting designated donations to help provide wildfire relief.

CLF wishes to again acknowledge the outstanding support of about 85 individual Lions and nine Clubs and Districts for becoming 'Founding Members' of CLF. CLF also has received one corporate donation of \$5,000. The CLF Board is expanding efforts to obtain additional corporate and company support. Nonetheless, our biggest challenge remains getting the word out to all California Lions clubs on all the opportunities to donate and on the benefits CLF can bring to California communities through its Lions clubs.

CLF also generated \$12,280 in gross receipts from the pendant raffle held July 1st in Las Vegas. The lucky winner was Lion Josephine Louie from the Los Angeles Envision Lions Club. Thanks to all the Lions who participated in this necessary administrative fundraiser and special heartfelt thanks to PDG Alberto Montes de Oca for donating his time, talent and ALL materials that went into the pendant.

As you know, the California Lions Foundation (CLF) was created to provide matching grants to California Lions Clubs for humanitarian, vision, environmental, disaster relief, and other projects to better serve our California communities. These matching financial grants will be available to clubs and districts to meet various needs and projects in their respective communities. The dollar range of CLF grants will be focused on projects from \$500 to \$10,000 which do not qualify for support from other Lions foundations. A CLF grant will also be able to be combined with a LCIF grant for larger projects.

CLF is a great vehicle to help Lions Clubs meet our community needs in California. All donations to CLF will be provided back to the Lions Clubs of California as matching project grants or as restricted charity project funds. As a 501(c)(3) nonprofit corporation, CLF can also accept dedicated tax deductible donations for charity projects of individual Lions Clubs approved in advance by CLF. CLF then provides the designated donations back to the club for use on their approved project.

District 4-L4 is the second highest giving district in MD4. Thanks again for all your support of CLF.

PDG Gilbert Smith  
CLF Director

## Volunteers needed in 4-l4

Become a California Lions Friends in Sight volunteer and help bring more vision screenings to District 4-L4.

### Join the new District 4-L4 Vision Screening Team

You and your team will be trained to handle registration, operate automated instruments, assist eye doctors, search from an eyeglass data base, help with inventory management, assist patients in selecting their eyeglasses, and even learn how to fit and adjust them.

The first event for the District team is a vision screening on Saturday, November 3 sponsored by the Garden Grove Host Lions Club. The Club will handle the event details. You and other 4-L4 volunteers will manage and staff the screening and eyeglass stations.

The hope is that this experience will inspire enough 4-L4 Lions to continue as a team willing and able to conduct their own screenings for up to 5 or 6 clubs a year in the District.

## FOOTHILL REGION CHAIR BOB TERRY

Greetings Lions. September is going to be a very busy month and I hope you all can arrange your schedules to be at the following events. Saturday September 8<sup>th</sup> is the vision screening sponsored by Cucamonga District Host, Ontario Host, Upland Host and Ontario-Upland. It will be at the Ontario Senior Center, 225 E. "B" Street, Ontario, 91762 from 8am-2pm. Then on Saturday September 22<sup>nd</sup> Foothill Zone C will be having their vision clinic and health fair at Don Lugo High School, 13400 Pipeline Avenue, Chino, 91710 from 8am-3:30pm. But the crown jewel event will be Monday September 24<sup>th</sup> for the Foothill Region Meeting at Lions West Center, 9161 Base Line Road, Rancho Cucamonga, 91730 at 6:00pm. Please RSVP by September 19<sup>th</sup> to Cabinet Secretary Joan Parks. We will have an amazing dinner and a fun program, so please try to fit this event into your schedule. And a special "Thanks" to ALL Lions that attended the Upland Host Fish and Steak Bake in August. There were many Foothill Region club members in attendance...and even some notables from other region clubs. So hope to see many Lions at the upcoming events and I hope September is a great month for all. And ponder on this little tidbit..."You Can Make More Friends In Two Months By Becoming Interested In Other People Than You Can In Two Years By Trying To Get People Interested In You". Andrew Carnegie.

## FOOTHILL REGION ZONE B CHAIR MICHAEL SHAW

Labor Day is customarily viewed as the end of the summer vacation season and schools all over our district are set to begin. After forty-two years of teaching Jr. High students and loving nine grandchildren, I have learned two important things: No-one cares how much you know, they just know how much you care And kids do and say the darndest things. Case in point: I was at the checkout line in Vons and a young boy about eight was ahead of me with a box of Tide. While checking out the lady asked if he was doing a lot of laundry and the boy said no, "I am going to wash my cat." About two days later I was back in Vons picking up a few things when I saw that same boy. I asked him how was his cat and he said, "it died." I said I was sorry to hear that and asked him if it was the Tide. He said no, "I think it was the spin cycle."

The Ontario Host Lions club celebrates its ninety-sixth year as a chartered club and new club president Michael Shaw reminded them, "Don't let the memories of our past limit the potential of our future. With new members and new ideas there is no limit to what this club can achieve." Then he challenged them to come up with one new project they would like to see happen for their community. So far, the Ontario Host club is working on three new projects. The first is with the Ontario Colony Branch Library, working with their advisory committee about gang related pamphlets to service those who wish to avoid or exit "the gang life." Second, they are working with the "Route 66 IECA" to promote the preservation of historically significant landmarks along route 66. And lastly, they will be working with the Lewis Family Playhouse on children's programming throughout the year. The playhouse program is designed to provide a quality, learning and performance experience for youth, teens and adults in the community. On September the 8<sup>th</sup> the Ontario Host Lions will be working alongside, Cucamonga District Host, Upland Host and Ontario-Upland to put on a free vision screening at the Ontario Senior Center. Last year they served three hundred and sixty-six people and of that number one hundred and twenty-two had never received exams or glasses. The club is looking forward to once again serving as many as possible.

Pomona Host Lions were busy in August. Every Thursday evening of the month, volunteers loaded two tables at Ganesha Park with books from our Little Free Libraries inventory. Attendees at the Pomona Concert Band Summer Concerts were invited to browse the books and take as many as they wanted. The club also collected used eyeglasses and hearing aids as well as some food. On August 9<sup>th</sup> the club held its annual Club BYO Picnic Dinner before the concert. This year the picnic included two games. One was a race in which competitors stacked and unstacked drinking cups as fast as possible. The second game required each contestant to blow up a balloon and then aim the balloon at a row of cups, releasing the air to knock the cups over. A good time was had by all.

Jo Fulton gave our club credit for Joining Hands in Service by working at the La Habra Corn Fest, where she helped make hamburgers. Although it wasn't an official Joining Hands in Service Project, three Pomona Host Lions worked at the Upland Host Lions Fish Bake. Members of the club also attended the fundraiser and enjoyed the food.

The **Pomona Host Lions** Club is working on having more visibility in the community. Toward this end, President Anne Henderson and Community Service Director Jo Fulton attended an open house at Inland Valley Hope Partners Family Shelter.

On Friday, August 31<sup>st</sup>, the L.A. County Fair opened with Pomona City Day at the Fair, and this was another opportunity for club visibility. Seven members of the club and eleven family members marched in the parade. Eight members worked at a club information booth. Some of the eight also participated in the parade.

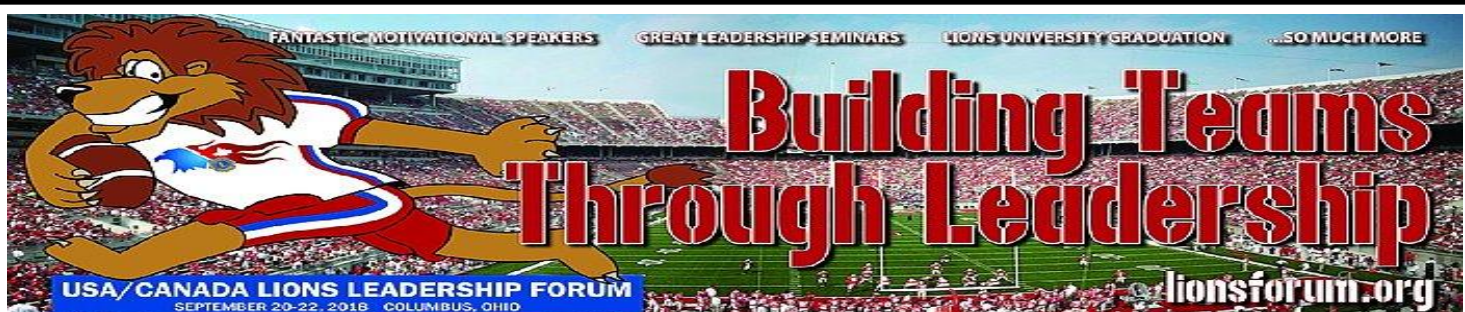

At our first general membership meeting of August, Lions Dr. Ana Lorenz, who is a psychologist, and Sholeh Yousefian, who is a pharmacist, spoke to the club about their recent trip to El Salvador, where they participated in a medical mission. The District Governor, Vice District Governors, and our Zone Chair made their visit to the club at our second general membership meeting of the month. President Anne presented a check to Governor Randy for Student Speakers Contest Foundation, his favorite charity, after he had presented her with gifts. In addition, Zone Chair Michael Shaw presented several boxes of children's books to the club for our Little Free Libraries.

#### FOOTHILL REGION ZONE C CHAIR MIKE PRESTON

It is amazing to see what can be accomplished when clubs come together to support each other. The old saying that there is strength in numbers is so true. Our Foothill Zone C clubs recently collaborated on an event for senior citizens called Grandparents Day. **Chino Valley**, **Diamond Bar**, and **Walnut** clubs all pitched in to make this event something to remember for the seniors at the assisted living facility. **Diamond Bar** also had some Leos there. It was a privilege for me to participate and help bring some smiles to the faces of the seniors. But the three clubs are not stopping there. We recently had our third meeting to plan the coordination of the Foothill Zone C Health Fair, scheduled for September 22<sup>nd</sup> at Don Lugo High School in Chino. The resources and contacts which each club is bringing to the table are going to make this a fabulous event. Not only are we going to have California Lions Friends in Sight there to do the eye exams, we are going to offer testing for diabetes, and the City of Hope Bloodmobile will be there to accept blood donations. The **Walnut** club is going to provide hot dogs for sale for the attendees and **Chino Valley** is going to feed all the volunteers. I would encourage all Zone Chairs to try to bring your clubs together to do joint events. It allows you to think big, to do things one small club might think impossible. It's good for the community and it makes Lions stronger!

The **Chino Valley Lions Club** finished up the Summer Concerts in both Chino and Chino Hills. Ice Cream sales were very robust, thanks to the "Hot August Nights!" We also participated in La Habra Lions' Corn Fest, always a big success. We partnered with the other Zone C Clubs to provide entertainment to the residents of a Senior Living Facility. We assisted with a photo booth, cookie decorating and musical entertainment. We delivered 100 hand-knit baby hats to Pomona Valley Hospital for their nursery, representing approximately 500 hours of labor. Work is progressing toward the Zone C joint Health Fair project on September 22<sup>nd</sup> in Chino. We will have eyeglass screenings and distribution, a blood drive, diabetes testing and info and cancer awareness info from City of Hope. Two of our members have pledged to sponsor Holes at the Rose Float Golf Tournament fundraiser. Our Boy Scout Troop 220 continues to provide monthly road-side cleanup along Grand Avenue in Chino Hills.

The **Diamond Bar Breakfast Lions Club** held their two regular meetings and one Board meeting in August. We had one guest at our first meeting. She brought some eyeglasses for recycling. They made one visitation on August 3<sup>rd</sup> to La Habra Corn Fest with four Lions participating. The second visitation was on August 24<sup>th</sup> to the Upland Host Fish/Steak Bake. Two Lions volunteered at the IVHP Farmers market on August 4<sup>th</sup>. President Cindee and three of her former Ranch Hill supervisors worked at the Farmers market on August 18<sup>th</sup>. President Cindee prepared and hosted the District 4-L4 Leo Leadership Training at her home on August 4<sup>th</sup>. We had our "Grandparents Day" at Brookdale Senior Living on August 11<sup>th</sup> from 11 am-2 pm. We provided entertainment and activities for the residents. Our theme was Hawaiian. Some of our Leos also helped at the event along with ten Lions. **Chino Valley Lions** joined us. Yea! On August 19<sup>th</sup> we had a new membership social at Lion Rosette's home. We had five guests join us. It was great meeting new people and sharing what the **Diamond Bar Breakfast Lions** club does in the community and the different Lions activities we do. We donated 35 pairs of eyeglasses this month. Three of our Leo clubs remain dark for the summer. Diamond Bar High School Leos continue to stay active. School will be starting soon so all Leo clubs will soon be very busy.

The **Garden Grove Host Lions** recently welcomed Orange County District Attorney Tony Rackauckas as a guest speaker at their regular Club meeting on August 22<sup>nd</sup>. Mr. Rackauckas gave a brief summary of the activities of the Orange County District Attorney's Office to Club members and guests. He was joined by Deputy District Attorney Leslie Young who gave a presentation on consumer fraud and how to best avoid or prevent it. She discussed telemarketing fraud, internet or email fraud, elderly care fraud, and other common forms of fraud. The accompanying pictures show Mr. Rackauckas addressing the Club and Club President Ric Lerma with Ms. Young and Mr. Rackauckas.

The **Greater Orange County Lions** had a great start to the year. We worked a Ronald McDonald House breakfast, held a garage sale to earn some charity money, and in August held a very successful Bingo fundraiser. We want to thank each and every Lion who came out to play. We hope everyone had a great time. We really appreciated the support. A couple of visitors attended the event as well, and we hope that they will be signing up soon to join our club! Next month we plan to work at the Costa Mesa Fish Fry to earn money for our charities and help spread the word of Lionism. **Greater OC** is off and running toward another very successful year.

On a beautiful Sunday in August approximately 80 individuals who are blind or visually impaired were treated to a sail around Alamitos Bay. The annual activity, called "Sailing with the Wind" was co-sponsored by the **Seal Beach Lions** and Seal Beach Yacht Clubs. The intention of the event as stated by **SB Lions** Secretary Mary Hollen was "to allow the joy of the sea, surf, wind and sounds wash over those who might not otherwise have the opportunity to experience the joy of sailing and yachting." The morning started with the VBA and Seal Beach Leos helping guest from cars and through registration. Guests were treated to breakfast then led to participating yachts and sailboats. The duration of the sailing was about one-and-one half hours. When the sailing was over, guests were brought back to the yacht club for a hamburger lunch expertly prepared by the Seal Beach grill team.

District Governor Randy joined the Harbor Mesa Lions at their first meeting in August to induct two new members and welcome visiting Cape of Good Hope Lion Yvonne Poyo. Lion Yvonne has been very involved with our club during her visit. She has attended visitations and helped with our school box project where we filled 240 shoe boxes with school supplies and delivered them the next day to three elementary school's first grade classes. District Governor Randy and 2nd VDG Steve made an official visit to the club at our first meeting in September where we made a donation to the Student Speaker Foundation in his honor and also made a donation to the Cape of Good Hope Lions for their 60<sup>th</sup> Anniversary Jubilee. Finally several Harbor Mesa Lions enjoyed a sentimental farewell lunch with Lion Yvonne who has been a great asset and friend during her visit.

**SADDLEBACK REGION ZONE B CHAIR MORGAN HUANG**

Orange Chinese American Lions of Orange County President Fay Huang presided over her first monthly meeting on August 21<sup>st</sup> at the China Palace Restaurant with three members from Harbor Mesa Lions on a club visitation. President Fay invited two guests, Taichi Quan Master Qiu from Indonesia and Master Hsu (Dr. Albert Hsu) to make a special presentation on the topic of Taichi Quan. They informed everyone present of the benefits of learning Taichi Quan and demonstrated some of the special forms. The speakers specified that Taichi Quan is a sport and a martial art that promotes overall health and has been shown to improve balance, flexibility, muscle strength, and cardiovascular health, reduce body back pain, promote mobility and coordination. It combines Yin-Yang philosophy and Qi Gong into one unity.

To celebrate the Moon Festival, the Orange Chinese American Lions of OC will hold a pool party on September 25<sup>th</sup> at the Irvine Woodbury Community Center from 5:30PM-9:00PM. Please contact Lion Morgan for details. The Asian American Senior Citizen Service Center (AASCSC) is a district approved project. The Orange Chinese American Lions of OC is their co-founding organization and long term supporter. The AASCSC will hold an open house on September 29<sup>th</sup> to inform the public of what they are doing for the community and to celebrate the Moon Festival as well. All visitors will receive a free gift. See flyer for details.

The Tustin Host Lions have been enjoying and supporting their annual community event (and one of our largest fundraisers currently) called Tustin Tiller Days since its beginnings in 1957. Lions Gary and Judy Siegel can remember dancing in the street at the very first Tustin Tiller Days back then! Since 1978, forty years ago, Lion Cherrill Cady is credited with starting Tustin Tiller Days in the form it is now. Ten years later she added the first Tiller Days Parade to the three day festival and has chaired it ever since – for 30 years!! Congratulations to Lion Cherrill for being named Community Grand Marshall 2018 of the parade! We are very proud of her!! In addition, six Tustin Host Lions are on both the Parade and Festival Committees organizing the event all year and are working the event all weekend. Also, most all club members work during the entire event serving beer and wine. Please come out to support Lion Cherrill and the Tustin Host Lions Club on October 5, 6 and 7th. Look for details in the flyers in this issue.
