## A MESSAGE FROM DISTRICT GOVERNOR RANDY MCMILLAN

March was a busy month with our final official visits to clubs and three Region Meetings which included our Student Speakers Contests. As a result, we now have some very outstanding student speakers for our 4<sup>th</sup> District Meeting on April 27<sup>th</sup> so be ready to listen to their views on "Freedom of the Press, What Does It Mean?" Also during the month of March I was able to attend a lot of the clubs' projects and fundraisers. It's a great to see so much activity in our District and so many clubs supporting each other. Makes me very proud to be a member of District 4-L4!!!

I also was able to induct some new members into Lions at some of your meetings. I was especially proud to perform the induction of the Charter Members of the 1<sup>st</sup> Lions Club Cub Program. The Seal Beach Lions are the first club to support this program just for kids to teach them the joys of volunteering and guide them to a lifelong dedication to helping those in need. LCI and District 4-L4 are excited with this program kick off by the Seal Beach Lions! Our District Convention is coming May 17<sup>th</sup>, 18<sup>th</sup> and 19<sup>th</sup> at the DoubleTree by Hilton Golf Resort Palm Springs area Cathedral City. Get your reservations in now as the hotel is filling up fast! Lots of golf and games and lots of FUN!!! This convention is to celebrate Your Year in Lions so get up off that La-Z-Boy and be there!!! Proud member of District 4-L4.

~District Governor Randy McMillan

## A MESSAGE FROM FIRST VICE DISTRICT GOVERNOR MARK PIVA

Spring is here and April is full of events that I encourage every Lion to take part in and enjoy! April 13<sup>th</sup> is a full day beginning with the CLFIS Vision Screening combined with the District Leos Diabetes Awareness Health Fair at Century High School in Santa Ana and ends with the Harbor Mesa Lions Taco Fiesta Fundraiser. The next day we have the Garden Grove Host Lions 71<sup>st</sup> Annual Pancake Breakfast and the District 4-L4 Leadership Game Night Fundraiser. The Orange County Central Lions are holding their 34<sup>th</sup> Annual Charity Golf Tournament on April 22<sup>nd</sup> and the Orange Coast Breakfast Lions are trying a new fundraiser at Polly's Pies on April 24<sup>th</sup>. We end the month with our 4<sup>th</sup> District Meeting on April 27<sup>th</sup>. Hope to see you at one or more of these events!

## A MESSAGE FROM SECOND VICE DISTRICT GOVERNOR STEVE LACEY

It happened again just the other night. I attended a special Lion's event and came away absolutely amazed at what I had seen. It was a "Membership Mixer" put on by the Orange County Central Lions. They had arranged for appetizers and beverages to be available to all, with no cost to those visiting. And all the members were encouraged to bring a friend, co-worker, neighbor and/or acquaintance to learn about the club, and more importantly, what they did for the community.

Then they contacted five of the organizations that they sponsor and support and asked THEM to be the program. Each one had 5-7 minutes to explain what their group did to benefit the community. There was a speaker from Patriots and Paws, a veteran's help group and someone speaking about the new Kids Sight First program that reaches children as young as three years old with vision tests. A speaker from City of Hope (a Pasadena Host Lion himself) was there as well to talk about what Lions have done in the past and the new project we are undertaking in connection with Diabetes Awareness. Five great programs that said to the prospective Lions, "This is what we do." The prospective Lion that I brought with me was impressed as I was, and took home a membership application after talking with a club member about dues and costs. I understand others 'signed up on the spot.' How could they not, when the entire evening was focused on Lions in action! This is an event that I have heard that others clubs have done, but this was the first time I got to take part in one. I understand that PCC David Radtke was in charge of putting this event together...if you would like to know about just how to do so, contact him. And other clubs, when you put on this kind of event, be sure that I get an invite! Way to go Orange County Central Lions....I can't wait to hear how many new members you pick up from this event.

~ With A Spirit to Serve

## CABINET SECRETARY REPORT

Happy Spring District 4-L4! April is here and we still have a lot to do and finish. We had three really good Region Meetings including three great region level Student Speakers Contests. As we all say, I am glad I am not a judge. That would be one hard job. The next level is the District Contest at our next District Meeting on April 27<sup>th</sup> at the La Habra City Hall. Don't miss it. Remember to RSVP to me and send your monies to Cabinet Treasurer Carol Linehan.

Thanks to the many clubs who nominated some great Lions for the year end district awards. The cabinet will make the decisions for the winners soon, to be announced at the District Convention. Speaking of the Convention, get your registration filled out and sent in ASAP and be sure to call to reserve your room soon too, before they run out of our special price. Lion Dave and his committee are planning a very fun event and a bit different than in the past. One day shorter and nothing but fun. Oh and a little business, and some awards, great games and good memories. Let's send Governor Randy out on a high note and welcome the new Governor (if he wins) with gusto. I can only say, one more time, what a great job this year's secretaries have done and are doing. You have been a great group to work with. They have done some great reporting and keep their clubs going strong. Lots of unsung heroes we have heard about this year, and it tells me how much you all care about your clubs, the Lions mission and your communities. Remember, we are in this together and make sure to continue to have fun.

~Lion Joan Parks

## CABINET TREASURER REPORT

MD4/4-L4 invoices were sent out at the beginning of March. **Thanks to all the Club Treasurers who have paid their Jan-June 2019 invoices.** If your club has not paid its invoice please do so as soon as possible because as our District start our last three months of operating under Governor Randy there are a lot of expenses that need to be paid. District 4-L4 relies on each club paying their dues/invoice so that the District can operate. If your club has not received the invoice please call MD4 Office at 805-963-6681 or email [www.admin@MD4office.org](mailto:www.admin@MD4office.org).

It is very important that each and every club pay the bills/invoices they receive from LCI and MD4 when they are received. I will be checking and sending personal reminder notices. As stated prior if your club secretary did not drop a member prior to December 31, 2018 your club is charged for that member by both LCI and MD4/4-L4. The two important dates for dropping members is June 30 and Dec 31 or that Lions membership is charged. There is no forgiveness anymore from LCI/MD4/4-L4.

**Important:** Remember if your club has a student participating in the District Student Speakers Contest, then your club dues must be paid or the student will not be eligible to speak.

Please call or email me if you have questions. [CADL8029@yahoo.com](mailto:CADL8029@yahoo.com) 714-716-9380.

#### LIONS CAMP AT TERESITA PINES INVITES YOU TO JOIN US FOR A WEEKEND OF WORK AND FUN - May 10-12

We would like to invite you to our Lions Work Weekend where friends of Teresita Pines come together to fix-up, spruce-up and beautify the camp facilities that serve many children and families each year. This weekend is open to all families, volunteers and community members looking to escape the city and spend a weekend in the beautiful mountains of the Angeles National Forest to paint, rake, repair, build and improve the beauty and safety of our grounds and facilities. No experience needed, though we have some special projects for participants with the following skills: electrical, plumbing and carpentry.

We're anticipating record numbers of volunteers this year for our Lions Work Weekend. Your flexibility in sharing a cabin with fellow volunteers is greatly appreciated. We will be hosting a special Mother's Day brunch for any Mothers in attendance (on Sunday)! If you already have Mother's Day plans elsewhere on Sunday, we understand if you're only available Friday/Saturday for an overnight. For all others, we are looking forward to seeing you for a full weekend of working together as a team, getting camp ready for the summer. See you soon!

Lions and Friends. For your info. Many of you know that we have adopted, many years ago, two cabins, #1 & #2 at Teresita Pines. If you wish, you can stay for the weekend or just one day. There is no cost. You're only asked to pitch in to beautify the camp for the kids this summer. Your next opportunity to see and stay at the camp will be at Open House this September. If you have not been to Lions Camp, this would be a great time to do so. Besides, they need our help. Thanks for your consideration.

## California Lions Foundation Will Soon Be Accepting Grant Requests

Your California Lions Foundation (CLF) is entering the next stage of its development as we will soon be accepting grant requests in the range of \$500-\$2,500. Let me share with you where we currently stand:

### **Current Financial Status:**

- Non-designated charitable funds: \$210,000
- Designated charitable funds: \$34,000 (mostly for wildfire and disaster relief)
- Administrative funds: \$5,000

**Wildfire Relief** - During the course of the recent wildfires, most seriously in District C-1, CLF received \$114,000 in designated wildfire donations and disbursed \$80,000 in response to requests from District C-1.

**Soon CLF Will Be Accepting Grant Request Applications** – The CLF Board of directors has decided that it will soon accept grant requests of \$500-\$2,500. Keeping requests to this dollar range will extend the life of the currently available non-designated charitable funds. The grant policies and grant request forms will soon be posted on the CLF web site.

**CLF Needs Non-Designated Charitable Donations to Fulfill its Mission** – California Lions were generous in their response to the wildfires we suffered last year. What we really need now is a program of sustained giving to meet the many ongoing needs of our California communities. As clubs enter the time of year when they recognize their leaders, this is a wonderful time to consider a Kay K. Fukushima Fellow. There still is some room left for a Founding Member and Founding Club.

**Endowment** – Your CLF Board has decided to set aside as an endowment \$100,000 of the current non-designated charitable monies. To that will be added a percentage of all new non-designated donations. The income from these invested funds will be available for grants. The objective is to insure a future base from which income will be derived for new grants.

Gil Smith

PDG, CLF Director

## Lions Roar For A Cure

District 4L4 Pediatric Cancer Initiative

Children are a gift to the world, yet every two minutes a child is diagnosed with cancer and less than half of the world's children have access to effective care. Children who survive cancer are often left with debilitating effects that can impact their physical development and ability to learn. That's why Lions and Leos are answering the call to expand access to life-saving treatment and support the children and families who need us most. We are working to give children with cancer a second chance at life.

### District 4L4 Pediatric Cancer Chair

First, I'd like to introduce myself to you. My name is Alexis Morgan and my world was turned upside down when I heard the words "you have cancer" when I was just seventeen years old. XOXO's usually mean hugs and kisses. For me, it has gotten a whole different meaning....

It all started back in 2008. Little did I know that a cosmetic surgery to remove a wart would change my life forever. By that time, I rarely ever heard anyone speak about 'cancer' nor did I know anyone close to me that has been touched by this disease. Not

knowing what cancer really was, I was quiet about it, didn't talk about it, or let alone have anybody give me sympathy for what I went through! I wanted to continue living as if nothing ever happened!

Cancer changes people. It sculpts us into someone who understands more deeply, hurts more often, appreciates more quickly, cries more easily, hopes more desperately, loves more openly and lives more passionately.

The bottom line is that I am passionate about spreading HOPE and raising awareness! I want you and your club to take the next step in the fight against cancer!

- a. Hennessey's Seal Beach, St. Baldrick's Pediatric Cancer Research Foundation and the Seal Beach Lions Club have teamed up again this year to raise funds for the search for a cure for children's cancer. Hennessey's Tavern in Seal Beach will be hosting the annual head-shaving event on April 13th, 2019 from 12pm-3pm in downtown Seal Beach, CA in their parking lot. This event is proudly hosted and run entirely by Pediatric Oncology Nurses from Miller Children's Hospital, other oncology staff, Lions and most importantly the friends and family of children being treated in the oncology unit at Millers Children's Hospital.

### FOOTHILL REGION CHAIR BOB TERRY

Greetings fellow Lions from the Fabulous Foothill Region. So by the time you all have read this, there would have been a long, collective sigh from the clubs in the Foothill Region at the conclusion of our Student Speakers contest. A huge Thank You goes out to all the clubs and special recognition and adoration is directed to Michael Shaw...Mike Preston and Joey Amaro...with an assist from Loyce Mejias. Since I am a day early in regards to the deadline for this issue of the Forum, I do not know the winner of our competition, but I am confident that they will represent the Foothill Region in all its glory. It's been a busy month in our region, and you will be reading about all the good things going on as you continue reading. April is going to be a busy month and the most important part of April is getting your paperwork completed and sent in for the 4-L4 Convention. If you are attending, I truly hope you already have your room reservation and please locate the appropriate flyers in this Forum. **Cucamonga District Host** has inducted 4 new members in the past 3 months and they are gently "suggesting" that the new members try to attend. And with it being a 3 day event instead of 4, it is more affordable and less "crazy" than other conventions before. It is a great bonding experience plus we'll be teaming up with District 4-L2 for some events and you can really bond with our Lions to the west of us. And in conclusion, please remember that we are in the twilight of this Lion year 2018-2019. If you are a member in good standing, think about stepping up and seeing what club board positions might be open. Being a director is so simple plus you get to witness the behind the scenes activity of the board...the good, the bad and the confused. Become a leader, show some initiative and help make your club a better club. This is why "WE Serve." And remember these incredible words, "Your talent is God's gift to you. What you do with it is your gift to God." Leo Buscaglia

### FOOTHILL REGION ZONE B CHAIR MICHAEL SHAW

When the air begins getting lighter, the nights longer, the sun brighter, many move forward with the push of spring at our heels. Spring is really about change. With change comes everything new, a break of routine, a change in the patterns around us and the promise of a different beginning. Spring does bring changes, but this spring, the **Pomona Host** club will continue its involvement with the Pomona Beautification day on April 27<sup>th</sup>. This is a city-wide event to clean up, fix up, repair, paint, plant the new community garden and many other projects. The work is followed by a community celebration at the Civic Center with free lunch, entertainment, and prizes.

All registered participants receive a free ticket to the Los Angeles County Fair. We have been participating on the planning committee, have given money to support the event and will be working on several projects that day. One of the projects is "Sound the Alarm" where we are helping the Red Cross install smoke alarms in homes throughout Pomona. (We belong to Prepare Pomona, a community coalition, with the Red Cross.) The **Ontario-Host Lions** will hold their flag day this year on April 26<sup>th</sup>. **Western University Lions** will continue to study and help with various vision screening in the area...They are all looking forward to their time to serve as Doctors...

This month the **Ontario-Host Lions** will celebrate our country with a special assembly to the students at Montera Elementary School, (the adopted school of the club). This program was started to make the lower grade students, Kindergarten and 1<sup>st</sup> graders, be more aware of their flag and its meaning. Several Lions will be there to say the pledge allegiance, sing songs, pass out flags and talk about the history of the American Flag-what the colors on the American flag mean and what do the stars and stripes mean. Thomas Edison said, "Opportunity is missed by most people because it is dressed in overalls and looks like work." The **Ontario-Host Lion's** representative for this year's student speaker contest, Emily Woodcock, took the opportunity to work on her speech, "Freedom of the Press What does it Mean," and won the Foothill Zone B contest. She competed in the Region contest where she did an outstanding job. We are very proud of her and know our future looks bright with young people like her in wings.

### FOOTHILL REGION ZONE C CHAIR MIKE PRESTON

March began for the **Chino Valley Lions** with our Student Speakers Contestant winning the Zone "C" contest! She will progress to the Foothill Region level, whose results were not available by the Forum press deadline. We wish her well!! Our first major fundraiser of the year, the Chino Youth Track Meet, was a big success. Even though the early hours were cool, ice cream sales were brisk! During our first general meeting, we welcomed three visiting Lions, including PDG Matt Hunyadi, who graciously agreed to induct our newest member. Matt was our Guiding Lion thirty years ago and is always welcome. Two of our members will be attending the City of Hope Lions Tribute day, where they will present our annual donation to the Medical Center. Our member, the "Knitting Lady," finished another 150 baby hats for the nursery at Pomona Valley Hospital.

The **Diamond Bar Breakfast Lions Club** held two regular meeting in March. The Board meeting was cancelled due to lack of quorum. At the first Mom Chang was our guest. At the second meeting Pat Dundas gave a presentation and all the Lions purchased raffle tickets to support the California Lions Friends in Sight Foundation. Thank you Lions. Six of our Lions attended the Zone "C" Student Speakers Contest on March 7<sup>th</sup> to support our Leo Ellis. We worked at the Inland Valley Farmers market twice this month with the help of the Lorbeer Leos on March 9<sup>th</sup> and the DB Community Leos on March 16<sup>th</sup>. The **Diamond Bar Breakfast Lions** support the Miss Diamond Bar Pageant every year. This year our Leo Emma Ibarra, President of the DB Community Leos, was one of the princesses. Yea! Also, on March 17<sup>th</sup> she was elected President for the District 4-L4 Leos. Congratulations! Six of our Lions attended the Foothill Region Student Speaker Contest on March 25<sup>th</sup> at the Lions Center West in Rancho Cucamonga. All the speakers were excellent. We have nine Leos and three Lions that will attend the Leo Leadership Camp at Teresita Pines March 29-31<sup>st</sup>. They're looking forward to the experience of meeting other Leos from different areas. The Leos clubs have been busy this month with their regular and Board meetings, working the farmers market, ushering at the church, helping with clean up for the church at Diamond Bar High School, participating in the student speakers contest, competing in the Miss Diamond Bar pageant and participating in the District 4-L4 Leo elections.

### ORANGE REGION ZONE C CHAIR CRAIG DURAND

The Garden Grove Host Lions Club hosted the Orange Region Zone C Student Speakers Contest at its Clubhouse the evening of March 14<sup>th</sup>. Three students representing the Seal Beach, Garden Grove and Stanton Lions Clubs all gave great speeches on this year's topic, "Freedom of the Press, What Does it Mean." Contest winner Cole Roethlisberger, winner of the Garden Grove Host Lions Club contest, will next compete in the Orange Region contest later in the month. The picture at left presents the three speakers along with Zone C Contest Chair Craig Durand and Orange Region Contest Chair PDG P.J. Smith.

The Garden Grove Host Lions were visited at their regular club meeting on March 20<sup>th</sup> by Lion Umesh Johor and his wife Meenu from India. Umesh is a member of the Doiwala Club of District 321-C1 in the Uttarakhand region of Northern India. He spoke at the meeting about his club's activities which include sponsoring a school in Doiwala named for Melvin Jones, apparently the only school in the world named for the LCI founder. Garden Grove Lions Club President Ric Lerma is shown with Umesh and Meenu at the meeting.

Greater OC Lions Club report that March was a time for wedding bells for our club members. Lions James Wilson and Adelina Esquivel were married on March 8<sup>th</sup>. The wedding ceremony was officiated by our own Lion Michael Farrar. Eight of our Lion Club members attended the beautiful outdoor wedding and when Lion Mike mentioned Lions during the ceremony all of the members cheered! It made for a memorable evening. It brings to mind that a family that volunteers together, stays together! We are all Lions family, and we work hard and play hard while serving our community! Congratulations James and Adelina!

## SADDLEBACK REGION ZONE A CHAIR JOHN ULRICH

## SADDLEBACK REGION ZONE A CHAIR MARIANNE HAHN

The **Harbor Mesa Lions Club** had a very busy March. At our first meeting we discussed our upcoming fundraisers. Our Taco Fiesta is scheduled for April 14<sup>th</sup> and our Annual Fashion Show is scheduled for June 1<sup>st</sup>. Several of our members attended Pomona Host's Quartermania fundraiser. Projects this month included our St. Patrick's Day centerpieces for the acute care facility created by three of our members. Five of our members and several of our Estancia High School Leos helped assemble platters of cookies for our local Fire Department. Two of our members delivered the cookies. Four of our members served dinner at C.H.O.C. Five of our members attended the District 4-L4 Leadership Training in Garden Grove. We held our general meeting on March 1<sup>st</sup> and our second meeting on March 20<sup>th</sup>. Seven of our members attended the Saddleback Region meeting on March 18<sup>th</sup> to see the students from our three zones compete in the Student Speakers Contest. Seven of our members visited the Chinese American Club on March 19<sup>th</sup>. On March 25<sup>th</sup> we will be having our Board meeting.

The **Huntington Beach Host Lions** are really roaring after their Crabfest on March 24<sup>th</sup>. The event was another sell out and the attendees had a good time with the delicious "all you can eat" seafood dinner, the fabulous silent auction, the talented emcee (none other than Lion Tony Lovejoy) and the awesome DJ's music. No one wanted the evening to end, which means it was a definite success. All went smoothly during the evening due to the diligence and dedication of Lion Jeff Campana, co-chair of the event. He had every detail well thought out and planned. Our members deserve a high five also for their hard work to help make this, our biggest fundraiser, a big hit, especially Lion Ray Walls who amassed the many gift cards and donations from local businesses. The other co-chair was IPP Lion Sean Arens who was in charge of overseeing the auctions along with Lion Doris North. The baskets were beautifully assembled by Lisa Arens, Sean's wife, and her group of mothers from the Boy Scout Troop 319, which they are very involved in. Also helping us at this event were the Fountain Valley High School Leos, students and parents from Brethren Christian High School and Scouts from Troop 319. Several other Lions clubs were there to support us and we thank them and all who attended to support this fundraiser.

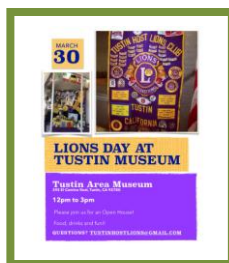

Our March **Huntington Beach Host Lions** meetings included presenting two I-pads to two blind persons and our "Welcome Home" baskets for homeless people. Lion Scotty Quinlan is in charge of the donations given to the blind. Lion Monica Miller chaired the "Welcome Home" project which included large baskets filled with household items and gift cards to Wal-Mart for the "Off the Streets" organization. They find residences for families who are homeless and destitute. We also welcomed two new members in March, Lion Bob Proctor and Lion Dean Sorenson were inducted into the world of Lionism by GMC Lion Steve Christy. Lions Andy Candelario and Mike Newell were the sponsors of the two new members.

#### SADDLEBACK REGION ZONE B CHAIR MORGAN HUANG

The **Orange Chinese American Lions of OC** held their monthly meeting in March at the China Palace. Members from the **Fullerton Host Lions**, **Harbor Mesa Lions** and **Pomona Host Lions** were welcome visitors. The meeting began with a presentation by PDG Barbara Hayward. She presented a membership key to Past President Aileen Lee for her excellent work in opening Lions' doors and inviting many Lions to join the club while she was President last year. Congratulations Lion Aileen! A health seminar "The True Challenge of Alzheimer Patients" was presented by ex-MacKay Memorial Hospital Registered Nurse Mrs. Cynthia Chen from Taiwan. This seminar was conducted primarily in English and all of those present enjoyed the program and learned a lot about what it this disease involves and how to deal with and prevent Alzheimer's Disease.

Spring is in the air!! The **Tustin Host Lions Club** has continued to spring into action in March. We enjoyed an information packed program from the folks at Santiago Canyon College, who strive to serve our students while providing the best education possible. And continuing with club tradition, we sang Happy Birthday and gave hugs to Lion Susie who turned a big 6-0 this month. Then, Lion Ottilia gathered some **Tustin Host Lions** items together and put together a spectacular window display at our Tustin Area Historical Society, where we held an Open House to welcome everyone in the community to come visit us. If you get a chance swing by the museum, our window display will be there until April 15th. Another Lion project we participated in – the Saddleback Region Student Speaker Contest! Thanks to Lions Cherrill and Susie for chairing the contest, and to our amazing judges and local heroes Gretchen Whisler, Pete Beatty and Donna Peery. Looking forward to April! WE SERVE!!
