A MESSAGE FROM DISTRICT GOVERNOR RANDY MCMILLAN

On January 13th we kicked off the New Year with the 30th Annual Melvin Jones Dinner attended by 140 members. PIP Bill Biggs and PID Dana Biggs were honored guests of the District as keynote speakers. 29 fellowships were presented. Congratulations to the recipients and a Big Thank You to PDG Bob Susaeta, for chairing this great event.

At our 3rd District Meeting on January 26th we honored 14 Past District Governors and presented IPDG Judy Barr with her gold PDG jacket. The Saddleback Region clubs had the opportunity to speak about their history. We finished the meeting with a great raffle with lots of outstanding prizes.

February will be a busy month! We start with the MD-4 convention in Sacramento where we will be voting for an International Director from California. There are two candidates running-one is our very own PCC David Radtke from the Orange County Central Lions Club. Good luck David!! At the convention there will also be the Academy Awards presentations. Our District has multiple nominees. Good luck to all!! Our Leo District 4-L4 Talent Show is on February 23rd at the Stanton Community Center from 2-4 PM. Our Leos work very hard on this so let's all show our support by being there to cheer them on. They are always there to support us! The Youth Exchange Program also needs our support. To raise money for their activities they are having a fundraiser at the Outback Steakhouse on February 18th. Contact Diane Quinlan for tickets or just make a donation to support this great program.

Our Annual District Convention will be in Palm Springs this year at the Doubletree Hilton May 17-19. Get ready to celebrate the District Year with lots of fun!!!

Service and membership breed success so let's continue 2019 with positive projects, member retention and growth!

A MESSAGE FROM FIRST VICE DISTRICT GOVERNOR MARK PIVA

Hello 4-L4 Lions. It was just about one year ago that DG Randy and I attended the annual Leo District 4-L4 Talent Show. We were impressed with the level and quality of talent these Leos put on display. Young musicians, dancers and singers worked hard to perform for the 12 Lions in the audience. You read that right – 12 Lions out of 1,300 attended this event and showed support for our Leos.

Our District boasts 34 Leo Clubs and approximately 700 Leos; the largest number of Leo Clubs in California and quite possibly the entire U.S. Many clubs have partnered with their Leos inviting them to attend and support club events. They also actively support their Leos by helping them organize events. For the past three years, Lion Chardy Lang has managed the Leos for the District. She has been ably supported by Lions Dr. Cindee Quan, Marc Poli and John Doogan. To say Lion Chardy and her team have done a phenomenal job the last three years would be an understatement.

Here is a heartfelt shout out to those Lions who have stepped up to be Leo Club Advisers: *Lions Debbie Avila-Mott, Blanca Briseno, Patricia Collisson, John Doogan, Becky Eskridge, Annette Hatch, Jimmy Jo, Chuck Lake, Lisa Landau, Chardy Lang, Ellen Liebherr, Patty Matamoros, Jack Mauller, Susie McIntosh, Christine Nagashima, Scott Newton, Joan Parks, Marc Poli, Cindee Quan, Scott Quinlan, Marilyn Redd, Sheri Richardson-Rojas, Walt Rountree, Robert Sanchez, Drew Sasser, Vicky Sasser, Mike Scheafer, Shannon Sehne, Wanda Tanaka, John Ulrich, Rod Wallace, Keri Walters, Cathy Waters, Don Wolf, Kwan Young Shin* (advisers as of July 2018). The next time you see them, be sure to thank them for the work they do.

This year's Leo District 4-L4 Talent Show is Saturday, February 23rd, from 2-4 pm at the Stanton Community Center, 7800 Katella Avenue, Stanton, CA 90680. I look forward to seeing you there (Please see the flyer in The Forum).

A MESSAGE FROM SECOND VICE DISTRICT GOVERNOR STEVE LACEY

Thinking back now, a long, long time ago, I can still remember when I was a Cub Scout and I would wear my uniform to school on our meeting days. My mom always took extra time on those mornings to make sure that I looked just right, and that each thing I wore was done in the proper way. I was always so proud of how I looked. The idea was that by wearing our uniforms to school, our visibility would be high, and would lead to other young boys asking us questions about scouting and perhaps wanting to join our clubs.

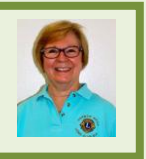

Today I get that same feeling when I attend a District Lions Meeting. I am proud to be part of the Governor's cabinet and to wear his colors to each event that I attend as 2nd Vice. I enjoy seeing all the other club members 'wearing their colors' and 'showing their pride' in their individual clubs, and in being Lions. Hopefully you feel the same way.

But as important as it is to 'be visible as Lions among Lions', even more important is to be visible in the community. Something as simple as wearing a Lion's pin might open conversations for you when people ask what you are wearing and why. When you are out serving the community, doing your service projects, Lion shirts help identify you and the group you represent. I love seeing the 'push ups' we use at many events with the Lion name and logo easily visible.

We have all heard it said that "Lions are the best kept secrets"....well let's try to do something about that. Let's try to be as 'visible' as Lions each day of the week as we can.

~ *With A Spirit to Serve*

CABINET SECRETARY REPORT

Oh my, it's February 2019! Where does the time go? I think we say that a lot when we mature and also when we are busy Lions.

Wow, all secretaries were stellar for the December reporting. I am watching January, which by the time you read this will be over. Please remember to work on your reports as the month goes along. It is much easier than leaving it all to the end, especially in a busy month.

It is time to start thinking about making nominations for the Lion of the Year, Couple of the Year, Secretary of the Year, President of the Year and Lifetime Achievement Awards. There are many Lions in our District and in your clubs that are worthy of these awards/nominations. Please take a look at the criteria on the District web site under awards for 2018/2019. Club Secretaries or Presidents need to email the Governor or Cabinet Secretary by the due by dates for your nomination to be considered.

Just as a side note, I want to say as a member of the Melvin Jones Committee, a Lion and a Member of this District, our event was a wonderful success. Everyone had a good time. It was fun and so special to see and hear about the current crop of Melvin Jones Fellows. Congratulations to each of you.

I am a proud member of this Cabinet, District 4-L4, Harbor Mesa Lions and Associate Member of Costa Mesa Orange Coast Breakfast Lions.

Remember, we are in this together and make sure to continue to have fun.

~Lion Joan Parks

CABINET TREASURER REPORT

Your club has received invoices/statements from LCI. If you haven't received, please call LCI at 630-571-5466 and request your invoice. Also your President and/or Secretary can go into MYLCI under your club and print the invoice. MD4/4-L4 invoices will be sent out mid-February. If your club does not receive, please call MD4 at 805-963-6681 or email www.admin@MD4office.org. It is very important that each and every club pay the bills/invoices they receive from LCI and MD4 when they are received. District 4-L4 relies on each club paying their dues/invoice so that the District can operate.

As stated prior if your club secretary did not drop a member prior to Dec 31, 2018 your club is charged for that member by both LCI and MD4/4-L4. The two important dates for dropping members is June 30th and Dec 31st or that Lions membership is charged. There is not forgiveness anymore from LCI/MD4/4-L4.

Please call or email me if you have questions. CADL8029@yahoo.com 714-716-9380.

LIONS "ROCKIN' THE VEST" IN THE 2019 ROSE PARADE!!

What a beginning for the New Year. About 52 million people worldwide watched the Lions Clubs International float cruise down Colorado Boulevard. The flower-covered replica of a classic Cadillac with a cool Lion in sunglasses blasted out the "Rockin' the Vest" song to the delight of parade watchers.

It was all about the music. "Rockin' the Vest" was the idea of Past International Director Karla Harris of Milwaukee, Wisconsin. It shows Lions club members coming together in this humorous hip hop video. The lyrics focus on what wearing the yellow Lions club vest means to the community. Whenever a Lions club gets together, problems get smaller and communities get better. That's because we help where help is needed - in our own communities and around the world - with unmatched integrity and energy. What a great message to send to viewers around the world

This year highlighted some firsts. Riding on the float was our first female International President Gudrun Yngvadottir from Gardabaer, Iceland, the first female 2012-2013 MD-4 female Council Chair Lis Cooke, the 2015-2016 female MD-4 Council Chair Mary Rynerson, and the first female District Governor for 4-L4, our own Seal Beach Lion Ellen Liebherr. Walking alongside the float were "security guards" Seal Beach Lion Art Fry, International Director Candidate Lion David Radtke and his wife Penny and a number of other Lions who enjoyed waving to the crowded streets of Pasadena.

Lion Art got a lot of screen time but Lions Ellen, Liz and Mary were not seated on the camera side. No problem – they had a ball doing their silly "rapper" act which entertained the crowd, getting them up to dance to the music. Comments were made that our float was the most entertaining and original.

2019 4L4 VISION SCREENINGS

Thanks to an enthusiastic and caring 4-L4 team of volunteers, this New Year will bring *more* free vision screening services to *more* underprivileged people in the District. With new Lions on-board, we've been able to staff for two additional vision screenings in 2019: La Habra and the return to Huntington Beach.

Lions Club sponsors and District 4-L4 California Lions Friends in Sight volunteers will conduct five events providing free recycled eyeglasses to nearly 1,500 people. We will screen everyone for vision-threatening eye disease and advise those in need on how to seek care.

All in the District are invited to join in this remarkable work by becoming a regular volunteer for 4-L4 screening events. To see us in action, come to the first event on April 13th in Santa Ana or any of the more than 25 others scheduled throughout the year, including 5 in Mexico.

California Lions Friends in Sight 4-L4 Schedule:

April 13 - Santa Ana
June 1 - Location TBD (Chino Valley/Pomona Host)
June 8 - La Habra
July 27 - Huntington Beach
September 7 - Ontario

Lions Roar For A Cure

District 4L4 Pediatric Cancer Initiative

Children are a gift to the world, yet every two minutes a child is diagnosed with cancer and less than half of the world's children have access to effective care. Children who survive cancer are often left with debilitating effects that can impact their physical development and ability to learn. That's why Lions and Leos are answering the call to expand access to life-saving treatment and support the children and families who need us most. We are working to give children with cancer a second chance at life.

District 4L4 Pediatric Cancer Chair

First, I'd like to introduce myself to you. My name is Alexis Morgan and my world was turned upside down when I heard the words "you have cancer" when I was just seventeen years old. XOXO's usually mean hugs and kisses. For me, it has gotten a whole different meaning....

It all started back in 2008. Little did I know that a cosmetic surgery to remove a wart would change my life forever. By that time, I rarely ever heard anyone speak about 'cancer' nor did I know anyone close to me that has been touched by this disease. Not

knowing what cancer really was, I was quiet about it, didn't talk about it, or let alone have anybody give me sympathy for what I went through! I wanted to continue living as if nothing ever happened!

Cancer changes people. It sculpts us into someone who understands more deeply, hurts more often, appreciates more quickly, cries more easily, hopes more desperately, loves more openly and lives more passionately.

The bottom line is that I am passionate about spreading HOPE and raising awareness! I want you and your club to take the next step in the fight against cancer!

Hennessey's Tavern in Seal Beach will be hosting the annual head-shaving event on April 13th, 2019 from 12pm-3pm in downtown Seal Beach, CA in their parking lot. This event is proudly hosted and run entirely by Pediatric Oncology Nurses from Miller Children's Hospital, other oncology staff, Lions and most importantly the friends and family of children being treated in the oncology unit at Millers Children's Hospital.

FOOTHILL REGION CHAIR BOB TERRY

Greetings Fellow Lions. The Fabulous Foothill Region is really on a roll with Student Speaker Contests coming up and so many service projects under way. Later on in this section, you will see what our clubs are up to and how important we are to our local community.

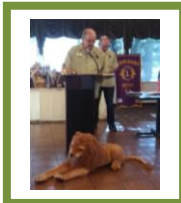

Zone Chairs Joey Amaro...Michael Shaw...and Mike Preston are up and running with the Student Speaker Contest and we can't wait to send a more than qualified representative onward for the competition. Cucamonga District Host was honored to have Governor Randy McMillan and 2nd Vice District Governor Steve Lacey visit their dinner meeting with 1st Vice District Governor Mark Piva unable to attend due to another commitment. Governor Randy inducted a "new" member who was a previous member years ago in another world and brought his beautiful wife and two gorgeous girls to share in the experience. Never have I heard an acceptance speech as humble and heartwarming as new member Bill delivered. As you read my recap, we will have already celebrated our 3rd District Meeting celebrating past PDG's. Please remember that we are on the downside of Lion's year 2018-19. I urge you all to start getting your new club officers in order and get all the LCI paperwork in order. And please take these great words to heart..."success is not final...failure is not fatal...it is the courage to continue that counts", Winston Churchill

FOOTHILL REGION ZONE A CHAIR JOEY AMARO

Governor Randy visited the Cucamonga District Host Lions and inducted "new" member, William "Bill" Belan. Lion Vivian Shiffman, aka The Basket Queen, presented the governor with a personalized "Dilly Dilly" gift basket for his official visitation.

Cucamonga District Host Lions also attended the third District Meeting in Fountain Valley.

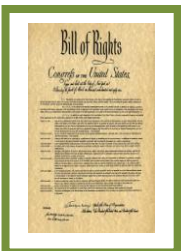

FOOTHILL REGION ZONE B CHAIR MICHAEL SHAW

Four score and eighty-two years ago, our Lion fathers brought forth to this continent, a new contest. Dedicated to the proposition that all students are created equal and that they have a fundamental right to be heard. Now we are engaged in a great Student Speakers Contest, testing the concept; "Freedom of the Press What Does It Mean?"

We met on a great battlefield of competition to provide an opportunity to stimulate a student's self-expression and independent thinking as well as enable students to hone their public speaking skills while addressing issues important to their community.

I have come here today to dedicate my article to thank those who have given so much of their lives that our contest might live. It is all together fitting and proper that I should do this. The world will little note, nor long remember what is said here, but it can never forget what the students did here. That this contest of the students, by the students, for the students shall not perish from the earth...Thank you, Scott Quinlan, Carol Linehan, PJ Smith and Dewey Linehan for spearheading this great contest.

On February 5th the Ontario-Host Lions will hold their Student Speakers Contest with five local students speaking on, "Freedom of the Press, what does it mean?" This is a subject that is now at the forefront of many discussions in today's political atmosphere. As a former history teacher, I researched what Thomas Jefferson had to say about this topic; "No government ought to be without censors: and where the press is free, no one ever will. If virtuous, it need not fear the fair operation of attack and defense. Nature has given to man no other means of sifting out the truth either in religion, law, or politics. I think it as honorable to the government neither to know, nor notice, its sycophants or censors, as it would be undignified and criminal to pamper the former and persecute the latter." **Thomas Jefferson**

This amendment guarantees an individual's right to express and to be exposed to a wide range of opinions and views. It was intended to ensure a free exchange of ideas, even unpopular ones! It is going to be interesting to see today's youth as individual's express their opinions and views on this topic.

FOOTHILL REGION ZONE C CHAIR MIKE PRESTON

If it's February, it must be time for the Student Speakers Contest once again, where our silver tongued high school students get to show their skills. Please make sure your students are aware of the dates for the Region Contest (3/25) and the District Contest (4/27) before they sign up. If they win your club contest and are unable to make the next contest, they will be disqualified and your club will be eliminated from the contest. The second place winner does not get to take their place! So let's try to avoid this happening. If the student can't make all these dates, they shouldn't sign up. Chino Valley is teaming up with Pomona Host to hold their Eye Clinic this year. They are hoping to boost the turnout, but you never know until the day of the event. Chino Valley is celebrating 30 years of being a Lions Club. Congratulations to them! A dinner is in the works.

January held lots of special events, both happy and sad, for Chino Valley Lions. The Melvin Jones Dinner recognized three of our members for their outstanding contributions to Lionism. We regrettably bid adieu to a long-time Lion who is moving to Florida. We even sent a contingent of members to a taping of "The Price is Right." They have pledged their audience-participation money back to the Club! Our Scouts did their monthly roadside cleanup along Grand Avenue. We inducted two new members, one of whom already went to the District Meeting—a Proud Lion, for sure! The Student Speakers Contest is on track to be one of the best ever, with several students signed up to participate.

The Diamond Bar Breakfast Lions Club held one regular and one Board meeting in December. Our guest was Mom Chang. December 7th was our Club Holiday party at Lion Jay and Rena's home. Thank you Jay and Rena for opening your beautiful home for us. It was a potluck so plenty good food and desserts. We had our annual gift exchange and white elephant exchange. It was a lot of fun. The very next morning we had the City of Diamond Bar's Snow Fest. Between the Lions and Leos we had ten booths. There were snow slopes to slide down, a snow area for the toddlers, food booths, game booths and a prize booth. The Leos not only helped at their booths but at other organization's booths and stayed at the end to help the city clean up. On December 13th we held our annual Santa Shop at Brookdale Senior Living. The residents got to pick items for themselves or gifts for their family. We provided all the items, juice and cookies. They enjoyed themselves. We volunteered at the Inland Valley Hope Partners farmers twice in December. The Leos from all four clubs (Diamond Bar HS Leos, Chaparral Leos, Lorbeer Leos and Diamond Bar Community Leos) helped at the Rose Float decorating barn on December 26th. They actually got to work on the float this time. Yea! Three Lions volunteered to make dinner at the Ronald McDonald House on New Year's Eve. Three lions also presented 20 sleeping bags to Inland Valley Hope Partners for the needy. The Leos were very busy this month; still collecting can goods, working the Snow Fest, decorating the float, working the farmers market, helping at Brookdale, ushering at the church, helping decorate at the church for their Christmas luncheon.

The Diamond Bar Breakfast Lions Club held two regular meeting and one board meeting in January. Mom Chang was the only guest at the first meeting. Sign-ups were taken for IVHP farmers market. President Cindee and Secretary Karen attended Zone "C" meeting at Lion Mike Preston's home. We had two guests at our second meeting; Mom Chang and Leo Ellis. Activities for January included volunteering at the Farmers market twice. Three Lions went to Inland Valley Hope Partners to donate 20 sleeping bags for the needy. Two Lions attended the District 4-L4 Leo meeting in Garden Grove and three Lions attended the District 4-L4 meeting on January 26th. The Leos had their regular and board meetings. They worked at the farmers market, ushered at church, planning to participate in the Leo Talent Show and the Leo Leadership camp at Teresita Pines. That's it. Wishing everyone a **Happy New Year** with lots of service activities to help those in need.

Eleven members of the Walnut Lions Club gathered at the home of members Bob and Gayle Pacheco to celebrate the holidays on December 6th. A great time was had by all, with potluck offerings and our annual gift exchange. Also on December 6th, 95 pairs of eyeglasses were collected from the collection box at the Walnut Senior Center. On January 19th Lion Becky Eskridge and her family attended a concert at the iconic Walt Disney Concert Hall. Tickets were offered to the Walnut Lions Club from the office of Supervisor Hilda Solis, which we were honored to receive. This was a wonderful opportunity for the Eskridge family to visit the concert hall and listen to music performed by the renowned LA Phil. On December 8th Pomona Host Lions' Annual Christmas parade was scheduled and our members Becky Eskridge and Tommie Hill attended to be of assistance. Also, on the same day, the Upland parade was held and members Bill and Karen Hormuth assisted Ken Myers with the event.

On January 24th the **Brea Lions**, along with extremely generous friends, the Soroptomists, and the Philharmonic Society of Orange County La Casa Committee donated 91 pairs of pajamas in a wide range of sizes to Bev Berryman from Crittenton Family Services.

ORANGE REGION ZONE C CHAIR CRAIG DURAND

Members of the **Garden Grove Host Lions Club** prepared and served meals for families staying at the Orange County Ronald McDonald House on Monday evening, January 21. Head chef and Past Club President Craig Durand prepared BBQ'd tri tip and homemade potato salad for the guests while other club members prepared accompanying side dishes, salads, desserts, and drinks. The photo at the left shows the Lions at work preparing the meal.

At the club's meeting on January 23rd, Lion LaVerne Reafsnider was presented his 70-year Lion membership chevron by Club President Ric Lerma along with a congratulatory letter from International President Gudruh Yngvadottir. Lion Laverne joined the **Garden Grove Lions Club** in 1949. He is the longest serving Lion in District 4-L4. See photo at left.

Under the leadership of Lion Ginny Moore, spouses of club members baked 21 dozen cookies to serve at the Garden Grove Boys & Girls Club Annual Youth of the Year Banquet. Julie Lake, Susie Lerma, Jackie Pierce, and Sally Carr volunteered to provide a variety of cookies for dessert for the 250 guests at the event.

The **Seal Beach Lions** organized and managed the city's annual holiday parade with a theme of "A Ruby Red Christmas" in honor of the 40th Ruby Anniversary. The parade included 101 entries in the parade with 3,258 participants. Forty-one (41) Lions were "in" the parade as participants with their businesses, other organization or children. 152 **Seal Beach Lions** 'worked' the parade along with 29 Leos. It was truly a night of outstanding Lionism. The spectator estimate is 14,000 plus an undetermined number of residents watching it LIVE on TV.

71 **Seal Beach Lions** and guests attended the annual **Seal Beach Lions** Christmas Party held at the Seal Beach Yacht Club. The evening began with a social hour followed by a tasty prime rib dinner. President Ryan Ziegenbusch honored our 10 Melvin Jones Fellows selected this year by detailing all the work that each has done. (See photo to the left) Dancing to *Three Signs of Trouble* got people out of their seats followed by trips to the donut wall for dessert.

On December 11th about 7 Lions and one yet-to-be Lion served Christmas lunch to the Leisure World Vision Impaired and Hearing Impaired group. There were about 80 participants that received a traditional holiday fare of turkey, dressing, potatoes, gravy, vegetables, salad, rolls and cheesecake dessert, all provided yearly by a local restaurant.

On Saturday, December 15th kids and parents enjoyed our annual Breakfast with Santa event held at the Marina Center. With about 350 people attending we fed them a great free breakfast while the children got a chance to visit with Santa.

On December 29th International President Gudrun Yngvadottie presented Lions Ray and Marilyn with her International President's Leadership award. These busy Lions have been working with the **Lions KidSight USA Foundation**, a nationwide program to safeguard the vision of children, concentrating on kids aged 6 months through 6 years, but screening through grade 12 where possible.

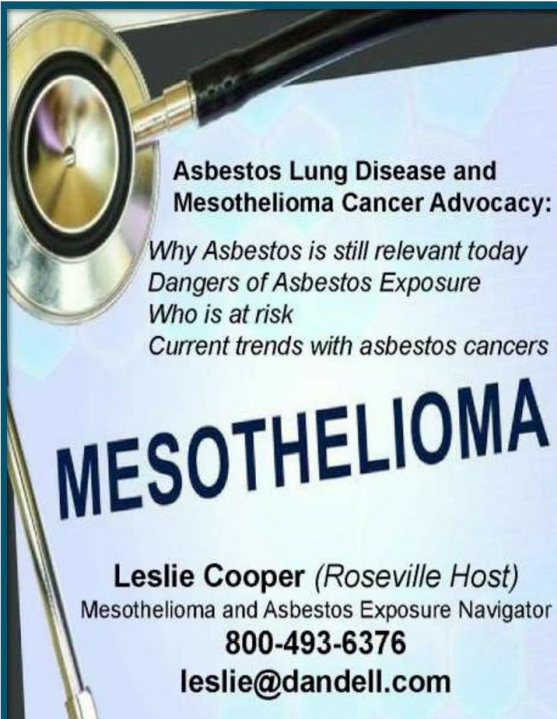

On Monday evening, December 3rd, a group of Lions worked to help the folks at the Youth Center Tree Lot. Trees were given a fresh cut and placed on stands, then lined up in the tents for prospective shoppers and watered. About 300-400 trees were processed.

An efficient team of Lions prepared dinner at the Long Beach Ronald McDonald House for about 40 guests with sick children at nearby Miller Children's Hospital.

CSULB (California State University Long Beach) hosted the 2018 Naples Island Rowing Challenge on November 4th. The **Seal Beach Lions** served 200-250 people, including rowers (both collegiate and masters), as well as coaching staff, parents and supporters.

12 new members were installed during the holiday season bringing the **Seal Beach Lions** membership up to 356 members.

Why Community service? – Saddleback Region Chair John Ulrich

Over the years, starting as a young man, I enjoyed being involved with community service in several locations around our country and now Laguna Niguel for over thirteen years. I have met so many great friends within the city staff and the many organizations that I have been involved with. So many friends, so many good works given from the heart by so many every day.

I haven't thought about it much over the years on why I do these things. However, recently I have been thinking about the many life lessons and benefits community service brings to those who engage in serving. I am including a few examples that I have experienced along with the many friends that I have met over the years. It is interesting to me that many of the examples that I noted below just happen and seem like natural everyday occurrences. However, they wouldn't happen without the many friends and service that we attend to each day.

I have often heard that volunteers get so much more than what we give. This is how I view this as I experience this every day. I feel I'm a better person due to the involvement with so many very impressive folks in our city. Former President George H.W. Bush once mentioned "Any definition of a successful life must include service to others." Not only that we have a successful life but we will be much happier.

Volunteering provides many benefits to both mental and physical health and helps counteract the effects of stress, anger, and anxiety. Volunteering also combats depression as we focus on the positive activities with community service.

The more we give, the happier we feel that we are doing good for others and the community and naturally increases self-confidence in all areas of your life. Volunteering provides a sense of purpose and accomplishment. Your role as a volunteer can also give you a sense of pride and identity.

Volunteering with and for others increases social interaction and helps build a support system based on common commitment and interests—both of which have been shown to decrease depression. The social contact aspect of helping and working with others can have a profound effect on your overall psychological well-being. Nothing relieves stress better than a meaningful connection to another person.

I can go on forever on the positive benefits of community service as I believe in the positive outcomes and benefits. I have personally experienced them all. I noticed service boosts our self-esteem and building a strong safety net for when you're experiencing trying times. Expanding your connections and the relationships you can create while volunteering creates endless possibilities.

I have to say I do look forward to walking in to City Hall, the Sea Country Senior Center, Senior Club office, Chamber office, Police Services (No Handcuffs) and other locations within our city to get a smile and "Hi John." Even the darkest day becomes brighter. It's the best ever and all due to community service and the friendships gained through these activities.

BTW, I came upon a study that mentions the estimated value of volunteer time for 2017 is \$24.14 per hour, according to Independent Sector, a coalition of charities, foundations, corporations, and individuals that publishes research important to the nonprofit sector. Thank you to all that invest time and service to all the service organizations. Great job all.

We have so many opportunities to serve in our community. I am involved with many of the activities in our city and maybe I can offer some suggestions that may fit your interests and passion to do good works. Feel free to give me a call or email johnulrich@cox.net

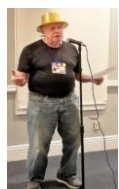

SADDLEBACK REGION ZONE A CHAIR MARIANNE HAHN

The Harbor Mesa Lions Club had had a very busy January. Ten of our members attended the Melvin Jones Dinner on January 13th. We were proud to honor Lions Jan Robertson and Dede Wilson with Melvin Jones Fellowships. Ten of our members also attended the District Leadership Training on January 19th. At the District Meeting on January 26th, nine of our members were in attendance. For our projects this month, on January 2nd we met at President Monica's home to stuff socks for our Veterans and homeless. Our club donated 900 pairs of glasses at our District Meeting. Several of our members met and put together centerpieces on January 9th for our local Acute Care Facility.

The Huntington Beach Host Lions Club started the year off with a "Happy New Year" meeting on January 3rd, singing "Auld Lang Syne" and giving many happy dollars for having good holidays. The second meeting brought us a new member, David Fell, who was sponsored by Lion Kirby Holte. 1st VDG Mark Piva officiated for the induction. We honored two members at the Melvin Jones Fellowship Dinner, Lions Steve Christy and Ray Walls. It was Ray's first MJF and Steve's third. Both members are dedicated to the good work we do and always go that extra mile. The club members are off and running for making this year's CrabFest another big success. This big event will be held at the Huntington Beach Senior Center in Central Park on Sunday, March 24th. Tickets are limited to 300 and are already selling at a steady pace. We urge all who would like to come to get their tickets early as we always sell out.

Here is Huntington Beach Host Lions' month in pictures:

The Orange Chinese American Lions of OC are sad to report that longtime Lion Steve Chen (1933-2019) passed away on January 25th. Lion Steve Chen had been a Lion since 5/1/2003. He served as Club President and District Zone Chair. Fellow Lions will be attending his memorial service on February 10th. District Governor Randy McMillan visited our regular meeting on January 15th. Our club was very proud to receive the "LIONS CLUBS INTERNATIONAL CENTENNIAL EXCELLENCE AWARD FOR 2017-2018." The award was presented to our amazing Immediate Past President Aileen Lee. We are so proud to have received this award. It is an amazing achievement for our club. President Fay Huang, Morgan Huang and Eddie Young attended the 3rd District meeting on January 26th. Secretary Morgan Huang made a short presentation of our club's history and activities. The AASCSC (Asian American Senior Citizen Service Center) will celebrate Lunar New Year on Friday, February 15th at the Seafood Cove #2 in Westminster as seen below.

The **Tustin Host Lions** were proud to recognize Lion Judy Siegel as a recent Melvin Jones Fellowship recipient at the District 4-L4 Melvin Jones Fellowship Banquet in January. Several club members were in attendance. **Tustin Host Lions** Beth Burger and Tony Coco met new Miss Tustin Contestant Veronica Chapman at the Miss Tustin Sponsors Mixer on January 20th. The **Tustin Host Lions Club** has sponsored a contestant for the Miss Tustin Scholarship Program for many years.

SADDLEBACK REGION ZONE C CHAIR PATTY COLLISON

The **Laguna Niguel Lions** are finishing up the month of January looking forward to a successful 2019. Micky Scholte's long legacy of well over 80,000 glasses collected has been turned over to several members of our club due to his health issues. The club has collected 10,833 glasses and 2123 cases since July 01, out pacing last year's totals with five months remaining for the year. We are making Micky proud as we strive for 20,000 total for the year. Micky misses the traveling to the many collection points and his interactions with the offices staff as they also miss him as well.

The club continues to work vision clinics. The most recent was held at Light House Church in Costa Mesa resulting in over 120 homeless folks receiving eye evaluations and glasses. Always an inspiration to everyone as we witness the day and dedication of so many. We also receive requests from schools and individuals seeking eye care that are forwarded to Doctor Powers Griffin (over 35 years as a Lion) to provide the care. Member recruitment continues to be an important priority during the year and will continue into the coming months. We added three new members recently and hope to add quality folks during the coming months as we ramp up recruitment during the next few months. Just ask with a proud elevator speech of what the Lion's do for the community. Great projects, great people as we all serve the community. The Student Speakers Contest has always been a great success at the Club, Zone and Region levels. We all look forward to the event as we kick off the club level on Feb 6th and on to the zone and region contests. The event is one of the highlights of the year as the local high school staff and club members support the event with high energy sent our way by the amazing high school students. Patty Collisson attended the International Lions Breakfast on 12/31. Laguna Niguel supports the City of hope each year. Our international President attended as the City of Hope honors the Lions each year. They repeated a big thanks to Lions for our support for so many years. The Japanese Garden at COH and the Family Center were both funded by Lion contributions. The club is looking to initiate several fund raisers as we progress through 2019. We have chosen a new charity committee that has brought new energy to the cause. We are considering whale watch trips, theater events, partnering with neighboring clubs and more. The club will continue to partner with the Niguel Botanical Preserve, Community Theater and others as we support each event and bring the community together. A nice win/win for everyone as we gain new friends and promote the **Laguna Niguel Lions** and community service clubs. Our next fundraiser and social event (Feed the lions) will be held on Jan 30th at 5:00 pm at Tony Pepperoni Pizzeria. Come join the fun and social time with the hungry Lions. The Laguna Niguel club has initiated a Club Branch relationship with the **Laguna Beach Riviera** members. They now have 8 members. We expect a solid and productive partnership with mutual assistance and idea shearing that eventually will result in **Laguna Beach Riviera** becoming a full club as they pass the 20 member mark in the near future.
