A MESSAGE FROM DISTRICT GOVERNOR RANDY MCMILLAN

To the Lions and Leos of District 4-L4. My year as your Governor is coming to a close. I was honored to serve the Lions and Leos of this District for the 2018–2019 year. The District Cabinet officers have worked very hard and it's proof that we as ONE TEAM WITH ONE DREAM ARE LIONS IN ACTION TO SERVE!! The leadership classes led by Global Leadership Team Coordinator Seth Eaker held each quarter were a huge success this year. The emerging leaders of our clubs and district will benefit from all the training provided at these classes. This program will continue to develop leaders for our future.

The Global Membership and Global Service Teams are developing new ideas for attracting members and increasing service projects for our district to grow stronger. Thank you Team Coordinators Steve Christy and Scott Newton. Thank you to all of our District Lions and Leos for showing enthusiasm, spirit and the kindness of your heart to all you served in your community and district this year! The convention in Palm Springs was a great celebration for all your hard work this year. There were many clubs and Lions honored for their outstanding year!

Single Service Men and Women Gift Basket

For the last two years the Chino Valley Lions Club has put together Christmas baskets to be given to service men and woman that are here at Camp Pendleton. These service men and woman are away from their loved ones during Christmas. We put together a little joyful basket to brighten their holiday. Partnered with Operation Christmas, our club sent 25 baskets the first year and 50 baskets last year. Our amazing Governor Randy McMillan has asked our club if we would like to take this district wide! Of course we would! If your club is interested, please send Lion Shannon an email to @shannonsehne@gmail.com. She will get your club all the information they need and the Chino Valley Lions will help walk you through the steps. Thank you for your support.

A MESSAGE FROM FIRST VICE DISTRICT GOVERNOR MARK PIVA

What a year it has been! The last twelve months have seen a resurgence in enthusiasm, activities, and smiles. District Governor Randy told us he works for us and he has shown it. He reminded us why we are Lions, to work together, and why we should be proud of what we do. The District Convention in May was a great example of the type of year it has been and what we all can expect in the coming Lions year. I enjoyed working with District Governor Randy the past few years and look forward to no longer having to carry his luggage or wash his truck.

I joke about this, but it is also an example of the type of Governor he has been and the type of leaders we should be in our clubs. He was there to help set-up, put out tables and chairs, and carry boxes and he was there to vacuum and clean up. He showed us we are all Lions and we should not be afraid of meeting Mr. Broom. Lion year 2018-2019 will be remembered with pride. It will be remembered as the beginning of moving our legacy in a new century of service. I am looking forward to continuing this legacy.

THOUGHTS FROM SECOND VICE DISTRICT GOVERNOR STEVE LACEY

As I sit to write this column, my mind keeps going back to the incredible District 4-L4 Convention that just finished up in Palm Springs. What an event it was in so many different ways! To start with, the people attending! 120+ attendees including 27 first-timers. It was so great to see the large number of our clubs represented. At times it might only have been 1 or 2 people from a club...but they were there, participating, joining in, being uplifted and inspired by all that went on...and then able to go back to their home clubs and 'tell the story' of what went on.

Then there were the awards and recognitions that were given out (a list of many of them is printed elsewhere in the Forum). Some were presented to individuals, others to clubs, and all so well-deserved. It was a true joy and honor for me to help in presenting the Centennial Achievement patches to so many of the clubs, recognizing them for their work in the 4 (now 5) key areas of Lions service to the community and the world. I loved the look on each person's face as they came forward to receive the awards on behalf of their club. And don't forget all the fun we had....the Friday game night was great....the receptions a wonderful time for 'mingling' with one another...a bowling and a golf tournament and the Saturday night event filled with marvelous entertainment and everyone 'dressed to the 9's' (we looked so good). This is an event that we hope more and more people will attend in the years to come. Some people used to set up 'Christmas funds' at their local banks to be ready for the expenses of the holidays. In the same train of thought, why not set up a 'convention fund' so that you will be able to attend next year?

CABINET SECRETARY REPORT

Good Morning, and here we are in June...where did this year go?? This will be my last Cabinet Secretary Article and I want to say it has been such a great year for me personally as a Cabinet Secretary. It has been so great to work with the wonderful group of club secretaries we have had in District 4-L4 this year. I feel that I have gotten to know so many of you better and enjoyed our work together.

I cannot tell you the work that goes into working on the District level, but all the members that I have met this year, presidents, secretaries, zone chairs, region chairs, VDGs and especially Governor Randy have made this year enjoyable. I want to thank everyone involved with District 4-L4 for being so good to me and supporting me as Cabinet Secretary. Governor Randy has made this year a dream and I was honored to work alongside him with his goal of making clubs come first. **Thank You Randy!** This convention was the best one so far and I was so glad to be a part of the team to help put it on. Thank you to PCC David Radtke for his hard work as chair and that of the entire committee. It was fun and so uplifting. **We are District 4-L4!** Congratulations to all of the winners this year, but in truth you are all winners.

ONE LAST ITEM: SECRETARIES, PLEASE SUBMIT YOUR PU101 FORMS ASAP AFTER YOUR ELECTIONS. THESE ARE VERY IMPORTANT FOR GOVERNOR ELECT MARK AND HIS TEAM.

Thanks you and keep the efforts going, keep having fun and again, we are in this together.

CABINET TREASURER REPORT

Thank you again to all the Club Treasurers who have paid their Jan-June 2019 Invoices. On July 1st 2019 LCI and MD4 will be sending out new dues invoices. Remember if you plan on dropping members so that your club is not charged for them it must be done prior to June 30th or your club will still be charged for members who have not paid you. If your club has not paid its invoice please do so as soon as possible because as our District finishes our last month of operating under Governor Randy there are a lot of expenses that need to still be paid.

District 4-L4 relies on each club paying their dues/invoice so that the District can operate. **There are 3 clubs who still have not paid their dues, this means the District is out over \$500.00 in revenue.** It is very important that each and every club pay the bills/invoices they receive from LCI and MD4 when they are received. It has been a pleasure serving as your District Treasure this Lions year. Please call or email me if you have questions. CADL8029@yahoo.com 714-716-9380.

DISTRICT 4-L4 CONVENTION IN CATHEDRAL CITY!!

Fellow Lions, I am honored and humbled that you selected me for this year's District 4-L4 Lifetime Achievement Award. I am honored because there were other very talented Lions from which you could just as easily have made your selection. I am humbled that I walk in the footsteps of PDG Ken Sherwood and the other Lifetime Achievement Award recipients who preceded me. As anyone in my position knows, what we accomplish in our journey through life is only possible with the collaboration and support of many others to whom I am indebted. As Helen Keller said: "Alone we can do so little; together we can do so much". There are no truer words for how Lions are successful in meeting the needs of our communities.

Thank you again for your confidence and support.

Yours in Lionism.

Gil Smith

Thank you. When your club takes the time to nominate you for District Lion of the Year you feel so fortunate to be a member of a club that recognizes all that you have done for them and the District as a Lion. I've been extremely fortunate in the 27 years I've been a Lion to be thanked for my service in the three Lions Clubs I've been associated with as a member.

Thank you from the bottom of my heart Huntington Beach Host Lions for nominating me and then to be awarded and recognized at the District Level as Lion of the Year. I love being a Lion. I have been given so many opportunities in my Lions life to enjoy doing the things I love to do. Thank you District 4-L4 for this great honor.

2018-2019 YOUTH EXCHANGE PROGRAM – Lion Diane Quinlan, Chair

I am overjoyed at the response to our request for donations to help sponsor Youth Exchange Events. I want to thank all the clubs that sent in a donation. Every year one my biggest supporters is the Orange Lions Club, thank you again for your continued support of our program. I want to make sure that the district understands that most of these students that come over do so on a scholarship from a contest in their country or from their local Lions Club. While there are some whose family is paying the way that is only a few. Most come over with little money for fun or to buy mementos so your donations make it possible for 4-L4 to be part of their life long memories. I personally am in touch with all of the students I have hosted and they keep me up to date on their life, as are most of our host families. Most students say this experience was a once in a lifetime dream come true.

We are sending out several students this year, but not as many as in years past. Keep in mind for next year that the world is open to them. We now can send students almost everywhere there is a camp. Camps start taking applications in February through March. We can at times place a late applicant, but with very limited choices.

I want to invite all of you to participate in the YEP Thanksgiving Feast. If you wish to join the fun please contact me. An RSVP is required so we have a head count for the food. It is a \$10 fee for a full Thanksgiving Dinner. We have nine incoming students and have for the first time Slovakia. Each student will give a 2-3 minute presentation on their country. If you come and your club has club pins please think about bringing one for each student as they love to go home with these to show their host Lions Club.

We have a new host family this year and two returning families that have not hosted for a few years. Unfortunately, we had an issue with California Camp this year and the students are only coming for two weeks. They were going to miss the camp experience that so many wanted, so our committee stepped up and with the help of Lions Camp at Teresita Pines we are hosting a three day two night camp and the students are excited. All host families are sending their students and most are coming to camp as well. We have opened the camp up to Leo and High School Students so the international students have an opportunity to meet and get to know local students. As of today, we only have 5 slots remaining for students to attend. If you know someone between 15-19 that wants to attend have him or her contact me.

Lions Roar For A Cure

District 4L4 Pediatric Cancer Initiative

Children are a gift to the world, yet every two minutes a child is diagnosed with cancer and less than half of the world's children have access to effective care. Children who survive cancer are often left with debilitating effects that can impact their physical development and ability to learn. That's why Lions and Leos are answering the call to expand access to life-saving treatment and support the children and families who need us most. We are working to give children with cancer a second chance at life.

District 4L4 Pediatric Cancer Chair

First, I'd like to introduce myself to you. My name is Alexis Morgan and my world was turned upside down when I heard the words "you have cancer" when I was just seventeen years old. XOXO's usually mean hugs and kisses. For me, it has gotten a whole different meaning....

It all started back in 2008. Little did I know that a cosmetic surgery to remove a wart would change my life forever. By that time, I rarely ever heard anyone speak about 'cancer' nor did I know anyone close to me that has been touched by this disease. Not

knowing what cancer really was, I was quiet about it, didn't talk about it, or let alone have anybody give me sympathy for what I went through! I wanted to continue living as if nothing ever happened!

Cancer changes people. It sculpts us into someone who understands more deeply, hurts more often, appreciates more quickly, cries more easily, hopes more desperately, loves more openly and lives more passionately.

The bottom line is that I am passionate about spreading HOPE and raising awareness! I want you and your club to take the next step in the fight against cancer!

FOOTHILL REGION CHAIR BOB TERRY

Greetings fellow Lions from the Foothill Region. So many things are still happening even though we are winding down our 2018-2019 year, but in all reality, there's ALWAYS something going on in the fabulous 4-L4! For those of you that were able to attend our convention, I'm sure you had a great time...met some new friends and/or reconnected with some old friends. I personally met a new friend for life at the golf tournament, Lion Robert Williams from East LA Lions. Even though he's young enough to be my child, he is "old" in Lions and truly an asset to 4-L2. A special shout out goes to **Pomona Host** for their attendance AND by having PDG Gil Smith being awarded the Lifetime Achievement honor and Lion Anne Henderson being selected as Club President of the Year. The Foothill Region was well represented, with 7 of 8 clubs in attendance...**Cucamonga District Host**, **Chino Valley**, **Pomona Host**, **Ontario-Host**, **Upland**, **Ontario-Upland** and **Walnut**. Also, **Chino Valley** was awarded for their Holiday Military Basket program and **Ontario-Host** for their holiday food giveaway. All in all, it was a great weekend and I suggest you make plans to attend next year in San Diego.

Cucamonga District Host Lions previously awarded a \$500.00 scholarship that was mentioned in last month's Forum, but newly elected 1st VDG Steve Lacey and his wife Susan were so impressed by the second place finisher that they donated \$250.00 and awarded another scholarship to Claire Evans, a senior at Alta Loma High School who will be attending BYU at the recent **CDH** dinner meeting...very generous of the Lacey's. And in conclusion, this will be my last contribution to our Forum, since a new cabinet will be on board in July. A huge Thank You to Cathy Waters for putting this great publication together and for her encouragement. And not to be a party pooper, but if you have a club that has 20% of the Lions doing 80% of the work, then take these words to heart, "An ounce of action is worth a ton of theory". Ralph Waldo Emerson.

FOOTHILL REGION ZONE B CHAIR MICHAEL SHAW

As the dust settles from this year's outstanding 4-L4 Convention, the Zone B Foothill clubs were honored with some prestigious awards. **Pomona Host's PDG Gil Smith**, was honored when he accepted District 4-L4's **Lifetime Achievement Award**. He said that he was humbled that he walked in the footsteps of PDG Ken Sherwood and the other Lifetime Achievement Award recipients who preceded him. **Pomona Host's Anne Henderson** was awarded this year's **President of the Year Award**. President **Michael Shaw** of **Ontario-Host** Lions accepted the **District 4-L4 Project of the Year Award** for his club's work with its holiday food basket program.

In July my duties will end and I wanted to take this opportunity to express my thanks for an incredible year. I want to thank the **Pomona Host** and the **Ontario-Host** clubs for your "call to arms" when your members were needed. To the Governor's cabinet members for your acceptance and making the job so much fun. To our District Governor, Randy McMillan, thank you for having faith and confidence in me to once again be a Zone Chair. **"Team work"** is the ability to work together towards a common vision. The ability to direct individual accomplishments toward organizational objectives. It is the fuel that allows **common people to attain uncommon results.**" Andrew Carnegie Thank you all for your accomplishments and being **that uncommon result**.

The **Ontario-Host** Lions were honored at this year's District 4-L4's Convention with the **Project of the Year** award for their Holiday Food Basket program for the needy. They also received the 4 **Diamond Centennial Service Challenge** patch and the **Diabetes patch** for their work with the Health and Wellness Fair in February. On Thursday June 20th the **Ontario-Host Lions** will hold a **Golf Tournament** at the Sierra La Verne Country Club. The **Ontario-Host Lions** have been serving their community since 1922. They are comprised of men and women whose goal is to help those in need. This special golf tournament will provide funds for their important programs. For more information on supporting the golf tournament or the **Ontario-Host Lions**, please call (909) 596-2100.

The **Pomona Host Lions** had two very interesting guest speakers at our two General Membership Meetings in May: Pomona Police Chief, Michael Olivieri and Superintendent of Pomona Unified School District, Richard Martinez. Each gave a very interesting and detailed report on positive changes and improvements in his department/district respectively. Our first guest speaker in June will be from Jet Propulsion Laboratory. At our monthly Feeding the Homeless on May 21st, we served about 130 people a delicious dinner which included a Tex-Mex style ground beef, beans, macaroni casserole and mixed veggies cooked and served by our members. The 2nd Annual Pomona Children's Festival was held on May 25th. We brought our giant bubble making fun to the festival. 400 children signed up to participate. We didn't count the children who visited us, but we went through three gallons of bubble mixture at four stations and 10 bubble wands available throughout. If we had had a fourth gallon of the bubble mixture, there were children who still wanted to make bubbles. Many of their parents got in on the action as well. A good time was definitely had by all. Another Roar for Reading was also held in May. Books are given to first graders. For some, if not most, of the children, this is the first book of their very own that they get to choose and keep. Our Installation of Officers is will be held at Pomona Valley Mining Company on Thursday, June 20th.

FOOTHILL REGION ZONE C CHAIR MIKE PRESTON

Last weekend I went to the District 4-L4 Convention and it really hit home that another year of Lions has passed. We voted on the Governor for next year (Mark Piva won in a squeaker) and elevated Steve Lacey to 1st VP. It has truly been a pleasure working with the **Chino Valley**, **Diamond Bar** and **Walnut** Clubs as your Zone Chair this year. Your willingness to all work together to make things happen has truly been inspiring to me. The groundwork we laid this year should serve the new club officers well. Our new Governor has decided to make some changes to the hierarchy of the District next year, so please keep an open mind and a willingness to accept change as we move forward. I'm sure you will be hearing from him shortly. I intend to soldier on and get more involved in Lions wherever I am needed. Namaste!

May was exceptionally busy for the **Chino Valley Lions**! Our Scouts did their usual fine job of cleaning up the roadside along Grand Avenue, while the adults turned out in force for the Planes of Fame Air Show at Chino Airport. Some of us manned the admission gates to earn money for our club, and the rest of us sold our yummy ice cream from our trailer near the parking lot. All in all, a very successful weekend! We hosted 2nd VDG Steve Lacey at our regular meeting, where he encouraged us to buy raffle tickets for a chance to ride on the 2020 Rose Float. One of our members represented us at the District 4-L4 Convention, where we were presented with an award for the Project of the Year: our Christmas Baskets for service members away from their families at Christmas. (See flyer in this issue of the Forum for how you can join us!!) Five local students are wearing new glasses as a result of referrals from their school nurses. And finally, we hosted a combined meeting with our Ayala High School LEOs, where DG Randy installed new officers for both Lions and LEOs. Graduating sniors were presented with cords and sashes to recognize their accumulated service hours. DG Randy was really impressed!

The **Diamond Bar Breakfast Lions** Club held two regular meetings and one Board meeting in the month of May. Mom Chang was the guest at all our meetings. One Lion volunteered at the Inland Valley Hope Partners Farmers Market on May 11th. We continue to have our "Empowering the Brain" through Mahjong on Mondays 2-4 pm at Brookdale Senior Living. Four Lions volunteered at the City "Day of Service" on May 18th as well as our Leos. They helped clean Sycamore Park, planted trees and painted fences. The City provided lunch for all the volunteers. Some of the activities the Leos participated in this month included; working at South Pointe's "Music at the Pointe", ushering for Northminster Church, work at City's "Day of Service". This is the month for Leo Installations. Lion Sergio Gonzalez conducted the installation for the Lorbeer Leos on May 7th. He also did the installation for the Diamond Bar Community Leos on May 13th. Thank you Lion Sergio. The Diamond Bar High School Leos held their introduction of new officers at the Holiday Inn on May 17th. Congratulations to all the New Leo Officers for 2019-2020!!! The District 4-L4 Leo Installation will be coming up June 2nd. We are preparing for the **Diamond Bar Breakfast Lions** Club Installation which will be held on June 22nd at our Lion Julie's Cafe. We are also preparing for our Lion/Leo Duck Race Fundraiser on June 7th. The ducks are \$5 each. If any Lion wants to help with our fundraiser please contact President Cindee or Secretary Karen. That's it for the month.

Walnut Lions Club members Becky Eskridge and Tommie Hill attended the recent District 4-L4 Convention in Palm Springs. In the words of Becky Eskridge: "Tommie and I had a great time at District 4-L4 Convention. We attended all the business meetings, enjoyed all the good meals and met a lot of Lions. We room hopped on Friday to all the open hospitality rooms and learned a lot from the International Director and his lovely wife from Indiana. Weather was very windy but we were indoors. A great time was had by all!!!"

The **Harbor Mesa Lions** have been very busy for the month of May. We met at our President's home to stuff socks for the homeless. We are working hard on our upcoming Fashion Show Fundraiser scheduled for June 1st. Our club is in the process of working on our fall fundraiser which will be a Quartermania. Our Service Committee is meeting to discuss new service projects. We will be inducting our new Board on June 3rd. The Executive Board will be meeting to set the calendar for the upcoming year. Five of our members attended the District 4-L4 Convention in May. Five of our members attended Ontario Upland's Spring Tea.

The **Huntington Beach Host Lions** are claiming bragging rights after the convention as we are so proud of our awards, etc. **HB Host Lion** 1st VDG Mark Piva won the election and is now the District Governor Elect. District Treasurer Lion Carol Linehan is the "District Lion of the Year" and our newsletter won the District Bulletin award. We had sixteen members and three wives at the convention to cheer, celebrate, participate and march in the parade for Mark. It was certainly an exciting time for us. We enjoyed the hotel and all the "doings" over the weekend that seemed to go too fast. We are also so very proud of our Leo's club President Cherrisse Vu, who won a \$500 scholarship from Teen Recognition and also a \$500 scholarship from the Fountain Valley Women's Club. Cherrisse will be attending UCLA and studying neuroscience. She intends to start a Leo club on the campus. We celebrated our Leo's Club at a picnic where the Advisors, Lions Robert Sanchez and Scotty Quinlan, presented them with awards as well as their club banner and stand.

SADDLEBACK REGION ZONE B CHAIR MORGAN HUANG

Lion Eddie Young represented the **Chinese American Lions of OC** at the District 4-L4 Convention on May 18th. On May 5th, the **Chinese American Lions of OC** hosted Taiwanese Cuisine for the 2019 Taiwanese American Heritage Week In Orange County at the Taiwanese Culture Center in Santa Ana. Around 300 guests attended this big event to sample traditional Taiwanese food. A celebration of Taiwanese Heritage Week was held at the Memorial Hall, Chapman University on May 23rd. This year the entertainment was a puppet show instead of the traditional dance presentation. Three D technology and modern music was used to present an amazing story of good vs. evil in our native language with subtitles in English so all audience members could follow the story. The puppets were intricate and beautiful and reminded many of their early childhood experiences. We will not have our annual Installation Celebration this year as President Fay will continue as President for a second term. All 2019-2020 officers will be installed at our regular monthly meeting. Newly elected Secretary Helen Pettus and Treasurer Yvonne Yang will attend officer training on June 15th.
